I. NOTICE OF INTERVENTION

The Florida Public Service Commission (FPSC) is a state public utility commission whose interests are not adequately represented by any other party in the proceeding. The FPSC, pursuant to Chapters 350, 366, and 403, Florida Statutes, is given the authority to regulate electric utilities within the State of Florida and to exercise the police power of the state for the protection of the public welfare. Further, the FPSC has jurisdiction in Sec. 366.051, Florida Statutes, to establish guidelines relating to the purchase of power or energy by public utilities from cogenerators or small power producers and for setting the rates for those purchases. Section 366.91 and 366.92, Florida Statutes, require the FPSC to promote the development of renewables. Section 366.015, Florida Statutes, encourages participation by the FPSC in Federal agencies' proceedings that affect those utilities over which the FPSC has primary regulatory jurisdiction. Florida Power & Light Company is a utility regulated by the FPSC. Pursuant to 18 C.F.R. 385.214, the FPSC hereby files this Notice of Intervention.
