March 18, 1993

Attached is the March 18, 1993 issue of the South Florida Demand and Facility (D&F) Charts. Included in this issue are the following items:

1. Index by planner, design and equipment engineers.
2. South Florida NXX report.
3. Summary of projects shipping/servicing this year.
4. Report of replacements and cutover activity.

As always, any questions related to the attached charts may be referred to the person whose name appears in the lower, right-hand portion of the entity chart. Matters relating to the D&F Chart distribution list are handled by Marian Wells at (305) 492-2375. All other inquiries may be directed to me at (305) 492-2671.
