Item 3

**Docket No. 20170142-SU** – Application for amendment of Certificate No. 137-S for extension of wastewater service territory in Brevard County, by Merritt Island Utility Company, Inc.

(Continued from previous page)

**Issue 2:** Should Merritt Island Utility Company, Inc. be required to show cause why it should not be fined for an apparent violation of Section 367.045(2), F.S., for serving customers outside of its Commission approved territory?

**Recommendation:** No. Staff recommends that the Utility’s apparent violation of Section 367.045(2), F.S., does not rise to the level which warrants the initiation of a show cause proceeding. Therefore, MIU should not be required to show cause for serving customers outside of its Commission approved territory.

**APPROVED**

**Issue 3:** Should this docket be closed?

**Recommendation:** If the Commission approves staff’s recommendations in Issues 1 and 2, no further action will be necessary, and this docket should be closed upon issuance of the order.
