Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

My name is Dolores Lombre and my address is:
825 Regency Reserve Circle, Unit 3703

Re: Docket #20180046

To say that I am upset is an understatement! Me and other taxpayers are helping to subsidize your approximately \$650M tax cut and you're not going to give your customers any reductions in our rates!!

Your audacity is only superceded by your greed! You need to rethink this misguided corporate decision fast and in a hurry and give us customers a reduction in our rates immediately!!!!

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Dolores Lombre
