I have confirmed with the parties that Supra did not file a response to BellSouth's Request for Production of Documents. Further, Supra did not claim any confidentiality for any portions of its responses to Commission Staff's or BellSouth's interrogatories and requests for production of documents. Therefore, what has been received from Supra as Composite Exhibits 3, 4 and 5. is complete.

If you need any other form of written explanation for the record, please let me know.
