FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

My husband is 90 and I am 87 and trying to live on a retirement salary.
We have been good paying customers for many years regardless of our income, even if it meant we had to make adjustments to our expenses.
I believe that we should be given a reduction in our monthly power bill.

Sincerely
Mrs. Marcia Vangunten

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.
We need lower rates, now!

Sincerely,

Mrs. Marcia Vangunten
