FYI- Metstream Communications

I contact Mr. Henne, he states that the company is completely dissolved. He thought that he had sent a letter of cancellation to the Commission but it was to the Division of Corporations, he is sending the information to CCA to cancel, I informed him that he cannot cancel voluntarily since the dockets are open, it is unclear the outcome of these dockets, he offered his certificate in lieu of the fine amount, which is fine except if the dockets are closed by staff. If that is the case than the letter of cancellation should be fine.

Subject: Case Assignment

I recently received a case assignment Docket Number 011490-TX stating that MetStream Communications, Inc. violated Section 364.183(1) Access to Company Records.

MetStream has been closed since March. I have been winding down the company and am trying to finalize the closing of all state certifications. I do not remember seeing any request for information and if there is something you need, please let me know.

Even though MetStream registered in Florida, no business was ever conducted there.
