## CUSTOMER COMMENTS

I oppose the use of reclaimed wastewater because I feel it is a health hazard. It should definitely not be used in residential areas.

If the reuse project plan is approved, no costs should be passed on to non-users.

Bob, is this investigation of Sanlando's possible overearnings considered either a "surveillance review/reverse make whole proceeding" or a "statutory periodic earnings review"? (Trying to decide how to categorize the docket.) Kay Flynn

Marshall received an e-mail from a Mr. Louie Damiani who is a board member of the Wekiva Hunt Club Community Association. He is very interested in getting reuse supplied to the association since the reuse line is supposedly going by them. He said he has spoken with Sanlando (Jerry Salsano) and they have verbally agreed to supply them with reuse, probably at no cost (per Jerry). He would like to be kept advised of all happenings on the reuse docket. I told him as of now, we expect Sanlando to file a revised reuse application in March 2000. I am also sending an e-mail to Tim asking him to add Mr Damiani as a party of record. He is also an Assistant Commissioner for Orange County.
