RE: Western Telecom, Docket No. 991936

Dear Mr. Bernheim:

Attached are all of the Florida Public Service Commission documents responsive to the discovery served upon you in Washington State. The documents reflect all internal and external Commission communications, from staff and all third parties. Also included are certified copies from the Commission's Docket File, including copies of the Commission's Orders and proof of service.

The Commission has determined that we will seek to have our agency Order reduced to a Florida Judgement, which could then be domesticated in Washington State. If you could provide me with Western Telecom's registered agent in Washington, as well as information on any process servers you may be able to recommend, I would very much appreciate it. Please let me know if you have any further questions or need any additional information.

Sincerely,

Lawrence D. Harris Senior Attorney
