HELPING HANDS

MAY 2013

Partnerships, or “Helping Hands,” are essential to help raise public awareness.

Many state agencies and organizations are “PSC Helping Hands,” who assist Florida’s Public Service Commission in serving consumers with resolving utility issues, learning energy and water conservation practices, and providing the Lifeline Assistance telephone discount program.

A Public Service Commission “Helping Hand” is recognized each month in 2013.

The PSC’s partnership with **WORKFORCE plus** has helped Florida’s unemployed stay connected to potential job opportunities through the Lifeline Assistance program.
