Yes, when we get the form from Fiscal it's with the deposit information on it. So, I'll open it as voluntary cancellation. Thanks Paula.

Your email just said you got the form, it did not say whether or not the company paid the 2001 RAFs. So...

If payment for the 2001 RAF for both certificates was included, you can open a docket to grant the company a voluntary cancellation of its certificates.

If payment was not included, you can open a bankruptcy cancellation docket. If you make it a bankruptcy cancellation, please use the following docket title:

Bankruptcy Cancellation by the Florida Public Service Commission for Interexchange Carrier Certificate No. 5748 and Alternative Local Exchange Carrier Certificate No. 5707 issued to Rhythms Links Inc., Effective 12/31/01.

Let me know which one it is. Thanks.

Hi Paula. We have a copy of RAF forms for 2001 RAFS from the above company (TX232 and TJ170). We also have a copy of their letter requesting cancellation of these certs. Is it ok to open docket? They say that Rhythms NetConnections voluntarily filed for reorganization under Chapter 11 Bankruptcy.

Kay:

I agree with you that the PAA order should be removed from the Web page.

By copy of this E-Mail, I will alert Harold that there was a problem with this PAA order because it was sent for issuance before the item went to Agenda for Commission consideration. To the best of my knowledge this has never happened before, nonetheless, I want to make him aware of the situation.

Please place a copy of this E-Mail in the Docket file. Thanks.

Importance: High

Blanca, we received a PAA order for issuance today in this docket. Nonnye happened to notice that we had also just received the recommendation for the 4/2 ag, meaning the order is way premature.

Although our policy is not to "undo" what is on CMS and thus on the Web site, I believe we should make an exception in this case because to go ahead with issuing the order would cause a great deal of turmoil, and I feel very safe in saying that I would be surprised if anyone has even seen this order on the Web site, considering the nature of the docket (it is canceling certs voluntarily).

Please let me know if you do not agree -- or if you agree.

Thanks.

Kay
