

Florida Public Service Commission

HELPING HANDS

AUGUST 2013

Partnerships, or "Helping Hands," are essential to help raise public awareness.

Many state agencies and organizations are "PSC Helping Hands," who assist Florida's Public Service Commission in serving consumers needing utility issues resolved, energy and water conservation information, and Lifeline Assistance telephone discount program applications.

The Tallahassee Senior Center helps the PSC reach seniors throughout the Big Bend with information on energy and water conservation, Lifeline Assistance, and utility bill assistance.

A Public Service Commission "Helping Hand" is recognized each month in 2013.
