DOCKET NO. 20190001-EI  
ORDER NO. PSC-2019-0196-CFO-EI  
ISSUED: May 30, 2019

ORDER GRANTING DUKE ENERGY FLORIDA, LLC'S REQUEST  
FOR CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 03493-2019)

On April 3, 2019, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Duke Energy Florida, LLC (DEF) filed a Request for Confidential Classification (Request) of portions of Exhibit No. JM-1T attached to the testimony of Jim McClay (Document No. 03493-2019).

Request for Confidential Classification

DEF contends that the information contained in Exhibit JM-1T attached to the testimony of Jim McClay, more specifically described in Exhibit C to its Requests, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. DEF asserts that this information is intended to be and is treated by DEF as private and has not been publicly disclosed.

The information contained Exhibit No. JM-1T contains hedging procedures, hedging savings/costs, individual hedging transactions, and hedging volumes. DEF contends that the disclosure of this information would impair its efforts to negotiate fuel supply contracts in the future on the most favorable terms possible. DEF argues that this information is protected by Sections 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The hedging information contained in Exhibit JM-1T, if disclosed, could adversely impact DEF's competitive interests as well as the competitive interests of its fuel suppliers. Disclosure of bid evaluations, pricing and quantities of fuel will also impair DEF's ability to enter into the most cost effective contracts with its fuel suppliers. Thus, the information identified in Document No. 03493-2019 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless DEF or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Gary F. Clark, as Prehearing Officer, that Duke Energy Florida, LLC's Request for Confidential Classification of Document No. 03493-2019 is granted, as set forth herein. It is further

ORDERED that the information in Document No. 03493-2019 for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Gary F. Clark, as Prehearing Officer, this 30th day of May, 2019.
