To whom it may concern:
I had unknowingly left out the specific monetary settlement in my 2000 Regulatory fee assessment report, which I had originally filed (see attached copy).
At this time my company proposes the specific monetary settlement of \$100.00 fine for the non-filing of the Regulatory report due to the reasons outlined on my first proposal.

Sincerely,

Kenneth P. Wilson

Docket No. 011280-TX
Net One International, Inc.

Dear Mr. Wilson:

On October 8, 2001, the Commission received the company's payment for the 2000 Regulatory Assessment Fee, along with its proposed settlement. Unfortunately, I cannot recommend acceptance of your settlement without the company proposing a specific monetary amount. There is normally a \$500 fine associated with this rule violation. However, in other similar cases, the Commission has accepted settlements between \$100 and \$500.

Please amend your settlement proposal by including the docket number and a specific monetary settlement amount. If you have any questions, please let me know.

Thanks, Paula

To whom it May concern:
Enclosed please find our ALEC Regulatory Assessment Fee Return for the period of
3/29/00-12/31/00.
As per Docket # 011280-TX we are remitting a check for past due fees plus penalty &
interest charges as instructed by the commission.

The following is a statement regarding steps to prevent this from happening in the future.
As with any new venture (started in July 2000) there were some items, which we were
unaware of such as this filing requirement and the lack of support to carry out this filing.
We have now corrected this by utilizing an outside service (Telecom Compliance
Services) for the handling of all our public service commission filing. They are a
reputable firm that specifically has the knowledge and capability to keep up with all tax
compliance and filings, which are required in today's ever changing world.

Waiver of Objective Statement

The Company agrees to waive any objection to the administration cancellation of its
certificate should it fail to pay in accordance with its settlement offer. If, however there is
a factual dispute as to the manner of compliance or level with any provision in the
settlement, Commission Staff will bring the matter to the Commission for consideration ;
and make a specific monetary settlement.
