Subject: fwd: MCI/WorldCom filing

===URGENT=NOTE========11/30/97=12:48pm==========
CC: Linda Williams

We received a filing from Floyd Self requesting approval of a transaction where MCI will merge with and into TC Investments, Corp., a wholly-owned subsidiary of WorldCom, Inc., which will be renamed MCI Communications Corporation, and holders of MCI Common Stock will received shares of WorldCom Common Stock pursuant to an agreed-upon Exchange Ratio.

Do we open a new docket? Docket 971375 is similar to this filing, but Floyd Self has filed a motion to withdraw application in that docket. Would there be justification for putting this new filing in that docket?

I believe we can continue in the same docket. Just withdrawn the old application and replace with new.

Will do. DN 12130-97 will be placed in 971375. We will also change the docket title to reflect the new action. (Martha and Tommy, please check the docket title to be sure it captures the action the PSC has to approve. Is a name change or cert. cancellation involved? Please let me know if so, and we will further change the title.)

Linda, please change docket title--based on this note--to:

Request for approval of merger of MCI Communications Corporation (holder of AAV/ALEC Certificate 2986 in the name MCI Metro Access Transmission Services, Inc.; and IXC Certificate 61, PATS Certificate 3080, and AAV/ALEC Certificate 3996 in the name MCI Telecommunications Corporation) with TC Investments Corp., a wholly-owned subsidiary of WorldCom, Inc.
