Dear Mr. Childs:

On September 29, 1997, Orlando Cogen Limited filed its First Request for Production of Documents to Staff (Nos. 1-2) which asked for the following:

1. All documents, data compilations, memoranda, analyses or other written or electronically stored information used or relied upon by Paul Stallcup in the preparation of his written testimony in this docket.

2. All workpapers, documents, data compilations, memoranda, analyses or other written or electronically stored information prepared by or for Paul Stallcup related to his testimony in this docket.

On the same date, OCL filed a public records request which sought, inter alia, the documents listed above. On October 3, 1997, Staff provided these documents for OCL's inspection pursuant to the public records request. Staff believes, therefore, that it has provided a complete response to OCL's First Request for Production of Documents to Staff (Nos. 1-2).

Please contact me if you have any concerns regarding the adequacy of Staff's response to OCL's request for production of documents.
