

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

SEPTEMBER 21, 2004

RE: Docket No. 041057-EI - Petition for approval to establish as regulatory asset any costs charged to Account No. 228.1 in excess of Storm Reserve, by Florida Power & Light Company.

Issue 1: Should the Commission approve Florida Power & Light Company's (FPL) petition to establish a regulatory asset for storm damage costs in excess of its storm reserve?

Recommendation: No. The petition should be denied because it is both unnecessary and premature. FPL should record prudently incurred storm damage costs in Account No. 228.1, Accumulated Provision for Property Insurance, as required by Rules 25-6.0143(1) and 25-6.0143(4)(b), Florida Administrative Code. After the actual amount of the costs is known, FPL may then file a petition seeking an alternative accounting treatment for recovery of prudently incurred storm damage costs that exceed the Storm Reserve balance.

MODIFIED

Approved with the understanding that the company will continue booking amounts consistent with current accounting practice, which will be subject to Commission review and approval when its petition is filed.

Issue 2: Should this docket be closed?

Recommendation: Yes. If no person whose substantial interests are affected by the Commission's Proposed Agency Action timely files a protest within 21 days of the issuance of the Order from this recommendation, this Docket should be closed upon issuance of a Consummating Order.
