SERVICE AGREEMENT BETWEEN THE BOARD OF COUNTY COMMISSIONERS OF DADE COUNTY, FLORIDA, AND CENTEL COMMUNICATIONS COMPANY.

THIS SERVICE AGREEMENT, hereinafter referred to as "Agreement," made and entered into as of the 9th day of September, 1982, by and between the BOARD OF COUNTY COMMISSIONERS OF DADE COUNTY, FLORIDA, hereinafter referred to as the "County" and CENTEL COMMUNICATIONS COMPANY, hereinafter referred to as "Centel".

W I T N E S S E T H :

WHEREAS, County has heretofore entered into a Master Equipment Lease Agreement pursuant to an award to Centel under Resolution R-361-82, dated March 16, 1982, Contract no. 6-T-600 ("Contract"), for telecommunication systems ("system(s)") to service the Dade County Aviation Department ("Department") at Miami International Airport (the "Airport") and the Miami International Airport Hotel (the "Hotel") and to offer such services to others from such system(s) subject to certain conditions.

NOW, THEREFORE, in consideration of the County hereunder and the mutual covenants and conditions contained herein, the parties hereto agree as follows:

ARTICLE 1
Term

1.01 County hereby authorizes to Centel for a term commencing on the date first written above and terminating eight (8) years after acceptance of either the Airport System or Hotel System, whichever is later, as specified in the Master Equipment Lease Agreement between Centel and the County dated Sept 9, 1982, to use the facilities as described in Article 2 hereof, for the purposes set forth in Article 3 hereof, unless sooner cancelled or terminated as provided herein.

ARTICLE 2
Facilities

2.01 The facilities provided to Centel in connection with the Airport System and Hotel System pursuant to the Master Equipment Lease Agreement between Centel and the County are located in the Terminal Building, Miami International Airport, as follows and as shown on Exhibit "A", dated June 1, 1982, attached hereto and made a part hereof.

ARTICLE 3
Use

3.01 Centel is hereby authorized to use the facilities provided hereunder for purposes of operating the Airport and Hotel Systems and providing Telephone Switching Equipment Service to other Airport tenants, including storage of equipment and parts associated with such systems, administration thereof, and other related

functions necessary to operate said Systems. Notwithstanding anything contained herein or in the Master Equipment Lease Agreement between the County and Centel, Centel agrees that the County is the preferred customer for Telephone Switching Equipment Service and Centel will make its best efforts, without substantial harm to other users of said Service to provide the County with preferential Service.

ARTICLE 4
Payments

4.01(A) Monthly Minimum Payments: as consideration for the use of the facilities described in Article 2 hereof, Centel shall pay to County, commencing upon acceptance of either the Airport System or Hotel System, whichever is later, as specified in the Master Equipment Lease Agreement, dated Sept 9, 1982, on the first day of each and every month in advance without billing, at the office of the Department set forth herein, a monthly minimum payment in the amount of ONE THOUSAND DOLLARS ($1,000.00).

(B) Percentage Fees: In addition to the monthly minimum payment set forth in Article 4.01 (A) above, Centel shall pay to the County a percentage of the monthly revenues derived by Centel from providing Telephone Equipment Switching Service at Miami International Airport pursuant to Article 3 above, to the extent that such percentage fees exceed the monthly minimum payments, as follows:

1. Ten (10) percent of the Gross Revenues derived by Centel from Equipment charges; plus

2. Twenty-five (25) percent of the first $10,000 of Gross Profits derived by Centel from the resale of Calling Services; thirty-five (35) percent of the second $10,000; and fifty (50) percent of all additional Gross Profits derived from the resale of Calling Services at Miami International Airport.

3. Said percentage fees shall be paid to the County as follows:

   (a) For rental of equipment, which is billed by Centel for the month in advance, on or before the 20th day of the month following the month for which equipment rental was billed.

   (b) For moves, changes, additions and deletion of rented equipment and calling services which are billed after the end of the month in which the activity occurred within 50 days following the end of said month.

(C) In the event that Centel bids or enters into an agreement(s) with any of the top fifty (50) Commercial Service Airports in the United States, as defined by the Federal Aviation Act, and said agreement(s) or bid(s) provides for percentage fees higher than those provided in Section (B) above, this Agreement shall be renegotiated to provide for payment at such higher fees in the latest of such highest bid or agreement by Centel to the County as of the effective date of said agreement(s) or bid(s).

(D) In the event Centel fails to pay the monthly minimum payments, fees or charges as required to be paid under the provisions of this Agreement within thirty (30) days after the same shall become due, interest at one and one half percent (1½%) per month shall accrue against the delinquent payment(s) from date due until the same are paid. Implementation of this provision shall not preclude the County from terminating this Agreement for default in the payment of monthly minimum payments, fees or charges, pursuant to the procedures set forth herein or from enforcing any other provisions contained herein, or pursuing other remedies provided by law.

(E) Gross Revenues: The term "Gross Revenues" as used in this Agreement means all moneys paid or payable to or considerations of determinable value received by Centel from Equipment charges made at Miami International Airport, transactions had or for services rendered in connection with the Equipment regardless of when or where the order therefor is received, or the goods delivered, or services rendered, whether paid or unpaid, whether on a cash or credit basis, or in consideration of any other thing of value, provided, however, that any taxes imposed by law which are separately stated to and paid by a customer and directly payable by Centel to a taxing authority and refunds connected with such rentals and all moneys collected from the County for Equipment charges shall be excluded therefrom.

(F) Gross Profits: The term "Gross Profits" as used in this Agreement shall mean all monies paid or payable to or considerations of determinable value received by Centel from resale of Calling Services at Miami International Airport, less the costs to Centel for all leased lines, circuits and network usage charges paid to carriers (including but not limited to Common Carriers, Other Common Carriers, and Specialized Common Carriers) associated with calls placed, any other such non-overhead or non-administrative expenses incurred by Centel, any taxes imposed by law which are separately stated to and paid by a customer and directly payable by Centel to a taxing authority, and refunds, regardless of when or where the order therefor is received, or the goods delivered, or services rendered, whether paid or unpaid, whether on a cash or credit basis, or in consideration of any other thing of value.

(G) (1) The term "Equipment charges" as used herein, means all charges related to the rental, sale or otherwise providing Equipment served from the Airport System or the Hotel System to other Airport tenants.

(2) The term "Calling Services" as used herein means the mechanical process of placing, timing, and pricing each long distance or otherwise chargeable telephone call placed with a carrier or other suitable means and for which Centel charges a fee to the Equipment user.

(H) Centel shall pay all payments, fees and charges required by this Agreement to the following:

Dade County Aviation Department
Accounting Division
P. O. Box 592075
Miami, Florida 33159

4.02 (A) Centel shall make available, upon request of the Department, during the term of this Agreement, all books of account and records customarily used in this type of operation, and as may from time to time be required by the Department, in accordance with accepted accounting practices and standards, and for such period of time thereafter as provided herein, unless otherwise approved by the Department. The County shall be permitted to audit and examine all such records and books of account relating to the operation of Centel hereunder, provided that Centel shall not be required to maintain such enumerated records for more than three (3) years after the end of each twelve (12) month period. In the event it becomes necessary for Department to cause an audit of books and records in a location outside the limits of Dade County, all expense of Department for travel outside Dade County, in accordance with Dade County Administrative Order No. 6-1, shall be reimbursed by Centel upon billing by Department.

(B) Prior to the commencement of operations under this Agreement, Centel shall secure in writing from the Department

approval of any and all procedures and documents, used by Centel, for the purpose of temporarily or permanently recording Gross Revenues and Gross Profits of Centel under this Agreement.

(C) Centel shall within sixty (60) days of each anniversary of the commencement date for the payment of the Gross Revenues and Gross Profits as provided herein, submit to the County a certified report, prepared and attested to by an independent Certified Public Accountant, approved by the Department, as to the correct Gross Revenues and Gross Profits per month for the operation of Centel under this Agreement. Said report shall be prepared in conformance with the American Institute of Certified Public Accountants' requirements for special reports. The first such report shall contain twelve (12) full calendar months of operation. The last such report shall include the last day of operation.

(D) Centel shall also submit by the 20th day of every month a statement of the monthly Gross Revenues and monthly Gross Profits, in total and by customer, signed by Centel certifying as to the accuracy of such Gross Revenues and Gross Profits in the form prescribed by the Department.

ARTICLE 5
Assignment and Subletting

5.01 This Agreement shall not be assigned, transferred, pledged or otherwise encumbered, except to another corporation

which controls, is controlled by or is under common control with Centel, provided that Centel shall not be relieved of its liabilities or responsibilities hereunder, without the prior written consent of the Department.

ARTICLE 6
Indemnification

6.01 Centel shall indemnify and save the County harmless from any and all claims, liability, losses and causes of actions which may arise out of this Agreement or operation of the business of Centel under this Agreement, unless such claim, liability, loss or cause of action is occasioned by the negligence of the County. Centel shall pay all claims and losses of any nature whatsoever in connection therewith, and shall defend all suits in the name of the County, when applicable, including appellate proceedings, and shall pay all costs, judgments and attorney fees which may issue thereon.

ARTICLE 7
Insurance

7.01 In the event either party should cancel or terminate the Master Equipment Lease Agreement and the conditions of said cancellation or termination should cause this Agreement to survive, Centel shall maintain during the remaining term of this Agreement, the insurance required by Section 12 of the Master Equipment Lease Agreement, in addition to such insurance as may be required by law.

ARTICLE 8
Cancellation

8.01 The happening of any of the following shall cause this Agreement to be automatically terminated:

(A) Institution of proceedings in voluntary bankruptcy by the Centel; filing of Plan of Arrangement.

(B) Institution of proceedings in involuntary bankruptcy against Centel, if such proceedings continue for a period of ninety (90) days.

(C) Assignment by Centel for the benefit of creditors.

(D) Abandonment by Centel of the premises and discontinuance of operations hereunder for a period of thirty (30) continuous days.

(E) Cancellation of the Master Equipment Lease Agreement as a result of the County exercising its option to purchase all of the Equipment of Centel pursuant to Section 7 thereof.

(F) Termination of the Master Equipment Lease Agreement pursuant to Section 15 (a) thereof.

8.02 Failure of Centel to promptly make all payments required to be paid herein shall constitute a default, and the County may at its option cancel this Agreement after ten (10) days notice in writing, unless the default be cured within the notice period or after it is finally determined by a court of competent jurisdiction that monies disputed by Centel are properly due and payable.

BST20361

8.03 The County, shall have the right, after thirty (30) calendar days written notice sent by registered or certified mail to Centel to terminate this Agreement upon the occurrence of any one or more of the following, unless the same shall have been corrected within such period:

(A) Non-performance of any covenant of this Agreement, excluding the covenants to make payments herein contained.

(B) Conducting any business or performing any acts not specifically authorized herein.

8.04 The County, shall have the right to terminate this Agreement at any time after the happening of any one or more of the following:

(A) A final judicial determination that litigation instituted by Centel against the County was groundless and frivolous.

(B) In the event of total destruction of Terminal Building Area.

ARTICLE 9
Termination by Centel and Suspension of Payments

9.01 Centel shall have the right upon thirty (30) calendar days written notice to the County to terminate this Agreement at any time after the occurrence of one or more of the following events:

(A) Issuance by any court of competent jurisdiction of any injunction substantially restricting the use of the Airport for airport purposes, and the remaining in force of said injunction for a period of more than ninety (90) calendar days.

(B) A breach by the County of any of the terms, covenants or conditions contained in this Agreement and failure of the County to remedy such breach for a period of thirty (30) calendar days after receipt of written notice sent by registered or certified mail from Centel of the existence of such breach.

(C) The assumption by the United States Government or any authorized agency thereof, or any other governmental agency, of the operation, control or use of the Airport facilities or any substantial part, or parts thereof, in such a manner as substantially to restrict the operations of Centel for a period of ninety (90) days.

(D) Termination of the Master Equipment Lease Agreement by the County pursuant to Section 4, 7, or 15 (a) thereof.

ARTICLE 10
Nondiscrimination

10.01 Centel shall not discriminate against any employee or applicant for employment to be employed in the performance of this Agreement with respect to hire, tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly

BST20363

related to employment because of age, sex or physical handicaps (except where based on a bona fide occupational qualification), or because of race, color, religion, national origin or ancestry.

10.02 Centel, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with this Agreement that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the facilities, (2) that in the construction of any improvements on, over, or under such and and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination.

10.03 That in the event of breach of any of the above nondiscrimination covenants, the County shall have the right to terminate this Agreement and to re-enter and repossess the facilities thereon, and hold the same as if said Agreement had never been made or issued. Any termination pursuant to this section shall not be effective until the procedures specified in Part 152 of Title 14, Code of Federal Regulations, or established by the County are completed, including any appeal rights.

10.04(A) Centel acknowledges that the provisions of 14 CFR Part 152 are applicable to the activities of Centel under the terms of this Agreement, unless exempted by said regulations, and hereby

agrees to comply with all requirements of the Department, the Federal Aviation Administration and the U. S. Department of Transportation.

(B) These requirements may include, but not be limited to, affirmative action efforts, the keeping of certain records relating to equal employment opportunity, and good faith compliance efforts, and the submission of various reports, including, if directed by the Department, the contracting of specified percentages of goods and services contracts to Minority Business Enterprises. Failure to comply with these requirements shall be grounds for default and termination of this Agreement. Any termination pursuant to this section shall not be effective until the procedures specified in said Federal regulations or established by the County are completed, including any appeal rights.

ARTICLE 11
Rules and Regulations

11.01 Centel notwithstanding anything to the contrary herein, shall comply with the ordinances of the County pertaining to the Rules and Regulations of the Department, Chapter 25, Code of Metropolitan Dade County, Florida, operational orders issued thereunder, and all additional laws, ordinances, regulations and rules of the Federal, State and County Governments, which may be applicable to its operation under this Agreement.

11.02 Centel shall obtain, pay for, and maintain current all permits and licenses as required for its operation.

ARTICLE 12
Payment of Taxes

12.01 Centel shall pay all taxes lawfully assessed against its operations at the Airport provided, however, that Centel shall not be deemed to be in default of its obligations under this Agreement for failure to pay such taxes pending the outcome of any legal proceedings instituted in courts of competent jurisdiction to determine the validity of such taxes.

ARTICLE 13
Alterations

13.01 Centel shall not alter or modify the facilities provided herein without first obtaining written approval from the Department.

ARTICLE 14
Inspection by County

14.01 - Centel shall maintain the facilities in good repair and in a neat and orderly condition. The County may make periodic inspections to determine if such are being maintained in said manner and also to determine whether Centel is operating in compliance with the terms and provisions of this Agreement.

ARTICLE 15
Signs

15.01 No signs, posters, or advertising devices may be installed, erected or displayed by Centel without prior written approval by the Department.

ARTICLE 16
Rights of County in Airport Facilities

16.01 The County shall have the absolute right, without limitation, to make any repairs, alterations and additions to the facilities at the Airport, except that alterations or additions to the interior and exterior of the facilities provided under this Agreement shall be made only in the event of need and without substantial inconvenience to Centel. The County shall, in the exercise of such right, be free from any and all liability to the Centel for partial loss of business or damages occasioned during the making of such repairs, alterations and additions, except those occasioned by the negligence of the County, its employees, or agents.

ARTICLE 17
Federal Government Agreements and Powers

17.01 This Agreement shall be subordinate to the provisions of any existing or future agreements between the County and the United States of America relative to the operation and maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport.

17.02 All provisions of this Agreement shall be subordinate to the right of the United States of America to lease or otherwise assume control over the Airport, or any part thereof, during time

of war or national emergency for military or naval use and any provisions of this Agreement inconsistent with the provisions of such lease to the United States of America shall be suspended, except the right of Centel to cancel this Agreement pursuant to Article 11.01 hereof.

ARTICLE 18
Personnel

18.01(A) Centel shall ensure that all its personnel present a neat, clean and professional appearance at all times.

(B) Centel shall require all personnel to wear visibly on their person, at all times while on duty, a distinctive name tag, identifying the individual by name, title, if appropriate, and as an employee of Centel.

ARTICLE 19
Security

19.01 Centel fully understands that the police security protection provided by the County for the above referenced facilities, is limited to that provided to any other business situate in Dade County by the Metro-Dade Police Department.

19.02 Centel fully understands that the safety, police, fire or security protection measures deemed necessary for additional protection of the facilities shall be the sole responsibility of Centel.

BST20368

PSC 17

19.03 Centel acknowledges and accepts full responsibility for the security and protection of all contents, inventory, and equipment within the facilities and for prevention of unauthorized access to its facilities or contents thereof.

19.04 Centel agrees to furnish all personnel in its employ, who are authorized access to the airfield operations area and other restricted areas determined by the County from time to time, with identification badges as required to comply with the security program established by the Department and to furnish the Department the names and additional pertinent data of such persons so authorized. Centel shall be fully responsible for such identification badges.

ARTICLE 20
Notices

20.01 Any notices required herein shall be sent by Registered or Certified mail to the parties as follows:

To the County:

Director
Dade County Aviation Department
Post Office Box 592075
Miami, Florida 33159

To Centel:

Centel Communications Company
President
Centel Business Systems - Southeast
201 East Kennedy Boulevard - Suite 1416
Tampa, Florida 33602

or to such other address as either party may designate in writing from time to time.

BST20369

ARTICLE 21
Termination

21.01(A) Centel shall vacate the facilities and remove all its personal property and trade fixtures from the facilities at the termination of this Agreement, unless otherwise authorized in writing by the Department, whether by lapse of time or otherwise, as provided by Section (C) below.

(B) Centel, within thirty (30) calendar days following the termination of this Agreement, shall remove all of its personal property and any trade fixtures forthwith. Failure on the part of Centel to remove its property within thirty (30) days from the date of termination shall constitute a gratuitous transfer of title thereof to the County for whatever use and disposition is deemed to be in the best interests of the County.

(C) Any personal property of Centel, or of others, placed in the facilities shall be at the sole risk of Centel or the owners thereof, and County shall not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage.

BST20370

IN WITNESS WHEREOF, the parties hereto have caused this Service Agreement to be executed by their appropriate officials as of the date first above written.

MASTER EQUIPMENT LEASE

Master Equipment Lease Agreement made on September 9, 1982, by Centel Communications Company (hereinafter referred to as "Centel"), and the Board of County Commissioners of Dade County, Florida (hereinafter referred to as "County"):

W I T N E S S E T H:

That the parties, in consideration of the undertakings, covenants and agreements hereinafter set forth, agree as follows:

SECTION ONE

DEFINITIONS

a) Acceptance means the time when the System(s) is Cutover.

b) Additions means any readjustment of the Equipment by a add or change subsequent to the Cutover.

c) Agreement means this Master Equipment Lease Agreement.

d) Airport means the Miami International Airport.

e) Airport System means the SL-1LE or SL-1VLE or, if approved by the Department, an SL-1XL switch and other related Equipment installed at the Airport.

f) Consumer Price Index means the Consumer Price Index for All Urban Consumer (Miami, Florida) (1967 = 100). All items as published by the Bureau of Labor Statistics of the U.S. Department of Labor.

g) Contract No. 6-T-600 means the County's Request for Proposal, Contract No. 6-T-600, DCAD Telecommunications System, dated November, 1981, and any addendums thereto.

h) Cutover means the time of changing from the existing telephone system to each of the replacement Systems, as specified in Section 5 of the special conditions in Contract No. 6-T-600.

i) Department means the Aviation Department of the County.

j) Distribution Cable means the cable that runs between the frame in the Telephone Equipment Room and the terminal blocks in the local distribution closet/or area.

k) Equipment means all the component parts of the Airport System and Hotel System collectively, including, but not limited to, telephone hand sets, cable, conduit, switches, software and the like, provided by Centel or the County hereunder.

l) Hotel means the Miami International Airport Hotel.

m) Hotel System means the SL-1LE switch, or, if be approved by the Department, an SL-1M switch, and other related Equipment installed in the Hotel or for use by the Hotel.

n) Initial Term means a period of 48 months from the Acceptance of either the Airport System or Hotel System, whichever is later.

o) Original Equipment means any Equipment installed, pursuant to this Agreement, at the Airport and Hotel by Centel prior to and up to the Cutover and excludes any Additions.

p) Proposal of Centel means the Telephone System Proposal of Centel for Dade County Aviation Department Telecommunications for

BST20374

the Miami International Airport, Contract No. 6-T-600, dated January 13, 1982, made a part hereof by reference, except items Nos. 9 and 10 on page RP-1B.

q) Station Cable means the cable that runs between the modular wall plug and the terminal blocks in the local distribution closet/or area.

r) Telephone Equipment Room means a facility mutually agreed to by the Department and Centel for the installation of the telephone switch(s) for the Airport and Hotel Systems, stocking of spare parts, maintenance of the Equipment and office and other related uses.

s) Telephone Switching Equipment Service means service provided by Centel pursuant to Contract No. 6-T-600 and the Proposal of Centel, to place a call of any type that could be placed using the Equipment, plus any additional equipment or lines that might be required to complete the call.

SECTION TWO

SCOPE OF AGREEMENT

Centel agrees to install and lease to the County, and the County agrees to lease from Centel, the Equipment as reqired for the complete performance by Centel of Contract No. 6-T-600 and the Proposal of Centel which are incorporated herein by reference. In the event of any inconsistencies between the provisions of this Agreement, the provisions of Contract No. 6-T-600 and the Proposal of Centel, the provisions of this Agreement shall govern, followed equally by Contract No. 6-T-600 and the Proposal of Centel,

BST20375

provided, however, that where the Proposal of Centel conflicts with Contract No. 6-T-600, the Proposal of Centel shall take precedence and govern.

SECTION THREE

EQUIPMENT TO BE LEASED

The County shall lease from Centel the Airport System and the Hotel System as provided for herein.

SECTION FOUR

TERM OF AGREEMENT

The term of this Agreement with respect to any Equipment leased hereunder shall be the Initial Term. The County shall have the right, based on written notice from the Department to Centel, to continue to lease the Equipment and Additions after the Initial Term, pursuant to the terms set forth herein. The County shall have the right to terminate this Agreement by written notice of termination provided to Centel at least 12 months prior to the effective date of the termination, however, such termination shall not be effective prior to the expiration of the Initial Term.

SECTION FIVE

INSTALLATION AND ACCEPTANCE

a) Centel may at its option install a SL-1LE or a SL-1VLE, or if approved by the Department, an SL-1XL switch for the Airport System.

b) The Equipment will be delivered and installed by Centel at the Airport and the Hotel in locations designated by the County in Contract No. 6-T-600, or as otherwise agreed to, in writing, by the Department and Centel.

c) Centel will arrange for and prepay transportation, rigging, drayage, and handling charges for the Equipment, from the place of shipment to the site of installation.

d) Centel will install the Equipment ready for use by the County without additional charge. The County and Centel shall cause to have the Telephone Equipment Room prepared in accordance with the terms and conditions of Exhibit A, attached hereto and made a part hereof.

e) Centel shall have 225 days from the effective date of this Agreement, or 125 days from the date of the Telephone Equipment Room completion, whichever is later, to Cutover the Equipment, unless such time is extended by the Department.

f) The County will provide Centel reasonably free and easy access to the Airport and the Hotel during the installation of the Equipment and will not interfere with the proper installation of Equipment.

g) Centel will take reasonable and prudent care not to disrupt the normal day-to-day working procedures of the Airport and Hotel during the installation of Equipment.

h) It is agreed and understood that the Airport System and the Hotel System may be installed, Cutover and accepted at

different times. The County will not withhold Acceptance even if the Equipment is incomplete as provided for in Contract No. 6-T-600 and the reasons for such incompletion are beyond the reasonable control of Centel, provided said Equipment shall substantially meet the requirements of Contract No. 6-T-600, and any change orders issued pursuant thereto. Appropriate rental adjustments shall be administratively agreed upon for any portion of the Equipment that is incomplete.

SECTION SIX

RENTAL TERMS

a) The initial rental rate for any Original Equipment installed for the Initial Term shall be in accordance with the Proposal of Centel (Pages RP-2A through RP-2G). The rent for the Airport System shall commence on the Acceptance of the Airport System and shall thereafter be billed in advance. The rent for the Hotel System shall commence on the Acceptance of the Hotel System and shall thereafter be billed in advance. By the tenth of each month Centel will render itemized bills to the Department for payment of services provided under this Agreement, with payment due from the County on or before the last day of the same month.

b) When any of the Equipment is removed at the request of the Department, the rental rate will be reduced by the amount that was being charged for the item of Equipment removed, except that the total rental rate for all of the Equipment shall not decrease below eighty percent (80%) of the initial rental rate which was

charged for the Equipment during the first full month of the initial Term.

c) The initial rental rate of the Equipment is subject to change after the Initial Term. Adjustments in the rental rate for the first year after the Initial Term shall not exceed the average increase or decrease in the Consumer Price Index for the year preceding the expiration date of the Initial Term. In subsequent years, rental rates are subject to annual review and adjustment due to changes in the preceding 12 months in the Consumer Price Index.

d) As an alternative to the terms and conditions of Section 6c), the County may, at its option, after the expiration of the Initial Term, continue to lease any portion of the Original Equipment that is still in place at the expiration of the Initial Term at the rate of 60% of the initial rental rates, if the County at least 90 days prior to expiration of the Initial Term, executes a lease agreement acceptable to Centel to rent and use the remaining portion of the Original Equipment an additional 48 months (the Renewal Term) following the expiration of the Initial Term.

SECTION SEVEN

PURCHASE OPTION

a) Centel agrees to sell to the County all or portions of the Equipment which it rents to the County or other users at the Hotel or Airport, except that Centel will not sell any part of the Equipment that is required by Centel to provide Telephone Switching Equipment Service to other telephone users at the Airport, under direct contract with Centel for such Service, pursuant to an

BST20379

agreement with the County authorizing Centel to provide such Service to other telephone users at the Airport, if the County does not purchase all of the Equipment at the Airport.

b) The purchase price to the County for the Equipment will not exceed the purchase price determined by dividing the rental rate for an item of Equipment at the time it was installed by .0301 times the purchase multiplier. The purchase multiplier used for an item will be based on the number of months that the item has been installed.

c) The purchase multipliers are listed in Exhibit B. attached hereto and made a part hereof.

d) After Cutover, the County must give Centel written notice that the County is exercising its right to purchase and such notice must be provided to Centel at least six months prior to such purchase taking place. Prior to Cutover, the County may purchase the Airport System or Hotel System or both, in accordance with the terms and conditions of Contract No 6-T-600 and the Proposal of Centel, by giving Centel 30 days written notice, provided the purchase takes place before the System(s) is Cutover. If both parties agree these notice periods may be administratively changed.

e) If the County exercises its option to purchase all or portions of the Equipment after Cutover, pursuant to this Section, the County shall be entitled to all unexpired warranties and maintenance options contained in Contract No. 6-T-600, as modified by the Proposal of Centel, based on the dates of Cutover for the Airport System and the Hotel System.

f) For the purpose of determining the number of months an item of Equipment has been installed, an item of Equipment will be considered to have been installed on the first day of the month following the actual installation date of the item. For example, such an item installed June 10, would have a July 1st installation date, for the purposes of this Section 7.

SECTION EIGHT

ADDITIONS TO, AND RELOCATIONS OF THE EQUIPMENT

a) Rental rates and installation charges for any Additions to the Equipment after the Cutover Date shall be in accordance with the Proposal of Centel (Pages RP-2A through RP-2G) and are subject to an annual review and adjustment due to changes in the preceding twelve (12) months in the Consumer Price Index. Any adjustments in the rental rates for Additions shall not exceed the average increase or decrease in the Consumer Price Index during the year preceding the annual anniversary date of the Initial Term.

b) The rental rate adjustments provided for in Section 8(a) shall apply to all Additions.

c) The charge to the Department to relocate any Equipment provided by Centel under this Agreement shall not exceed the installation charges setforth in the Proposal of Centel (Pages RP-2A through RP-2G) for that item of Equipment which charge is in effect at the time of the relocation.

d) A Service Order includes any request by the Department to move, add, change, or remove Equipment. Centel shall charge the County $37.50 (the Service Order Charge) for every Service Order.

e) The Service Order Charge is subject to an annual review and adjustment due to changes in the preceding 12 months in the Consumer Price Index.

f) If the County requests that Additions be made to the Airport System or the Hotel System which expand either the Airport System or Hotel System beyond their wired capacity (see Proposal of Centel page RP-2A), the new minimum monthly rental rate for the System(s), pursuant to Section 6b) of this Agreement, will be 80% of the monthly rental rate for the first full month after completion of the expansion.

g) The County may rent additional items of Equipment which are not included in the Proposal of Centel on a time and materials basis or on a fixed cost quote basis. The monthly rental rate for items not included in such Proposal will be determined by multiplying the materials purchase price times .0301. The labor cost will be paid as an installation charge associated with each item of Equipment.

h) The time and materials formula is as follows:

1) The labor rates are $35.00 per hour for a technician, $28.00 per hour for a customer service representative and $50.00 per hour for an engineer. These rates shall be adjusted annually based on changes in the preceding 12 months in the Consumer Price Index, but shall not exceed the current published rates of Centel.

2) Work performed after 5:00 p.m. and before 8:00 a.m. and all work performed on Saturday will be charged at 1.5 times the rates shown in Section 8 h) 1) above.

BST20382

3) Work performed on the designated holidays of Centel and Sundays will be charged at two times the rates shown in Section 8 h) 1) above.

4) The materials purchase price shall be the manufacturers verified list price times 1.3.

i) In the event Centel at its option, under the terms of this Agreement or any other agreement with the County, installs any Equipment not required for the Airport System or Hotel System, it shall be without cost to the County.

