Re: RE: Docket No. 001503-TP
Request for Confidential Treatment

Dear Sir or Madam:

Enclosed please find copies of two documents. One is a Confidential and Proprietary disaggregated list of the amount billed to Florida telecommunications carriers for the costs of thousands-block pooling administration in Florida. That document is marked Confidential and Proprietary on each page, and we hereby request that it be maintained as confidential and proprietary. The information contained in it is confidential not only to NeuStar, but also to the carriers identified in it. NeuStar is filing this document in response to a request by Commission staff, specifically the Director of Competitive Markets and Enforcement, accompanied by assurance that the document will be kept confidential.

The second document is the redacted version, as required by your rules. It is marked on each page as redacted. Because the great majority of the document is confidential, very little information has not been redacted.

Sincerely,

A handwritten signature in cursive script that reads "Barry W. Bishop".

Cc: Robert Casey, FPSC
Barry Bishop, NeuStar
Amy Putnam, NeuStar
