For the most part, yes they were handled. In this case, each docket refers to KMC Holdings, Inc. which is not a certificated company. As we discussed with Kathleen at BST, the agreement covers three different certificated KMC entities.

For tracking purposes, it would be helpful if we can find and track agreements based on the ALEC and/or the incumbent LEC). In Docket No. 010794-TP (between Smart City and various KMC entities) all three ALECs are listed.

In addition to the above, we believe the Docket title should be amended to include each company name. My suggestion is:

Request for approval of amendment to existing interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, Inc. and KMC Telecom Holdings, Inc. (KMC Telecom III, Inc., KMC Telecom III LLC and KMC Telecom V, Inc.)

TX470

TA058

TX292

The reason for listing each company name is because KMC has other entities that are not covered under the agreement.

Company codes added 9/6/02

I'm pretty tied up this morning with meetings, and have to go in agenda at 9:30. We could possibly get together this afternoon if agenda ends at a reasonable time.

But -- I thought those had been solved to the best of staff's ability?

Kay, if you have a few minutes, I would like to come down and talk with you about the above companies.
