Florida Public Service Commission  
Diana Marr ([dmarr@PSC.STATE.FL.US](mailto:dmarr@PSC.STATE.FL.US))

RE: Rule 25-6.065 FAC

Ms. Marr:

The City of Blountstown currently does not have any net metered customers. We are working with Florida Municipal Electric Association to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation. We expect to adopt this policy in the near future.

Please contact me if you have any questions.

Sincerely,

Emory Pierce  
City Manager
