Subject: Party of Record/Certificate of Service

Dear Ms. Davis,

This letter is to provide BellSouth's Party of Record/Certificate of Service information to the personnel in your division. With the changes in personnel handling legal document filings and notices for the Florida Public Service Commission, and with the numerous locations of BellSouth, there is sometimes confusion as to which BellSouth address should be used when serving documents or sending notices. BellSouth's local Tallahassee office is the "official service" location for docketed and undocketed matters. This address is:

Nancy B. White, Esquire
BellSouth Telecommunications, Inc.
c/o Ms. Nancy H. Sims
150 So. Monroe Street
Suite 400
Tallahassee, Florida 32301-1556

The attorney name may be different depending upon the case involved, but the Tallahassee address should always be used. If this address is not used, then it is difficult to determine the proper response timeframe.

I would appreciate your help in providing this information to your staff as we have recently had filings and notices sent directly to Miami and to Atlanta. If you have any questions, please let me know.

Thank you.

Yours truly,

Nancy H. Sims

Kay, I agree with your interpretation of the order.

I also agree that IDS's request (DN 11648-01) takes care of 11140-01. Thus, there has been a request made for those documents and they should not be made public.

I looked, and I also cannot find a request for DN 11141-01. Suzanne, can you help us out here? Do you know whether a request was ever made for this document?

Mary Anne --

Thanks for responding.

If I'm reading the order correctly, it does look like a ruling was made on 11560 and 11649 (see pgs. 3 and 6 of the order). We won't return those documents.

For 11140-01, can you take a look at IDS's request (DN 11648-01) filed 9/18? Does that request "subsume" DN 11140-01 into the conf. documents filed with the request? If so, I will change the status for 11140-01 from "filed under NOI; awaiting req" to "req filed."

I cannot find that a request was ever filed for 11141-01, filed under NOI on 9/6. If not, normal procedure would be to place the document in the public record since no timely request was filed. Can you confirm that no request was filed? (I'm concerned I may be overlooking a mention of the document made in a subsequent request.)

As for the depositions, I won't return them (or any other confidential documents) without direction from you!

Kay

If there are documents listed in my 10/9/01 e-mail that have been ruled on, they do not have to be returned. That being the case, I rescind my request for Document Numbers 11560-01 and 11649-01.

I didn't realize that Document Numbers 11140-01 and 11141-01 had no confidentiality ruling. I am not showing a confidentiality request was ever made for these filings. Does that mean they are now public?

For Document No. 11523-01, I am showing there was a claim for confidentiality filed. Therefore, we should be able to keep that document.

The remaining documents that you list are deposition transcripts that the Commission bought. Jim Meza with BellSouth has filed a letter converting BST's request to a claim, so the deposition transcript for Batcher should remain confidential without a ruling. I have asked Suzanne Summerlin to do the same for the remaining deposition transcripts, and I am expecting her letter this week. Please do not return the deposition transcripts.

We are working on returning to the source(s) the listed confidential documents in your 10/9/01 memo. The memo indicates no rulings were made on confidentiality of the listed documents--but Order PSC-01-1884 did rule on DNs 11560-01 and 11649-01. Will that make any difference in whether or not these two should be returned?

What about these documents:

11787-01
11788-01
11789-01

They haven't had rulings.

Will you advise to return these also?
