Jeff, I spoke again with Lisa Riley about the name for TCG South Florida. As I suspected the company is governed under TCG South Florida Holdings I and II. The company was not aware that TCG South Florida was not listed as a corporate or as a fictitious name. After bringing this issue to the attention of the corporate office they are planning on applying for TCG South Florida as a fictitious name and possibly consolidating TCG South Florida Holdings I and II. I don't think there should be a problem processing the agreement in this docket since the company is certificated with us as TCG South Florida for some time and the company is just now aware of the discrepancy. If anyone finds a problem with this please let me know. Thanks, Jessica
