Local Transport Restructure; Docket Nos. 921074-TP,
930955-TL, 940014-TL, 940020-TL and 931196-TL

Dear Ms. Bayo:

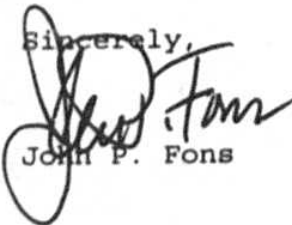

Enclosed for filing in the above-referenced docket are the original and five (5) copies of Central Telephone Company of Florida's Request for Confidential Classification. Attachment "A" to this document represents an edited version of the documents to which this Request relates. The unedited version of Attachment "A" was submitted to the Division of Records and Reporting under confidential cover on April 25, 1994.

Because of the number of pages of documents (over 300 pages), copies of the edited version of Attachment "A" are not being served on the parties. However, if any party wishes to review the edited version, arrangements may be made with this office to do so.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

John P. Fons

CENTRAL TELEPHONE COMPANY OF FLORIDA'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION

Central Telephone Company of Florida ("Sprint/Centel-Florida" or the "Company"), by and through its undersigned counsel, and in accordance with Section 25-22.006, Florida Administrative Code, files this Request for Confidential Classification within twenty-one days of filing its Notice of Intent to Request Confidential Classification, and says:

1. Sprint/Centel-Florida requests that the documents previously submitted to the Division of Records and Reporting on April 25, 1994, with the information asserted to be confidential highlighted in yellow, be classified as "proprietary confidential business information" within the meaning of Section 364.183, Florida Statutes (1991). Attachment "A" is an edited version of the documents on which the information asserted to be confidential has been blocked out.

2. Document No. 1 of Attachment "A" was provided to the Division of Records and Reporting, together with a Notice of Intent to Request Confidential Classification, on April 25, 1994, as an Additional Response to Staff's First Set of Interrogatories, No. 3 a.

3. Document No. 1 of Attachment "A" consists of Sprint/Centel-Florida's bills to a Small IXC (Attachment One); a

Medium IXC (Attachment Two); and a Large IXC (Attachment Three). The highlighted and redacted portions of these documents should be considered confidential because disclosure of that information would harm the Company's ratepayers and/or the business operations of the Company, as well as the Company's IXC customers.

4. The page-by-page justification required by Section 25-22.006(4), Florida Administrative code, including statements concerning how the ratepayers and/or the business operations of the Company will be harmed if this information is disclosed to the public, is attached hereto and incorporated herein by reference as Attachment "B."

5. The information in Attachment "A" is intended to be and is treated by Sprint/Centel-Florida as private, confidential information and has not been disclosed to the public.

WHEREFORE, Sprint/Centel-Florida respectfully requests that the Commission issue an order declaring that the highlighted and redacted information in the documents in Attachment "A" is proprietary confidential business information and exempt from disclosure under the public records laws of the State of Florida.

CENTRAL TELEPHONE COMPANY OF FLORIDA'S
FIRST REQUEST FOR CONFIDENTIAL CLASSIFICATION

CONFIDENTIAL DOCUMENTS

Page-by-Page Justification

ATTACHMENT "B"

The following data on the documents identified as Attachment "A" is confidential.

Document No. 1	Page	Data Point	Line(s)	Columns	Justification
Attachment 1	S-1 to S-57	--	All	Quantity and/or Dollar Amount	Note 1
Attachment 2	M-1 to M-187	--	All	Quantity and/or Dollar Amount	Note 1
Attachment 3	L-1 to L-100	--	All	Quantity and/or Dollar Amount	Note 1

Note 1: The blocked-out information shows the quantity of access usage and/or the dollar amount of access charges for such usage on a detailed basis for a small, medium and large IXC. This information is confidential; the disclosure of this information would harm the Company by making detailed access usage and charges available to the Company's access competitors at no cost. In addition, it would allow the competitors of the IXCs whose access billing information is reflected in these documents to have valuable marketing information at no cost. This is information which the Commission has traditionally treated as proprietary confidential business information.