SECTION NINE

OBLIGATIONS OF COUNTY

a) The County agrees to use due care in the handling and operation of the Equipment and the County agrees to operate the Equipment according to the instructions of Centel. The County agrees to immediately notify Centel of any difficulties in the operation of the Equipment and first notice will be to Centel as opposed to any other party.

b) The County agrees to bear the cost, if any, of providing the Telephone Equipment Room, including necessary floor plans, electric sources and circuits, air conditioning and lighting, and security normally provided to Terminal Building tenants at the Airport. In addition, the County shall provide to Centel, without cost to Centel, necessary electric power, excluding back-up power for the Airport System, necessary floor plans, locations for

Equipment, with reasonable access thereto, and where not otherwise required by Contract No. 6-T-600, raceway, conduit, holes and wire ways.

c) The County will make Centel its agent and representative to arrange for Cutover to the public telephone network, to identify and order with County and Department necessary facilities, and to coordinate installation and Cutover.

d) The County represents that by virtue of the adoption of Resolution No. R-316-82 on March 16, 1982, by its Board of County Commissioners, Contract DCAD 6-T-600 was awarded to Centel Communications Company (Centel), and the County Manager was duly authorized to execute appropriate contract documents therefor on behalf of Dade County. The County further represents that the said Resolution remains in full force and effect as of the date of execution of this Agreement by the County and Centel.

e) The County represents that it will not dispose of any of the Equipment as heretofore identified and will return the same to Centel at the expiration of this Agreement in good condition, reasonable wear and tear excepted.

f) The County agrees to reimburse Centel for all authorized travel; such authorization to be obtained in writing in advance of any travel. All reimbursements will be made under the provisions of Dade County Administrative Order 6-1.

SECTION TEN

OBLIGATIONS OF CENTEL

a) Centel shall replace all lost or stolen telephones for the Airport and Hotel upon presentation by the Department of a written itemization.

b) Centel, upon written request of the Department, shall update and provide to the Department Cable Records Books, Software Data Base documents, Distribution Cable diagrams, and Telephone Equipment Room diagrams. Such requests shall not exceed twice yearly.

c) Centel, upon the written request of the Department, not more frequently than once every 6 months, shall provide the Department with a directory of Airport System telephone numbers, including the telephone numbers of any others using the Telephone Equipment Switching Service, in such quantities and a form to be agreed to in advance by the Department and Centel. The Department, upon billing by Centel, shall reimburse Centel for its outside vendor (printing, paper, binding, etc.) costs incurred in producing such directory.

d) Centel shall be responsible for maintenance and repair of the interior of the Telephone Equipment Room premises including, painting, door(s) and the replacement of light bulbs, ballasts and tubes. Upon relocation or removal of any Equipment at termination of this Agreement, Centel will not be required to restore the

BST20385

Airport or the Hotel premises, to their original condition, but will be responsible for damages occasioned by the negligence of Centel in such removal.

SECTION ELEVEN

RESERVATION OF RIGHTS

a) A copy of this Agreement may be filed by Centel at any time after execution by County.

b) Centel reserves a security interest in the Equipment. A copy of this Agreement may be filed on the behalf of Centel at any time after execution by the parties hereto, as a financing statement to perfect the security interest of Centel.

SECTION TWELVE

INSURANCE AND INDEMNIFICATION

a) In the event employees of Centel, its agents or subcontractors enter the Airport or Hotel in the performance of work under this Agreement, Centel will indemnify and hold harmless County, its officer and employees from any loss, cost, damage, expense or liability by reason of property damage or personal injury arising out of, as a result of, or in connection with such performance occasioned in whole or in part by the acts or omission of employees of Centel, its agents or subcontractors for which Centel is legally responsible.

b) Except as to the provisions of Section 12 a) above, the County agrees to release, indemnify and hold harmless Centel from and against all other claims, liability, loss and damage of any person including County, which arise out of the use of or inability to use, break down of, interruption of, failure to maintain, or incomplete communication through the System(s) or Equipment rented by the County from Centel hereunder, whether by itself or with other equipment owned by any interfacing utility. In no event will Centel be responsible for special, consequential or incidental damages, including those for loss of business or profits or other commercial loss.

c) Notwithstanding the foregoing provisions of this Section, Centel will not be liable for delays or failure to exercise its best efforts to install the Equipment, caused by acts of God, government, labor difficulties, failure of transportation or other causes beyond the control of Centel.

d) Without in any way limiting the foregoing undertakings applicable to it, Centel, its agents and subcontractors will maintain the following insurance throughout the term(s) of this Agreement:

1) Workmen's Compensation, as required by Chapter 440, Florida Statutes.

2) Public Liability, on Comprehensive Basis, including Contingent Liability, Contractual Liability and Completed Operations Liability, in an amount not less than $1,000,000 combined single limit for bodily injury and property damage liability, with Broad Form Endorsement.

3) Automobile Liability, covering all owned, non-owned and hired vehicles used in connection with the performance of this Agreement in an amount not less than $1,000,000 combined single limit for bodily injury and property damage liability. No such insured vehicles shall be permitted access to the aircraft operating areas of the Airport without excess coverage providing for a total combined single limit of $5,000,000 for bodily injury and property damage liability.

4) Owner's Protective Liability Policy, issued in the name of the County, in the amount set forth in 2) above. This policy of insurance must be endorsed to indicate that any premiums, whether deposit or final, shall be the sole obligation of Centel.

e) The Public Liability Insurance coverage, as required above, shall include those classifications, as listed in Standard Liability Insurance Manuals which are applicable to the operations of Centel in the performance of this Agreement.

f) All insurance policies and bonds required herein shall be issued by companies authorized to do business under the laws of the State of Florida, with the following qualifications:

> The company must be rated no less than "A" as to general policy holders rating and no less than "Class X" as to financial category in accordance with the latest edition of Best's Key Rating Guide, published by A.M. Best Company, Inc.

g) Centel shall furnish certificates of insurance and insurance policies to the County prior to commencing any operations under this Agreement, which certificates shall clearly indicate

that Centel has obtained insurance, in the type, amount and classifications, as required for strict compliance with this Article. The said certificates and policies must provide that, in the event of any material change in or cancellation of the policies reflecting the required coverage, thirty (30) days advance notice thereof shall be given to the County.

h) Compliance with the foregoing requirements as to the carrying of insurance shall not relieve Centel from its liability under any other portion of this Agreement.

SECTION THIRTEEN

DEFAULTS AND BREACHES

If the County fails to pay rent, additional rent or any other payments herein provided within 15 days after the same is due and payable; or if County fails to observe, keep or perform any other provision of this Agreement required to be observed, kept or performed by County; then, upon the occurrence of any of the above events, Centel shall have the right 10 days after written notice to the Department, if the breach has not been cured, to exercise any one or more of the following remedies:

(1) To sue for and recover all rent, additional rent, or any other payments herein provided, then accrued.

(2) To terminate this Agreement.

(3) To pursue any other remedy at law or in equity.

In addition, Centel may proceed to exercise one or more of the rights accorded by the Uniform Commercial Code. It is understood and agreed that this Agreement has been made and entered into

pursuant to such Code and that Centel has all the rights and remedies accorded thereby. If any provision of this Agreement shall for any reason be held to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereof, but this Agreement shall be construed as if such invalid or unenforceable provision had never been contained herein.

No delay or omission to exercise any right, power, or remedy accruing to Centel on any breach or default by Centel under this Agreement will impair any such right, power, or remedy of Centel nor shall it be construed to be a waiver of any such breach of default, or any acquiescence therein, or of any similar breach or default thereafter occurring; nor shall any waiver of any single breach of default theretofore or thereafter occurring. Any waiver, permit, consent, or approval of any kind or character on the part of Centel of any breach or default under this Agreement, or any waiver on the part of Centel of any term, provision, condition, or covenant of this Agreement must be in writing, and will be effective only to the extent in such writing specifically set forth. All remedies, either under this Agreement or by law, or otherwise afforded to Centel, will be cumulative and not alternative.

SECTION FOURTEEN

TITLE IN EQUIPMENT

The Equipment provided by Centel at its cost hereunder, not paid for or reimbursed by the County, is and shall remain personal property irrespective of its manner of attachment to realty or use

BST20390

and title to the Equipment shall at all times be and remain with Centel, unless transferred to County by sale.

SECTION FIFTEEN

MISCELLANEOUS

a) If this Agreement is terminated pursuant to Paragraph 14.1 or Page GC-12 of Contract No. 6-T-600 prior to Acceptance, termination will be treated as if the Equipment had been purchased from Centel under its purchase plan. In the event of such a termination, the County will pay for all work performed by Centel as outlined in Paragraph 14.3 on Page GC-12 of Contract No. 6-T-600.

b) Centel may assign its obligations hereunder to provide maintenance service to another corporation which controls, is controlled by or is under common control with Centel, provided that Centel shall not thereby be relieved of liability hereunder.

c) The written terms and provisions of this Agreement may not be changed or varied except by mutual written agreement of both parties hereto.

d) County and Centel agree that no verbal representation of any salesman, agent, officer, or employee of the other party shall operate to vary the written terms hereof.

e) The County grants Centel access and use of all areas and facilities that are normally available to the local utilities which are located on the Airport and in the Hotel for installation of the Equipment.

f) Any notice to be given under this Agreement shall be mailed to the party to be notified at the addresses set forth below, by registered or certified mail with postage prepaid, as follows:

TO: Centel Communications Company
President
Centel Business Systems - Southeast
201 East Kennedy Boulevard - Suite 1416
Tampa, Florida 33602

TO: Director
Dade County Aviation Department
P.O. Box 592075
Miami, Florida 33159

g) Except as provided in Section 15(b), this Agreement shall not be assigned by either party without the prior written consent of the other.

h) This Agreement is deemed made in and governed by the laws of the State of Florida and venue is in Dade County.

i) The waiver by Centel of any default by County will not operate as a waiver of any default at any subsequent time.

j) Any price quoted by Centel for telephones in this Agreement or the Proposal of Centel includes the Station Cable associated with that particular telephone, but does not include any Distribution Cable.

k) The Department, with the written approval of Centel, which approval shall not be unreasonably withheld, may from time to time acquire, from others than Centel, equipment, such as, but not limited to, close circuit televisions, computers, word processing equipment, facsimile transmission devices, and the like, which may

IN WITNESS WHEREOF, the parties have executed this Agreement in triplicate the date first above written.

EXHIBIT A

IMPROVEMENTS

DESIGN, CONSTRUCTION, REIMBURSEMENT & AUDIT

(1) The Department or Centel, at the request of the Department, shall prepare design specifications and bid documents for any improvements necessary to implement the Proposal of Centel dated January 13, 1982, ("Improvements") and any other agreement between the County and Centel and Centel, if requested by the Department, shall commence and complete the said Improvements within one hundred (100) days from the date Department authorizes a notice to proceed to Centel, unless such construction is delayed by cause beyond the control of Centel or the construction contractor or the time is extended by the Department.

(2) All construction contracts for the Improvements let by Centel shall comply with competitive bidding procedures and contract requirements established by the Department and shall be subject to approval of Centel and the Department before the start of the work to be performed. If the bid of the lowest responsible bidder for any work is excessive in the opinion of Centel and the Department, all bids shall be rejected, within the time allowed, and the work shall be readvertised for new bids with modifications, if necessary. Such rebidding shall also comply with the provisions of this Article.

(3) The contract(s) entered into by Centel for the construction of the Improvements shall contain reasonable and lawful

provisions for the payment of actual or liquidated damages, in the contract(s). The contract(s) shall further provide that both Centel and County shall be named as an obligee, as their interest may appear, under all performance and payment bonds required of the contractor(s). Centel agrees that it will use its best efforts to take all necessary action, available under such construction contracts, to enforce the timely completion of the work covered thereby.

(4) The Improvements, upon completion and reimbursement, shall immediately become the property of the County, free and clear of any liens or encumbrances whatsoever. Centel agrees that any contract for the construction, alteration or repairing of any building or improvements on the leased premises, or for the purchase of material to be used, or for work and labor to be performed, shall be in writing and shall contain provisions to protect the County from the claims of any laborers, subcontractors or materialmen against the leased premises or Improvements.

(5) Upon billing by Centel, County shall reimburse Centel for all costs related to the construction of Improvements by Centel, as contained in the approved bid and any change orders related thereto, approved by the Department. The County, through its auditors, external or special, shall have the right to audit the costs of construction of the Improvements and should a difference exist between the audit findings and the reimbursement by the County, the appropriate party shall pay said difference to the other party.

(6) Centel shall obtain the following additional insurance to that required pursuant to Section 12 of the Master Equipment Lease Agreement, as follows:

(a) Centel shall provide or cause its contractor(s) to provide, before commencing any construction contemplated herein, a policy of completed value builder's risk insurance issued in the name of the Contractor, Centel and the County, as their interests may appear, in an amount not less than the full insurable value of the Improvements to be constructed, covering at least the perils of fire, windstorm, extended coverage, and vandalism and malicious mischief, and

(b) A policy of owner's protective liability insurance issued in the name of the County, with limits not less than those as shown in Section 12 of the Master Equipment Lease Agreement. This policy must be endorsed to indicate that any premium, whether deposit or final, shall be the sole obligation of Centel or its contractor(s).

(7) No trailers or temporary structures of any nature shall be allowed on the leased premises at any time except during the period of construction of the Improvements. All trailers and temporary structures must be removed within twenty (20) days after the ending of construction.

EXHIBIT B.

NOTES:

(1) The Months columns denotes the number of months an item has been installed.

(2) The purchase Multiplier for all items installed over 72 months shall not exceed 13.011341 %.

EQUIPMENT LEASE AND MAINTENANCE AGREEMENT

THIS AGREEMENT entered into as of this _____ day of _____, 19__, by and between METROPOLITAN DADE COUNTY ("County"), and CENTEL COMMUNICATIONS COMPANY ("Centel"), a Delaware corporation doing business at 1401 W. Commercial Boulevard, Fort Lauderdale, Florida, 33309.

WHEREAS, by Resolution No. R-361-82, the Board of County Commissioners of Dade County awarded Contract No. DCAD 6-T-600 to Centel for the installation and lease to County of a telecommunications system for Miami International Airport's hotel and a separate telecommunications system for the airport itself; and

WHEREAS, the parties then entered into the following two agreements:

1. A Master Equipment Lease of September 9, 1982, whereby County agreed to lease from Centel two telecommunications switches, one each for the Hotel and Airport Systems along with associated telephones hand sets, cable, software and the like, for an initial term of 48 months from the Acceptance Date, with an option in County to purchase such equipment according to terms and prices outlined in a separate schedule, and with an option in County to expand the lease period in accordance with certain terms; and

2. A Service Agreement of September 9, 1982, by which Centel was given the right to utilize telecommunication equipment and certain facilities within the airport in order to provide telephone service to airport tenants, for which Centel would pay County a minimum monthly fee plus stated percentages of gross revenues generated by various types of telecommunications equipment and services; and

WHEREAS, the acceptance date for the two systems was February 7, 1984, thus making the lease agreement expire on February 6, 1988; and

WHEREAS by Resolution No. R-302-88, the Board of County Commissioners approved a Letter of Understanding between Centel and County by which the parties agreed that (a) the Master Equipment Lease would be continued on a month-to-month basis from February 7, 1988, (b) all remaining claims by the parties relating to the Hotel System would be considered as settled in full, (c) payments to County under the Service Agreement would be increased, and (d) the terms of the equipment and service agreements would be re-negotiated; and

NXT 4502

Final Exhibit
No. 3

PSC 47

WHEREAS, the parties have negotiated new terms applicable to the Master Equipment Lease and the parties desire to incorporate such terms into this new agreement; and

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1
Introduction

A. This Agreement pertains to the Equipment lease and maintenance requirements of the Airport System and to the equipment and maintenance requirements of the Hotel System. Any dealings between the parties relating to the Service Agreement as it pertains to "Shared Airport Tenant Services" ("SATS") to be provided Tenants and users at the Airport will be accomplished by separate agreement.

B. The Parties acknowledge and agree that the County purchased the Hotel system on October 7, 1987, and all remaining disputes and claims of whatever nature between the Parties relating in any way directly to the Hotel System, which claims or disputes existed on or before February 7, 1988, have been settled in full, as of February 7, 1988, and that thereafter, neither party shall have a claim against the other in relation to any such claim or dispute which existed on or before February 7, 1988.

ARTICLE 2
Definitions

A. Acceptance Date shall refer to February 7, 1984.

B. Agreement shall mean this Equipment Lease and Maintenance Agreement and its supplements, exhibits, and amendments.

C. Airport shall refer to the system of airports under the jurisdiction of the Department including Miami International Airport, Kendall-Tamiami Executive Airport, Opa-locka Airport, Homestead Airport, Dade-Collier Training and Transition Airport and Opa-locka West Airport.

D. Airport System shall refer to the SL-1XT telecommunication switch and equipment installed in connection

therewith, and other DCAD-approved systems installed by Centel including associated software sublicensed to County by Centel.

E. Change shall refer to any addition, deletion, adjustment, or modification which causes either an increase or decrease to the monthly rental rate.

F. Consumer Price Index shall refer to the Consumer Price Index-CPI(U)-for the U.S. City Average for all Items (1987 = 100%), as published by the U.S. Department of Labor's Bureau of Labor Statistics.

G. Contract No. 6-T-300 means the contract approved by the Board of County Commissioners by Resolution No. R-361-82 the proposal submitted by Centel, and any addenda thereto;

H. Current Rate shall refer to the rental rate in effect for an item of equipment as provided in Exhibit C of this agreement, as adjusted in accordance with other provisions of this agreement.

I. Cutover Date shall refer to February 7, 1984.

J. Delete shall refer to items of Equipment removed at the request of the Department, subsequent to Acceptance.

K. Department shall mean the Dade County Aviation Department, and may from time to time be abbreviated as "DCAD."

L. Discounted Rate shall refer to the current rate less any discount provided in Article 5(A)(4) hereof.

M. Distribution Cable shall mean all cables from the Main Distribution Frame to the Intermediate Distribution Frames.

N. Equipment shall mean all or any of the component parts of the Airport System, Shared Airport Tenant System, and Hotel System, including but not limited to, telephone hand sets, fiber optics cable, conduit, switches, software and other equipment provided by Centel.

O. Hotel System shall refer to the SL-1M Telecommunications switch and equipment installed in connection therewith in the Miami International Airport or for use by the Hotel, or any additions or upgrades thereto.

P. Initial Term shall refer the 4-year period from February 7, 1984 to and through February 6, 1988.

Q. Move shall refer to any adjustment or relocation of the equipment which does not cause an increase or decrease to the monthly rental rate.

R. Original Equipment shall mean all equipment installed prior to Acceptance and shall exclude all additions.

S. Shared Airport Tenant System ("SATS") shall refer to any or all component parts of the telecommunication system provided by Centel for service to tenants at the Airport.

T. Station Cable shall mean that cable which connects a telephone or other device to the Intermediate Distribution Frame (IDF).

U. Telephone Equipment Room(s) shall mean a facility or facilities mutually agreed to by DCAD and Centel for the installation of the telephone switch, stocking of spare parts, maintenance of the equipment, and other related uses.

V. Tenant shall mean any individual, company or business located at the Airport under lease with DCAD or otherwise engaged in the activities of serving Airport users, passengers, or the movement of cargo.

W. Term refers to a period of 48 months, beginning February 7, 1988.

X. Termination shall mean the expiration of the Lease Agreement at the end of the Term on any Renewal Term, or the County's cancellation of the lease by purchase as provided for in Article 6 of this Agreement.

ARTICLE 3
Scope of Agreement

A. Lease of Equipment.

Centel agrees to lease to the County and County agrees to lease from Centel the present Airport System for the term and at the rates provided for herein, and subject to additions and changes as further provided for herein.

Contract No. 6-T-600 and the Proposal of Centel are incorporated herein by reference. In the event of any inconsistencies between the provisions of this Agreement and the provisions of Contract No. 6-T-600 and the Proposal of Centel, the provisions of this Agreement shall govern, followed equally

NXT 4505

PSC 50

by Contract No. 6-T-600 and the Proposal of Centel, provided, however, that where the Proposal of Centel conflicts with Contract No. 6-T-600, the Proposal of Centel shall take precedence and govern.

B. Service.

Centel agrees to provide the maintenance and repair services for the Airport and Hotel systems as required herein.

ARTICLE 4
TERM

This Agreement shall commence as of February 7, 1988, and shall continue for an initial period of four (4) years until the end of the business day on February 6, 1992. Thereafter, County shall renew this agreement for five (5) consecutive two (2) year terms, upon the terms and conditions contained herein, unless County gives Centel notice of termination as provided below.

County shall not have the right to terminate the agreement within the initial 4-year term, except for cause as provided in this Agreement; therafter, during the 10-year period, County may terminate this Agreement without cause and solely at its discretion upon the following conditions:

(a) If County exercises it option to purchase all of the equipment under Article 6 of the Equipment Lease Agreement, then County shall give Centel not less than twelve (12) months' notice of termination;

(b) if County does not exercise its right to purchase all of the equipment under such Agreement, County shall give Centel not less than thirty-six (36) months' notice of termination.

If any such termination shall occur during any term or renewal term hereof, then County's 12-month or 36-month notice shall constitute an automatic extension of this Agreement until the effective date of such termination.

ARTICLE 5
Compensation Payable to Centel

A. For Rental of the Equipment.

1. County shall pay to Centel monthly the rental due on the Airport System in accordance with the rental rates provided for in Article 5(A)(3). Centel shall provide County with an invoice on or before the 7th day of each month itemizing the rental charges applicable to the Equipment for the previous calendar month. Such invoice shall also include a listing of all Changes, Additions or Deletions made to the Equipment during the previous month and the effect thereof on the total rental rate. County shall pay Centel the applicable rental amount within 30 days of County's receipt by the County of the invoice less any disputed charges.

2. When an item of Equipment is deleted at DCAD request, the total rental for the following month shall be reduced by the amount then being paid for such item; provided however, that Dade County shall be obligated to rent any item of equipment for a minimum period of 24 months, and if rent for the item has not been paid for a total period of 24 months, then in the month following deletion of the equipment, the County will be billed the monthly lease rate for the deleted item of equipment times the number of months equal to 24 months less the months actually paid. The total rental for all the Equipment leased to County hereunder shall not be below eighty (80) percent of the total rental rate for the Airport System on the highest March 7th invoice, in any prior year, less adjustment for (a) any discounts to the rental rate provided for in this Agreement, and (b) the rental rate applicable to any equipment purchased by the County.

3. The rental rate for the Airport System shall be the Current Rate reflected on Exhibit C. Adjustments to the Current Rate shall be made annually on February 7, to be effective on March 7 of the following month. Adjustments in the rental rate shall not exceed the average increase or decrease in the Consumer Price index of the calendar year preceding the February 7 adjustment date. Beginning February 7th 1990 and for each year thereafter, the Current Rate as adjusted in February of each such year in accordance with the terms of this Article 5(A)(3) shall not exceed Centel's current South Florida After-Cutover List Price for the same equipment times .94, or Northern Telecom's current Commercial List Price times 1.3, whichever is lower.

4. Items that have been billed on five March 7 invoices will be discounted 40% from the Current Rate from and after the 5th March invoice. The discounts will become effective on the March 7 invoices each year. An example of the calculations is as follows:

An item installed on November 1, 1984 would be billed December 1, 1984 and the item would qualify for the 40% discount beginning with the March 7, 1989 invoice, if the item had been billed on the March 7 invoices in 1985, 1986, and 1987 and 1988.

5. The current rental rate as of February 7, 1988 is contained in Exhibit C attached hereto and made a part hereof.

6. The rate for any telephone set includes the rate for the Station Cable associated with such telephone set to the IDF but does not include any Distribution Cable.

B. Hourly Labor Rates

1. County shall compensate Centel separately for any labor services provided for equipment moves, additions, and all changes of rental equipment by Centel personnel pursuant to a Service Order issued by County. For time and material orders performed by Centel personnel, (see Article 7(G) below), compensation shall be computed by multiplying the applicable labor rate by the time actually incurred by Centel personnel for the labor services rendered County pursuant to the Service Order. Applicable labor rates beginning February 7, 1988 shall be:

Customers Service Rep Rate $45.00
Technician Rate $60.00
Engineer Rate $75.00

These rates shall be adjusted annually each February 7th during the Term based on changes in the preceding calendar year in the Consumer Price Index. At the time of any Renewal, the rates for the Renewal period shall be agreed to by Centel and the Department.

2. The cost of maintenance for all rented equipment is included in the monthly rental rate.

3. Centel shall provide maintenance for the Hotel System and on other purchased Equipment at rates specified Section 5 (D).

C. Audit

The County shall have the right to audit at it's cost and discretion the contract adjustments provided for in Article 5(A)(3). Centel agrees to make available in its South Florida office information required by the auditors to such audits.

D. Maintenance of Purchased Equipment

1. Charges for the maintenance for all Hotel and non SATS purchased equipment shall be provided for by Centel at a fixed annual rate payable monthly by County. Except as provided below, notwithstanding any purchases of equipment by County during the following 12-month period, the maintenance rate for the 12-month period shall be determined by the amount of such Hotel and purchased equipment as of February 7 of each year. To determine the maintenance rate, the component quantities shall be multiplied by the unit point values as shown in Exhibit D, multiplied by the per point per month amount shown in Exhibit D, multiplied by 12 to obtain the fixed annual maintenance fee for the subsequent 12-month period.

2. Charges for maintenance for all SATS components which County may purchase from time to time under Article 6, will be billed as at the above described method. However, when County purchases more than 50% of the Airport System or SATS components as measured by their current rental rates, then County shall pay Centel such monthly maintenance fee as determined above or the minimum monthly maintenance charge shown in Exhibit D, whichever is greater; and provided further, that if County purchases any component for which County has paid more than 12 monthly rental payments, then Centel shall charge the applicable maintenance fee for such item effective as of the date of purchase.

ARTICLE 6
Option to Purchase Equipment

A. Centel agrees to sell to the County all or any portion of the Equipment which it rents to the County at the Airport, except that Centel will not sell any part of the Equipment that is required by Centel to provide SATS Service to other telephone users at the Airport if the County does not purchase all of the non-owned Equipment at the Airport. If the County purchases all of the Equipment, (1) Centel agrees after receiving payment in full for all of the Equipment to assign to the County all service and lease agreements between Airport tenants and Centel, and (2) County shall have the option of obtaining Centel's maintenance services for any purchased Airport System or SATS components for

subsequent annual periods at rates determined in accordance with this Agreement.

B. The purchase price to the County for the Airport System will be determined by the following formula:

(Current Rate/.0301) X Purchase Multiplier

The purchase multiplier used for any item as reflected in Exhibit B will be based on the number of months that the item has been installed.

C. The Purchase Price to the County for the Shared Airport Tenant System Equipment shall be the sum of the Equipment price based on the formula(s) agreed to by Centel and DCAD at the time DCAD approves Centel's Shared Airport Tenant Rate(s), plus the County shall pay Centel the amount of the previous three months gross revenues as defined in the SATS Agreement or $100,000.00 whichever is less.

D. The purchase multipliers are listed in Exhibit B attached hereto and made a part hereof.

E. The County must give Centel written notice that the County is exercising its right to purchase hereunder at least six months prior to the purchase of more than 50% of the Airport System by dollar amount. If the County is purchasing 50% or less of the Airport System, then County must give Centel at least two months prior written notice.

F. If County purchases all of the Equipment, Centel shall assign to County any and all service and lease agreement between Centel and its SATS users. County shall agree to assume all rights and obligations under such agreements from and after the effective date of such assignment.

G. For any item purchased by County, Centel shall assign to County all unexpired warranties. If the County does not purchase all of the Equipment, the County shall use Centel's maintenance and repair services in regard to such purchased items for the term of the Agreement. Centel's maintenance services, and the rate applicable to such services, shall be based on the maintenance rates determined above in 5(D).

H. County shall be entitled to acquire from third parties equipment other than hardware or software manufactured or supplied by Centel, Northern Telecom, Inc., or its subsidiaries, associated with the Equipment hereunder, such as, but not limited to, closed circuit TV systems, computers, word processing

equipment, and FAX devices, any portion of which County shall be entitled to connect to the Airport System; provided, however, that such equipment shall not interfere with the maintenance and operation of the Airport System. Centel shall be reimbursed for materials and labor to the extent requested pursuant to terms set forth in Article 5B. Centel shall not warrant or be liable for the maintenance or repair for any equipment purchased by the County form a third party.

I. For the term of this Agreement, County shall have the option of purchasing from Centel additional components for the Airport or SATS equipment and of having Centel provide maintenance services for such equipment, at rates determined in accordance with this Agreement.

ARTICLE 7
Additions to and Relocations of the Equipment

A. Rental rates and installation charges for any Additions to the Equipment shall be in accordance with the Current Rate in Exhibit C as may be amended.

B. The rental rate adjustment to the Current Rate provided for in Article 5(A)(3), shall apply to all Additions.

C. The charges for relocating Equipment provided by Centel under this Agreement shall be the installation charges set forth in the Current Rate or as otherwise specifically agreed upon by the Parties. The discount entitlement of County under Article 5(A)(4), shall not be affected in any way by the relocation of any equipment.

D. A Service Order includes any request by the Department to move, add, change or remove Equipment. Centel shall charge the County a Service Order charge of $44.61 for every Service Order.

E. The Service Order Charge is subject to an annual review on February 7 and adjustment due to CPI (Customer Price Index) changes in the preceding 12 months.

F. The County may rent additional items of Equipment which are not included in Exhibit C. The materials purchase price on which the rental rate will be based will be calculated under the provisions of paragraph G(2) below or on fixed cost quote basis at County's option. The County at the time the work order is placed with Centel will specify if the work is to be done on a fixed cost basis. The monthly rental rate for items not

included in Exhibit C will be determined by multiplying the materials purchase price times .0301. The labor cost will be paid as an installation charge associated with each item of Equipment.

G. The time and materials formula is as follows:

1) The labor rates are the current labor rates as provided for in Article 5(B) above.

