RE: Docket No. 040129-TX

Ms. Bayo,

RCA

FLATEL has submitted a notice agreed upon and approved by the Commission to all 6300 of its End Users bill. In the notice, FLATEL offered to remove the Freeze from the End Users line at no charge. In a good faith effort, FLATEL has also elected to revise its LOA not to mention any Local Service Freeze, which we are providing for the Commissions review.

To this date, FLATEL has not yet received one call or signed notice to keep or remove their freeze and therefore submitted to BellSouth a bulk order requesting to remove the freeze from every End Users line.

FLATEL completed a report in its Data Base and attached for your review is a list of 3826 Telephone Numbers of the above-mentioned End Users of which FLATEL has removed the freeze from their line.

We ask that the commission please keep this information confidential to protect the End Users privacy.

If you have any questions or concerns regarding this letter, please do not hesitate to contact our office at the information provided in the letterhead.
