INTERVENTION

The above filing relates to the merger of a utility subject to FPSC jurisdiction, Florida Power & Light, with Entergy Corporation. The FPSC notes that we are not seeking a hearing in the FERC docket. The FPSC, pursuant to Chapters 350 and 366, Florida Statutes, is given the authority to regulate electric utilities within the State of Florida and to exercise the police power of the state for the protection of the public welfare. Section 366.015, Florida Statutes, encourages participation by the FPSC in Federal agencies' proceedings that affect those utilities over which the FPSC has primary regulatory jurisdiction.

WHEREFORE, the FPSC has timely filed this notice of intervention.

Respectfully submitted,

Cynthia B. Miller, Esquire
Bureau of Intergovernmental Liaison
