Subject: Request for Oral Modification, Docket 20190076-EI

Staff requests approval for an oral modification to Item 12, Docket 20190076-EI -- Petition for approval of revised underground residential distribution tariffs, by Duke Energy Florida, LLC, currently scheduled for the October 3, 2019 Agenda. Staff's proposed modification corrects the effective date of the proposed tariff. This change does not alter staff's recommended approval of the utility's proposed URD tariff rates. The request is a result of the cancelation of the September 5, 2019 Agenda Conference due to Hurricane Dorian.

Staff proposes the following modifications:

Issue 1:

Should the Commission approve Duke's proposed URD tariffs and associated charges?

Recommendation:

Yes, the Commission should approve Duke's proposed URD tariffs and associated charges, as shown in Attachment A, effective ~~September 5~~ October 3, 2019. (Draper, Coston)

Conclusion

Staff has reviewed Duke's proposed URD tariffs and associated charges, its accompanying work papers, and its responses to staff's data request. Staff believes the proposed URD tariffs and associated charges are reasonable. Staff recommends approval of Duke's proposed URD tariffs and associated charges as shown in Attachment A, effective ~~September 5~~ October 3, 2019.
