Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian and retired Federal Officer age 55+, I am extremely dissatisfied with Florida Power & Light stance on processing tax cuts resulting in windfall revenue.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings that were passed directly to the end service customer; not the investment shareholder.

I implore you to consider what is fair for the populous and direct FPL to do what is right. An extra few dollars saved each month is extremely important for those of us on fixed incomes.

Regards,
Douglas J. Eyes

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Douglas Eyes
