Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian over the age of 60, I'm severely disappointed that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders. Customers across the U.S. are enjoying lower bills as a result of the tax savings. We here in Florida should receive lower bills too. As the cost of everything goes up, any savings are a great help.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Joe Thorpe
