Nonnye, I have found from talking with Wayne that West Florida Natural Gas Company no longer "exists." What we will need to do as far as company codes is the this:

(1) Make the WFNG company code inactive once the order acknowledging the name change in 971134 becomes effective, (2) use the existing Peoples Gas System, Inc. company code for "Tampa Electric Company d/b/a Peoples Gas System" (change name assigned to the company code) once the order acknowledging the name change in 971135 becomes effective.

Linda, please print this e-mail and enter it in the two dockets.

Please let me know if questions! Kay
