Yes, I'll make the correction.

Just fyi, in looking at the cover letter, I would say we used the information provided in the body of the letter (which doesn't include "collocation") to title the docket, rather than using the "re" wording of the letter.

Kay, the filing above also includes "collocation". I believe collocation was left out of the docket title by mistake. Can you or one of your folks make that correction?

Thank you,
