===NOTE==========8/26/97=10:17am==
Per our conversation, please change the docket title to read:

"Application for certificate to provide

pay telephone service by Freedom

Communications, Incorporated -

Nebraska."

Just to remind you, the above company applied with the Secretary of State for the name Freedom Communications, Inc. and that name is already in use, so Mr. Houchin had to change his company name to the above.
Thanks!
