Ms. Menasco,

I am Ms. Rule's assistant. Yes, it was an error. I had inadvertently attached just the Notice in Word to the first filing email. I sent the second email stating that this was an amendment to the first email and attaching transmittal letter and notice correctly in .pdf format.

I apologize for the confusion. It was a bit of a nightmare yesterday afternoon. Please let me know if you have any further questions or instructions.

Did you intend for at least one of the 2 copies filed in Dkt 000121A (BellSouth) to be in Dkt 000121-B (Sprint)? Please see msgs below. If so, could you coordinate with Dorothy in docketing to make the necessary adjustment? Thanks.

Hi David,

I thought maybe they'd made a mistake as well, however, when entering documents, I have to enter exactly what is filed. I am unable to "make assumptions" (because I could be completely wrong). That being said, I had to enter the document exactly as they filed it. They sent 2 filings for Docket 000121A (they appear to be the same thing) and 1 filing for Docket 000121C. Maybe one of the filings in 000121A was meant to go to 000121B? If you could check with the company and confirm that, that would be great. However, we will need something "in writing" in order to make any changes. Thanks David!

Dorothy

I believe Sprint is Dkt 000121B. Seems this oen dealing with Sprint might be incorrectly slotted (?).

Subject: BellSouth check - SEEMS (Tier II) payment

Karen, as you know, Raquel asked me to check into an inquiry contained in a form letter received 4/25/05 from BellSouth Affiliate Services Corporation stating a $166,150 check issued 11/1/04, made payable to the FPSC, had not been paid by BellSouth's bank. After taking the following steps:

- got copy of FedEx tracking form dated 11/2/04 from BellSouth
- got confirmation from Imaging Center that check was not entered in register there
- got confirmation from CMP/Regulatory Review that neither check nor filing was received there
- got confirmation from BellSouth that as of 5/17/05 check has not cleared their bank
- reviewed all BellSouth filings around first week in November and confirmed filing had not been inadvertently entered in CMS without check information

I've concluded the PSC does not have the BellSouth check or accompanying filing. Per Ann Tabor's (BellSouth) instructions, we need to complete the form BellSouth Affiliate Services Corporation mailed. Once that is done, BellSouth will cut and mail a replacement check to us. I'll take the form and "investigative material" to you for further handling.

Please let me know if questions.

Ann, thanks so much for talking with me this morning, and forwarding the e-mails concerning the payment amount.

Can you find out if the check we've been discussing is still outstanding?

I typed in the above information just as it appears on the "form letter", including the spaces after the 2 in the check number. If there's someone else at BellSouth I need to direct this question to, I'll be glad to go to that person.

By the way, I did talk with David Rich after our conversation, and he remembers discussion, etc. concerning this payment, but he doesn't have anything from BellSouth other than the e-mails you sent, so in other words he didn't get copies of the Tier II spreadsheet, etc. that would have been included with the check in the FedEx package.

That's correct, Steve. We don't sign for individual packages. Federal Express scans the packages into their computer and we "sign" on the computer with a stylus. Neither can we or FedEx guarantee that the check was in fact sent in that envelope. I'm careful to read the enclosed letter when I open the envelope to determine if there is , or should be a check enclosed. Others may not be that careful. The check you're referring to is likely a settlement or a fine. BellSouth usually sends this kind of a check in a self mailer which is then inserted in the envelope. Other than a cover letter, there usually isn't anything else In the envelope. It is possible that the self mailer got separated from the envelope, because if you don't know what you're looking for, it doesn't appear to be a check. I would advise BellSouth to send another check because I don't have any record that the check was entered, neither can I locate one on the check reconciliation system.

No, there is no such record. It is handled as mail. The problem here is that FedEx may have made an error and we will never know. Deliveries are not opened in their presence, they pop in and thrust the little electronic device out and get any signature they can find.

Doug: Do you have anything to add?

Steve, I am still on the trail of the check from BellSouth.

Do we have any kind of tracking system for FedEx packages received, as far as who we might send the package to once it's signed for in the mailroom?

From talking with Ann Tabor at BellSouth this morning, I have found that this package, signed for by Stewart on 11/2/04, was addressed to the PSC, Attention Fiscal Services Section. It contained the check and information on Tier II, a docketed matter where BellSouth is making monthly payments.

I talked with Jerry Hallenstein Friday, and David Rich today, and neither got the Tier II information that accompanied the check.

So the question is WHERE is that FedEx package?? What happened to it after Stewart signed for it? There's no record of the check in the check tracking system, Fiscal didn't deposit it, CMP didn't get any of the material filed with the check....so I'm wondering if we have a means of backtracking to find out where we send a package once we sign for it.

Raquel, good morning.....I'm waiting for a call back from BellSouth about this. Just talked with Jim Wagner in ATL and he said there should have been a document included with the check, that the check is a "Paris remedy payment" which I'm not familiar with that term.

I'll let you know just as soon as I hear back from him what this check is for.

We received a letter from BellSouth yesterday concerning affected service areas due to Hurricane Charley and being not obligated for penalties in Tier 1 or 2 because the hurricane was a force majeure event....I've placed it in Docket 000121A. Is that correct, or should it be treated as an undocketed filing?