2) The materials purchase price will be Northern Telecom's Commercial List Price times 1.3 or Centel's current South Florida After Cutover List Price times .94, which ever is lower.

H. In the event Centel, under the terms of this Agreement or any other agreement with the County, chooses to install any Equipment not required for the Airport System or Hotel System, it shall be without cost to the County.

ARTICLE 8
Obligations of Centel

A. Maintenance, Repair and Service

1. Centel shall provide prompt and efficient maintenance and repair of the Airport and Hotel Systems and its component parts with personnel competent for such function, so that Centel meets or exceeds the following standards on 95% of all requests, except that orders delayed because of scheduled changes or priority moves, changes and additions requested by DCAD shall not be counted as a missed order.

a. Repair service standards:

Respond to minor failure within 24 hours (7 days per week)

Respond to major failure within 2 hours (7 days per week)

b. System up-time:

Shall exceed 99.9% with a Mean time between major failure of 5040 hours.

c. Routine additions, deletions and relocations: (conduit, power, and other required facilities existing at the time of the order)

1 to 5 phones	24 hours from receipt of order
6 to 10 phones	7 days from date of order
11 to 50 phones	10 days from date of order
over 50 phones	individual case basis

d. Priority Moves, Changes and Additions: (priority moves, changes and additions are work orders designated Priority by DCAD)

Priority Orders will supersede all other orders and will be worked on and completed as soon as possible by Centel. The due date for Routine Orders will be adjusted for delays caused by Priority Orders.

2. For purposes of this Agreement, a "Major Failure" shall be defined as an occurrence of any of the following:

a. A failure of the switch, its common equipment, or power supplies which renders it or them incapable of performing normal functions for 5% or more of the stations or trunks.

b. A failure of any or all of the consoles which prevents the attendant(s) from handling incoming or outgoing calls.

c. A failure of over 5% of the trunks or station lines to function.

d. An indication of a major alarm condition as defined by the manufacturer in any of the switching or power equipment.

3. For purposes of this Agreement, a Minor Failure shall be defined as an occurrence of any of the following:

a. A failure to function of less than 5% of the trunks or station lines.

b. A failure to function in the station lines or equipment in up to 30 stations to be designated in writing by DCAD.

c. A failure to function of any ancillary equipment such as intercom circuits, loudspeaker paging system, the paging input arrangement or other equipment failures.

4. Centel shall perform the preventive maintenance as specified by the Equipment manufacturers. A quarterly report shall be submitted detailing the preventive maintenance performed in the previous quarter and specifying the preventive maintenance planned for upcoming quarter.

5. Centel's daily staffing shall include a Project Manager, a project Clerk/CRS and at least four technicians.

6. Centel shall have at lease one technician on-site from 7 AM to 11 PM, five days a week (Monday through Friday).

7. In the event of disaster, which involves a shut-down of electric system caused by something other than equipment malfunction, Centel at a minimum will restore service as follows if the facility is in a condition that will reasonably allow Centel to perform work in a safe craftsman-like manner and if facilities are available that meet the environmental requirements of the Equipment. Centel will coordinate its disaster recovery efforts in accordance with the published DCAD Recovery Plan Procedures.

Item	Time Frame
100 stations	24 hours
300 stations	72 hours
1,000 stations	7 days
2,000 stations	21 days
3,000 stations	35 days
4,000 stations	49 days
Full restoration	60 days

The cost of labor and materials to replace leased equipment will be Centel's responsibility. All other costs associated with the recovery including but not limited to replacement of conduit, necessary electric power, necessary floor plans, locations for equipment, with reasonable access thereto, raceways, holes, wire ways, and equipment not being currently leased from Centel will be reimbursed to Centel by the County, at the rates provided for herein.

B. Telephone Equipment Room

Centel shall maintain, repair, and keep in good order the interior of the Telephone Equipment Room premises including

but not limited to, replacement of light bulbs, ballasts, and tubes, and painting of doors. Upon relocation or removal of any equipment at the termination of this Agreement, Centel shall not be required to restore the telephone equipment room to its original condition but shall be responsible for any damage occasioned by the negligence of Centel in such relocation or removal.

C. Records and Telephone Numbers

Centel shall provide DCAD upon request with current copies of the records pertaining to the cable system, software data base documents, distribution cable diagrams, and telephone equipment room diagrams. Centel shall maintain one duplicate copy of all such records including software and data off-site at Centel's South Florida Office.

D. Reports

On the first and sixteenth day of each month, Centel shall file a report with DCAD that shall include on a month-to-date basis and for a cumulative prior 12-month basis the following items:

- System Availability, including SL-1XT, Fiber DS3 links, Fiber Backbone, SL-1M, SL-1ST(s), S/1-M and other major systems
- Trunk availability
- Average response time for Minor and Major Failures
- Percent of Service Orders completed within specific time frames pursuant to Article 8(A).
- List of completed and pending Service Orders.

E. Software

1. Centel shall install the Automated Trunk Maintenance Software to perform daily trunk tests.

2. Centel shall maintain the message detail recording system rate tables and the SL-1 ARSNNX tables and shall update such tables on a Semi-Annual basis.

F. No Warrantics

Centel's duty to maintain the Equipment excludes service in connection with maintenance or repair of the Equipment caused by other's (1) misuse, negligence, accident or abuse, (2) connection to foreign electric current, (3) fire, water, flood, wind, storms, lighting, any act of God, or public enemy, (4) failure to provide a suitable operating environment, or (5) unauthorized attachments and modifications such as, improper software changes, wiring, installation, repair or alteration by anyone other than Centel. Centel may perform repairs necessitated by any of the excluded causes at County's request at Centel's then prevailing rates. Centel will maintain the Equipment and provide the necessary parts and labor to maintain the Equipment provided that the County is current on its payments hereunder and is otherwise in compliance with terms and conditions of this Agreement. CENTEL'S AGREEMENT TO MAINTAIN THE EQUIPMENT IS IN LIEU OF ANY REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE DESIGN, OPERATION OR CONDITION OF THE EQUIPMENT INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO WARRANTIES EXIST IN THIS AGREEMENT.

G. Limitation of Liability

Except for claims for physical injury to persons, Centel and its suppliers or subcontractors will not be liable for any special, incidental, or consequential damages or for loss, damage or expense directly or indirectly arising from County's use of or inability to use the Equipment either separately or in combination with other equipment or software, or for commercial loss of any kind (including loss of business or profits) based upon breach of warranty, breach of contract, negligence, strict tort or any other legal theory whether or not Centel or its suppliers or its subcontractors have been advised of the possibility of such damage or loss. Some states do not allow limits on warranties or on remedies for breach in certain transactions.

H. Software License

Subject to the terms hereinafter set forth, Centel grants to County a personal, nonexclusive license; (1) to use certain Licensed Software, proprietary to Centel or its suppliers, contained as an integral part of the Hardware; and (2) to install and use each item of Licensed Software not an integral part of the Hardware; and (3) to use the associated documentation. County is granted no title or ownership rights in or to the Licensed Software, in whole or in part, which rights shall remain with Centel or its suppliers.

Centel considers the Licensed Software to contain "trade secrets" of Centel and/or its suppliers. Such "trade secrets" include, without limitation thereto, the specific design, structure and logic of individual Licensed Software programs, their interactions with other portions of Licensed Software, both internal and external, and the programming techniques employed therein. In order to maintain the "trade secret" status of the information contained within the Licensed Software, the Licensed Software is being delivered to County in object code form only.

Centel or its suppliers holding any intellectual property rights in the Licensed Software, and/or any third party owning any intellectual property right in software from which the Licensed Software was derived, are intended third party beneficiaries of this License. All grants of rights to use intellectual property intended to be accomplished by this License are explicitly stated and no additional grants of such rights shall be inferred or created by implication.

County warrants to Centel that County is not purchasing the rights granted by this License in present anticipation of reselling those rights.

County shall:

- Hold the Licensed Software in confidence for the benefit of Centel and/or its suppliers; and
- Keep a current record of the location of each copy of Licensed Software made by it; and
- Use each copy of the Licensed Software only on a single CPU, at a time (for this purpose, single CPU shall include systems with redundant processing units); and
- Affix to each copy of Licensed Software made by it, in the same form and location, a reproduction of the copyright notices, trademarks, and all other proprietary legends and/or logos of Centel and/or its suppliers, appearing on the original copy of such Licensed Software delivered to County; and retain the same without alteration on all original copies; and

- Destroy the Licensed Software and all copies at such time as the County chooses to permanently cease using it.

County shall not:

- Use the License Software (i) for any purpose other than County's own internal business purposes and (ii) other than as provided by this License; or

- Allow anyone other than County's employees and agents to have physical access to the Licensed Software; or

- Make any modifications, enhancements, adaptations, or translations to the Licensed Software, except for those resulting from those County interactions with the Licensed Software associated with normal use and explained in the associated documentation; or

- Attempt to reverse engineer, disassemble, reverse translate, decompile, or in any other manner decode the Licensed Software, in order to derive the source code form or for any other reason; or

- Make full or partial copies of any documentation or other similar printed or machine-readable matter provided with Licensed Software unless the same has been supplied in a form by Centel intended for periodic reproduction of partial copies; or

- Export or re-export the Licensed Software and/or associated documentation from the fifty states of the United States and the District of Columbia.

County may assign collectively its rights under this License to any subsequent owner of the Hardware, but not otherwise. No such assignment shall be valid until County (1) has delegated all of its obligations under this License to the assignee; (2) has obtained from the assignee an unconditional written assumption of all such obligations; (3) has provided Centel a copy of such assignment, delegation and assumption; and (4) has transferred physical possession of all Licensed Software and all associated documentation to the assignee and destroyed

all archive copies. Except as provided, neither this License nor any rights acquired by County through this License are assignable. Any attempted assignment of rights and/or transfer of Licensed Software not specifically allowed shall be void and conclusively presumed a material breach of this License.

If Centel claims a material breach of this License and files an action in a court of competent jurisdiction seeking relief, then (1) Centel shall have the right, without further notice, to temporarily terminate County's right to continue to possess and use the Licensed Software; if Centel elects to exercise that right, Centel may enter upon the premises of County and take possession of, remove, and retain the Licensed Software until such time as the court may order otherwise; and (2) County shall be deemed to have agreed that remedies available at law are not adequate to protect the interests of Centel and/or its suppliers, and to have consented to the equity jurisdiction of the court.

IN NO EVENT SHALL NORTHERN TELECOM INC., WHOM DADE COUNTY RECOGNIZES AS CENTEL'S LICENSOR AND AS A THIRD PARTY BENEFICIARY OF THIS CLAUSE, AND/OR ANY OF ITS SUPPLIERS BE LIABLE TO OR THROUGH COUNTY FOR: (1) ANY INDIRECT, SPECIAL, INCIDENTIAL AND/OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, LOST SAVINGS, OR INTERRUPTION OF BUSINESS) SUFFERED BY COUNTY FOR ANY RESON; (2) ANY DAMAGES SUFFERED BY COUNTY AS A RESULT OF COUNTY'S FAILURE TO LIVE UP TO COUNTY'S OBLIGATIONS UNDER THIS AGREEMENT; (3) ANY CLAIM AGAINST COUNTY BY ANY THIRD PARTY FOR DAMAGES OF ANY KIND; ANY OR ALL OF WHICH ARISE FROM OR IN CONNECTION WITH THE DELIVERY, USE, OR PERFORMANCE OF SOFTWARE GOVERNED BY THIS EQUIPMENT LEASE AGREEMENT, AND EVEN IF NORTHERN TELECOM AND/OR ANY OF ITS SUPPLIERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS.

EXCEPT AS GRANTED IN THE BODY OF THE AGREEMENT BETWEEN NORTHERN TELECOM AND CENTEL, THE LICENSED SOFTWARE IS PROVIDED BY NORTHERN TELECOM AND CENTEL "AS IS" AND WITHOUT WARRANTY OR ANY KIND OR NATURE, WRITTEN OR ORAL, EXPRESS OR IMPLIED, INCLUDING (WITHOUT LIMITATION) THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE. THIS LIMITATION OF WARRANTIES WAS A MATERIAL FACTOR IN THE ESTABLISHMENT OF THE LICENSE FEE CHARGES FOR EACH SPECIFIC TERM OF THE SOFTWARE LICENSED.

I. Agency

County shall designate Centel its limited agent and representative to facilitate resolution of issues involving the regulated public telephone companies.

J. Alterations and Attachments

Centel shall not permit any equipment or other items or material (Other Equipment) or software (Other Software) to be used on or in connection with the System, which would detrimentally affect the performance of the Equipment. All Other Equipment and Other Software which may be used on, or in connection with, the System shall be acquired and installed at County's own expense and risk. Centel makes no representations concerning the compatibility of any such Other Equipment and/or Other Software for use with the System.

At the end of the Term, County may remove any additions to the Airport System made by County during the Term and not otherwise subject to this Agreement (Additions), and restore the System, at County's expense, to its original condition, reasonable wear and tear only excepted. In the event that County fails to remove an Addition, it shall become the property of Centel.

ARTICLE 9
Obligations of County

A. Use of Equipment

The County agrees to use due care in the handling and operation of the Equipment and the County agrees to operate the Equipment according to the instructions of Centel. The County agrees to first notify Centel of any difficulties in the operation of the Equipment and first notice will be to Centel as opposed to any other party.

B. Telephone Equipment Room

County at its cost shall provide Centel with a Telephone Equipment Room(s) satisfactory to the Parties and with appropriate electrical circuits and power, an isolated ground, air conditioning, humidity control, lighting protection, fire protection and security normally provided to Airport Terminal Building tenants. In addition, the County shall provide to Centel, without cost to Centel, necessary electric power, excluding back-up power for the Airport System, necessary floor plans, locations for Equipment free of asbestos and other environmental hazards, with reasonable access thereto, raceway, conduit, holes and wire ways.

C. Relationship with Local Exchange Company

The County will make Centel its limited agent and representative to arrange for Installation and Maintenance to the public telephone network, to identify and order with DCAD's prior approval necessary facilities, and to coordinate installation and maintenance.

D. Return of Equipment Upon Termination

Upon deletion of an item of Equipment from this Agreement for any reason, County shall return to Centel the Equipment leased hereunder in good condition, reasonable wear and tear excepted.

E. Travel Expenses

For all travel requested by County or required by this Agreement, County shall reimburse Centel for prior approved travel expenses in accordance with the reimbursement policy of the County as provided in Administrative Order 6-1.

F. Resolution No. R-361-82

The County represents that by virtue of the adoption of Resolution No. R-361-82, by its Board of County Commissioners, Contract DCAD 6-T-600 was awarded to Centel Communications Company (Centel), and the County Manager was duly authorized to execute appropriate contract documents therefor on behalf of Dade County. The County further represents that the said Resolution remains in full force and effect as of the date of execution of this Agreement by the County and Centel.

G. Force Majeure

Centel's performance shall be adjusted or suspended by Centel to the extent performance is beyond Centel's reasonable control including, without limitation, the following: strikes, work shortages, fire, water, flood, wind, storms, lighting, other acts of God or public enemy, delays of suppliers, subcontractors, or the local exchange company, interexchange carrier or any other carrier, except where such delay is caused by Centel, governmental action or any County nonperformance such as County non-payment or failure of County to perform its obligations contained herein.

ARTICLE 10
Indemnification and Insurance

A. Centel shall indemnify and save the County harmless from any and all claims, liability, losses and causes of action which may arise out of or result from this Agreement, or operation of the business of Centel under this Agreement, or the acts or omissions of Centel, its employees, agents or subcontractors, except to the extent any such claim, liability, loss or cause of action is occasioned by the negligence of County.

B. Centel shall obtain and maintain throughout the course of this Agreement insurance coverages required by County. Such insurance shall not limit or relieve Centel from its obligations and liabilities under any other portion of this Agreement.

ARTICLE 11
Termination; County's Right on Expiration

A. Either party may terminate this Agreement for a material breach of the other party, by giving not less than thirty (30) days' notice of the breach to the defaulting party, and, if such breach is not cured within such 30 days or if not curable within that time the defaulting party fails to take reasonable steps to cure such breach thereafter, upon a final written notice of intent to terminate the Agreement immediately. Each party reserves its rights under Florida law to resort to whatever remedies may be provided in the event of such breach or a termination resulting from such breach.

B. At the time of termination of this Agreement by the County, the County will purchase all items of equipment for which 24 Lease Payments have not been paid or pay to Centel an amount equal to the current Monthly Lease for the items of equipment times the difference between 24 months and the number of months rent was paid for the items.

ARTICLE 12
Title to Equipment

The Equipment provided by Centel at its cost hereunder, not paid for or reimbursed by the County, is and shall remain personal property of Centel irrespective of its manner of attachment to realty or use, and title to the Equipment shall at all times be and remain with Centel, unless transferred to County by sale.

ARTICLE 13
Miscellaneous

A. Centel may assign its obligations under this Equipment Lease Agreement to another corporation which controls, is controlled by, or is under common control with Centel, provided that Centel shall not thereby be relieved of liability hereunder.

B. The Terms of this Agreement may not be changed or varied except by written Agreement of both parties.

C. This Agreement contains all the Agreement of the parties relating to the subject matter thereof, and no representation of the employees or principals of either party shall be binding on the parties unless specifically incorporated herein.

D. Notwithstanding the provisions of Article 9(B), Centel acknowledges and agrees that its right to access certain areas of the Airport shall be governed and limited by whatever security requirements may be imposed by County.

E. Any notice to be provided under this Agreement shall be sent by certified mail to the following parties:

To Centel
Regional Vice President
Centel Communications Company
3725 West Grace Street
Tampa, Florida 33607

With a copy to:
Vice President/General Manager
Centel Communications Systems
601 Jefferson - Suite 1000
Houston, Texas 77002

To County
Director
Dade County Aviation Department
5th Floor, Concourse E, Terminal Building
Miami International Airport
Miami, Florida 33122

With copies to:
Dade County Attorney's Office
P. O. Box 592975, AMF
Miami, Florida 33159

Superintendent of Telecommunications
P.O. Box 592075
Miami, Florida 33159

F. Except as provided above in (A), this Agreement may not be assigned by either party without the written consent of the other.

G. This Agreement shall be interpreted, governed and enforced in accordance with the laws of the State of Florida, and venue for any action brought hereunder shall lie in Dade County, Florida.

H. The waiver by either party of a default of the other shall not preclude such party from insisting on due performance of the other in the future and from taking appropriate action if the party defaults in its performance.

I. The Parties acknowledge and agree that this Agreement is the product of negotiations between the parties and has been typed by one party for the benefit of both, and the negotiated terms and conditions herein shall not be construed for or against either party.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date first above written.

SHARED AIRPORT
TENANT SERVICE AGREEMENT

THIS SERVICE AGREEMENT, entered into as of this _____ day of _____, by and between METROPOLITAN DADE COUNTY, a political subdivision of the State of Florida, and CENTEL COMMUNICATIONS COMPANY, ("Centel") a Delaware corporation doing business in Fort Lauderdale, Florida,

WHEREAS, pursuant to County's Resolution No. R-361-82, County and Centel entered into two separate agreements involving telecommunications equipment for the Airport and Hotel Systems; and

WHEREAS, County and Centel have negotiated new terms and conditions applicable to County's lease of the Telecommunications Equipment for the Airport System and the maintenance thereof by Centel, and have incorporated such terms into a separate Equipment Lease and Maintenance Agreement (hereafter the "Equipment Lease Agreement"); and

WHEREAS, County and Centel desire in this agreement to provide for the parties' rights and obligations relevant to Shared Airport Tenant Service (SATS) to be provided to tenants and users of the Airport,

NOW THEREFORE, in consideration of the premises, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Introductions.

This agreement covers only the parties' rights and obligations relating to SATS provided at the Airport. The parties' agreements relating to lease of the telecommunications equipment for the Airport System and its maintenance, as well as Centel's maintenance of the County's Hotel System, are covered by the Equipment Lease Agreement.

2. Definitions.

a. The definitions provided in the Lease Agreement between the parties are hereby incorporated herein by reference, unless specifically modified herein.

b. Calling Services shall mean the mechanical process of placing, timing, and pricing each long distance or otherwise chargeable telephone call placed with a carrier or other suitable means and for which Centel Charges a resale fee to the equipment user.

c. Department means the Dade County Aviation Department, and shall be interchangeable with "County" as used herein.

d. Equipment Charges shall mean all charges including flat rate local service, related to the rental, sale, or provided equipment served from the Airport System to Airport tenants or users, other than DCAD.

e. Gross Revenues shall mean all moneys paid or payable to, or considerations of determinable value received by Centel from Equipment Charges made to tenants and users of SATS provided at the Airport, for transactions had or services rendered in connection with such equipment regardless of when or where the order therefor is received, or the goods delivered, or services rendered, whether paid or unpaid, whether on a cash or credit basis, or in consideration of any other thing of value. Provided, however, that any taxes imposed by law which are separately stated to and paid by a customer and directly payable by Centel to a taxing authority, refunds provided customers in connection with equipment, and all moneys collected from the County for equipment charges under the Lease Agreement with County shall be excluded therefrom.

f. Gross Profits shall mean all gross revenues for calling services less the costs to Centel for all leased lines, circuits, trunks, and network usage charges paid to carriers (including, but not limited to, Common Carriers, Other Common Carriers, and Specific Common Carriers) associated with calls placed, any other non-overhead or non-administrative expenses incurred by Centel to the extent required to provide services called for herein, any taxes imposed by law which are separately stated to and paid by a customer and directly payable by Centel to a taxing authority, and refunds, regardless of when or where the request for such refund is received, or the goods delivered, or services rendered, whether paid or unpaid, whether on a cash or credit basis, or in consideration of any other thing of value.

g. Equipment Lease Agreement shall mean that separate agreement between the parties providing for County's lease from Centel of telecommunications equipment for the airport system and Centel's obligation to maintain and repair such equipment.

h. Termination shall mean the expiration of the Lease Agreement at the end of the Term or any renewal term, or the County's cancellation of the lease for cause as provided for in the Equipment Lease Agreement.

3. Scope of Agreement

a. Centel agrees to use its best efforts to establish, market, and sell SATS to tenants and users at the airport and at the hotel (except for the department itself and those department accounts specifically identified by the Department), consistent with the authority granted from time-to-time by the Public

NXT 4536

PSC 81

Service Commission of Florida or whatever governmental entity has jurisdiction over SATS, and all other applicable laws.

b. County agrees to allow Centel the use of the telecommunications equipment of the Airport System for such shared tenant services and agrees that Centel may use the telephone equipment room identified in the Equipment Lease Agreement for such purpose without obligation to compensate County therefor, provided, however, that such use is consistent with and limited by the other provisions of this agreement.

c. Centel shall maintain and repair the equipment so that the shared tenant service is operating in accordance with the standards provided herein or in the Equipment Lease Agreement, whichever standards apply, and County shall pay Centel the costs thereof in accordance with the provisions of such individual agreements as provided in such Equipment Lease Agreement. County shall not be obligated to pay Centel for maintenance costs related to any equipment leased by County from Centel.

d. Centel shall pay County, as compensation for the above, a minimum monthly payment plus a percentage of Centel's gross profits in accordance with the provisions of Section 7 below.

4. Shared Airport Tenant Service

Centel also acknowledges that, because the Florida PSC only recently approved the SATS concept at airports, and because such approval was based in large part upon the showing that airports in Florida needed a reliable internal telephone system that would allow emergency and security problems to be handled in a prompt and most efficient manner without having to access off-campus local telephone company equipment, the Centel-provided SATS at Miami International Airport will require the most efficient, effective and reliable telephone service possible. Centel therefore agrees to use its best efforts to make certain that the equipment being used in the Airport and the service being provided to those customers agreeing to make use of SATS users are of the highest quality and with the least downtime record as may be possible.

5. Term

This agreement shall commence as of February 7, 1988, and shall continue for an initial period of four (4) years until the end of the business day on February 6, 1992. Thereafter, County shall renew this agreement for five (5) consecutive two (2) year terms, upon the terms and conditions contained herein, unless County give Centel notice of termination as provided below.

County shall not have the right to terminate the agreement within the initial 4-year term, except for cause as provided in this Agreement; thereafter, during the 10-year period, County may

terminate this Agreement without cause and solely at its discretion upon the following conditions:

(a) if County exercises its option to purchase all of the equipment under Article 6 of the Equipment Lease Agreement, then County shall give Centel not less than twelve (12) months' notice of termination;

(b) if County does not exercise its right to purchase all of the equipment under such Agreement, County shall give Centel not less than thirty-six (36) months' notice of termination.

If any such termination shall occur during any term or renewal term hereof, then County's 12-month or 36-month notice shall constitute an automatic extension of this Agreement until the effective date of such termination.

6. Centel's Use of Equipment

a. Centel is hereby authorized to use the equipment and facilities for the purpose of operating the Airport System and providing Shared Airport Tenant Service to tenants and users of the Airport, including storage of equipment and parts associated with such systems, administration thereof, and other related functions reasonably necessary to operate such systems and service.

b. Centel agrees that the County shall be the preferred customer for telephone switching equipment service and that Centel will use best efforts to provide County with preferential service, without substantial harm to other tenants and users of the service.

c. Centel shall provide Shared Airport Tenant Service that meets or exceeds the following standards on 95% of all requests, except that orders delayed because of Scheduled or Priority moves, changes, and additions requested by DCAD or SATS Users shall not be counted as a missed order.

Repair Service Standards

Respond to Minor Service: 24 hours
Respond to Major Service: 2 hours
System up-time shall exceed 99%

Routine Moves and Changes and Additions (conduit, power, and other required facilities existing at the time of the order)

a. Repair service standards:
Respond to minor failure — Within 24 hours (7 days per week)

NXT 4538

PSC 83

b. Respond to major failure — Within 2 hours (7 days per week)

Shall exceed 99.9% with a Mean time between failure of 5040 hours

c. Routine additions, deletions and relocation:

(conduit, power, and other required facilities existing at the time of the order)

1 to 5 phones	24 hours from receipt of order
6 to 10 phones	7 days from date of order
11 to 50 phones	10 days from date order
over 50 phones	Individual case basis

d. Priority Moves, Changes and Additions:

Priority moves, changes, and additions are work orders designated priority by DCAD.)

Priority Orders will supersede all other orders and will be worked on and completed as soon as possible by Centel. The due date for Routine Orders will be adjusted for delays caused by Priority Orders.

7. Centel Payments to County

a. Minimum Monthly Payment: Centel shall credit to County, and County shall automatically be entitled to take as a credit commencing February 7, 1989, and thereafter on the first day of each and every monthly billing, as a deduction from DCAD's monthly rental payments under the Lease Agreement, a minimum monthly credit in the amount of ONE THOUSAND DOLLARS ($1,000.00).

b. Percentage Fees: In addition to the monthly minimum payment set forth in Section 7 (a) above, to the extent that such percentage fees exceed the monthly minimum payments, Centel shall credit to the County monthly the following amounts:

(1) Ten percent (10%) of the Gross Revenues derived by Centel from Equipment charges; plus

(2) Thirty-five percent (35%) of the first $10,000 of Gross Profits derived by Centel from the sale of Calling Services; forty-five percent (45%) of the second $10,000; and fifty percent (50%) of all additional Gross Profits in excess of

such $20,000.00 derived from the sale of Calling Services at Miami International Airport.

c. Payment: Said percentage fees shall be paid to the County as follows:

(1) For rental of equipment by customers, which is billed by Centel for the month in advance: on or before the 20th day of the month following the month for which equipment rental was billed.

(2) For moves, changes, additions and deletions of rented equipment and calling services which are billed after the end of the month in which the activity occurred: within 50 days following the end of said month.

d. In the event that Centel bids or enters into similar agreement(s) with any of the top fifty (50) Commercial Service Airports in the United States, as defined by the Federal Aviation Administration, and said agreement(s or bid(s) provides for percentage fees higher than those provided in Section (b) above, this Agreement shall be automatically amended to provide for payment to County at such higher fees as of the effective date of such higher bid or agreement.

e. In the event Centel fails to credit the minimum monthly payments, fees or charges as required to be paid under the provisions of this Agreement within (30) days after the same shall become due, interest at one and one-half percent (1½%) per month shall accrue against the delinquent credit(s) from date due until the same are credited. Implementation of this provision shall not preclude the County from terminating this Agreement for Centel's default in the payment of monthly minimum payments, fees or charges, pursuant to the procedures set forth herein or form enforcing any other provisions contained herein, or pursuing other remedies provided by law.

8. Centel Records

a. Centel shall make available, upon request of the County, during the term of this Agreement, all books of account and records customarily used in this type of operation, as may from time to time be required by the County, in accordance with generally accepted accounting practices and standards, and for such period of time thereafter as provided herein, unless otherwise approved by the County. The County shall be permitted to audit and examine all such records and books of account relating to the operation of Centel hereunder, provided that Centel shall not be required to maintain such records for more than three (3) years after the end of each twelve month period. In the event is becomes necessary for County to cause an audit of books and records in a location outside the limits of South Florida, (Dade, Broward or Palm Beach Counties) all expenses of the County for travel outside South Florida, accordance with

Administrative Order No. 601, shall be reimbursed by Centel upon billing by County.

b. Centel shall within sixty (60) days following each anniversary of the commencement date for the payment of the Gross Revenues and Gross Profits as provided herein, submit to the County a certified report, prepared and attested to by an independent Certified Public Accountant, approved by the Department, as to the correct Gross Revenues and Gross Profits per month for the operation of Centel under this Agreement. Said report shall be prepared in conformance with the American Institute of Certified Public Accountants' requirements for special reports. The first such report shall contain twelve (12) full calendar months of operation. The last such report shall include the last day of operation.

c. Centel shall also submit by the 20th day of every month a statement of the monthly Gross Revenues and monthly Gross Profits, in total and by customers. The statement shall be signed by Centel certifying as to the accuracy of such Gross Revenues and Gross Profits in the form prescribed by the Department.

