Kay,

TECO/Peoples Gas System and Peoples West Florida are two of the companies that participate in the natural gas conservation program. The latter three, Atlantic, Indiantown, and Sebring do not participate in the program. Thank you.

Cheryl, I'm opening this -04 docket and have a question about names on the "req to est dkt" form. What is "TECO/Peoples Gas System, West Florida"? We don't have a company with a name like that or similar to it.

Also, what about Atlantic d/b/a South Florida Natural Gas, Indiantown Gas Company, and Sebring Gas System, Inc. Those names aren't on the list as parties. Should they be?

Re: Docket No. 010004-GU; City Gas Company of Florida; Audit Request: Energy Cost Conservation Recovery Clause; Audit Control No. 01-068-4-1

Dear Mr. Wall:

The Florida Public Service Commission will audit the energy cost conservation recovery clause in accordance with Commission audit procedures. Access will be requested to documents and records of the utility and, if necessary, supporting records for affiliate company transactions that affect regulated operations. Staff auditors may also request to review the utility's external audit working papers for the most recent independent audit. Kathy Welch, (305) 470-5600, the district office supervisor, will coordinate this audit. Questions regarding the audit or audit staff should be directed to the district supervisor or myself. My phone number is (850) 413-6487.

The Audit Access to Records rule for each industry states:

In those instances where the utility disagrees with the auditor's assessment of a reasonable response time to the audit request, the utility shall first attempt to discuss the disagreement with the auditor and reach an acceptable revised date. If agreement cannot be reached, the utility shall discuss the issue with successive levels of supervisors at the Commission until an agreement is reached.
