December 15, 1995

Dear Customer:

On May 9, 1995, the Florida Public Service Commission ("FPSC") issued a Final Order requiring each of the customers of Tamiami Village Utility, Inc. to pay a wastewater service availability charge to North Fort Myers Utility, Inc. of \$740.00. A motion for Reconsideration was filed by the Public Counsel, which was granted in part and denied in part by an Order dated August 8, 1995. In that order, the FPSC reaffirmed North Fort Myers Utility, Inc.'s right to collect a service availability charge of \$740.00 from each customer formerly served by Tamiami Village Utility, Inc. The Public Council has appealed those Orders alleging that the appropriate wastewater service availability charge is only 50% of the ordered amount.

While that appeal is pending, the FPSC has authorized North Fort Myers Utility, Inc. to collect the full \$740.00 service availability charge, but it is required to escrow 50% of the charge pending the final outcome on appeal. If the appellate court reverses the FPSC Orders, then you will be entitled to a refund, with interest.

Within the next 30 days, you must either pay North Fort Myers Utility, Inc. the full \$740.00 or make arrangements to pay the charge on an installment basis of \$15.72 per month for 5 years, which includes simple interest at 10% per year. If you choose to pay on an installment basis, you must contact North Fort Myers Utility, Inc. to sign the appropriate papers.

RE: Tamiami Village Inc & N. Ft. Myers Utility Inc
Docket No 971179-SU

Order No PSC-99-1068-PAA-SU

Received lost document issued May 25, 1999 and no other information on this case, why is it taking so long for the final say on this actual taking the \$740⁰⁰ from the tenants of Tamiami Village. Maybe I should have paid this \$740⁰⁰ on installments instead of under protest as a lot of others have and would have just stopped sending them the monthly payments just as they are stalling on the return of this money or a good part of it.

Please write back as the case now stands as I am in need of this money just as N. Ft Myers Utility is now stalling.

Thank you for any report you can give.

Re Docket No 971179-SU

RECEIVED
FLORIDA PUBLIC
SERVICE COMMISSION
00 MAY 22 AM 8:55
MAIL ROOM

Enclosed is a letter from (NFMU) North Ft. Myers Utility dated Dec 15th 1995 requiring each customer of Tomiami Village Inc To pay (NFMU) \$740⁰⁰ to hook up to their sewer lines which we already were hooked up to and I believe that no way does it cost \$740⁰⁰ for each customer to hook up to this line anyway the Florida Public Service Commission (FPSC) gave authority for (NFMU) to use 50% of this amount \$370⁰⁰ and escrow \$370⁰⁰ until this case was resolved. I paid the total \$740⁰⁰ copy of check on 1/10/96 and it has taken the (FPSC) four & one-half (4 1/2) years to decide the case. In the meantime this money has been eaten up by expenses and lawyers with no final agreement and no refund to me as the letter states when the appellate court finally comes to a solution on the charge I would get a refund with interest (When)

This AM. I am reading that (NFMU) is threatening Buccaneer Park in the News Press to pay their hook up fee and monthly bill or they would shut off the sewer, also. I believe that Windmill Park and a few of the Tomiami Village rentals have received a refund if refunded by (NFMU) or by the park owners I couldn't get while I am still (4 1/2 years) without a definite solution to this case.

Please advise what has become of this case and when I will get a part of this \$740⁰⁰ back if any. I believe this is highway robbery on the part of all retired people living in these parks and on a set income no help from the local Commissioners nor the Florida Public Service Commission.