9. Centel Contract and Other Documents Used in SATS.

a. Centel and the Department shall jointly determine what contractual and other documents will be used by Centel in providing SATS, and that such documents shall not be placed in use until specifically approved by the Department, which approval shall not be unreasonably withheld.

b. Because the parties contemplate that County may provide the SATS for the Airport and Hotel Systems at some point in the future, such documents shall provide at a minimum that the contracts with customers are fully assignable to County by Centel.

10. Insurance and Indemnification.

a. Centel shall from time to time provide insurance, with County named as an additional insured, in the amounts and with the coverage customarily specified by County for Airport Tenants.

b. The termination for any reason of the Equipment Lease Agreement shall not affect Centel's obligation under this agreement to maintain insurance required hereunder.

c. Centel shall indemnify and save the County harmless from any and all claims, liability, losses and causes of actions which may arise out of or result from this Agreement, or operation of the business of Centel under this Agreement, or the acts or omissions of Centel, its employees, agents or subcontractors,

except to the extent any such claim, liability, loss or cause of action is occasioned by the negligence of County.

11. Cancellation of Agreement.

a. The County shall have the right to cancel this Agreement upon the effective date of County's assumption of operating control of SATS following County's exercise of its option to purchase all of the SATS equipment as provided in the Lease agreement.

b. Failure of Centel to promptly make all credits or payments required to be paid herein shall constitute a default, and the County may at its option cancel this Agreement after thirty (30) days notice in writing, unless the default be cured within the notice period. Provided, however, that Centel shall not be deemed to be in default of its obligations under this Agreement for failure to provide such credit pending the outcome of any legal proceeding instituted in a court of competent jurisdiction to determine the validity of any such credits or payments.

c. The County shall have the right after thirty (30) calendar days written notice sent by registered or certified mail to Centel to terminate this Agreement upon the occurrence of any one or more of the following, unless the same shall have been corrected within such period:

(1) A material breach by Centel of any of the terms, covenants, or conditions of this Agreement, excluding the covenants to make payments herein contained.

(2) Conducting any business or performing any acts not specifically authorized herein.

d. The County shall have the right to terminate this Agreement within thirty (30) days after the happening of any one or more of the following:

(1) A final judicial determination that litigation instituted by Centel against the County was groundless and frivolous.

(2) In the event of total destruction of Terminal Building Area.

(3) Institution by or against Centel of any Federal or State bankruptcy or like proceeding, unless termination is prohibited by Federal or State Law.

12. Termination by Centel and Suspension of Payments.

Centel shall have the right upon thirty (30) calendar days written notice to the County to terminate this Agreement at any time after the occurrence of one or more of the following events:

a. Issuance by any court of competent jurisdiction of any injunction substantially restricting the use of the Airport for airport purposes, and the remaining in force of said injunction for a period of more than ninety (90) calendar days.

b. A breach by the County of any of the material terms, covenants or conditions contained in this Agreement and failure of the County to remedy such breach within a period of thirty (30) calendar days after receipt of written notice sent by registered or certified mail from Centel of the existence of such breach.

c. The assumption by the United States Government or any authorized agency thereof, or any other governmental agency, or the operation, control or use of the airport facilities or any substantial part, or parts thereof, in such manner as substantially to restrict the operations of Centel for a period of ninety (90) days.

d. Purchase by County of all of the equipment under Article 6 of the Equipment Lease Agreement.

13. Nondiscrimination.

a. Centel shall not discriminate against any employee or applicant for employment in the performance of this Agreement with respect to hire, tenure, terms conditions, or privileges of employment, or any matter directly or indirectly related to employment because of age, sex or physical handicaps (except where based on a bona fide occupational qualification), or because of race, color, religion, national origin or ancestry.

b. Centel, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with this Agreement that (1) no person on the grounds of race, color, or national origin shall be excluded from participation, denied the benefits of, or be otherwise subjected to discrimination in the use of the facilities, (2) that in the construction of any improvements on, over, or under such facilities and furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination.

c. In the event of a breach of any of the above nondiscrimination covenants the County shall have the right to terminate this Agreement and to reenter and repossess the facilities thereon, and hold the same as if said Agreement had

never been make or issued. Any termination pursuant to section shall not be effective until the procedures specified in Part 152 of Title 14, Code of Federal Regulations, or established by the County are completed including any appeal rights.

d. As to the provisions of 14 CFR Part 152, (1) Centel acknowledges that such provisions are applicable to the activities of Centel under the terms of the Agreement, unless exempted by said regulations, and hereby agrees to comply with all requirements of the Department, the Federal Aviation Administration and the U.S. Department of Transportation, and (2) these requirements may include, but not be limited to affirmative action efforts, the keeping of certain records relating to equal employment opportunity, and good faith compliance efforts, and the submission of various reports, including, if directed by the Department, and to the extent consistent with Federal and State Law, the contracting of specified percentages of goods and services contracts to Minority Business Enterprises. Failure to comply with these requirements shall be grounds for default and termination of this Agreement. Any termination pursuant to this section shall not be effective until the procedures specified in said Federal regulations or as established by the County are completed, including any appeals.

14. Rules and Regulations.

a. Centel notwithstanding anything to the contrary herein, shall comply with ordinances of the County including the Rules and Regulations of the Department, Chapter 25, Code of Metropolitan Dade County, Florida, operational directives issued thereunder, and all additional laws, ordinances, regulations and rules of the Federal, State and County Governments, which may be applicable to Centel's operation under the Agreement.

b. Centel shall obtain, pay for, and maintain current all permits and licenses as required for its operation.

15. Payment of Taxes.

Centel shall pay all taxes lawfully assessed against its operations at the Airport, provided, however, that Centel shall not be deemed to be in default of its obligations under this Agreement for failure to pay such taxes pending the outcome of any legal proceedings instituted in a court of competent jurisdiction to determine the validity of such taxes.

16. Alterations.

Centel shall not alter or modify the facilities provided herein without first obtaining written approval from the Department. If so approved by County, Centel may be authorized to make repairs, alterations and/or additions to the facilities at the airport. Compensation for such repairs, alterations

NXT 4544

PSC 89

and/or additions shall be as mutually agreed upon by both parties.

17. Inspection by County.

Centel shall maintain the facilities in good repair and in a neat and orderly condition. The county may make periodic inspections to determination if such are being maintained in said manner and also to determine whether Centel is operating in compliance with the terms and provisions of this Agreement.

18. Signs.

No signs, posters, or advertising devices may be installed, erected or displayed by Centel without prior written approval by the Department.

19. Rights of County in Airport facilities.

The County shall have the absolute right, without limitation, to make any repairs, alterations and additions to the facilities at the Airport, except that alterations or additions to the interior and exterior of the facilities provided under this Agreement shall be made only in the event of need and without substantial inconvenience to Centel. The County shall, in the exercise of such right, be free from any and all liability to Centel for partial loss of business or damages occasioned during the making of such repairs, alterations and additions, except those occasioned by the negligence of the County, its employees, or agents.

20. Federal Government Agreements and Powers.

a. This Agreement shall be subordinate to the provisions of any existing or future agreements between the County and the United States of America relative to the operation and maintenance of the Airport, the execution of which has been or may be required as a condition precedent of the Airport.

b. All provision of the Agreement shall be subordinate to the rights of the United States of America to lease or otherwise assume control over the Airport, or any part thereof, during time of war or national emergency for military or naval use and any provisions of the Agreement inconsistent with the provisions of such lease to the United States of America shall be suspended, except the right of Centel to cancel this Agreement pursuant to Section 12 (c) hereof.

21. Personnel.

a. Centel shall ensure that all its personnel present a neat, clean and professional appearance at all times.

b. Centel shall require all personnel to wear visibly on their person, at all times while on duty, a distinctive name tag, identifying the individual by name, title, if appropriate, and as an employee of Centel. Such personnel must be able to satisfy the Department's security requirements.

22. Security.

a. Centel fully understands that the Police security protection provided by the County for the Airport facilities is limited to that provided to any other business situated in Dade County by the Metro-Dade Police Department.

b. Centel fully understands that the safety, police, fire or security protection measures deemed necessary for additional protection of the facilities shall be the sole responsibility of Centel.

c. Centel acknowledges and accepts full responsibility for the security and protection of all contents, inventory, and equipment within the facilities and for the prevention of unauthorized access to its facilities or contents thereof.

d. Centel agrees to furnish all personnel in its employ, who are authorized access to the airfield operations area and other restricted areas as determined by the County, with identification badges as required to comply with the security program established by the Department and to furnish the Department with the names and additional pertinent data of such persons so authorized. Centel shall be fully responsible for such identification badges.

23. Notices.

Any notices required herein shall be sent by Registered or Certified mail to the parties as follows:

To the County:
Director
Dade County Aviation Department
Post Office Box 592075
Miami, FL 33159

County Attorney's Office
Post Office Box 592075
Miami, FL 33159

Superintendent of Telecommunications
Post Office Box 592075
Miami, FL 33159

To Centel:
Centel Communications Company Vice President
Centel Communications Systems-Southeast
3725 West Grace Street
Tampa, FL 33067

and

With a Copy to:
Vice president/General Manager
Centel Communications Systems
601 Jefferson - Suite 1000
Houston, Texas 77002

or to such other address as either party may designate in writing.

24. Termination.

a. Centel shall vacate the facilities and remove all its personal property and trade fixtures from the facilities at the termination of this Agreement, unless otherwise authorized in writing by the Department, whether by lapse of time or otherwise, as provided in Section C below.

b. Centel within thirty (30) calendar days following the termination of this Agreement, shall remove all of its personal property and any trade fixtures forthwith. Failure on the part of Centel to remove its property within thirty (30) days from the date of termination shall constitute a gratuitous transfer of title hereof to the County for whatever use and disposition is deemed to be in the best interest of the County. If County does not permit Centel to remove its personal property or trade fixtures or make them available for removal by Centel, then in addition to all other remedies at law or equity available to Centel, all obligations of County under this Agreement shall remain in force and effect until system is returned to Centel.

c. Any personal property of Centel, or of others, placed in the facilities shall be at the sole risk of Centel or the owners thereof, and County shall not be liable for any loss of damage thereto, irrespective of the cause of such loss or damage.

25. The Service Agreement of September 9, 1982, between the parties is hereby cancelled in its entirety and superseded by the terms of this Shared Airport Tenant Service Agreement.

26. Assignment and Subletting.

This Agreement shall not be assigned, transferred, pledged or otherwise encumbered by Centel, except to another corporation which controls, is controlled by, or is in under common control with Centel, provided that Centel shall not be relieved of its

liabilities or responsibilities hereunder without the prior written consent of the Department.

27. Limitation for Liability.

Except for claims for physical injury to persons, Centel and its suppliers or subcontractors will not be liable for any special, incidental, or consequential damages or for loss, damage or expense directly or indirectly arising from County's use of or inability to use the Equipment either separately or in combination with other equipment or software, or for commercial loss of any kind (including loss of business or profits) based upon breach of warranty, breach of contract, negligence, strict tort or any other legal theory whether or not Centel or its suppliers or its subcontractors have been advised of the possibility of such damage or loss. Some states do not allow limits on warranties or on remedies for breach in certain transactions.

IN WITNESS WHEREOF, the parties hereto have caused this service agreement to be executed by their appropriate officials as of the date first above written.

METRO-DADE

AVIATION DEPARTMENT
P.O. BOX 592075
MIAMI, FLORIDA 33159
(305) 871-7000

February 3, 1988

Mr. Byron Moore
South Florida Marketing Manager
Centel Communications Systems
6421 Congress Avenue
Suite 105
Boca Raton, FL 33431

Dear Mr. Moore:

Inasmuch as the Initial Term of the Master Equipment Lease Agreement between Centel Communications Company and Dade County is scheduled to end as of February 7, 1988 (the four year anniversary of cutover of the Airport System), it is necessary for the parties to agree to arrangements for either the extension or termination of said Master Equipment Lease Agreement.

Therefore, notwithstanding any provisions of either the Master Equipment Lease or the separate Service Agreement to the contrary, this letter constitutes the understanding of both the Aviation Department, subject to approval by the County, and Centel regarding amendments to both agreements generally as outlined herein. During the pendency of our negotiations, as long as both parties are satisfied that an agreement can be reached, the parties agree that the Master Equipment Lease Agreement shall be administratively extended on a month to month basis, subject to retroactive adjustment based on the terms of the negotiated amendments.

The following generally describes the objectives of the Department and Centel as to the terms of the desired amendments:

1. The Renewal Term of both Agreements, effective as of February 7, 1988, will need to be addressed. The Department feels that a reasonable termination clause, of say 6 months, would be in both our best interests.

2. The amendments would acknowledge the County's previous purchase of the Hotel System and would indicate that prior claims and disputes relative to such system and Service for the Hotel will be considered as settled and that neither party would have any further claim against the other regarding this matter.

3. Service and lease agreements between Airport tenants and Centel shall be automatically assigned to the County, or to

NXT 8912

Final Exhibit
No. 4

PSC 96

such other party as the Department shall designate, upon termination of the Master Equipment Lease and Service Agreement by either party.

4. The de-installation and subsequent reinstallation or relocation of equipment, pursuant to the Master Equipment Lease, shall not change its original installation date for purposes of calculating rentals payable to Centel or for any other purpose under the agreements. This part of this provision shall be effective retroactively to February 7, 1984. In this regard, the Department will be open to looking at other accountability alternatives such as semi-annual calculations or agreeing upon number of installed items.

5. The amendment to the Service Agreement would provide for an increase in percentage fees payable to the County, probably in the range of 35-50% on service; would establish service and performance standards for Service to others, giving consideration to the Florida PSC's standard; would require Department approval of pricing; and would provide for enhanced reporting requirements to the Department.

6. Negotiations for the Master Equipment Lease amendment will need to address title to the equipment in the Airport System after such equipment has been installed for extended periods, say eight years. Alternatives open for discussion would include reduced rentals or other pricing concessions.

7. Arrangements need to be made relative to both distribution system and station cable and conduit such that title to all in place plant, present and future, reverts to or is acquired by the County upon termination of either of the Agreements.

8. The amendment shall expand the coverage of the Agreements so as to enable their use in connection with other County airport system facilities.

9. Airport System Equipment installed after Cutover of the Airport System shall be treated for rental purposes in the same manner as Original Equipment.

10. Per your request, we agree that monthly rentals, labor rates and other charges shall also be open to discussion.

For so long as the parties are negotiating the amendments to the agreements, Centel acknowledges and agrees that the County has complied with the notice terms of the Master Equipment Lease and specifically Section 6(d) thereof, and that at the conclusion of such negotiations, if the parties have not come to an agreement as

to terms, the option of the County to purchase the equipment under Section 7 or to continue leasing such equipment under Section 6 shall continue and be effective as to the County, and the County shall have thirty days from such conclusion of negotiations to exercise such option in accordance with the terms of said agreement.

Please have an appropriate officer of Centel countersign a copy of this indicating Centel's general acceptance of this understanding and acknowledgement of the terms of this agreement and the described negotiation goals.

Sincerely,

Richard H. Judy
Aviation Director

CLERK OF THE BOARD
OF COUNTY COMMISSIONERS
DADE COUNTY, FLORIDA

EQUIPMENT LEASE AND MAINTENANCE AGREEMENT

THIS AGREEMENT entered into as of this 24th day of July, 1990, by and between METROPOLITAN DADE COUNTY ("County"), and CENTEL COMMUNICATIONS COMPANY ("Centel"), a Delaware corporation doing business at 1401 W. Commercial Boulevard, Fort Lauderdale, Florida, 33309.

WHEREAS, by Resolution No. R-361-82, the Board of County Commissioners of Dade County awarded Contract No. DCAD 6-T-600 to Centel for the installation and lease to County of a telecommunications system for Miami International Airport's hotel and a separate telecommunications system for the airport itself; and

WHEREAS, the parties then entered into the following two agreements:

1. A Master Equipment Lease of September 9, 1982, whereby County agreed to lease from Centel two telecommunications switches, one each for the Hotel and Airport Systems along with associated telephones hand sets, cable, software and the like, for an initial term of 48 months from the Acceptance Date, with an option in County to purchase such equipment according to terms and prices outlined in a separate schedule, and with an option in County to expand the lease period in accordance with certain terms; and

2. A Service Agreement of September 9, 1982, by which Centel was given the right to utilize telecommunication equipment and certain facilities within the airport in order to provide telephone service to airport tenants, for which Centel would pay County a minimum monthly fee plus stated percentages of gross revenues generated by various types of telecommunications equipment and services: and

WHEREAS, the acceptance date for the two systems was February 7, 1984, thus making the lease agreement expire on February 6, 1988; and,

WHEREAS by Resolution No. R-302-88, the Board of County Commissioners approved a Letter of Understanding between Centel and County by which the parties agreed that (a) the Master Equipment Lease would be continued on a month-to-month basis from February 7, 1988, (b) all remaining claims by the parties relating to the Hotel System would be considered as settled in full, (c) payments to County under the Service Agreement would be increased, and (d) the terms of the equipment and service agreements would be re-negotiated; and

Final Exhibit No. 6

Ex 5

WHEREAS, the parties have negotiated new terms applicable to the Master Equipment Lease and the parties desire to incorporate such terms into this new agreement; and

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1
Introduction

A. This Agreement pertains to the Equipment lease and maintenance requirements of the Airport System and to the equipment and maintenance requirements of the Hotel System. Any dealings between the parties relating to the Service Agreement as it pertains to "Shared Airport Tenant Services" ("SATS") to be provided Tenants and users at the Airport will be accomplished by separate agreement.

B. The Parties acknowledge and agree that the County purchased the Hotel system on October 7, 1987, and all remaining disputes and claims of whatever nature between the Parties relating in any way directly to the Hotel System, which claims or disputes existed on or before February 7, 1988, have been settled in full, as of February 7, 1988, and that thereafter, neither party shall have a claim against the other in relation to any such claim or dispute which existed on or before February 7, 1988.

ARTICLE 2
Definitions

A. Acceptance Date shall refer to February 7, 1984.

B. Agreement shall mean this Equipment Lease and Maintenance Agreement and its supplements, exhibits, and amendments.

C. Airport shall refer to the system of airports under the jurisdiction of the Department including Miami International Airport, Kendall-Tamiami Executive Airport, Opa-locka Airport, Homestead Airport, Dade-Collier Training and Transition Airport and Opa-locka West Airport.

D. Airport System shall refer to the SL-1XT telecommunication switch and equipment installed in connection

therewith, and other DCAD-approved systems installed by Centel including associated software sublicensed to County by Centel.

E. Change shall refer to any addition, deletion, adjustment, or modification which causes either an increase or decrease to the monthly rental rate.

F. Consumer Price Index shall refer to the Consumer Price Index-CPI(U)-for the U.S. City Average for all Items (1987 = 100%), as published by the U.S. Department of Labor's Bureau of Labor Statistics.

G. Contract No. 6-T-600 means the contract approved by the Board of County Commissioners by Resolution No. R-361-82 the proposal submitted by Centel, and any addenda thereto;

H. Current Rate shall refer to the rental rate in effect for an item of equipment as provided in Exhibit C of this agreement, as adjusted in accordance with other provisions of this agreement.

I. Cutover Date shall refer to February 7, 1984.

J. Delete shall refer to items of Equipment removed at the request of the Department, subsequent to Acceptance.

K. Department shall mean the Dade County Aviation Department, and may from time to time be abbreviated as "DCAD."

L. Discounted Rate shall refer to the current rate less any discount provided in Article 5(A)(4) hereof.

M. Distribution Cable shall mean all cables from the Main Distribution Frame to the Intermediate Distribution Frames.

N. Equipment shall mean all or any of the component parts of the Airport System, Shared Airport Tenant System, and Hotel System, including but not limited to, telephone hand sets, fiber optics cable, conduit, switches, software and other equipment provided by Centel.

O. Hotel System shall refer to the SL-1M Telecommunications switch and equipment installed in connection therewith in the Miami International Airport or for use by the Hotel, or any additions or upgrades thereto.

P. Initial Term shall refer the 4-year period from February 7, 1984 to and through February 6, 1988.

Q. Move shall refer to any adjustment or relocation of the equipment which does not cause an increase or decrease to the monthly rental rate.

R. Original Equipment shall mean all equipment installed prior to Acceptance and shall exclude all additions.

S. Shared Airport Tenant System ("SATS") shall refer to any or all component parts of the telecommunication system provided by Centel for service to tenants at the Airport.

T. Station Cable shall mean that cable which connects a telephone or other device to the Intermediate Distribution Frame (IDF).

U. Telephone Equipment Room(s) shall mean a facility or facilities mutually agreed to by DCAD and Centel for the installation of the telephone switch, stocking of spare parts, maintenance of the equipment, and other related uses.

V. Tenant shall mean any individual, company or business located at the Airport under lease with DCAD or otherwise engaged in the activities of serving Airport users, passengers, or the movement of cargo.

W. Term refers to a period of 48 months, beginning February 7, 1988.

X. Termination shall mean the expiration of the Lease Agreement at the end of the Term on any Renewal Term, or the County's cancellation of the lease by purchase as provided for in Article 6 of this Agreement.

ARTICLE 3
Scope of Agreement

A. Lease of Equipment.

Centel agrees to lease to the County and County agrees to lease from Centel the present Airport System for the term and at the rates provided for herein, and subject to additions and changes as further provided for herein.

Contract No. 6-T-600 and the Proposal of Centel are incorporated herein by reference. In the event of any inconsistencies between the provisions of this Agreement and the provisions of Contract No. 6-T-600 and the Proposal of Centel, the provisions of this Agreement shall govern, followed equally

by Contract No. 6-T-600 and the Proposal of Centel, provided, however, that where the Proposal of Centel conflicts with Contract No. 6-T-600, the Proposal of Centel shall take precedence and govern.

B. Service.

Centel agrees to provide the maintenance and repair services for the Airport and Hotel systems as required herein.

ARTICLE 4
TERM

This Agreement shall commence as of February 7, 1988, and shall continue for an initial period of four (4) years until the end of the business day on February 6, 1992. Thereafter, County shall renew this agreement for five (5) consecutive two (2) year terms, upon the terms and conditions contained herein, unless County gives Centel notice of termination as provided below.

County shall not have the right to terminate the agreement within the initial 4-year term, except for cause as provided in this Agreement; therafter, during the 10-year period, County may terminate this Agreement without cause and solely at its discretion upon the following conditions:

(a) If County exercises it option to purchase all of the equipment under Article 6 of the Equipment Lease Agreement, then County shall give Centel not less than twelve (12) months' notice of termination;

(b) if County does not exercise its right to purchase all of the equipment under such Agreement, County shall give Centel not less than thirty-six (36) months' notice of termination.

If any such termination shall occur during any term or renewal term hereof, then County's 12-month or 36-month notice shall constitute an automatic extension of this Agreement until the effective date of such termination.

ARTICLE 5
Compensation Payable to Centel

A. For Rental of the Equipment.

1. County shall pay to Centel monthly the rental due on the Airport System in accordance with the rental rates provided for in Article 5(A)(3). Centel shall provide County with an invoice on or before the 7th day of each month itemizing the rental charges applicable to the Equipment for the previous calendar month. Such invoice shall also include a listing of all Changes, Additions or Deletions made to the Equipment during the previous month and the effect thereof on the total rental rate. County shall pay Centel the applicable rental amount within 30 days of County's receipt by the County of the invoice less any disputed charges.

2. When an item of Equipment is deleted at DCAD request, the total rental for the following month shall be reduced by the amount then being paid for such item; provided however, that Dade County shall be obligated to rent any item of equipment for a minimum period of 24 months, and if rent for the item has not been paid for a total period of 24 months, then in the month following deletion of the equipment, the County will be billed the monthly lease rate for the deleted item of equipment times the number of months equal to 24 months less the months actually paid. The total rental for all the Equipment leased to County hereunder shall not be below eighty (80) percent of the total rental rate for the Airport System on the highest March 7th invoice, in any prior year, less adjustment for (a) any discounts to the rental rate provided for in this Agreement, and (b) the rental rate applicable to any equipment purchased by the County.

3. The rental rate for the Airport System shall be the Current Rate reflected on Exhibit C. Adjustments to the Current Rate shall be made annually on February 7, to be effective on March 7 of the following month. Adjustments in the rental rate shall not exceed the average increase or decrease in the Consumer Price index of the calendar year preceding the February 7 adjustment date. Beginning February 7th 1990 and for each year thereafter, the Current Rate as adjusted in February of each such year in accordance with the terms of this Article 5(A)(3) shall not exceed Centel's current South Florida After-Cutover List Price for the same equipment times .94, or Northern Telecom's current Commercial List Price times 1.3, whichever is lower.

4. Items that have been billed on five March 7 invoices will be discounted 40% from the Current Rate from and after the 5th March invoice. The discounts will become effective on the March 7 invoices each year. An example of the calculations is as follows:

An item installed on November 1, 1984 would be billed December 1, 1984 and the item would qualify for the 40% discount beginning with the March 7, 1989 invoice, if the item had been billed on the March 7 invoices in 1985, 1986, and 1987 and 1988.

5. The current rental rate as of February 7, 1988 is contained in Exhibit C attached hereto and made a part hereof.

6. The rate for any telephone set includes the rate for the Station Cable associated with such telephone set to the IDF but does not include any Distribution Cable.

B. Hourly Labor Rates

1. County shall compensate Centel separately for any labor services provided for equipment moves, additions, and all changes of rental equipment by Centel personnel pursuant to a Service Order issued by County. For time and material orders performed by Centel personnel, (see Article 7(G) below), compensation shall be computed by multiplying the applicable labor rate by the time actually incurred by Centel personnel for the labor services rendered County pursuant to the Service Order. Applicable labor rates beginning February 7, 1988 shall be:

Customers Service Rep Rate $45.00
Technician Rate $60.00
Engineer Rate $75.00

These rates shall be adjusted annually each February 7th during the Term based on changes in the preceding calendar year in the Consumer Price Index. At the time of any Renewal, the rates for the Renewal period shall be agreed to by Centel and the Department.

2. The cost of maintenance for all rented equipment is included in the monthly rental rate.

3. Centel shall provide maintenance for the Hotel System and on other purchased Equipment at rates specified Section 5 (D).

C. Audit

The County shall have the right to audit at it's cost and discretion the contract adjustments provided for in Article 5(A)(3). Centel agrees to make available in its South Florida office information required by the auditors to such audits.

D. Maintenance of Purchased Equipment

1. Charges for the maintenance for all Hotel and non SATS purchased equipment shall be provided for by Centel at a fixed annual rate payable monthly by County. Except as provided below, notwithstanding any purchases of equipment by County during the following 12-month period, the maintenance rate for the 12-month period shall be determined by the amount of such Hotel and purchased equipment as of February 7 of each year. To determine the maintenance rate, the component quantities shall be multiplied by the unit point values as shown in Exhibit D, multiplied by the per point per month amount shown in Exhibit D, multiplied by 12 to obtain the fixed annual maintenance fee for the subsequent 12-month period.

2. Charges for maintenance for all SATS components which County may purchase from time to time under Article 6, will be billed as at the above described method. However, when County purchases more than 50% of the Airport System or SATS components as measured by their current rental rates, then County shall pay Centel such monthly maintenance fee as determined above or the minimum monthly maintenance charge shown in Exhibit D, whichever is greater; and provided further, that if County purchases any component for which County has paid more than 12 monthly rental payments, then Centel shall charge the applicable maintenance fee for such item effective as of the date of purchase.

ARTICLE 6
Option to Purchase Equipment

A. Centel agrees to sell to the County all or any portion of the Equipment which it rents to the County at the Airport, except that Centel will not sell any part of the Equipment that is required by Centel to provide SATS Service to other telephone users at the Airport if the County does not purchase all of the non-owned Equipment at the Airport. If the County purchases all of the Equipment, (1) Centel agrees after receiving payment in full for all of the Equipment to assign to the County all service and lease agreements between Airport tenants and Centel, and (2) County shall have the option of obtaining Centel's maintenance services for any purchased Airport System or SATS components for

subsequent annual periods at rates determined in accordance with this Agreement.

B. The purchase price to the County for the Airport System will be determined by the following formula:

(Current Rate/.0301) X Purchase Multiplier

The purchase multiplier used for any item as reflected in Exhibit B will be based on the number of months that the item has been installed.

C. The Purchase Price to the County for the Shared Airport Tenant System Equipment shall be the sum of the Equipment price based on the formula(s) agreed to by Centel and DCAD at the time DCAD approves Centel's Shared Airport Tenant Rate(s), plus the County shall pay Centel the amount of the previous three months gross revenues as defined in the SATS Agreement or $100,000.00 whichever is less.

D. The purchase multipliers are listed in Exhibit B attached hereto and made a part hereof.

E. The County must give Centel written notice that the County is exercising its right to purchase hereunder at least six months prior to the purchase of more than 50% of the Airport System by dollar amount. If the County is purchasing 50% or less of the Airport System, then County must give Centel at least two months prior written notice.

F. If County purchases all of the Equipment, Centel shall assign to County any and all service and lease agreement between Centel and its SATS users. County shall agree to assume all rights and obligations under such agreements from and after the effective date of such assignment.

G. For any item purchased by County, Centel shall assign to County all unexpired warranties. If the County does not purchase all of the Equipment, the County shall use Centel's maintenance and repair services in regard to such purchased items for the term of the Agreement. Centel's maintenance services, and the rate applicable to such services, shall be based on the maintenance rates determined above in 5(D).

H. County shall be entitled to acquire from third parties equipment other than hardware or software manufactured or supplied by Centel, Northern Telecom, Inc., or its subsidiaries, associated with the Equipment hereunder, such as, but not limited to, closed circuit TV systems, computers, word processing

equipment, and FAX devices, any portion of which County shall be entitled to connect to the Airport System; provided, however, that such equipment shall not interfere with the maintenance and operation of the Airport System. Centel shall be reimbursed for materials and labor to the extent requested pursuant to terms set forth in Article 5B. Centel shall not warrant or be liable for the maintenance or repair for any equipment purchased by the County form a third party.

