Yes, we'll close it here and move the new filing to 020403. I should have checked Friday afternoon to see if there was an open docket on the matter before opening 021003, but didn't. I'll make a request to Sandy to close the docket today.

Can you close it? That would be great. If you have to put the document somewhere, you can move it to 020403, but it's just a duplicate application. The seller was supposed to have Fed Ex'd 2002 RAFs up through the date of sale on July 26th. Instead, he sent another copy of the "original application" filed in 020403. It appears to me to have been mischief and have left a message for him to call.

Pat, Matilda tells me you have reviewed the new docket. Was it opened in error? Should we close it and move the filing to 020403-SU?

Matilda, we have been waiting in Dkt. No. 020403-SU for Mr. Guldi to prepaid his 2002 RAFs up through the transfer to Orange County in May. In checking to see if the RAF form and check arrived as promised, I noticed another docket opened Friday for the transfer of Country Run to Orange County--Dkt. No. 021003-SU. While the filing in that docket is not yet available for viewing in PDF, I bet it's Mr. Guldi's check sent in some hopelessly confusing manner.

Can you call me when you get in so I can view the filing in 021003-SU? If it is what I think it is, the docket needs to be closed as opened in error. And, a good Monday morning to you, too! :)
