BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Investigation into pricing of unbundled) Docket No.: 990649A-TP
network element)
_____) Filed: February 8, 2002

**BELLSOUTH TELECOMMUNICATIONS, INC.'S
REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION**

COMES NOW, BellSouth Telecommunications, Inc. ("BellSouth" or "Company"), and pursuant to Rule 25-22.006, Florida Administrative Code, files its Request for Specified Confidential Classification.

1. On February 8, 2002, BellSouth filed its Responses to AT&T and MCI's 2nd Set of Interrogatories. BellSouth's response to Interrogatory, Item No. 20 contained Attachment No. 1 and Attachment No. 2, which contain information that reflects BellSouth's cost to provide certain services. In addition, this information is used by BellSouth in conducting its business and is considered a trade secret.

2. BellSouth hereby files this Request for Specified Confidential Classification because the information contained in Attachment No. 1 and Attachment No. 2 to Interrogatory, Item No. 20 contains vendor-specific pricing information and other confidential business information that could cause competitive harm to BellSouth, and is confidential and proprietary under Florida Statutes, Sections 364.183 and 364.24.

3. Attachment A to BellSouth's Request for Confidential Classification contains an explanation of the proprietary information along with a list that identifies the location of the information designated by BellSouth as confidential.

4. Attachment B to BellSouth's Request for Confidential Classification is a redacted copy of the confidential information.

5. Attachment C to BellSouth's Request for Confidential Classification is a sealed envelope containing one copy of the proprietary document which is confidential and proprietary.

6. The information contained in Attachment No. 1 and Attachment No. 2 to Interrogatory, Item No. 20 includes vendor-specific pricing information, confidential business information and customer proprietary information. A more specific description of this information is contained in Attachment A. Public disclosure of this information would provide competitors with an unfair advantage in future negotiations. Corresponding information on competitors is not available to BellSouth. The information discussed in this Request for Specified Confidential Classification is valuable and BellSouth strives to keep it secret. Therefore, such information should be classified as confidential business information and customer proprietary information pursuant to Section 364.24 and Section 364.183(3)(e), Florida Statutes. Accordingly, it should be held exempt from the public disclosure requirements of Section 119.07, Florida Statutes.

6. BellSouth has treated and intends to continue to treat the information for which confidential classification is sought as private, and this information has not been generally disclosed.

7. The original of this Request was filed today with the Division of the Commission Clerk and Administrative Services and a copy was served on the Parties.

WHEREFORE, based on the foregoing, BellSouth respectfully requests that the Commission enter an order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted this 8th day of February, 2002.

FPSC Docket No. 990649A-TP
Request for Confidential Classification
Page 1 of 2
2/08/02

REQUEST FOR CONFIDENTIAL CLASSIFICATION OF BELLSOUTH'S RESPONSE TO AT&T AND MCI'S SECOND SET OF INTERROGATORIES, ITEM NO. 20, FILED FEBRUARY 8, 2002, IN FLORIDA DOCKET NO. 990649A-TP

Explanation of Proprietary Information

1. This information reflects BellSouth's cost to provide certain services. The public disclosure of this information would provide BellSouth's competitors with an advantage in that they would know the price or rate below which BellSouth could not provide the service, therefore, it would be inequitable and unfair for BellSouth's competitors to have access to BellSouth's cost information. In addition, this information is valuable, it is used by BellSouth in conducting its business and BellSouth strives to keep it secret. Therefore, such information is a trade secret which should be classified as proprietary, confidential business information pursuant to 364.183, Florida Statutes and is exempt from the Open Records Act.