I. For the term of this Agreement, County shall have the option of purchasing from Centel additional components for the Airport or SATS equipment and of having Centel provide maintenance services for such equipment, at rates determined in accordance with this Agreement.

ARTICLE 7
Additions to and Relocations of the Equipment

A. Rental rates and installation charges for any Additions to the Equipment shall be in accordance with the Current Rate in Exhibit C as may be amended.

B. The rental rate adjustment to the Current Rate provided for in Article 5(A)(3), shall apply to all Additions.

C. The charges for relocating Equipment provided by Centel under this Agreement shall be the installation charges set forth in the Current Rate or as otherwise specifically agreed upon by the Parties. The discount entitlement of County under Article 5(A)(4), shall not be affected in any way by the relocation of any equipment.

D. A Service Order includes any request by the Department to move, add, change or remove Equipment. Centel shall charge the County a Service Order charge of $44.61 for every Service Order.

E. The Service Order Charge is subject to an annual review on February 7 and adjustment due to CPI (Customer Price Index) changes in the preceding 12 months.

F. The County may rent additional items of Equipment which are not included in Exhibit C. The materials purchase price on which the rental rate will be based will be calculated under the provisions of paragraph G(2) below or on fixed cost quote basis at County's option. The County at the time the work order is placed with Centel will specify if the work is to be done on a fixed cost basis. The monthly rental rate for items not

included in Exhibit C will be determined by multiplying the materials purchase price times .0301. The labor cost will be paid as an installation charge associated with each item of Equipment.

G. The time and materials formula is as follows:

1) The labor rates are the current labor rates as provided for in Article 5(B) above.

2) The materials purchase price will be Northern Telecom's Commercial List Price times 1.3 or Centel's current South Florida After Cutover List Price times .94, which ever is lower.

H. In the event Centel, under the terms of this Agreement or any other agreement with the County, chooses to install any Equipment not required for the Airport System or Hotel System, it shall be without cost to the County.

ARTICLE 8
Obligations of Centel

A. Maintenance, Repair and Service

1. Centel shall provide prompt and efficient maintenance and repair of the Airport and Hotel Systems and its component parts with personnel competent for such function, so that Centel meets or exceeds the following standards on 95% of all requests, except that orders delayed because of scheduled changes or priority moves, changes and additions requested by DCAD shall not be counted as a missed order.

a. Repair service standards:

Respond to minor failure within 24 hours (7 days per week)

Respond to major failure within 2 hours (7 days per week)

b. System up-time:

Shall exceed 99.9% with a Mean time between major failure of 5040 hours.

c. Routine additions, deletions and relocations: (conduit, power, and other required facilities existing at the time of the order)

1 to 5 phones	24 hours from receipt of order
6 to 10 phones	7 days from date of order
11 to 50 phones	10 days from date of order
over 50 phones	individual case basis

d. Priority Moves, Changes and Additions: (priority moves, changes and additions are work orders designated Priority by DCAD)

Priority Orders will supersede all other orders and will be worked on and completed as soon as possible by Centel. The due date for Routine Orders will be adjusted for delays caused by Priority Orders.

2. For purposes of this Agreement, a "Major Failure" shall be defined as an occurrence of any of the following:

a. A failure of the switch, its common equipment, or power supplies which renders it or them incapable of performing normal functions for 5% or more of the stations or trunks.

b. A failure of any or all of the consoles which prevents the attendant(s) from handling incoming or outgoing calls.

c. A failure of over 5% of the trunks or station lines to function.

d. An indication of a major alarm condition as defined by the manufacturer in any of the switching or power equipment.

3. For purposes of this Agreement, a Minor Failure shall be defined as an occurrence of any of the following:

a. A failure to function of less than 5% of the trunks or station lines.

b. A failure to function in the station lines or equipment in up to 30 stations to be designated in writing by DCAD.

c. A failure to function of any ancillary equipment such as intercom circuits, loudspeaker paging system, the paging input arrangement or other equipment failures.

4. Centel shall perform the preventive maintenance as specified by the Equipment manufacturers. A quarterly report shall be submitted detailing the preventive maintenance performed in the previous quarter and specifying the preventive maintenance planned for upcoming quarter.

5. Centel's daily staffing shall include a Project Manager, a project Clerk/CRS and at least four technicians.

6. Centel shall have at lease one technician on-site from 7 AM to 11 PM, five days a week (Monday through Friday).

7. In the event of disaster, which involves a shut-down of electric system caused by something other than equipment malfunction, Centel at a minimum will restore service as follows if the facility is in a condition that will reasonably allow Centel to perform work in a safe craftsman-like manner and if facilities are available that meet the environmental requirements of the Equipment. Centel will coordinate its disaster recovery efforts in accordance with the published DCAD Recovery Plan Procedures.

Item	Time Frame
100 stations	24 hours
300 stations	72 hours
1,000 stations	7 days
2,000 stations	21 days
3,000 stations	35 days
4,000 stations	49 days
Full restoration	60 days

The cost of labor and materials to replace leased equipment will be Centel's responsibility. All other costs associated with the recovery including but not limited to replacement of conduit, necessary electric power, necessary floor plans, locations for equipment, with reasonable access thereto, raceways, holes, wire ways, and equipment not being currently leased from Centel will be reimbursed to Centel by the County, at the rates provided for herein.

B. Telephone Equipment Room

Centel shall maintain, repair, and keep in good order the interior of the Telephone Equipment Room premises including

but not limited to, replacement of light bulbs, ballasts, and tubes, and painting of doors. Upon relocation or removal of any equipment at the termination of this Agreement, Centel shall not be required to restore the telephone equipment room to its original condition but shall be responsible for any damage occasioned by the negligence of Centel in such relocation or removal.

C. Records and Telephone Numbers

Centel shall provide DCAD upon request with current copies of the records pertaining to the cable system, software data base documents, distribution cable diagrams, and telephone equipment room diagrams. Centel shall maintain one duplicate copy of all such records including software and data off-site at Centel's South Florida Office.

D. Reports

On the first and sixteenth day of each month, Centel shall file a report with DCAD that shall include on a month-to-date basis and for a cumulative prior 12-month basis the following items:

- System Availability, including SL-1XT, Fiber DS3 links, Fiber Backbone, SL-1M, SL-1ST(s), S/1-M and other major systems
- Trunk availability
- Average response time for Minor and Major Failures
- Percent of Service Orders completed within specific time frames pursuant to Article 8(A).
- List of completed and pending Service Orders.

E. Software

1. Centel shall install the Automated Trunk Maintenance Software to perform daily trunk tests.

2. Centel shall maintain the message detail recording system rate tables and the SL-1 ARSNNX tables and shall update such tables on a Semi-Annual basis.

F. No Warranties

Centel's duty to maintain the Equipment excludes service in connection with maintenance or repair of the Equipment caused by other's (1) misuse, negligence, accident or abuse, (2) connection to foreign electric current, (3) fire, water, flood, wind, storms, lighting, any act of God, or public enemy, (4) failure to provide a suitable operating environment, or (5) unauthorized attachments and modifications such as, improper software changes, wiring, installation, repair or alteration by anyone other than Centel. Centel may perform repairs necessitated by any of the excluded causes at County's request at Centel's then prevailing rates. Centel will maintain the Equipment and provide the necessary parts and labor to maintain the Equipment provided that the County is current on its payments hereunder and is otherwise in compliance with terms and conditions of this Agreement. CENTEL'S AGREEMENT TO MAINTAIN THE EQUIPMENT IS IN LIEU OF ANY REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE DESIGN, OPERATION OR CONDITION OF THE EQUIPMENT INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO WARRANTIES EXIST IN THIS AGREEMENT.

G. Limitation of Liability

Except for claims for physical injury to persons, Centel and its suppliers or subcontractors will not be liable for any special, incidental, or consequential damages or for loss, damage or expense directly or indirectly arising from County's use of or inability to use the Equipment either separately or in combination with other equipment or software, or for commercial loss of any kind (including loss of business or profits) based upon breach of warranty, breach of contract, negligence, strict tort or any other legal theory whether or not Centel or its suppliers or its subcontractors have been advised of the possibility of such damage or loss. Some states do not allow limits on warranties or on remedies for breach in certain transactions.

H. Software License

Subject to the terms hereinafter set forth, Centel grants to County a personal, nonexclusive license; (1) to use certain Licensed Software, proprietary to Centel or its suppliers, contained as an integral part of the Hardware; and (2) to install and use each item of Licensed Software not an integral part of the Hardware; and (3) to use the associated documentation. County is granted no title or ownership rights in or to the Licensed Software, in whole or in part, which rights shall remain with Centel or its suppliers.

Centel considers the Licensed Software to contain "trade secrets" of Centel and/or its suppliers. Such "trade secrets" include, without limitation thereto, the specific design, structure and logic of individual Licensed Software programs, their interactions with other portions of Licensed Software, both internal and external, and the programming techniques employed therein. In order to maintain the "trade secret" status of the information contained within the Licensed Software, the Licensed Software is being delivered to County in object code form only.

Centel or its suppliers holding any intellectual property rights in the Licensed Software, and/or any third party owning any intellectual property right in software from which the Licensed Software was derived, are intended third party beneficiaries of this License. All grants of rights to use intellectual property intended to be accomplished by this License are explicitly stated and no additional grants of such rights shall be inferred or created by implication.

County warrants to Centel that County is not purchasing the rights granted by this License in present anticipation of reselling those rights.

County shall:

- Hold the Licensed Software in confidence for the benefit of Centel and/or its suppliers; and
- Keep a current record of the location of each copy of Licensed Software made by it; and
- Use each copy of the Licensed Software only on a single CPU, at a time (for this purpose, single CPU shall include systems with redundant processing units); and
- Affix to each copy of Licensed Software made by it, in the same form and location, a reproduction of the copyright notices, trademarks, and all other proprietary legends and/or logos of Centel and/or its suppliers, appearing on the original copy of such Licensed Software delivered to County; and retain the same without alteration on all original copies; and

- Destroy the Licensed Software and all copies at such time as the County chooses to permanently cease using it.

County shall not:

- Use the License Software (i) for any purpose other than County's own internal business purposes and (ii) other than as provided by this License; or

- Allow anyone other than County's employees and agents to have physical access to the Licensed Software; or

- Make any modifications, enhancements, adaptations, or translations to the Licensed Software, except for those resulting from those County interactions with the Licensed Software associated with normal use and explained in the associated documentation; or

- Attempt to reverse engineer, disassemble, reverse translate, decompile, or in any other manner decode the Licensed Software, in order to derive the source code form or for any other reason; or

- Make full or partial copies of any documentation or other similar printed or machine-readable matter provided with Licensed Software unless the same has been supplied in a form by Centel intended for periodic reproduction of partial copies; or

- Export or re-export the Licensed Software and/or associated documentation from the fifty states of the United States and the District of Columbia.

County may assign collectively its rights under this License to any subsequent owner of the Hardware, but not otherwise. No such assignment shall be valid until County (1) has delegated all of its obligations under this License to the assignee; (2) has obtained from the assignee an unconditional written assumption of all such obligations; (3) has provided Centel a copy of such assignment, delegation and assumption; and (4) has transferred physical possession of all Licensed Software and all associated documentation to the assignee and destroyed

all archive copies. Except as provided, neither this License nor any rights acquired by County through this License are assignable. Any attempted assignment of rights and/or transfer of Licensed Software not specifically allowed shall be void and conclusively presumed a material breach of this License.

If Centel claims a material breach of this License and files an action in a court of competent jurisdiction seeking relief, then (1) Centel shall have the right, without further notice, to temporarily terminate County's right to continue to possess and use the Licensed Software; if Centel elects to exercise that right, Centel may enter upon the premises of County and take possession of, remove, and retain the Licensed Software until such time as the court may order otherwise; and (2) County shall be deemed to have agreed that remedies available at law are not adequate to protect the interests of Centel and/or its suppliers, and to have consented to the equity jurisdiction of the court.

IN NO EVENT SHALL NORTHERN TELECOM INC., WHOM DADE COUNTY RECOGNIZES AS CENTEL'S LICENSOR AND AS A THIRD PARTY BENEFICIARY OF THIS CLAUSE, AND/OR ANY OF ITS SUPPLIERS BE LIABLE TO OR THROUGH COUNTY FOR: (1) ANY INDIRECT, SPECIAL, INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, LOST SAVINGS, OR INTERRUPTION OF BUSINESS) SUFFERED BY COUNTY FOR ANY RESON; (2) ANY DAMAGES SUFFERED BY COUNTY AS A RESULT OF COUNTY'S FAILURE TO LIVE UP TO COUNTY'S OBLIGATIONS UNDER THIS AGREEMENT; (3) ANY CLAIM AGAINST COUNTY BY ANY THIRD PARTY FOR DAMAGES OF ANY KIND; ANY OR ALL OF WHICH ARISE FROM OR IN CONNECTION WITH THE DELIVERY, USE, OR PERFORMANCE OF SOFTWARE GOVERNED BY THIS EQUIPMENT LEASE AGREEMENT, AND EVEN IF NORTHERN TELECOM AND/OR ANY OF ITS SUPPLIERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS.

EXCEPT AS GRANTED IN THE BODY OF THE AGREEMENT BETWEEN NORTHERN TELECOM AND CENTEL, THE LICENSED SOFTWARE IS PROVIDED BY NORTHERN TELECOM AND CENTEL "AS IS" AND WITHOUT WARRANTY OR ANY KIND OR NATURE, WRITTEN OR ORAL, EXPRESS OR IMPLIED, INCLUDING (WITHOUT LIMITATION) THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE. THIS LIMITATION OF WARRANTIES WAS A MATERIAL FACTOR IN THE ESTABLISHMENT OF THE LICENSE FEE CHARGES FOR EACH SPECIFIC TERM OF THE SOFTWARE LICENSED.

I. Agency

County shall designate Centel its limited agent and representative to facilitate resolution of issues involving the regulated public telephone companies.

J. Alterations and Attachments

Centel shall not permit any equipment or other items or material (Other Equipment) or software (Other Software) to be used on or in connection with the System, which would detrimentally affect the performance of the Equipment. All Other Equipment and Other Software which may be used on, or in connection with, the System shall be acquired and installed at County's own expense and risk. Centel makes no representations concerning the compatibility of any such Other Equipment and/or Other Software for use with the System.

At the end of the Term, County may remove any additions to the Airport System made by County during the Term and not otherwise subject to this Agreement (Additions), and restore the System, at County's expense, to its original condition, reasonable wear and tear only excepted. In the event that County fails to remove an Addition, it shall become the property of Centel.

ARTICLE 9
Obligations of County

A. Use of Equipment

The County agrees to use due care in the handling and operation of the Equipment and the County agrees to operate the Equipment according to the instructions of Centel. The County agrees to first notify Centel of any difficulties in the operation of the Equipment and first notice will be to Centel as opposed to any other party.

B. Telephone Equipment Room

County at its cost shall provide Centel with a Telephone Equipment Room(s) satisfactory to the Parties and with appropriate electrical circuits and power, an isolated ground, air conditioning, humidity control, lighting protection, fire protection and security normally provided to Airport Terminal Building tenants. In addition, the County shall provide to Centel, without cost to Centel, necessary electric power, excluding back-up power for the Airport System, necessary floor plans, locations for Equipment free of asbestos and other environmental hazards, with reasonable access thereto, raceway, conduit, holes and wire ways.

C. Relationship with Local Exchange Company

The County will make Centel its limited agent and representative to arrange for Installation and Maintenance to the public telephone network, to identify and order with DCAD's prior approval necessary facilities, and to coordinate installation and maintenance.

D. Return of Equipment Upon Termination

Upon deletion of an item of Equipment from this Agreement for any reason, County shall return to Centel the Equipment leased hereunder in good condition, reasonable wear and tear excepted.

E. Travel Expenses

For all travel requested by County or required by this Agreement, County shall reimburse Centel for prior approved travel expenses in accordance with the reimbursement policy of the County as provided in Administrative Order 6-1.

F. Resolution No. R-361-82

The County represents that by virtue of the adoption of Resolution No. R-361-82, by its Board of County Commissioners, Contract DCAD 6-T-600 was awarded to Centel Communications Company (Centel), and the County Manager was duly authorized to execute appropriate contract documents therefor on behalf of Dade County. The County further represents that the said Resolution remains in full force and effect as of the date of execution of this Agreement by the County and Centel.

G. Force Majeure

Centel's performance shall be adjusted or suspended by Centel to the extent performance is beyond Centel's reasonable control including, without limitation, the following: strikes, work shortages, fire, water, flood, wind, storms, lighting, other acts of God or public enemy, delays of suppliers, subcontractors, or the local exchange company, interexchange carrier or any other carrier, except where such delay is caused by Centel, governmental action or any County nonperformance such as County non-payment or failure of County to perform its obligations contained herein.

ARTICLE 10
Indemnification and Insurance

A. Centel shall indemnify and save the County harmless from any and all claims, liability, losses and causes of action which may arise out of or result from this Agreement, or operation of the business of Centel under this Agreement, or the acts or omissions of Centel, its employees, agents or subcontractors, except to the extent any such claim, liability, loss or cause of action is occasioned by the negligence of County.

B. Centel shall obtain and maintain throughout the course of this Agreement insurance coverages required by County. Such insurance shall not limit or relieve Centel from its obligations and liabilities under any other portion of this Agreement.

ARTICLE 11
Termination; County's Right on Expiration

A. Either party may terminate this Agreement for a material breach of the other party, by giving not less than thirty (30) days' notice of the breach to the defaulting party, and, if such breach is not cured within such 30 days or if not curable within that time the defaulting party fails to take reasonable steps to cure such breach thereafter, upon a final written notice of intent to terminate the Agreement immediately. Each party reserves its rights under Florida law to resort to whatever remedies may be provided in the event of such breach or a termination resulting from such breach.

B. At the time of termination of this Agreement by the County, the County will purchase all items of equipment for which 24 Lease Payments have not been paid or pay to Centel an amount equal to the current Monthly Lease for the items of equipment times the difference between 24 months and the number of months rent was paid for the items.

ARTICLE 12
Title to Equipment

The Equipment provided by Centel at its cost hereunder, not paid for or reimbursed by the County, is and shall remain personal property of Centel irrespective of its manner of attachment to realty or use, and title to the Equipment shall at all times be and remain with Centel, unless transferred to County by sale.

ARTICLE 13
Miscellaneous

A. Centel may assign its obligations under this Equipment Lease Agreement to another corporation which controls, is controlled by, or is under common control with Centel, provided that Centel shall not thereby be relieved of liability hereunder.

B. The Terms of this Agreement may not be changed or varied except by written Agreement of both parties.

C. This Agreement contains all the Agreement of the parties relating to the subject matter thereof, and no representation of the employees or principals of either party shall be binding on the parties unless specifically incorporated herein.

D. Notwithstanding the provisions of Article 9(B), Centel acknowledges and agrees that its right to access certain areas of the Airport shall be governed and limited by whatever security requirements may be imposed by County.

E. Any notice to be provided under this Agreement shall be sent by certified mail to the following parties:

To Centel
Regional Vice President
Centel Communications Company
3725 West Grace Street
Tampa, Florida 33607

With a copy to:
Vice President/General Manager
Centel Communications Systems
601 Jefferson - Suite 1000
Houston, Texas 77002

To County
Director
Dade County Aviation Department
5th Floor, Concourse E, Terminal Building
Miami International Airport
Miami, Florida 33122

With copies to:
Dade County Attorney's Office
P. O. Box 592975, AMF
Miami, Florida 33159

Superintendent of Telecommunications
P.O. Box 592075
Miami, Florida 33159

F. Except as provided above in (A), this Agreement may not be assigned by either party without the written consent of the other.

G. This Agreement shall be interpreted, governed and enforced in accordance with the laws of the State of Florida, and venue for any action brought hereunder shall lie in Dade County, Florida.

H. The waiver by either party of a default of the other shall not preclude such party from insisting on due performance of the other in the future and from taking appropriate action if the party defaults in its performance.

I. The Parties acknowledge and agree that this Agreement is the product of negotiations between the parties and has been typed by one party for the benefit of both, and the negotiated terms and conditions herein shall not be construed for or against either party.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date first above written.

SHARED AIRPORT
TENANT SERVICE AGREEMENT

THIS SERVICE AGREEMENT, entered into as of this _____ day of _____, by and between METROPOLITAN DADE COUNTY, a political subdivision of the State of Florida, and CENTEL COMMUNICATIONS COMPANY, ("Centel") a Delaware corporation doing business in Fort Lauderdale, Florida,

WHEREAS, pursuant to County's Resolution No. R-361-82, County and Centel entered into two separate agreements involving telecommunications equipment for the Airport and Hotel Systems; and

WHEREAS, County and Centel have negotiated new terms and conditions applicable to County's lease of the Telecommunications Equipment for the Airport System and the maintenance thereof by Centel, and have incorporated such terms into a separate Equipment Lease and Maintenance Agreement (hereafter the "Equipment Lease Agreement"); and

WHEREAS, County and Centel desire in this agreement to provide for the parties' rights and obligations relevant to Shared Airport Tenant Service (SATS) to be provided to tenants and users of the Airport,

NOW THEREFORE, in consideration of the premises, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Introductions.

This agreement covers only the parties' rights and obligations relating to SATS provided at the Airport. The parties' agreements relating to lease of the telecommunications equipment for the Airport System and its maintenance, as well as Centel's maintenance of the County's Hotel System, are covered by the Equipment Lease Agreement.

2. Definitions.

a. The definitions provided in the Lease Agreement between the parties are hereby incorporated herein by reference, unless specifically modified herein.

b. Calling Services shall mean the mechanical process of placing, timing, and pricing each long distance or otherwise chargeable telephone call placed with a carrier or other suitable means and for which Centel Charges a resale fee to the equipment user.

Final Exhibit No. 7

c. Department means the Dade County Aviation Department, and shall be interchangeable with "County" as used herein.

d. Equipment Charges shall mean all charges including flat rate local service, related to the rental, sale, or provided equipment served from the Airport System to Airport tenants or users, other than DCAD.

e. Gross Revenues shall mean all moneys paid or payable to, or considerations of determinable value received by Centel from Equipment Charges made to tenants and users of SATS provided at the Airport, for transactions had or services rendered in connection with such equipment regardless of when or where the order therefor is received, or the goods delivered, or services rendered, whether paid or unpaid, whether on a cash or credit basis, or in consideration of any other thing of value. Provided, however, that any taxes imposed by law which are separately stated to and paid by a customer and directly payable by Centel to a taxing authority, refunds provided customers in connection with equipment, and all moneys collected from the County for equipment charges under the Lease Agreement with County shall be excluded therefrom.

f. Gross Profits shall mean all gross revenues for calling services less the costs to Centel for all leased lines, circuits, trunks, and network usage charges paid to carriers (including, but not limited to, Common Carriers, Other Common Carriers, and Specific Common Carriers) associated with calls placed, any other non-overhead or non-administrative expenses incurred by Centel to the extent required to provide services called for herein, any taxes imposed by law which are separately stated to and paid by a customer and directly payable by Centel to a taxing authority, and refunds, regardless of when or where the request for such refund is received, or the goods delivered, or services rendered, whether paid or unpaid, whether on a cash or credit basis, or in consideration of any other thing of value.

g. Equipment Lease Agreement shall mean that separate agreement between the parties providing for County's lease from Centel of telecommunications equipment for the airport system and Centel's obligation to maintain and repair such equipment.

h. Termination shall mean the expiration of the Lease Agreement at the end of the Term or any renewal term, or the County's cancellation of the lease for cause as provided for in the Equipment Lease Agreement.

3. Scope of Agreement

a. Centel agrees to use its best efforts to establish, market, and sell SATS to tenants and users at the airport and at the hotel (except for the department itself and those department accounts specifically identified by the Department), consistent with the authority granted from time-to-time by the Public

Service Commission of Florida or whatever governmental entity has jurisdiction over SATS, and all other applicable laws.

b. County agrees to allow Centel the use of the telecommunications equipment of the Airport System for such shared tenant services and agrees that Centel may use the telephone equipment room identified in the Equipment Lease Agreement for such purpose without obligation to compensate County therefor, provided, however, that such use is consistent with and limited by the other provisions of this agreement.

c. Centel shall maintain and repair the equipment so that the shared tenant service is operating in accordance with the standards provided herein or in the Equipment Lease Agreement, whichever standards apply, and County shall pay Centel the costs thereof in accordance with the provisions of such individual agreements as provided in such Equipment Lease Agreement. County shall not be obligated to pay Centel for maintenance costs related to any equipment leased by County from Centel.

d. Centel shall pay County, as compensation for the above, a minimum monthly payment plus a percentage of Centel's gross profits in accordance with the provisions of Section 7 below.

4. Shared Airport Tenant Service

Centel also acknowledges that, because the Florida PSC only recently approved the SATS concept at airports, and because such approval was based in large part upon the showing that airports in Florida needed a reliable internal telephone system that would allow emergency and security problems to be handled in a prompt and most efficient manner without having to access off-campus local telephone company equipment, the Centel-provided SATS at Miami International Airport will require the most efficient, effective and reliable telephone service possible. Centel therefore agrees to use its best efforts to make certain that the equipment being used in the Airport and the service being provided to those customers agreeing to make use of SATS users are of the highest quality and with the least downtime record as may be possible.

5. Term

This agreement shall commence as of February 7, 1988, and shall continue for an initial period of four (4) years until the end of the business day on February 6, 1992. Thereafter, County shall renew this agreement for five (5) consecutive two (2) year terms, upon the terms and conditions contained herein, unless County give Centel notice of termination as provided below.

County shall not have the right to terminate the agreement within the initial 4-year term, except for cause as provided in this Agreement; thereafter, during the 10-year period, County may

terminate this Agreement without cause and solely at its discretion upon the following conditions:

(a) if County exercises its option to purchase all of the equipment under Article 6 of the Equipment Lease Agreement, then County shall give Centel not less than twelve (12) months' notice of termination;

(b) if County does not exercise its right to purchase all of the equipment under such Agreement, County shall give Centel not less than thirty-six (36) months' notice of termination.

If any such termination shall occur during any term or renewal term hereof, then County's 12-month or 36-month notice shall constitute an automatic extension of this Agreement until the effective date of such termination.

6. **Centel's Use of Equipment**

a. Centel is hereby authorized to use the equipment and facilities for the purpose of operating the Airport System and providing Shared Airport Tenant Service to tenants and users of the Airport, including storage of equipment and parts associated with such systems, administration thereof, and other related functions reasonably necessary to operate such systems and service.

b. Centel agrees that the County shall be the preferred customer for telephone switching equipment service and that Centel will use best efforts to provide County with preferential service, without substantial harm to other tenants and users of the service.

c. Centel shall provide Shared Airport Tenant Service that meets or exceeds the following standards on 95% of all requests, except that orders delayed because of Scheduled or Priority moves, changes, and additions requested by DCAD or SATS Users shall not be counted as a missed order.

Repair Service Standards

Respond to Minor Service: 24 hours
Respond to Major Service: 2 hours
System up-time shall exceed 99%

Routine Moves and Changes and Additions (conduit, power, and other required facilities existing at the time of the order)

a. Repair service standards:
Respond to minor failure — Within 24 hours (7 days per week)

b. Respond to major failure — Within 2 hours (7 days per week)

Shall exceed 99.9% with a Mean time between failure of 5040 hours

c. Routine additions, deletions and relocation:

(conduit, power, and other required facilities existing at the time of the order)

1 to 5 phones	24 hours from receipt of order
6 to 10 phones	7 days from date of order
11 to 50 phones	10 days from date order
over 50 phones	Individual case basis

d. Priority Moves, Changes and Additions:

Priority moves, changes, and additions are work orders designated priority by DCAD.)

Priority Orders will supersede all other orders and will be worked on and completed as soon as possible by Centel. The due date for Routine Orders will be adjusted for delays caused by Priority Orders.

7. Centel Payments to County

a. Minimum Monthly Payment: Centel shall credit to County, and County shall automatically be entitled to take as a credit commencing February 7, 1989, and thereafter on the first day of each and every monthly billing, as a deduction from DCAD's monthly rental payments under the Lease Agreement, a minimum monthly credit in the amount of ONE THOUSAND DOLLARS ($1,000.00).

b. Percentage Fees: In addition to the monthly minimum payment set forth in Section 7 (a) above, to the extent that such percentage fees exceed the monthly minimum payments, Centel shall credit to the County monthly the following amounts:

(1) Ten percent (10%) of the Gross Revenues derived by Centel from Equipment charges; plus

(2) Thirty-five percent (35%) of the first $10,000 of Gross Profits derived by Centel from the sale of Calling Services; forty-five percent (45%) of the second $10,000; and fifty percent (50%) of all additional Gross Profits in excess of

such $20,000.00 derived from the sale of Calling Services at Miami International Airport.

c. Payment: Said percentage fees shall be paid to the County as follows:

(1) For rental of equipment by customers, which is billed by Centel for the month in advance: on or before the 20th day of the month following the month for which equipment rental was billed.

(2) For moves, changes, additions and deletions of rented equipment and calling services which are billed after the end of the month in which the activity occurred: within 50 days following the end of said month.

d. In the event that Centel bids or enters into similar agreement(s) with any of the top fifty (50) Commercial Service Airports in the United States, as defined by the Federal Aviation Administration, and said agreement(s or bid(s) provides for percentage fees higher than those provided in Section (b) above, this Agreement shall be automatically amended to provide for payment to County at such higher fees as of the effective date of such higher bid or agreement.

e. In the event Centel fails to credit the minimum monthly payments, fees or charges as required to be paid under the provisions of this Agreement within (30) days after the same shall become due, interest at one and one-half percent (1½%) per month shall accrue against the delinquent credit(s) from date due until the same are credited. Implementation of this provision shall not preclude the County from terminating this Agreement for Centel's default in the payment of monthly minimum payments, fees or charges, pursuant to the procedures set forth herein or form enforcing any other provisions contained herein, or pursuing other remedies provided by law.

