My secretary, Margie Edmondson, determined that the ALEC is registered with the Secretary of State's office, under that name. It is not necessary for the ALEC to be certificated with us at the time the agreement becomes effective -- must be certificated in order to operate under the agreement. FYI, BellSouth does have a policy of not entering into agreements with ALECs that aren't certificated.

Just got Kim's "out of office" reply. Can you forward as appropriate?

Thanks.

Kims, this is an agreement amendment between Verizon and "Nextel South Corp." We don't have a regulated company by that name.

Can you check and advise?

Thanks.
