Kay, I am sorry that it took me a while to get back to you. I was out sick last week. The company must also apply for a rule waiver in order to be granted a new PATS certificate after the certificate is cancelled. I am going to find out where this leaves us in terms of processing the application. You can leave the documents in the undocketed file for now. I will let you know what needs to be done with them. Thanks, Jessica

Jessica, this document shows a deposit of \$100 for Equity Pay Telephone Co., Inc. Their check came in along with 4 pages from a PATS application form. In talking with Paula, I understand you had instructed the company to apply for a new PATS cert and provide a letter along with the app. and filing fee, this after the PSC canceled their original cert for rule violation.

We have placed the deposit record and app. pages in our undocketed file.

Please advise if we need to do anything further concerning this filing.

Ray called the company and let them know the application needs to be completed. We will let you know when they get back with him and we can get this moving. Thanks, Jessica

Yes, I do remember this. (I also found a paper copy of this e-mail in the undocketed file with the material we received in February.) I had talked with Paula first and then e-mailed you. I was waiting to hear back on further handling. Can you advise now on what should be done?

Kay
