We really need to open a separate docket for the application.

Will 011653 be closed based on receipt of the application?

We could handle the application in the original docket (No. 011653-TI).

Dale, we received a letter yesterday from Lori Samuelson of the company referencing this docket (noncompliance, no certificate), providing an explanation (see the PDF of DN 01832-02 in CMS) and attaching an IXC certificate application and app filing fee.

We are separating the application from the letter (we will make a note of this on the letter and in the description in CMS) and opening Docket 020132-TI to process the application.

Please let me know if questions.
