Re: Docket No. 990696-WS

Dear Mr. Melson:

This will acknowledge receipt of an application for original certificate to operate water and wastewater utility in Duval and St. Johns Counties by Nocatee Utility Corporation, which was filed with this office on June 1, 1999 and assigned the above-referenced docket number. Appropriate staff members will be advised.

Mediation may be available to resolve any dispute in this docket. If mediation is conducted, it does not affect a substantially interested person's right to an administrative hearing. For more information, contact the Office of General Counsel at (850) 413-6078 or FAX (850) 413-6079.

Please make notes as well that Commission Rule 25-22.005(7), F.A.C., requires certificated companies to notify the Commission of any changes in name, telephone, address, or contact person. Should your application be granted by the Commission, you will be expected to comply with this rule by advising us of any changes as they occur.

Hillsborough County, Collier County, Citrus County, and Sarasota County had appealed the Commission's order denying them intervention in consolidated Docket Nos. 990696-WS and 992040-WS concerning Nocatee Utility Corporation and Intercoastal Utilities, Inc.'s applications for water and wastewater certificates in St. Johns Counties. The Commission filed a joint motion with Nocatee Utility Corporation to dismiss the appeals, which the 1st DCA granted today. According to the court, the appeal was "dismissed without prejudice to appellants' right to timely pursue review after final agency action." The court also denied the appellants alternative request for certiorari.

RE: COLLIER COUNTY BOARD OF COUNTY COMMISSIONERS v. FLORIDA PUBLIC SERVICE COMMISSION, 1st DCA CASE NO. 1D00-3127, and BOARD OF COUNTY COMMISSIONERS OF HILLSBOROUGH COUNTY v. DEASON, 1st DCA CASE NO. 1D00-3115 (PSC Docket Nos. 990696-WS and 992040-WS)

On October 26, 2000, by two separate per curiam opinions, the First District Court of Appeal granted the joint motions of the Commission and Nocatee Utility Corporation to dismiss the appeals filed by the Board of County Commissioners of Hillsborough County, Collier County Board of County Commissioners, Citrus County Board of County Commissioners, and Sarasota County Board of County Commissioners. The counties had appealed the Commission's Order No. PSC-00-1265-PCO-WS, which denied their intervention in the ongoing proceedings concerning Nocatee Utility Corporation and Intercoastal Utilities, Inc.'s applications for water and wastewater certificates in St. John's Counties.

The appeals were dismissed without prejudice for the counties "to timely pursue review after final agency action." The court also denied the counties' alternative requests for certiorari review.

Copies of both opinions are attached.

Subject: RE: 990696 and 992040

The Recommendation paragraph of issue 21 should be corrected as follows:

Delete the first word of the first sentence, "While," and capitalize "The." Also, change the first word of the second sentence from "Nevertheless" to "However"

A verbal correction will need to be made at agenda.

thank you,
Lorena

Samantha, please look at wording in rec portion of Issue 21 on this rec. I believe the wording may need to be amended slightly. Can you advise how the sentence should read? If so, we will show it correctly on the agenda page and vote sheet and a verbal correction can be made at agenda. (Dr. Bane would need to be advised.)
