

City of Alachua

TRACI L. CAIN
CITY MANAGER

PUBLIC SERVICES
DIRECTOR MIKE NEW, P.E.

**City of Alachua Report to the Florida Public Service Commission
Pursuant to Rule 25-6.065 FAC
Calendar Year 2010**

Due April 1, 2011

Dear Mr. Futrell and Ms. Marr,

The City of Alachua currently does not have any net metered customers. We are working with the Florida Municipal Electric Association (FMEA) to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation. We expect to adopt this policy in the near future.

Please contact me if you have any questions.

Sincerely,

Mike New, P.E.
Director of Public Services
