Re: Rule 25-6.065 FAC

Dear Mr. Futrell and Ms. Marr,

The City of Bartow currently does not have any net metered customers. We are working with the Florida Municipal Electric Association to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation. We expect to adopt this policy by Summer 2010.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "E. Radford". The signature is written in a cursive, flowing style.