8. Centel Records

a. Centel shall make available, upon request of the County, during the term of this Agreement, all books of account and records customarily used in this type of operation, as may from time to time be required by the County, in accordance with generally accepted accounting practices and standards, and for such period of time thereafter as provided herein, unless otherwise approved by the County. The County shall be permitted to audit and examine all such records and books of account relating to the operation of Centel hereunder, provided that Centel shall not be required to maintain such records for more than three (3) years after the end of each twelve month period. In the event is becomes necessary for County to cause an audit of books and records in a location outside the limits of South Florida, (Dade, Broward or Palm Beach Counties) all expenses of the County for travel outside South Florida, accordance with

Administrative Order No. 601, shall be reimbursed by Centel upon billing by County.

b. Centel shall within sixty (60) days following each anniversary of the commencement date for the payment of the Gross Revenues and Gross Profits as provided herein, submit to the County a certified report, prepared and attested to by an independent Certified Public Accountant, approved by the Department, as to the correct Gross Revenues and Gross Profits per month for the operation of Centel under this Agreement. Said report shall be prepared in conformance with the American Institute of Certified Public Accountants' requirements for special reports. The first such report shall contain twelve (12) full calendar months of operation. The last such report shall include the last day of operation.

c. Centel shall also submit by the 20th day of every month a statement of the monthly Gross Revenues and monthly Gross Profits, in total and by customers. The statement shall be signed by Centel certifying as to the accuracy of such Gross Revenues and Gross Profits in the form prescribed by the Department.

9. Centel Contract and Other Documents Used in SATS.

a. Centel and the Department shall jointly determine what contractual and other documents will be used by Centel in providing SATS, and that such documents shall not be placed in use until specifically approved by the Department, which approval shall not be unreasonably withheld.

b. Because the parties contemplate that County may provide the SATS for the Airport and Hotel Systems at some point in the future, such documents shall provide at a minimum that the contracts with customers are fully assignable to County by Centel.

10. Insurance and Indemnification.

a. Centel shall from time to time provide insurance, with County named as an additional insured, in the amounts and with the coverage customarily specified by County for Airport Tenants.

b. The termination for any reason of the Equipment Lease Agreement shall not affect Centel's obligation under this agreement to maintain insurance required hereunder.

c. Centel shall indemnify and save the County harmless from any and all claims, liability, losses and causes of actions which may arise out of or result from this Agreement, or operation of the business of Centel under this Agreement, or the acts or omissions of Centel, its employees, agents or subcontractors,

except to the extent any such claim, liability, loss or cause of action is occasioned by the negligence of County.

11. **Cancellation of Agreement.**

a. The County shall have the right to cancel this Agreement upon the effective date of County's assumption of operating control of SATS following County's exercise of its option to purchase all of the SATS equipment as provided in the Lease agreement.

b. Failure of Centel to promptly make all credits or payments required to be paid herein shall constitute a default, and the County may at its option cancel this Agreement after thirty (30) days notice in writing, unless the default be cured within the notice period. Provided, however, that Centel shall not be deemed to be in default of its obligations under this Agreement for failure to provide such credit pending the outcome of any legal proceeding instituted in a court of competent jurisdiction to determine the validity of any such credits or payments.

c. The County shall have the right after thirty (30) calendar days written notice sent by registered or certified mail to Centel to terminate this Agreement upon the occurrence of any one or more of the following, unless the same shall have been corrected within such period:

(1) A material breach by Centel of any of the terms, covenants, or conditions of this Agreement, excluding the covenants to make payments herein contained.

(2) Conducting any business or performing any acts not specifically authorized herein.

d. The County shall have the right to terminate this Agreement within thirty (30) days after the happening of any one or more of the following:

(1) A final judicial determination that litigation instituted by Centel against the County was groundless and frivolous.

(2) In the event of total destruction of Terminal Building Area.

(3) Institution by or against Centel of any Federal or State bankruptcy or like proceeding, unless termination is prohibited by Federal or State Law.

12. **Termination by Centel and Suspension of Payments.**

Centel shall have the right upon thirty (30) calendar days written notice to the County to terminate this Agreement at any time after the occurrence of one or more of the following events:

a. Issuance by any court of competent jurisdiction of any injunction substantially restricting the use of the Airport for airport purposes, and the remaining in force of said injunction for a period of more than ninety (90) calendar days.

b. A breach by the County of any of the material terms, covenants or conditions contained in this Agreement and failure of the County to remedy such breach within a period of thirty (30) calendar days after receipt of written notice sent by registered or certified mail from Centel of the existence of such breach.

c. The assumption by the United States Government or any authorized agency thereof, or any other governmental agency, or the operation, control or use of the airport facilities or any substantial part, or parts thereof, in such manner as substantially to restrict the operations of Centel for a period of ninety (90) days.

d. Purchase by County of all of the equipment under Article 6 of the Equipment Lease Agreement.

13. Nondiscrimination.

a. Centel shall not discriminate against any employee or applicant for employment in the performance of this Agreement with respect to hire, tenure, terms conditions, or privileges of employment, or any matter directly or indirectly related to employment because of age, sex or physical handicaps (except where based on a bona fide occupational qualification), or because of race, color, religion, national origin or ancestry.

b. Centel, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with this Agreement that (1) no person on the grounds of race, color, or national origin shall be excluded from participation, denied the benefits of, or be otherwise subjected to discrimination in the use of the facilities, (2) that in the construction of any improvements on, over, or under such facilities and furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination.

c. In the event of a breach of any of the above nondiscrimination covenants the County shall have the right to terminate this Agreement and to reenter and repossess the facilities thereon, and hold the same as if said Agreement had

never been make or issued. Any termination pursuant to section shall not be effective until the procedures specified in Part 152 of Title 14, Code of Federal Regulations, or established by the County are completed including any appeal rights.

d. As to the provisions of 14 CFR Part 152, (1) Centel acknowledges that such provisions are applicable to the activities of Centel under the terms of the Agreement, unless exempted by said regulations, and hereby agrees to comply with all requirements of the Department, the Federal Aviation Administration and the U.S. Department of Transportation, and (2) these requirements may include, but not be limited to affirmative action efforts, the keeping of certain records relating to equal employment opportunity, and good faith compliance efforts, and the submission of various reports, including, if directed by the Department, and to the extent consistent with Federal and State Law, the contracting of specified percentages of goods and services contracts to Minority Business Enterprises. Failure to comply with these requirements shall be grounds for default and termination of this Agreement. Any termination pursuant to this section shall not be effective until the procedures specified in said Federal regulations or as established by the County are completed, including any appeals.

14. Rules and Regulations.

a. Centel notwithstanding anything to the contrary herein, shall comply with ordinances of the County including the Rules and Regulations of the Department, Chapter 25, Code of Metropolitan Dade County, Florida, operational directives issued thereunder, and all additional laws, ordinances, regulations and rules of the Federal, State and County Governments, which may be applicable to Centel's operation under the Agreement.

b. Centel shall obtain, pay for, and maintain current all permits and licenses as required for its operation.

15. Payment of Taxes.

Centel shall pay all taxes lawfully assessed against its operations at the Airport, provided, however, that Centel shall not be deemed to be in default of its obligations under this Agreement for failure to pay such taxes pending the outcome of any legal proceedings instituted in a court of competent jurisdiction to determine the validity of such taxes.

16. Alterations.

Centel shall not alter or modify the facilities provided herein without first obtaining written approval from the Department. If so approved by County, Centel may be authorized to make repairs, alterations and/or additions to the facilities at the airport. Compensation for such repairs, alterations

and/or additions shall be as mutually agreed upon by both parties.

17. **Inspection by County.**

Centel shall maintain the facilities in good repair and in a neat and orderly condition. The county may make periodic inspections to determination if such are being maintained in said manner and also to determine whether Centel is operating in compliance with the terms and provisions of this Agreement.

18. **Signs.**

No signs, posters, or advertising devices may be installed, erected or displayed by Centel without prior written approval by the Department.

19. **Rights of County in Airport facilities.**

The County shall have the absolute right, without limitation, to make any repairs, alterations and additions to the facilities at the Airport, except that alterations or additions to the interior and exterior of the facilities provided under this Agreement shall be made only in the event of need and without substantial inconvenience to Centel. The County shall, in the exercise of such right, be free from any and all liability to Centel for partial loss of business or damages occasioned during the making of such repairs, alterations and additions, except those occasioned by the negligence of the County, its employees, or agents.

20. Federal Government Agreements and Powers.

a. This Agreement shall be subordinate to the provisions of any existing or future agreements between the County and the United States of America relative to the operation and maintenance of the Airport, the execution of which has been or may be required as a condition precedent of the Airport.

b. All provision of the Agreement shall be subordinate to the rights of the United States of America to lease or otherwise assume control over the Airport, or any part thereof, during time of war or national emergency for military or naval use and any provisions of the Agreement inconsistent with the provisions of such lease to the United States of America shall be suspended, except the right of Centel to cancel this Agreement pursuant to Section 12 (c) hereof.

21. Personnel.

a. Centel shall ensure that all its personnel present a neat, clean and professional appearance at all times.

b. Centel shall require all personnel to wear visibly on their person, at all times while on duty, a distinctive name tag, identifying the individual by name, title, if appropriate, and as an employee of Centel. Such personnel must be able to satisfy the Department's security requirements.

22. **Security.**

a. Centel fully understands that the Police security protection provided by the County for the Airport facilities is limited to that provided to any other business situated in Dade County by the Metro-Dade Police Department.

b. Centel fully understands that the safety, police, fire or security protection measures deemed necessary for additional protection of the facilities shall be the sole responsibility of Centel.

c. Centel acknowledges and accepts full responsibility for the security and protection of all contents, inventory, and equipment within the facilities and for the prevention of unauthorized access to its facilities or contents thereof.

d. Centel agrees to furnish all personnel in its employ, who are authorized access to the airfield operations area and other restricted areas as determined by the County, with identification badges as required to comply with the security program established by the Department and to furnish the Department with the names and additional pertinent data of such persons so authorized. Centel shall be fully responsible for such identification badges.

23. Notices.

Any notices required herein shall be sent by Registered or Certified mail to the parties as follows:

To the County:
Director
Dade County Aviation Department
Post Office Box 592075
Miami, FL 33159

County Attorney's Office
Post Office Box 592075
Miami, FL 33159

Superintendent of Telecommunications
Post Office Box 592075
Miami, FL 33159

To Centel:
Centel Communications Company Vice President
Centel Communications Systems-Southeast
3725 West Grace Street
Tampa, FL 33067

and

With a Copy to:
Vice president/General Manager
Centel Communications Systems
601 Jefferson - Suite 1000
Houston, Texas 77002

or to such other address as either party may designate in writing.

24. Termination.

a. Centel shall vacate the facilities and remove all its personal property and trade fixtures from the facilities at the termination of this Agreement, unless otherwise authorized in writing by the Department, whether by lapse of time or otherwise, as provided in Section C below.

b. Centel within thirty (30) calendar days following the termination of this Agreement, shall remove all of its personal property and any trade fixtures forthwith. Failure on the part of Centel to remove its property within thirty (30) days from the date of termination shall constitute a gratuitous transfer of title hereof to the County for whatever use and disposition is deemed to be in the best interest of the County. If County does not permit Centel to remove its personal property or trade fixtures or make them available for removal by Centel, then in addition to all other remedies at law or equity available to Centel, all obligations of County under this Agreement shall remain in force and effect until system is returned to Centel.

c. Any personal property of Centel, or of others, placed in the facilities shall be at the sole risk of Centel or the owners thereof, and County shall not be liable for any loss of damage thereto, irrespective of the cause of such loss or damage.

25. The Service Agreement of September 9, 1982, between the parties is hereby cancelled in its entirety and superseded by the terms of this Shared Airport Tenant Service Agreement.

26. Assignment and Subletting.

This Agreement shall not be assigned, transferred, pledged or otherwise encumbered by Centel, except to another corporation which controls, is controlled by, or is in under common control with Centel, provided that Centel shall not be relieved of its

liabilities or responsibilities hereunder without the prior written consent of the Department.

27. Limitation for Liability.

Except for claims for physical injury to persons, Centel and its suppliers or subcontractors will not be liable for any special, incidental, or consequential damages or for loss, damage or expense directly or indirectly arising from County's use of or inability to use the Equipment either separately or in combination with other equipment or software, or for commercial loss of any kind (including loss of business or profits) based upon breach of warranty, breach of contract, negligence, strict tort or any other legal theory whether or not Centel or its suppliers or its subcontractors have been advised of the possibility of such damage or loss. Some states do not allow limits on warranties or on remedies for breach in certain transactions.

IN WITNESS WHEREOF, the parties hereto have caused this service agreement to be executed by their appropriate officials as of the date first above written.

NON-EXCLUSIVE TELECOMMUNICATIONS, DATA NETWORK, AND SHARED AIRPORT TENANT SERVICES MANAGEMENT AGREEMENT

THIS MANAGEMENT AGREEMENT (the "Agreement") is made this February day of 1st, 2002 by and between **MIAMI-DADE COUNTY** (the "County"), a political subdivision of the State of Florida, by and through its Board of County Commissioners (the "Board"), and **NEXTIRAONE, LLC** (the "Contractor") a Delaware Limited Liability Company, authorized to do business in the State of Florida.

WHEREAS, the County and Centel Communications Company ("Centel") entered into an Equipment Lease and Maintenance Agreement, as of July 24, 1990, and retroactive to F ebruary 7, 1988 (the "ELM Agreement") which ELM Agreement terminates on February 6, 2002;

WHEREAS, the County and Centel also entered into a Shared Airport Tenant Service Agreement (the "SATS Agreement") which SATS Agreement terminates on February 6, 2002;

WHEREAS, NextiraOne, LLC is the successor or assignee of Centel's rights and obligations (via Williams Communications Solutions, LLC) under both the ELM Agreement and the SATS Agreement;

WHEREAS, negotiations were undertaken between the County and the Contractor (collectively, the "Parties") to: (i) resolve various claims arising out of the ELM Agreement and SATS Agreement, and (ii) negotiate the acquisition of the voice and data infrastructure and systems, hardware and software, and permits and licenses necessary to provide telecommunications and data network services, and shared airport tenant services at Miami International Airport ("MIA") and its other owned or operated general aviation airports from the Contractor;

WHEREAS, the County will acquire, in accordance with the principles delineated in this Agreement, title to all telecommunications, data, and common use terminal equipment ("CUTE") infrastructure, software, licenses, permits, and other assets as detailed or used in connection with the ELM Agreement or to provide services pursuant to the SATS Agreement as described on Schedule A to the ELM Agreement and Schedule E to the SATS Agreement, as of February 6, 2002;

WHEREAS, Contractor will assign to the County all existing tenant SATS and CUTE agreements entered into by Centel or its successors or assigns with tenants at MIA or its other owned or operated general aviation airports;

WHEREAS, it is the County's intention to issue a Request for Proposal ("RFP") for the Miami-Dade Aviation Department's ("MDAD") telecommunications requirements; and

WHEREAS, the Contractor has agreed to become the interim telecommunications

infrastructure manager, to provide for the design, installation, maintenance, repair, management, and operational support services for all voice and data network infrastructure for MDAD and the shared airport tenant services ("SATS") customers at MIA in order to assist the County until the new provider is selected.

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, conditions, promises, covenants and payments hereinafter set forth, the COUNTY and CONTRACTOR hereby agree as follows:

INTRODUCTION

The Parties acknowledge and agree that the County will acquire from the Contractor title to all telecommunications, data, and CUTE infrastructure, software, licenses, permits, and other assets as detailed or used in connection with the ELM Agreement or to provide services pursuant to the SATS Agreement (each agreement as of February 6, 2002), as such assets are described on Schedule A of the ELM Agreement and Schedule E of the SATS Agreement and the Contractor will assign to the County all existing SATS and CUTE agreements entered into by Centel or its successors or assigns with tenants at MIA or other County owned or operated general aviation airports. All remaining disputes and claims, with the following exceptions, between the Parties have been satisfied upon execution of this Agreement and complete payment of all outstanding amounts and obligations. The Contractor agrees to provide reports of shared tenant services revenues due to the Department, audited by the independent certified public accounting firm approved by the Department and in the format required by the Department, for the contract years ended February 6, 2001 and 2002. The Contractor and the County also agree to remit to the other all amounts shown as due in those audited reports.

ARTICLE 1
DEFINITIONS

The following words expressions used in this Agreement shall be construed as follows, except when it is clear from the context that another meaning is intended:

1.1 Acceptance Date: Shall refer to February 6, 2002.

1.2 Accept or Acceptance: Is defined as complying in all material respects with manufacturer's published specifications.

1.3 Airport: Any of the airport property in Miami-Dade County, Florida, which the County owns and operates, which presently includes Miami International Airport ("MIA"), and the following general aviation airports ("GAA"): (i) Kendall Tamiami Airport; (ii) Homestead Airport; (iii) Opa-Locka Airport; (iv) Opa-Locka West Airport; and (v) Training and Transition Airport.

1.4 **Agreement:** This non-exclusive telecommunications, data network, and shared airport tenant services management agreement between the County and the Contractor, including all of its terms and conditions, attachments and exhibits, Amendments, and work orders issued by the County.

1.5 **Amendment:** A written, signed, and approved by the authorized party or his or her designee, modification to this Agreement, executed by the Contractor and the County covering changes, additions, or reductions in the terms of this Agreement.

1.6 **Board:** Board of County Commissioners of Miami-Dade County, Florida

1.7 **Business Day:** Monday through Friday, excluding Contractor's Holidays. The Contractor shall provide the County a list of such holidays annually.

1.8 **CAD Manager:** Shall mean the manager of MDAD Technical Support.

1.9 **Calling Services:** Shall mean the mechanical process of placing, timing, and pricing each long distance or otherwise chargeable telephone call placed with a carrier or other suitable means and for which the County charges a resale fee to the equipment user.

1.10 **Contractor:** The named entity on page 1 of this Agreement.

1.11 **Contractor Holidays:** The Contractor's calendar year 2002 holiday schedule - New Year's Day, President's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Day after Thanksgiving, and Christmas Day. The Contractor Holidays are subject to change for calendar year 2003 at the sole discretion of the Contractor.

1.12 **Contractor Project Manager:** Shall refer to Contractor's assigned Project Manager to oversee all telecommunications aspects as is determined and defined within this Agreement. The Contractor shall from time to time provide written notice to the County designating the assigned Contractor Project Manager.

1.13 **County:** Miami-Dade County acting through the Department.

1.14 **County Manager:** County Manager of Miami-Dade County, Florida.

1.15 **Days:** Calendar days.

1.16 **Department:** Miami-Dade Aviation Department ("MDAD"), a department of Miami-Dade County, represented by and acting through the Director or his or her designee(s).

1.17 **Director:** The director of the Miami-Dade Aviation Department or authorized representative(s) designated in writing with respect to a specific matter(s) concerning the Services.

1.18 **Documentation:** Is defined as all records, procedures, schematics, diagrams, and manufacturer and Contractor manuals customized or created specifically for the County.

1.19 **Equipment:** Is defined as all telecommunications and data information systems products purchased from or serviced by the Contractor pursuant to this Agreement. Equipment shall also include hardware, Software, licenses, and permits.

1.20 **Equipment Charges:** Shall mean all charges including flat rate local telephone service, related to the rental, sale, or provided equipment serviced from the Airport's System to MIA tenants or users, other than MDAD.

1.21 **Existing System:** Shall have the meaning provided in Section 4.B(i) in Article 3.

1.22 **Gross Revenues:** Shall mean all moneys paid or payable to, or consideration of determinable value received by the County from Calling Services and/or Equipment Charges paid by tenants and users of SATS provided at the Airport, for transactions or telecommunications services provided or rendered in connection with such calling services and/or equipment, for connection to the public telecommunications network, regardless of when or where the order therefore is received, or the goods delivered, or services rendered, whether paid or unpaid, whether on a cash or credit basis, or in consideration of any other thing of value.

1.23 **MAC:** Is defined as move, add, change work performed by Contractor pursuant to proper authorization from the County.

1.24 **Maintain:** Preventive maintenance, repair or replacement, as deemed appropriate in Contractor's reasonable business judgment, of any installed equipment with the understanding that the Contractor will provide the labor and the County will supply the equipment.

1.25 **Manager:** The manager of MDAD Information Systems and Telecommunications Division. The County shall from time to time provide written notice to the Contractor designating the assigned Manager.

1.26 **Notice to Proceed:** A written notice to proceed issued by the Project Manager authorizing Contractor to proceed with the work described in this Agreement.

1.27 **Personal Property:** The property owned by Contractor and not included within the Equipment, including but not limited to office equipment, test equipment, and office furnishings.

1.28 **Project Manager:** The chief of the MDAD Telecommunications Section, or his or her designee. The primary responsibilities of the Project Manager are to coordinate and communicate with the Contractor and to manage and supervise execution and completion of the Scope of Services and the terms and conditions of this Agreement. All parties may rely on the instructions or determinations made by the Project Manager; provided, however, that such instructions and determinations do not change the Scope of Services or modify the terms and conditions of this Agreement. The County shall from time to time provide written notice to the Contractor designating the assigned Project Manager.

1.29 **Reimbursable Expenses:** Those expenses delineated in the Payments and Costs Reimbursable article, of this Agreement which are separately approved by the County that are incurred by the Contractor in fulfillment of this Agreement.

1.30 **Risk Management Division:** A division of Miami-Dade County, with offices in the Stephen P. Clark Center, 111 N.W. 1st Street, Miami, FL 33128.

1.31 **Services:** All services, work and actions by the Contractor performed pursuant to or undertaken under this Agreement.

1.32 **Shared Airport Tenant Service ("SATS"):** The provision of service which duplicates or competes with local service provided by an existing local exchange telecommunications company and is furnished through a common switching or billing arrangement to tenants by an entity other than an existing local exchange telecommunications company.

1.33 **Software:** Is defined as any set of one or more computer or telephone system programs which is composed of routines, subroutines, concepts, processes, algorithms, formulas, ideas, or know-how severally owned by or licensed by the County and/or any one of its suppliers, regardless of the particular delivery media in or on which such intangible assets may be embodied. Software shall also include any corrections, patches, updates, or revisions to Software originally provided.

1.34 **Sub-System:** The integrated systems, including voice mail, automated attendants, automatic call distributors, customized control routing, power supplies, remote access devices, battery back-up units, integrated voice response, uninterruptible power supplies, and any related and embedded Software reporting products so designated by the County.

1.35 **System:** The telecommunications system, which may include Equipment, switches, Sub-Systems, related Software, and peripheral equipment. As used in this Agreement, the terms System and switch have equal meaning.

1.36 **Tenant:** Shall mean any individual, company, or business located at any of the

MDAD Airports under lease with the County or MDAD or otherwise engaged in the activities of serving Airport users, passengers, or the movement of cargo.

1.37 **Unsatisfactory Work:** Work or performance that is defined as failing to comply in any material respect with the manufacturer's published specifications, or to the scope of work as defined by either MDAD or a SATS customer in its work order.

ARTICLE 2
ABBREVIATIONS

The following abbreviations when used in this Agreement shall be construed as follows, except when it is clear from the context that another meaning is intended:

ABBREVIATION	EXPLANATION OF ABBREVIATED TERM
AFF	Above Finished Floor
ASM	Airport Systems Manager
ATB	Automatic Ticket and Boarding Pass Printer
ATM	Asynchronous Transfer Mode
AWG	American Wire Gauge
Bellcore	Bell Communications Research
BHCA	Busy Hour Call Attempts
BICSI	Building Industry Consulting Service International
BGR	Boarding Gate Reader
BTP	Bag Tag Printer
CAD	Computer Aided Design
CIP	Capital Improvement Program
CCS	Centum Call Seconds

Check-In Counter	A "ticket counter" which is used for departure control but not ticket purchases. The only difference between a check-in counter and a ticket counter is the use (hardware complement shall be the same for both)
Customer	Shared Tenant Services user
CRC	Call Receipt Center. Available twenty-four (24) hours a day and seven (7) days a week, that users can access to report troubles associated with their voice, data and network services. Access to the Call Receipt Center can be by telephone, e-mail, or any other oral or written request.
CUTE	Common Use Terminal Equipment
DCS	Departure Control System
DOC	Document Printer
EIA	Electronics Industry Alliance
FIDS	Flight Information Display System
FDDI	Fiber Distributed Data Interface
Gate Counter	Counter used for passenger check-in located in the gate area, typically containing two workstations, one boarding pass printer, one bag tag printer, and one general purpose printer
GPS	Global Positioning Satellite
GUI	Graphical User Interface
HVAC	Heating, Ventilation and Air Conditioning
IACS	Integrated Airport Communications System
ICEA	Insulated Cable Engineers Association

IDF	Intermediate Distribution Frame
IMO	Information Management Outlet
IPE	Intelligent Peripheral Equipment (Nortel's term)
ISO	International Organization for Standardization
IVR	Interactive Voice Response
Jetway Podium	Podium used for boarding passengers located at the entrance to the Jetway. These podiums will have a workstation and a boarding pass reader
LAN	Local Area Network
LBS	Local Boarding System – Application which provides for passenger reconciliation via a boarding gate reader
MIA	Miami International Airport
MDF	Main Distribution Frame
MTBF	Mean Time Between Failure
NEC	National Electric Code
NIST	National Institute of Standards and Technology
OSHA	Occupational Safety and Health Act
OTDR	Optical Time Domain Reflectometer
MUFIDS	Multi-User Flight Information Display System
PBX, PABX	Private Automatic Branch eXchange, (Telephone Switch)
PDS	Premises Distribution System
PNL	Passenger Name List

POS	Point of Sales
QBE	Query By Example
REA	Rural Electrification Administration
SNMP	Simple Network Management Protocol
SATS	Shared Airport Tenant Service.
TAMS	Total Airport Management System
Tenant	Shared Tenant Service Customer
TDR	Time Domain Reflectometer
TIA	Telecommunications Industry Association
Ticket Counter	Counter used for departure control and ticket purchases. Typically, has two workstations, one boarding pass printer, and one bag tag printer
TP - PMD	Official name for CDDI ("Copper Distributed Data Interface")
UPS	Uninterruptible Power Supply
WS	Workstation

ARTICLE 3
NON-EXCLUSIVE AGREEMENT

Notwithstanding any other provision of this non-exclusive Agreement, the County is not precluded from retaining or utilizing any other contractor or its own staff to perform any services within the contract limits defined in the Agreement. The County may elect to competitively bid and contract any infrastructure or system additions and changes, including, but not limited to 1) outside plant extensions, 2) major changes in network architecture, 3) inside plant work associated with new facilities, and 4) other telecommunications infrastructure changes. The Contractor shall have no claim against the County as a result of the County electing to retain or utilize such other contractor(s) to perform any such services, provided that the County shall instruct all other contractor(s) that they must not act in a way which would disrupt or interfere with Contractor's performance of its duties, and take all other reasonably possible steps to avoid any such disruption or interference.

ARTICLE 4
SCOPE OF SERVICES

1. General Requirements and Services to be Provided

The Contractor shall provide for the design, installation, maintenance, repair, management and operational support services for all voice and data network infrastructure for MDAD and the SATS customers at the Airport. The scope of services includes the provisioning of voice and data network services and maintenance of existing and future voice and data network infrastructure equipment and facilities, at the Airport, and the management of SATS for the County, including CUTE, to Tenants and users at the Airport. The Parties agree that this scope of services describes the Contractor's obligations and responsibilities, and is deemed to include labor, materials, equipment, and tasks as and to the extent set forth in this Agreement.

- The Contractor will be required to provide the following (the "Scope of Services"):

A. Manage the existing voice, data, CUTE and network infrastructure, and maintain records as required by MDAD, including but not limited to, equipment and cable plant, record keeping of work order activity, equipment inventory, telephone number inventory, number dialing plan, key sheets, and cable management to the IDF level for existing structure installed prior to February 7, 2002 and to the jack level for installations completed after February 6, 2002.

B. Manage the turn-key installation of new voice, data and network services such as user training on equipment provided, project scheduling, appropriate billing to MDAD, billing user customers for services, and also for the specified Equipment, including when specifically requested by appropriate work order, needs assessment, system design, procurement of equipment and parts, Documentation, record keeping and inventory, and any other functions related to the provisioning of the

services.

C Execute work orders and the work associated with these work orders for new services or routine installations, and for moves, adds and changes from MDAD.

D. Upon receipt of an appropriate work order, provide to MDAD proposals at MDAD requested level of detail outlining cost to MDAD, and schedules for larger installations where additional equipment or cable infrastructure is required. Coordinate with MDAD assigned Project Manager for the implementation of the services required.

E. Resolve all troubles and outages involving Services in a timely manner, following the priorities established in this Agreement, to minimize disruption, reduced performance level, and interruption of Services.

F. Operate and manage a CRC, available twenty-four (24) hours a day and seven (7) days a week, that users can access to report troubles associated with their voice, data and network services. Access to the CRC can be by telephone, e-mail, or any other oral or written request.

G. Perform industry standard and/or vendor recommended preventive maintenance on all voice, data and network Equipment and Systems in an effort to prevent malfunctions.

H. Perform periodic traffic studies to properly size trunking facilities, data network utilization for the backbone and individual segments, and provide written reports to MDAD.

I. The County and the Contractor shall jointly work on a plan for disaster recovery and develop contingency plans for major outages, utilizing the Contractor's off-premise resources as required to mitigate the problem.

J. Conduct periodic meetings or as required by MDAD to inform the Department on service issues, and the status of pending work on projects.

K. The Contractor shall not provide communications services to other entities using the MDAD telecommunications infrastructure without the written consent of MDAD. During their respective work hours, Contractor's on-site employees shall only engage in activities on behalf of MDAD and the SATS customers of the Department as provided in this Agreement.

