Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian it is unfortunate that I must continue to struggle in order to pay my light bill while Florida Power & Light is granted a massive tax cut and chooses to pass on those savings to shareholders instead of their Customers. I too would like to enjoy lower bills as a result of a tax savings just like others throughout many cities in the US.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Damaris Ramos
