Docket No. 990632-TI; Blegbi, Inc.

CC: Linda Williams

.....

This is to request that a admendatory order be written changing the name of the above docket to Blegbi, Inc. only. When I checked Corporations the name registrated is Blegbi with Intelcom, Inc. as a cross-reference. Intelcom, Inc. could not be registered because the name was already taken. Therefore, they registered under Blegbi, Inc. and not as a d/b/a. I did not stop it in time and was approved under the wrong name.