2. Existing Telecommunications Infrastructure

A. Voice Equipment and Services

The scope of work for the voice service includes the existing voice services currently provided at the Airport as detailed or used in connection with the ELM Agreement or to provide services pursuant to the SATS Agreement as described on Schedule A to the ELM Agreement and Schedule E to the SATS Agreement, as of February 6, 2002. This consists of: (i) two (2) Nortel 81Cs, (located in Building 3030 C wing, and in the Concourse E switch room E2386 (collectively, the "Core Rooms")); (ii) the telephone equipment (Option 11s and the Norstars) located around MIA; and (iii) the telephone equipment (Option 11s and the Norstars) located at the Opa Locka, Kendall-Tamiami, Homestead general aviation facilities (reflected in the current Voice Topology Drawing), and the Homestead Air Reserve Base.[1]

The number of ports in use are currently:

- Meridian PBX, Option 81 located in the Terminal Building: 2,990 ports in use
- Meridian PBX, Option 81 located in Building 3030: 908 ports in use
- Eight (8) Intelligent Peripheral Equipment (IPE) systems located in 8 different locations:
  - Served from terminal PBX: 1,760
  - Served for Building 3030 PBX: 1,404

  Total 7,062 ports in use

B. Data Network

The scope of work for the data network includes the existing data network currently provided at the Airport, interface with the new security network, all CUTE equipment, and the associated CUTE network.

The existing data network at the Airport (reflected in the current Network and CUTE Topology Drawing) consists of a fiber optic ring interconnecting eight (8) Centillion 100 switches. These hubs are located in equipment rooms located in Building 3030, Building 5A, Building 100, the Cargo Clearance Center ("CCC"), the Satellite Building, the Landside Administrative Offices on the Ground Floor of the Dolphin Garage, the Concourse C computer room, and the fourth floor Terminal equipment room. The network includes eighteen (18) Nortel 5000NT boxes, six (6) Nortel 5000BH boxes and twenty-one (21) 450 switches. The network also consists of two (2) Nortel BCN ATM routers located in Building 3030 and the Concourse C computer room. This network will be eventually interconnected with the new security network ("New Security Network") and the CUTE network, effectively

[1] The CD Building 3030 source book and the CD Main Terminal source book are available for review and inspection when authorized by the Department in accordance with federal, state and local law

producing one logical network.

The installed network conforms to IEEE 802.3 and IEEE 802.5 standards for switching. The installed switches are capable of concurrent switching of all protocols specified in this Agreement, and support dual mode FDDI, Token Ring (IEEE 802.5, 4 and 16 Mbps), AUI Ethernet (IEEE 802.3, 10BaseTX and 100BaseTX), and Asynchronous Transfer Mode ("ATM") media connections.

i. The Local Area Networks conforms to the following standards:

a) IEEE 802.3 10BaseT, 100BaseT
b) IEEE 802.5 16 Mbps Token Ring
c) ANSI X3T9.5 FDDI
d) ATM Standard

ii. The installed network has the capability to interface with and will conform to the following networking protocol standards:

a) TCP/IP (RFC 793 / RFC 791)
b) OSI (ISO)
c) IPX/SPX (to be phased out with Novel IP)
d) ATM

The installed network conforms to IEEE 802.3 and IEEE 802.5 standards for transparent routing. The installed routers are capable of routing all protocols specified in this document, and support dual mode FDDI, Token Ring (IEEE 802.5, 4 and 16 Mbps), AUI Ethernet (IEEE 802.3, 10BaseTX and 100BaseTX), and ATM media connections.

C. Cute Network

The CUTE network consists of 175-200 CUTE terminals and network, the airline terminal emulators, an interconnecting network and wide area network links to airline reservation system host computers, includes preventive maintenance on CUTE printers.

3. Future Plans[2]

Exhibit 1 identifies all Equipment at locations to be maintained and Services to be provided under this Agreement, if and when the future expansions and projects described therein are implemented and ready to receive the services. Based upon County requirements, new Equipment or locations may be added. As new Equipment items or locations are added to the MDAD telecommunications infrastructure, the items will automatically become

[2] It is not expected that these services will be implemented during the term of this Agreement.

a part of this Agreement upon written mutual agreement of both the County's Project Manager and the Contractor.

Future planned expansions or projects at this time that may impact the services requested are:

A. The Premises Distribution System ("PDS").

This is a planned cabling/distribution system that runs throughout the Airport. The PDS will provide a new cabling infrastructure, required for all telecommunications systems to effectively communicate. It will also provide the physical connections for access to existing legacy systems, the wide area network, and the Internet. The PDS will consist of single-mode and multi-mode fiber optic cabling; copper cabling (enhanced Category 5 UTP) and possibly infrared, wireless or other distribution materials/media such as, color spectrum fiber optic switches. The PDS will utilize Information Management Outlets ("IMOs"), which consist of two (2) voice and two (2) data jacks (all RJ-45 modular jacks). In addition, the PDS will be designed to accommodate the Department's anticipated future growth requirements. The scope of work includes the management of the proposed PDS and the associated cable management system. The scope of work includes the data entry of "as built", or other drawings or documentation information into the cable management system as on-going work identifies the information.

Note: Some cable conduit and cable trays required to install the PDS cabling will be installed and will be utilized wherever possible. Certain applications will arise where the Contractor will be required to install new raceways and cables. All new work shall require prior approval from MDAD.

B. Network Management System

The scope of work will include the management of the data network utilizing a standard Network System Manager ("NSM"). The existing NSM is hosted on a SUN Microsystems workstation using HP's OpenView software. The NSM monitors all network components using standard SNMP applications. An audit trail of system operations and configuration changes shall be maintained by the Contractor using the NSM. The Contractor may be required to provide the following network management functions using the NSM applications:

i) Fault management.
ii) Configuration management.
iii) Performance monitoring management.
iv) Accounting management.
v) Security management.

All network components shall be SNMP manageable and conform to RFC 1157. Online system health monitoring shall be provided for verifying the health status of major network components and to support software and hardware maintenance activities.

C. Security Network

MIA will be implementing a new security network system ("NSNS"). The NSNS is composed of a high speed fiber optic based ATM network, fifteen (15) (expanding to 22) equipment rooms, CCTV and Intercom switching equipment, and CCTV and Intercom recording equipment. The rooms will be linked via a new security network. In the future this network will be expanded to accommodate interface with the future PDS. The PDS will provide CAT5e cabling from the network hubs located in these rooms to all devices requiring an IP address and network connection. The Contractor shall take over the management, maintenance, and operations responsibility, unless directed otherwise by MDAD, once the three (3) year management and operation contract with the NSNS Manager is over.

The main backbone of the New Security Network system will be comprised of multiple fiber optic loops, which will create multiple distinct data areas in the Main Terminal area. A main loop will run through the main Terminal through the equipment rooms. The main loop will have a four (4) room ATM configuration (rooms C4121, B3017, A3129, and H1472) with an OC-48 data rate. The ATM shelves in the four (4) equipment rooms will connect to switches at an OC-12 (ATM) data rate. The switches in the remaining eleven (11) equipment rooms (H3730, G1107, G1764, F1540, F1770, E1502, E1803, S1558, D3917, A3820, and A3105) will be capable of connecting to multiple network protocols (i.e., FDDI, ATM, and Ethernet). Two (2) separate backbone loops (a primary OC-12 backbone and a secondary OC-12 backbone) will connect the eleven (11) rooms to the four (4) OC-48 equipment rooms via separate diverse routes.

D. Wireless Network

In conjunction with the PDS, wireless antennas located approximately three hundred (300) feet apart will be located throughout the Terminal at MIA. This system will improve the use of [redacted] throughout the terminal areas. The new technology plans of tenant airlines are envisioning more wireless customer service devices similar to what rental car companies use today when checking in cars. The CIP may require wireless CUTE and FIDS to be movable for changing locations under construction. Airlines are anticipating that their customer base will increase the use of wireless Internet devices for telecommuting while in airports and on airplanes. All of this points to the need to put in a system in the terminal that will handle the wireless traffic and place MDAD in the position of controlling this part of the telecommunications infrastructure. The Contractor will have to interface with the Wireless System provider to provide network services via the PDS and interfaces with the network backbone and other service providers.

E. The scope of work may also include the management of approximately four

thousand (4000) new stations (to be installed in a new or existing equipment room) if American Airlines becomes a SATS customer.

4. Description of Services to be Provided

The services to be provided by the Contractor may include, but may not be limited to the following:

A. **Move, Add and Change Service ("MAC").**

i) Move, Add and Change Services will include, but shall not be limited to:

a. Install and program new telephone station equipment.
b. Disconnect old service and update records accordingly.
c. Install new station cabling and outlets for voice, data, video and wireless services.
d. Relocate existing services in response to MDAD/Tenant work orders.
e. Manage work order and invoicing process.
f. Remove and/or disconnect unused cabling and outlets.
g. Submit updated information for the MDAD Cable Management System or PDS database.

ii) Order Taking and Records

The Contractor will be responsible for receiving work orders from MDAD Telecommunications staff to coordinate and perform MAC services. Contractor's technicians are not authorized to perform MAC work unless these work orders have been properly submitted to Contractor. Depending on the size of the request, Contractor personnel may be required to perform surveys in order to facilitate the requested work. The Contractor is solely responsible for scheduling all work directly with the MDAD or SATS customer under the direction of MDAD Telecommunications who may periodically escalate various work orders or priorities associated with different requests. The Contractor shall also coordinate access issues directly with the MDAD or SATS customer. The Contractor shall assign personnel with project management skills to large scale MAC projects and/or larger tenants to facilitate the timely completion of the Contractor's portion of the work.

iii) Installation Time Intervals

Routine additions, deletions and relocations (also known as moves, adds, and changes) shall meet the following standards depending on their number, assuming that conduit, power, and other required facilities are existing at the time of the work order. Non-reimbursable MAC coverage shall be provided between 8:0 0 A. M. and 5:00 P.M., Monday through Friday, excluding

Contractor Holidays.

No. of MACs	Response Time
1 to 5	one (1) business day from receipt of work order
6 to 10	four (4) business days from the date of the work order
11 to 50	seven (7) business days from the date of the work order
Over 50	individual case basis to be mutually negotiated

At a minimum, the Contractor is expected to keep staffing levels and technicians on hand to meet the above completion requirements. The Contractor is responsible for directly coordinating with the customer and/or local service provider until the MAC is complete.

iv) Priority Changes

Priority moves, adds and changes are those that are designated a "Priority" by MDAD in accordance with the Prioritizing of Work subarticle of this Agreement. Priority work must have written justification and be approved by the Project Manager. Priority work orders will supersede other work orders and will be worked on and completed as soon as possible by the Contractor. The due date for routine work orders will be adjusted for delays caused by priority work orders. For all conflicts of schedule, MDAD will be the final authority on the final timing and have responsibility for the resulting impact on other work and Equipment. Contractor shall notify MDAD of known potential impacts of priority changes.

B. **Maintenance and Trouble Resolutions**

i) Existing Network Infrastructure

The Contractor shall provide a complete operation and maintenance plan for all elements of the MDAD telecommunications network. This work shall include all components of inside plant, outside plant, active and passive electronic equipment, and ancillary equipment that is part of the telecommunications infrastructure currently serviced by Contractor and any additional Equipment added as provided hereinafter. Contractor shall also provide maintenance for all Systems and Sub-Systems in place as of February 6, 2002 (the "Existing System"), as well as any and all additional Systems, Sub-Systems, Equipment, or switches or products added in the future, when requested by the County. As to additional Systems, Sub-Systems and other Equipment that are added, maintenance for these items shall be under this Agreement upon the acceptance by County of the relevant System, Sub-System or additional Equipment and shall be compensated for in accordance with the Payments and Cost Reimbursements article of this Agreement.

ii) Levels of Performance

The Contractor for the telecommunications infrastructure operations and maintenance shall guarantee specific levels of performance and availability for each segment of the network. The Contractor is not responsible for degradation of performance due to the actions of a third party vendor not under the control of the Contractor, or due to the County's reduction in Contractor's staff. These segments and their required level of availability are as follows:

a.	Voice Circuits	99.98%
b.	Data Circuits (Point-to-Point)	99.98%
c.	LAN Circuits	99.98%

Availability shall be calculated on a monthly basis. Availability shall be calculated based on the following formula:

$$\textbf{Availability} = \frac{\text{Available Time} - \text{Downtime}}{\text{Available Time}} \times 100$$

where:

Available Time: The number of circuits of a given type multiplied by the number of hours in the month.

Downtime: The sum in hours of all circuit outages or performance degradation commencing when the trouble is reported and ending when the

trouble ticket is completed and closed out. For aggregate services such as T1 circuits downtime shall be the sum of the outage duration times the number of active channels (24) contained in the aggregate circuit. LAN downtime shall be the outage duration times the number of ports, which are reported as out of service or suffering from degraded operation.

iii) Preventive Maintenance

The Contractor shall perform all the preventive maintenance as specified by the equipment manufacturers. A quarterly report shall be submitted to MDAD detailing the preventive maintenance performed in the previous quarter and specifying the preventive maintenance planned for the upcoming quarter.

Preventive maintenance shall include, but is not limited to:

a. Visually inspect batteries condition and voltages.
b. Check power supplies voltages.
c. Routine r eplacement o f l amps, indic ators, p rotectors, and o ther components which may fail through normal use.
d. Perform annual trunk traffic studies and implement corrective action if required.
e. Perform annual voice mail port utilization study and configuration.
f. Inspect cabinets.
g. Periodic cleaning of filters.
h. Perform database dumps and reviews quarterly and perform corrective procedures if needed.

iv) Preventive Maintenance Plan

The Contractor shall develop a comprehensive routine and preventive maintenance plan, which includes each of the following elements:

a. Each element of voice or network systems equipment, shall be monitored for performance on a continuous basis. In addition to reporting of failed equipment, thresholds shall be established to report traffic problems or abnormal latency. Statistics will also be required for management reports that outline system capacities and utilization levels.

b. Regular periodic performance testing shall be provided for each element of active electronic equipment, which is not continuously monitored. This periodic testing shall be performed in accordance with manufacturer's published preventive maintenance procedures. Where no published preventive maintenance plan exists, measures, which are acceptable to MDAD Telecommunications, shall be implemented. The Contractor shall make special provisions (whether

self-performed or via subcontract) to clean optical fiber connectors, battery cable terminations and other connections, which require periodic cleaning to avoid performance degradation.

Note: Each telecommunications equipment room shall be provided with periodic cleaning to ensure an environment, which is suitable for the equipment. This cleaning (whether self-performed or via subcontract) shall ensure a dust free environment, removal of debris and cleaning of equipment, cabling and terminations for the two (2) Core Rooms.

c. The preventive maintenance plan shall include routine replacement of lamps, indicators, protectors, batteries, DC power plant equipment, 48VDC powered inverters and other components, which may fail through normal use. The preventive maintenance plan shall not include requirements for replacement of equipment room lighting components, air conditioning filters, ceiling tiles and other components, which are part of the building and are not related to the network itself. The preventive maintenance plan shall require that these latter items be reported to MDAD Facilities Maintenance if found to be defective or in need of repair. The preventive maintenance plan shall include operation and maintenance of DC plant in IDF rooms that support switching equipment.

d. The operations and maintenance plan shall include provisions for non-scheduled maintenance and repair of equipment that may fail or degrade during normal operation.

v) Problem Reporting and Escalation

The Contractor will be responsible for maintaining coverage in accordance with this article in the Agreement, of the CRC for MDAD or SATS customers at the Airport, in order to coordinate repair services. The Contractor shall issue service tickets in order to track repair requests, contact the assigned personnel, and respond to perform such repairs for major or minor failures in accordance within the time frames in the Response and Repair Time Requirements article of this Agreement. The dispatched personnel will be responsible for having the appropriate repair stock equipment and also for properly returning the equipment for repairs or replacements. The dispatched personnel will be responsible for keeping the CRC informed of problems, and reporting to MDAD a real-time status of repair progress. After hour calls will be routed to a twenty-four (24) hour customer service center or local contact to coordinate repair efforts.

The Contractor's dispatched personnel will coordinate with MDAD, local service provider, or SATS customer as required and MDAD will make the determination as to the type and quantity of resources required to correct the

problem, if necessary.

Should a major outage be related to the local operating company's network, the Contractor's personnel will act as the County's agent to open a repair ticket with the local exchange company and work on behalf of the County, as commercially reasonable and necessary, to troubleshoot the problem until the major outage is corrected. The Contractor shall also coordinate access issues directly with the user. The County requires the Contractor to propose spare parts levels for the various systems in order that the repairs can be made in a timely fashion based on the classification of the repair as described in the Types of Failures subarticle of this Agreement.

In case of emergency during after hours, Contractor shall proceed to attempt to repair while continuing an attempt to contact MDAD per the escalation notification list to be provided by the Contractor, based on information provided by MDAD.

vi) Agreements with Vendors

The Contractor shall maintain maintenance and technical support agreements with vendors associated with the telecommunications systems. The Contractor shall be responsible and pay for all maintenance contracts and support contracts necessary to perform the services outlined in this Agreement (collectively, the "Agreements with Vendors"). The County shall compensate the Contractor in accordance with the Payments and Cost Reimbursement article of this Agreement. The Contractor is solely responsible for hands-on management of the systems. These third party agreements shall include at a minimum, when available from the third party and requested by MDAD:

a. Post-warranty service agreements;
b. advanced replacement agreements;
c. software and hardware revision/update provisions; and
d. technical support agreements that allow the Contractor to speak directly to engineer/technical support as required.

In the event of an emergency, MDAD reserves the right to take a hands-on approach to fix the problem if the Contractor's personnel are not available. A strict configuration and change management process will be adhered to, which documents all changes to the respective network. The Contractor shall submit a configuration and change management procedural plan on a yearly basis for review and approval by MDAD.

vii) Types of Failures

Troubles reported to the Contractor's CRC by the users will fall into two (2)

categories: a) Major Failures, and b) Minor Failures.

a. **Major Failures** are those that severely impact the operation of the Airport or severely impede the ability for a Tenant to conduct business at the Airport and shall be defined as an occurrence of any of the following:

1. A failure of the telephone switch, its common equipment or power supplies which renders it or them incapable of performing normal functions for five percent (5%) or more of the stations or trunks.

2. A failure of over five percent (5%) of the trunks or station lines to function.

3. A failure of network components that will render over five percent (5%) of work stations inoperable.

4. An indication of a major alarm condition as defined by the manufacturer in any of the switching or power equipment.

5. Any failure of an individual station identified in Exhibit 2 furnished to Contractor's Project Manager, who has signed a receipt therefor, that impacts the operation of the Airport.

b. **Minor Failures** are any other failures including a failure of any ancillary equipment such as intercom circuits, paging input arrangement, or any other telecommunications equipment or component.

viii) Response and Repair Time Requirements

Based on Trouble classification, the Contractor will respond in the following manner:

a. **Major Failure**- Immediate response during business hours (Monday-Friday, 7 A.M. – 11 P.M., Eastern Time) and within two (2) hours for off hours (Monday-Friday, 11 P.M – 7 A.M., Eastern Time; and twenty-four (24) hours a day Saturday, Sunday, and holidays).

Contractor must immediately begin remedial maintenance for a major malfunction, which may consist of remote diagnostics during the first fifteen (15) to thirty (30) minutes, after repair notification time by the County to the Contractor, via the Contractor's tracking processes with the appropriate service ticket number, however, if not corrected, the Contractor's personnel must be on-site no less than forty-five (45) minutes during business hours and no less than two (2) hours during off hours from the repair notification

time documented by the County. Any service between 11 P.M. – 7:00 A.M. on weekends and Contractor Holidays will be compensated on a per call basis as described in the compensation article. Contractor shall start immediately and work continuously until the problem is resolved. Contractor will abide with the Problem Reporting and Escalation article of this Agreement, in order to resolve a major outage. Contractor shall make all commercially reasonable efforts to complete repairs within eight (8) hours from the time the County reported the incident and is documented via the Contractor's tracking processes with the appropriate service ticket number. Contractor is responsible for providing the Project Manager with a revised escalation procedure to include all appropriate levels of management with their associated contact numbers at the time this Agreement is executed, and immediately thereafter whenever a change occurs. In the event the Contractor should fail to respond in accordance with the time frames stated herein, the County shall be entitled to liquidated damages in accordance with the Performance and Liquidated Damages article of this Agreement.

b. **Minor Failure** - Response within eight (8) business hours.

Contractor will begin any repair not defined as a major failure as expeditiously as possible, and shall make all commercially reasonable efforts to complete repairs within one (1) business day from the time the County reported the incident and is documented via the Contractor's tracking processes with the appropriate service ticket number. Repairs may be made by a certified technical personnel either through a premise visit or via electronic ac cess t hrough t he u se o f a r emote maintenance terminal. However, in all cases, the repair must be confirmed and the status updated by the next business day by notification to the CRC. Contractor shall respond to minor service interruptions within eight (8) business hours and follow an escalation procedure in accordance with the Problem Reporting and Escalation subarticle of this Agreement. In the event the Contractor should fail to respond in accordance with the time frames stated herein, the County shall be entitled to liquidated damages in accordance with the Performance and Liquidated Damages article of this Agreement.

c. **After Hours Coverage, Emergency Service, and Contractor's Required Response Specifications**:

Service for a major failure shall be available twenty-four (24) hours a day, seven (7) days a week, and 365 days per year. In the event the Contractor does not commence repairs for a major failure within two (2) hours after notification, the County shall have the right, at any time thereafter, to notify the Contractor of such nonperformance, and if emergency repairs shall not have commenced within two (2) hours from the time the Contractor's technical personnel arrives on site, then the County shall have the right to call in any qualified and certified service organization to perform the

necessary repairs.

"Respond" is equated to having technical support and/or troubleshooting the problem within aforementioned times. Note that during the troubleshooting process, the Contractor is coordinating directly with the user and/or the local service provider until the problem is resolved.

ix) System Availability Reporting

The Contractor shall provide a monthly circuit availability report to MDAD Telecommunications which states the required level of availability for each of the classes of circuits listed in the Levels of Performance subarticle of this Agreement. This report shall include the actual level of availability for each class of circuit, based upon the calculation method listed in Levels of Performance subarticle of this Agreement. The difference between the required level of availability and actual availability for each class of circuit shall be identified in the report.

x) Equipment/Facilities Covered

Equipment covered under this section include the following components:

a. PBX switches.
b. Electronic key systems.
c. Any other voice systems.
d. Ethernet.
e. ATM.
f. All network components maintained by Contractor.
g. All inside and outside plant to include both copper and fiber optic cabling.
h. Special systems such as IVR's.
i. Future wireless systems.

xi) Specification Compliance

If repair requirements arise on existing cable plant that is not installed according to manufacturer or industry specifications, the Contractor is required to provide notice and an estimate to the County to bring such infractions to specification while accomplishing the repair.

The Contractor is liable for circuit continuity, from the local service provider demarcation point to the station jack. In many instances, the Tenant has a Key Service Unit ("KSU") or other devices in the middle of this cable path and the existing cable records may or may not have records showing these outlets. Under these circumstances, the Contractor is expected to document any non-specification issues, provide notice to MDAD and jointly work with

MDAD and/or the Tenant to upgrade this infrastructure to County specification and document said upgrade in the cable records. The Tenant will incur the expense of bringing such facilities up to County specification.

xii) Coverage

The provider shall have adequate resources to provide the following: 1) On-site manned call receipt function 7:00 A.M. – 6:00 P.M. Monday through Friday, except Contractor Holidays; 2) Remote call receipt function 6:00 P.M. – 7:00 A.M. weekdays, and 24 hours on weekends and Contractor Holidays; 3) Technical staff on-site 7:00 A.M. – 11:00 P.M. Monday through Friday. The Contractor shall have "on call" trained personnel to cover all of the systems as specified in the Response and Repair Time Requirements of this article. The Contractor shall provide MDAD with a general description of its daily staffing requirements which will apply over the term of this Agreement, which shall be approved by MDAD. Any material changes to those requirements shall be subject to the approval of MDAD as provided herein.

xiii) Prioritizing of Work

The Contractor's technical personnel will be dispatched on jobs in a "first in-first out" fashion as long as the user deadline can be met. MDAD will review and authorize all work orders and reserves the right to prioritize various activities that the Contractor undertakes in order to meet deadlines. MAC activity will take a lower priority to repair activities pending the circumstances surrounding the given situation. The County reserves the right to mandate that the Contractor reallocate resources between 8:00 a.m. and 5:00 p.m., Monday through Friday (excluding Contractor Holidays), on a daily basis to deal with the various repair or MAC requests. The Manager or Project Manager has the authority to instruct and/or authorize work. In situations where emergency intervention is required, the County reserves the right to change configuration settings in systems, as coordinated with the Contractor.

xiv) Equipment Failure

If any Equipment malfunction is determined by the Contractor to be the fault of any other company, the County will so notify said company and request appropriate repairs and alterations. The County, Contractor, and the other company, if pertinent, must mutually determine the point of failure and the party responsible for payment. Notwithstanding the foregoing, if there is an emergency, the Contractor shall repair same in accordance with the Problem and Reporting Escalation subarticle in this Agreement and if during off hours or a weekend or Contractor Holidays, the County shall compensate the Contractor as provided herein and seek reimbursement from the other company. If the Equipment malfunction is associated with the Contractor's failure to install the Equipment properly or according to the Manufacturer's

specifications, the Contractor shall pay all costs.

xv) Maintenance of Equipment, Systems, or Sub-systems Purchased from Others

In the event the County adds or purchases equipment, systems or sub-systems from other contractors or vendors, the County shall timely notify the Contractor in writing of the installation of said equipment, systems or sub-systems. After installation, and unless otherwise notified by the County, the Contractor will be responsible for maintaining the equipment, systems, or sub-systems, pursuant to the Scope of Services article of this Agreement.

C. **Project Management Services**

i) The telecommunications infrastructure at MIA will continue to expand and evolve with new development at the airport. This evolution involves design and construction projects, some are exclusively limited to telecommunications systems, and others involve a multi-discipline effort. Both types of projects may require management of the telecommunications portion of the project by the Contractor as part of this work. For such projects, the Contractor will also provide consulting and project management services.

Project Management services will include, but shall not be limited to:

(a) Needs Assessment.
(b) Design telecommunications systems to meet user requirements.
(c) Design Inside/Outside Plant and network changes and extensions.
(d) Competitively bid sub-contracts for execution of this work.
(e) Manage telecommunication construction related activities and coordination with related work contractors.
(f) Update MDAD as-built CAD drawings for the managed infrastructure.

ii) New projects will be authorized, on a work order basis by the Manager or agent authorized in writing by the Manager. Each authorization will be accompanied by a written scope of work, and conceptual drawing where appropriate. No projects are to be undertaken without this authorization. In the case of new buildings where services do not exist, or additional services to existing buildings, the County will either provide the contractor with conduit or a suitable path to access the service demarcation point, or have the selected contractor provide such conduit at a cost approved in writing by the County. If, at the request of the County, the contractor provides the conduit, the County will reimburse the contractor for the approved cost of providing

the conduit. Upon the request of the County and advice as to the work to be performed by the contractor, the Contractor shall manage same in accordance with clause (i) above.

iii) Once a project has been authorized, the Contractor shall execute and coordinate the design and estimate the cost of construction. On projects that involve only the telecommunications systems, the design shall be coordinated with MDAD Telecommunications. On multi-discipline projects this coordination shall include designers of other disciplines or other MDAD Divisions that may be involved in the project. Design and estimating services may be provided directly by the Contractor or under a sub-contract agreement with a qualified telecommunications design firm. MAC or day-to-day operation of the system shall not be affected as a result of the Contractor's role in new projects.

iv) All design work performed under the awarded contract shall be in full compliance with MDAD, EIA/TIA, BICSI and other applicable standards. Drawing files for existing portions of the system shall be obtained from MDAD staff. These drawings shall be modified and supplemented as required to include the new work. These drawings are to be supplemented with specifications, standards and other information to form a competitive bid package for the work. In all cases, new work shall be specified to be uniform with existing installations and equipment of similar nature at MIA. Any deviation or changes must be approved in advance by the MDAD Telecommunications Section.

v) Subcontractors shall only be used, subject to prior written approval from the Department, when the Contractor's existing work force is unable to perform project management services within established time frames.

Where subcontracting is required, all new design packages shall be competitively bid by a minimum of three (3) qualified telecommunications contractors. The Contractor shall conduct and manage this bid process in a fair and professional manner. Unless otherwise approved by MDAD Telecommunications, the Contractor shall accept the lowest responsive bidder in each subcontract category for execution of the work. If required by MDAD, the Contractor shall provide appropriate documentation to MDAD to verify the process.

All projects shall be segmented into elements of design, bidding and negotiation, and construction administration services. The cost of this work to the County shall be the sum of the lowest responsive subcontractor bids plus an amount equal to fourteen percent (14%) of the price of the subcontractor's work.

vi) Construction Administration Services. The construction administration work for authorized projects shall include attendance of construction meetings, inspection of installed work, and coordination with related work trades and resolution of issues that arise in the course of construction.

vii) As-Built Documentation in accordance in the Documentation subarticle of this Agreement.

D. Shared Airport Tenant Services ("SATS")

The Contractor agrees to use its best efforts to establish, market, maintain, operate and manage SATS for the County, including CUTE, to Tenants and users at the Airport, consistent with the requirements of the Public Service Commission of Florida ("PSC") or whatever other governmental entity has jurisdiction over SATS, if and where applicable, and all applicable laws. Both Parties stipulate:

1. The Contractor, as provided in the Shared Airport Tenant Service Agreement dated July 24, 1990, assigned all of its contracts with SATS customers to the County, and the County agreed to the assignment.

