Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 60+, I am appalled at the rates that us Floridians pay for our electric bills. When you received the nice tax break it would have been great had you shared that with your consumers instead of the investors. I have trouble paying my bill monthly and it would be a huge benefit to have the costs lowered.

Please consider this request.

Regards,
Nancy Mastous

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.
We need lower rates, now!

Sincerely,

Ms. Nancy Mastous
