Florida Public Service Commission

RE: Rule 25-6.067 FAC

Dear Mr. Futrell and Ms. Roberts,

The City of Wauchula currently does not have any net metered customers. We have been working with FMEA to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation which is currently under review by our legal counsel. Upon completion of that review we will be presenting documents to Commission for their review and approval within the next 4 months.

Please contact me if you have questions.

Sincerely,

A handwritten signature in blue ink that reads "James A. Braddock". The signature is fluid and cursive, with the first name being particularly prominent.
