Subject: Rule 25-6.065

Dear Mr. Futrell & Ms. Marr,

The City of Alachua, Public Services Department currently does not have any net metered customers. We are working with the Florida Municipal Electric Association (FMEA) to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation. We understand the deadline for adoption of this policy is July 1, 2009.

Please contact my office if you have any questions.

Sincerely,

Roland E. Davis, EI
