Re: Rule 25-6.065

Dear Ms. Hinton,

The City of Moore Haven currently does not have any net metered customers. We are working with the Florida Municipal Electric Association to develop a net metering policy and standardized interconnection agreement for small customer-owned renewable generation. We expect to adopt this policy in the near future.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, which appears to read "Maxine Brantley". The signature is fluid and cursive, with a large loop at the end.
