NOTICE OF RESCHEDULING

The FLORIDA PUBLIC SERVICE COMMISSION announces the rescheduling of the following docket to a regular Commission Conference. This docket was previously noticed for a Special Commission Conference to be held on Friday, December 17, 1993.

Docket No. 921074-TP - Petition for expanded interconnection for alternate access vendors within local exchange company central offices by Intermedia Communications of Florida, Inc.

In order to allow staff time to incorporate the parties' response briefs on the "Taking" issue into its post-hearing recommendation to the Commission, the December 17, 1993 Special Commission Conference has been cancelled. The matter will be addressed at the Commission's regular January 18, 1994 Conference.