2. The Contractor shall maintain and provide labor to repair the equipment so that the shared tenant service is operating in accordance with this Agreement. The Contractor shall submit a yearly marketing and customer service plan (the "Marketing and Customer Service Plan"), for review and approval by the County, to ensure the Airport's business partners receive the most efficient, effective and reliable telephone service possible. The Marketing and Customer Service Plan shall include, but not be limited to, the Contractor's plans to establish, market, and sell SATS and to be compensated therefor as authorized in accordance with the Payments and Cost Reimbursements article, as well as procedures for the handling of customer complaints and downtimes, including associated equipment requirements, and staffing plans. Upon receiving prior authorization from the Project Manager, additional equipment may be procured when required to support these shared airport tenant services.

3. The Contractor shall invoice all SATS customers. The Contractor shall receive from the Department, a billing form with instructions to be used for billing SATS customers. A copy of all submitted bills shall be forwarded to the Miami-Dade Aviation Department, Finance Division. Checks are to be made payable to Miami-Dade Aviation Department. SATS customers shall be instructed to send checks directly to the Department's Finance Division to the following addresses:

In Person – To:	during normal business hours, 8:00 A.M. to 5:00 P.M. (Monday through Friday)

Miami-Dade Aviation Department
Finance Division
Suite 300
Building 5A
4200 N.W. 36 Street
Miami International Airport
Miami, Florida 33122

By First Class Mail – To: Miami-Dade Aviation Department
Finance Division
P.O. Box 592616
Miami, Florida 33159

By Express Mail – To: Miami-Dade Aviation Department
Finance Division
Suite 300
Building 5A
4200 N.W. 36 Street
Miami, Florida 33122

By Wire Transfer: In accordance with wire transfer instructions provided by MDAD Finance Division

4. The Contractor shall submit a proposed tariff schedule for all SATS, that the Contractor plans to use to ensure optimal billings of all gross revenues (the "Gross Revenues").

5. The Department shall approve the tariff schedule and SATS billing rates.

E. **Training and Transition Program Services**

1. Contractor may be requested to provide on-site training to related to voice mail, such as voice mail personal greetings, and all other instructions that the telephone users may need during the term of this Agreement.

2. In lieu of training at a distant site, Contractor may be requested to provide on-site technical training courses for County's technical personnel. The County will provide the Contractor with a sixty (60) day notice to arrange for training at County's premises. When an on-site technical training course is requested, the County will pay for the charge for the training class and the Contractor's instructor's air-fare, lodging and meals during the training session, in accordance with Section 112.061, Florida Statutes.

3. **Transition Plan:** For the period of this Agreement between eighteen (18) months and two (2) years, the Contractor will be required to implement a transition program which commences one hundred and twenty (120) days prior to the termination date,

upon being given one hundred and twenty (120) days notice of the termination from the Department. The purpose of the transition program is to ensure that either the new vendor or the Department's qualified operating and maintenance personnel are trained in all aspects of the System, provided that the Contractor's sole responsibility shall be to implement a program in good faith and in no event shall the Contractor have any liability or responsibility for whether the new vendor or the Department's qualified operations and maintenance personnel actually are competent to perform the Services to which they are assigned. As part of this transition plan, the Contractor will be required to ensure that all applicable equipment and systems are operational and installed in accordance with plans and specifications, and ensure that Documentation is submitted to the Department as stipulated in this Agreement, including, but not limited to, as-built/record documents and manufacturer's operations and maintenance manuals, and operational procedures specific to MDAD.

4. **Limited Transition Plan:** If the County desires to terminate and provide notice of less than one hundred and twenty (120) days, but in no event less than thirty (30) days, the Contractor will take all reasonable steps to assist the County in effecting a smooth transition to a new provider, such as the staffing overlap of managerial, administrative, or technical personnel from the Contractor, with the incoming new provider or the Department's personnel, to ensure that either the new vendor or the Department's qualified operating and maintenance personnel are trained in all aspects of the System. The support would be provided in the areas that pertain to the County, rather than internal Contractor operations. Any overtime work required to support such a transition overlap would be incurred by either the County or the new provider. In addition, the County may negotiate with the Contractor for a contract extension for such a transition program, which would include compensation to the Contractor, which may be paid by either the County or the new provider.

ARTICLE 5
OFFICE SPACE AND PARKING ARRANGEMENTS

A. **Existing Operations / Engineering Space**

1. Based on thirty-eight (38) assigned personnel, MDAD will provide to the Contractor its existing workspace as described in Exhibit 3 (the "Space"), plus loading dock access and storage space for cables, to the Contractor at no cost. No additional space will be provided by the Department in its facilities for the personnel of the Contractor or any of its subcontractors.

2. Custodial Service for Office Areas: MDAD will provide routine custodial service for the Contractor's offices and engineering area. This service shall include cleaning of floors, and emptying of waste paper and recycled paper containers. This custodial service shall not include the routine cleaning of the two (2) Core Rooms. These locations shall be cleaned and maintained by the Contractor.

3. Maintenance and Repair: The Contractor will preserve the Space in good working order and condition, subject to ordinary wear and tear.

4. Alterations and Signs: The Contractor shall not alter the support space in any way whatsoever, erect any signs nor permit any advertising of any nature without prior written approval from the Department.

B. **Parking Arrangements**

County shall furnish parking permits for Contractor's assigned staff for the term of this Agreement. Construction vehicles and equipment will only be authorized at the job site and at pre-assigned parking areas. The County shall reimburse the Contractor for parking in the Park 8 garage for its employees, or other assigned facility provided by the County, if a parking expense is incurred.

C. **Furniture and Supporting Equipment**

The Contractor shall use their existing office furniture and s upporting o ffice equipment, including but not limited to, copiers, personal computers ("PCs"), facsimile machines, in its operations and maintenance rate structure. No separate compensation for furniture and equipment in this subarticle shall be considered.

D. **Office Supplies and Consumable Items**

All office supplies and consumable items used in performance of the Contractor's work shall be provided by the Contractor.

E. **Telecommunications Costs**

MDAD will provide telephones and related services for all Contractor's operations and maintenance work within MDAD, including local calling within Miami-Dade County area. The Contractor will be provided telephone service (local service and voice mail) using the MDAD telephone systems. This will include limited extensions and phone sets that support its operations at MIA. The Contractor shall be responsible for all long distance telephone charges of a personal nature or those non-related to MDAD business, made from its telephones. A monthly reimbursement to MDAD will be made by the Contractor to compensate the County for any such long distance charges. If the Contractor decides to use the local service provider, it will be entirely responsible for any initial and recurring charges associated with these lines. Any special circuits required for additional functionality will be provisioned and paid for by the Contractor. Paging service will be provided by the Contractor to allow for paging of Contractor's key individuals as alarm conditions are experienced. Cellular phones (or radios) required for technicians and key management personnel will be entirely at the Contractor's expense.

F. **Computer Network/Technical Systems**

The Contractor will be provided local area network ("LAN") access to the County operated LAN at MIA. MDAD will provide one (1) network connection to each Contractor's staff member. MDAD further agrees to provide email service to the Contractor as well as access to the MDAD electronic records of as-built drawings. Conversely, the Contractor shall provide MDAD Telecommunications with access to the work order and trouble ticketing system via this LAN connection. The Contractor will also be responsible to provide and maintain technical systems hardware and software associated with the management of the Ethernet backbone. In addition, the Contractor will be required to provide and maintain computer hardware and software associated with the cable record systems, and any billing system the Contractor chooses to employ subject to approval by the MDAD. The Contractor shall provide a billing system that is compatible with MDAD's financial systems. These management systems will be maintained and operated at a level suitable to maintain the quality of service or additional requirements outlined in other sections of this Agreement. Back-ups will be performed and maintained off-site by the Contractor on all key technical systems to ensure data integrity.

ARTICLE 6
PERFORMANCE STANDARDS AND JOB SITE REQUIREMENTS

A. **Installation Service Requirements**

1. **Work Practices.** All work performed shall be performed in accordance with the following standards, as applicable:

   a. Any and all Federal, State and Local laws, building code requirements, statutes, ordinances, rules and regulations. Ignorance on the part of the Contractor or subcontractor will not exempt, excuse, or waive the Contractor from responsibility.

   b. Manufacturer or vendor's instructions about installation and service.

   c. Generally accepted engineering principles and industry standards, as provided below.

   d. Installation practices guidelines as described elsewhere in this document.

   e. Americans with Disabilities Act.

2. Contractor to perform County needed voice/data cabling. Contractor or subcontractor must possess one (1) of the following licenses and State registrations (if applicable), and provide proof of such to the County:

STATE:

a) Electrical Contractor, or
b) Low Voltage Specialist

COUNTY:

a) Master Electrician (State registration required), or
b) Communications Electrician

3. Contractor or subcontractor shall be proficient in all phases of telephone and data wiring as related to cable and wiring architectures in telecommunications spaces. All work performed by the Contractor, after June 1, 2002, shall be supervised by a Registered Communications Distribution Designer ("RCDD") certified person. RCDD certification is required for the Contractor or subcontractor by June 1, 2002.

4. Permits and Licenses: Contractor shall be responsible for obtaining all necessary permits and licenses required for installation and operation of the Equipment. Contractor shall cooperate and comply with any inspections required by all OSHA, Federal, State, and County codes, ordinances, statutes, and laws.

   Any fines levied by the above-mentioned authorities because of inadequacies to comply with this requirement shall be borne solely by the Contractor.

5. The systems specified in this document shall be designed and implemented in accordance with the requirements of the latest revision of the documents listed below:

REFERENCE	DESCRIPTION
ANSI X 3T 9.5	The ANSI Committee responsible for FDDI
EIA/TIA 568	The commercial building-wiring standard. It defines a generic wiring system for a multi-product, multi-vendor environment
EIA/TIA 568B	The Commercial Building Telecommunications Cabling Standard. RJ.45 pin configuration defined in E IA Standard 568. Equivalent to AT&T 256A
EIA/TIA 569	The commercial building standard for telecommunications pathway and spaces. It defines the minimum requirements for ducts, closets and other spaces needed for data and telecommunications wiring

FCC Part 68	Federal Communication Commission document relating to connection of Premise equipment and wiring to the network
IEEE 241	Institute of Electrical and Electronic Engineers recommended practice for Electric Power Systems in commercial buildings
IEEE 802.1	IEEE Committee that defines the LAN Management and bridging standards
IEEE 802.3	Physical layer standard specifying a linear (bus) LAN using CSMA/CD access method
IEEE 802.5	Physical layer standard that specifies a ring topology LAN with a token-passing access method
NEMA 250	Enclosures for Electrical Equipment (1000 Volts Maximum)
NFPA 70	National Fire Protection Agency Standard for National Electrical Code ("NEC")
RFC 1157	Request for Comment for SNMP Standardization
RS – 232	EIA physical interface standard for use between data communications equipment and data terminal equipment
RS – 422	EIA standard for the physical interface between data communications equipment and data terminal equipment over circuits with their own ground leads
RS – 455	EIA standard for Fiber Optics – Fiber, Cables, Traducers, Connecting and Terminating
TSB 40A	Technical Systems Bulletin the provides addit ional transmission specifications for unshielded twisted pair connecting hardware
TSB 67	EIA/TIA standard for Transmission Performance Specifications
TSB 72	EIA/TIA standard for Centralized Optical Fiber Guidelines
UL144	Underwriter's Laboratories listing of Communications Cable as required by NEC

UL 1459	Underwriter's requirements	Laboratories	Fire	resistance	

B. Circuit Engineering and Documentation

1. Standards

MDAD, EIA/TIA and BICSI standards shall be utilized in the engineering of all inside wiring, outside plant and circuit engineering. The Manager must approve any deviation from these standards.

2. Special Engineering

a. *Custom Circuit Types* shall be defined as circuit types that have not been previously engineered or provisioned at the Airport. The Department shall supply end-to-end specifications for these circuits to the Contractor. The Contractor shall engineer these circuits at the Department's request and thereafter add these circuits to the catalog of available circuit types.

b. *Repeaters, special conditioning equipment and circuit terminating equipment* necessary for the successful performance of these circuits shall be properly documented. This equipment shall be installed, tested and commissioned at the Department's cost. Test results for the circuit shall be documented and compared against the engineering worksheet for each specially engineered circuit.

c. *Special Maintenance Spares.* It is recognized that special circuits may require equipment that is presently not part of the spares inventory. In cases where this occurs, the Contractor shall be permitted to purchase a quantity of repair parts sufficient to maintain the circuit in the event of component failure. These maintenance spares shall be included in the MDAD master component list as long as one or more of the circuits is in use.

3. Documentation

The following Documentation shall be provided by Contractor:

a. Cable Management System - All voice, data, video and other circuits shall be engineered and documented in the MDAD cable management system presently in existence today. This engineering includes circuits which are provisioned over copper and fiber facilities and virtual LAN and wireless circuits which are provisioned over the MDAD local area networks.

b. Circuit Engineering Worksheets shall be provided for all circuits either as part of the cable management system application or as part of a separate database. These worksheets shall reflect the beginning, end and all intermediate points of connection for each circuit and parameters such as loop resistance, attenuation, optical loss, etc. which are relative to the type of circuit being engineered.

c. As-Built Drawings - Any work performed by the Contractor, which involves (i) additions or changes or deletions to equipment, (ii) cabling, or (iii) raceways shall be reflected in the as-built drawings provided by MDAD. These drawings will be made available to the Contractor in read-only form on the MDAD server. With each change, the Contractor shall download the appropriate drawings, incorporate the latest changes, and mark the drawing with the next revision level and date. The Contractor shall transmit the revised drawing to both the CAD Manager and the Manager. The CAD Manager, after reviewing the changes will replace the previous version of the drawing on the write protected server. One plot of the revised drawing will be transmitted to the Contractor via inter-office mail for the purpose of updating the PDS record set of drawings.

d. The Contractor shall provide complete technical and systems documentation. The extent of the documentation required shall include, but not be limited to, all technical manuals, key sheets, system's printout, cable records up to the IDF level for existing structure installed prior to February 7, 2002 and to the jack level for installations completed after February 6, 2002, sketches, blueprints, CAD drawings with soft copy and as-built documentation provided by MDAD, and users handbook. The Contractor shall establish and maintain complete project documentation and documentation of all Equipment, including installation instructions, if appropriate, and shall deliver same to the County throughout the course of this Agreement. All documentation shall be available to the Project Manager at any time during this Agreement upon request. All documentation when delivered w ith any Equipment purchased by the County will be available to the County in a designated area, agreed upon by both the County and the Contractor. The Contractor represents that the manuals described are the only manuals necessary for the operation of the System by individuals with the requisite knowledge and experience. Contractor will execute any and all documents needed or requested by the County to perfect the County's right, title or interest in the System documentation and any other records.

e. Telecommunication Topology drawings as requested by the Department.

4. Uniformity and Standardization of Components

All components used in circuit engineering shall be of the same type and manufacture as other components used for the same purpose in existing portions of the telecommunications infrastructure. These components shall be maintained in a database of standard component types and costs that is used for costing of all changes. The Manager must approve, in writing, any proposed changes to this component list due to obsolescence or other reasons.

5. Configuration, Change, Asset Management

The Contractor will be required to adhere to sound "configuration, change, and asset" management principles. Detailed drawings will be maintained that summarize various system layouts. Prior to changing equipment settings or configuration beyond the scope of routine day to day maintenance or troubleshooting, the Contractor will be required to provide written notice and/or drawings to MDAD of details surrounding the changes. The Contractor will be required to notify and coordinate approval of all scheduled outages with Tenants and/or MDAD Telecommunications.

6. Standard Circuit Specifications

Circuits engineered at MIA and GAA shall conform to the same specifications as similar circuits installed in the regulated telephone environment. The Contractor shall compile a complete catalog of circuit offerings at the Airport including circuit type, description, worst case circuit parameters, thresholds where the circuit will be deemed unusable and in need of repair and special requirements for end user provided terminating equipment. The Contractor shall update this catalog for its own use. One updated copy of this catalog shall be maintained at MDAD Telecommunications for reproduction and distribution to Tenants, agencies and other users of the MDAD telecommunications facilities.

7. Installation Practices Guidelines.

a. All existing Federal Communications Commission ("FCC") rules and regulations apply as related to demarcation points and proper installation procedures.

b. Each telephone instrument shall have a "home-run" back to the distribution closet.

c. All blocks and instruments shall be labeled by the Contractor upon installation and fully documented. The instrument tags will be provided by MDAD.

d. Each cable installed must be of the type designed for the application and environment in which it is to be utilized.

e. All unterminated cable ends, either in wallboxes or surfaces must be fitted with covers designed for that purpose.

f. All cables/wiring, wherever possible, will be concealed inside existing walls, ceiling finishes, or run inside wire mold.

g. All connectors must be concealed in wall boxes and should not be left laying on the floor or be obstructive.

h. Laying cables on suspended ceilings or using the support wires of suspended ceilings to support any cable is strictly prohibited and is a violation of the National Electrical Code ("NEC"). Using electrical conduits or other building infrastructure services such as air conditioning ducts, fire sprinkler pipes, is a violation of the NEC. All cables, wires, and equipment for voice and data services shall be installed in conduit or have independent support systems from the building structure, and any deviation from these rules will result in the Contractor having to redo the work at its expense.

i. Exposed cables shall be stretched and stapled at even distances to remove wrinkles, twists, and kinks.

j. For any underground or overhead cable installation, no in-house type cable can be used, whether temporary or permanent. Only cables designed for these kinds of installation must be used, preferably polyethylene, rodent protected and jelly filled.

k. All cables connecting two (2) or more buildings together, must be protected at each entrance, using three (3) element gas filled protection and properly bonded and grounded.

l. Station Location - all telephone sets will be installed at locations pre-determined by the using agency.

m. All equipment and component parts purchased shall be new at the time of delivery unless otherwise approved by MDAD.

n. All telephone equipment shall comply with the specifications set forth in the FCC Rules and Regulations, Part 68.

o. All electrical work shall be performed according to the NEC and all applicable State, County, and local codes.

p. Where existing cables are found and available for re-use, they may be re-used provided that they are of the proper size (no in-line splice or connectors will be allowed), length, and meet proper installation standards.

q. Upon completion of every task, the Contractor must leave the site cleared of all cables and other materials. Furthermore, the work sites must be cleaned up daily and at the end of each installation.

r. All telephone station equipment utilized must be compatible in color as far as possible with existing equipment and must also be "plug compatible".

s. All equipment removed from service and deemed reusable, must be packaged and properly stored for future use when necessary. The Contractor must complete the applicable inventory forms showing deletion or additions of telephones.

t. As required, the Contractor will complete key sheets on new installations and store them for reference when the projects are completed.

u. The Contractor shall not deviate from proper installation standards at the request of the SATS customer or user, nor shall it accept and perform work beyond the initial requests from the SATS customer or user, in accordance with the approved work order. Changes to work orders will only be approved by MDAD Telecommunications. If the Contractor performs work beyond the initial request without the approval by MDAD, it does so at its own risk and may not be paid for the work performed.

C. **Examination of Work Sites, and Specifications.**

Where applicable and appropriate, the Contractor shall:

1. Examine all specifications, drawings, directions and conditions relating to the work.
2. Visit the job site.
3. Investigate any difficulties encountered in performing the work.
4. Notify the County of any discrepancies, conflicts or other field conditions that will affect the work to be performed.

Contractor has actual knowledge of the construction and labor conditions under which the work is to be performed, has inspected the sites, and has read and is reasonably familiar with this Agreement and its exhibits, documentation, and plans provided by County prior to the execution of this Agreement for the buildings in

which the work is to be performed. It is acknowledged that substantial construction and renovation is occurring on a continuous basis at the Airport and that Contractor's knowledge is limited to its actual knowledge of existing conditions at the time the work is requested. Failure to read or become familiar with said Agreement, documents, plans or specifications shall neither exempt, excuse, nor relieve the Contractor of its obligations to furnish all necessary Equipment, Services, and labor necessary to satisfy the Contractor's obligations under this Agreement and to complete the work for the consideration set forth herein.

Contractor shall at all times make commercially reasonable effort to conduct its work so as to insure the least possible obstruction to the County and the least inconvenience to the vicinity of the work site. The Contractor will assume full and complete responsibility for, and all risks in connection with the Services.

D. **Special Conditions at the Sites**

1. All material for the installation of services shall be delivered and the work conducted so as to minimize any interference with concurrent work of others and normal operations in existing MDAD facilities. Every effort shall be made to limit dust, noise and fire hazards during installation.

2. Debris due to work under this Agreement shall be cleaned and carted away by the Contractor prior to leaving the premises.

3. At the job sites, noise from equipment shall be kept to a minimum by use of adequate mufflers or other acceptable means. Noisy installation of equipment shall be scheduled when disruption to MDAD, SATS customers and the public will be minimal and cause the least inconvenience.

4. The Contractor shall conform to applicable fire regulations.

5. The Contractor shall protect against injury to persons, and damage to pipes, conduits, trees, fences or other visible structures.

6. Precautions shall be exercised at all times for the protection of persons and property. The Contractor and its subcontractors shall conform to all OSHA, Federal, State and County regulations while performing under this Agreement. Any fines levied by the above mentioned authorities due to failure to comply with any requirements shall be borne solely by the Contractor.

E. **Hardware/Software Configuration**

The Contractor shall be responsible for configuring software and hardware as may be required for the projects or jobs assigned, to provide a turnkey system. If the Contractor does not have the expertise in-house to configure software/hardware on

any of the above systems, it may upon approval by the County, utilize the services of subcontractors, provided they are factory certified to work on the System. In any event, the Contractor shall provide the MDAD with the appropriate Documentation detailing software and hardware configurations provided.

F. **Power Supplies**

The Contractor will be required to install, replace, analyze and repair chargers, rectifiers, inverters, uninterrupted power supplies ("UPS"), power supplies for PBX and data systems with voltage dividers (taking 110/220VAC converting to DC or vice versa). The Contractor must be versed in the repair, analysis and solutions to power system problems. Knowledge of grounding of power supplies and equipment cabinets is of primary importance. The Contractor: (i) must be able to follow manufacturer's specifications for grounding; (ii) must have appropriate test equipment, and be able to test systems for differences in ground potentials; and (iii) correct systems that do not meet manufacturer's specifications.

G. **Penetrations in Concrete or Other Structural Members**

Core drilling of poured concrete slabs, walls, beams, and the like, shall be performed in a safe and workmanlike manner, to minimize danger and damage to personnel and/or equipment and property, and dust production. All core drilling shall be completed in all telecommunications closets, MDF, IDF, before cable placement begins. Periodic clean-up and removal of debris generated during core drilling operations shall be performed by the Contractor.

The Contractor shall temporarily plug all slab penetrations as they are drilled to prevent dust and debris from the floor above from damaging any facilities on the floor below. Core drilling shall be scheduled and reviewed with the appropriate Building Manager before commencement.

H. **Main PBX/Switch Rooms**

For telephone rooms, the Contractor shall comply with ANSI EIA TIA Commercial Building Standard for Telecommunications Pathways and Spaces.

I. **Telephone Distribution Points**

The Contractor, when requested by the County, shall comply with the following:

1. Telephone distribution to areas distant from main telephone rooms requires an additional telephone closet or closets. Access to these spaces have the same requirements as telephone rooms as specified in the EIA/TIA 568 Standard. In addition, since many distribution points are in shallow closet-type areas, free access space in front of telephone backboards must be provided. This area must be kept clear for maintenance personnel for a

minimum distance of three (3) feet.

2. A plywood backboard, 3/4" exterior grade, painted black or blue with a minimum size of four feet by four feet (4'-0" x 4'-0") shall be installed at all telephone distribution points.

3. A minimum of one (1) four-outlet (quad) receptacle on a dedicated circuit shall be installed at the telephone and data backboard. This outlet shall be at a minimum height of sixty (60) inches AFF.

4. Adequate lighting shall be supplied at all telephone distribution points.

5. Each telephone distribution point shall be supplied with a suitable earth ground. The minimum size wire shall be number 4 AWG and shall terminate on a grounding bus at the lower right or left side of backboard.

J. Access

The County agrees to permit and arrange for access to the MDAD premises as it deems necessary for Contractor's technicians to perform the Services set forth in this Agreement. Access to Tenant premises shall be coordinated by the Contractor with the Tenants.

The County shall at all times have access to all Equipment, Systems, Sub-Systems. and work areas.

K. Contractor's Responsibility to Reconstruct Work Areas as Originally Found

Upon completion of any MAC, maintenance, or repairs, the Contractor shall reconnect any utilities, equipment, or appliances removed by the Contractor in the course of work, and replace all furniture, and objects moved by the Contractor for the performance of the work. Debris and rubbish created by the Contractor shall be removed and the premises left clean. This includes dust caused by the removal of ceiling tiles. Contractor will be responsible for replacing any ceiling tiles that are broken by its personnel or subcontractors.

L. Coordination

Contractor shall fully cooperate, and when directed by the County, coordinate the installation of all Systems, Sub-Systems, and Equipment with any other contractor under contract with County, and with County personnel for work related to, but not included in, this Agreement. Contractor shall not modify the work of any other contractor or the County without the express, written consent of the Project Manager.

M. **Uniformity and Standardization of Components**

All components used in service provisioning shall be of the same type and manufacture as other components used for the same purpose in existing portions of the network. The Project Manager, must approve, in writing, any proposed changes to this component list due to obsolescence or other commercially acceptable reasons.

N. **Removal of Unused Cabling and Equipment**

During remodeling efforts or furniture rearrangements within existing space, new MAC requests are submitted by the customers of MDAD. Existing outlets are to remain during this process, unless specifically identified in the request for removal. In addition, when walls are removed, the jacks shall be disconnected and cable records amended to reflect that change. In order to maximize existing cable plant, the Contractor shall avidly pursue disconnecting unused jacks for cross-connects to backbone cabling. Associated blocks shall be re-labeled and cable records updated where affected. The Contractor is responsible for opening and re-sealing fire rated assemblies when such assemblies are involved with the removal of unused cable and equipment.

O. **Existing Utilities/Cable/Duct Locate Services**

The utilities at MIA are covered under a blanket locate agreement for incidental jobs. The Contractor shall provide on-site cable locating support to augment the current locate service provider in situations where cable depth must be determined, or where direct buried facilities which fall outside of the provider service must be located. In addition, the Contractor's locate capability will be used to meet delivery schedules of MAC or repair service.

Existing Utilities:

1. Before performing any utility modifications, utility shutdowns, or any hot work on existing utilities within a building, or performing any excavation drilling holes, performing any vibroflotation (vibrocompaction) work, hot work on any underground utility, or driving piles, the Contractor shall contact all concerned utilities.

2. Contractor shall complete the Underground Utilities Clearance Sign-Off sheet and submit to the Project Manager.

3. Complete the Shut Down Request form and submit it to MDAD Maintenance Engineering in accordance with the form's instructions.

4. Before initiating hot work, the Contractor shall submit the hot work permit application. Hot work includes, but is not limited to, brazing, cutting, grinding,

soldering or thawing of utility pipes, torch applied roofing, and welding.

P. **Unsatisfactory Work**

The County will inform the Contractor within ten (10) business days of Unsatisfactory Work. The Contractor has thirty (30) calendar days, commencing from the notification to remedy and cure the Unsatisfactory Work (the "Cure Period"), prior to the County withholding payment for the work. The County may extend the Cure Period.

ARTICLE 7
PROCUREMENT OF MATERIAL, EQUIPMENT AND INVENTORY

Except when the County requires the Contractor to provide competitive bids, the Contractor will be required to procure all parts, equipment, and software necessary to perform the work under this Agreement. These items are to be funded by the Contractor, and will be reimbursed and paid when the Department pays the invoice associated with the maintenance, MAC, and or project management services. The Contractor will maintain, in consideration for the payment of an annual spare parts carrying charge as provided in the Payment and Cost Reimbursements article, high use items "on-hand" in order to complete routine maintenance and MAC services within the aforementioned times. The Contractor will recommend and control a spare parts inventory list that will be solely used for maintenance repairs and MAC work. "Special order" parts are those that are not routinely used or are large enough that a "just in-time" approach suffices to the procurement of these materials. Parts will be designated to specific service requests or projects as they arrive. Any residual, excess, or left over material will become property of the County upon termination of the Agreement. Large item storage will be authorized in secured designated outdoor areas. THE CONTRACTOR SHALL NOT USE MDAD COMMUNICATION ROOMS AS STORAGE AREAS. The Contractor must adhere to all escort and security requirements in regards to delivery personnel.

A. **Spare Parts Inventory**

The Contractor shall maintain a spare parts inventory (the "Spare Parts Inventory") in a County designated secured area (which would be within the Space), to support both scheduled and non-scheduled maintenance and repair, to ensure prompt repair of Equipment and for MAC services. From time to time it may be necessary to add or delete certain items from the Spare Parts Inventory due to equipment obsolescence or changes in network configuration which preclude the need for these materials. The Contractor shall regularly monitor the Spare Parts Inventory and recommend the addition and/or deletion of specific items. MDAD Telecommunications will review the Contractor's recommendations and where appropriate, issue written direction for the addition and/or removal of items from the Spare Parts Inventory.

MDAD will purchase when and as required during the term of the Agreement all parts necessary for the ongoing operation and maintenance of all telecommunication, data and CUTE systems. Upon termination of this Agreement, MDAD will purchase the Contractor's remaining stocked spare parts inventory that the County deems necessary to the ongoing operation of its telecommunications, data network, and CUTE systems at the State of Florida contract or other agreed fixed price.

The Project Manager reserves the right to request that the stocked spare parts be modified, based upon supply and demand to service the Airport. The Contractor shall supply refurbished and remanufactured equipment if said equipment is requested by the County and is available via the Contractor's general product provider.

B. **Capital Outlay Expenditures**

1. **Capital Expenditure Approval:** The Contractor shall not make any capital expenditures except as expressly pre-approved by the Department in accordance with the Expenditure Authority article of this Agreement.

2. The Contractor shall continue to utilize its existing vehicles, furniture and supporting office equipment including copiers, personal computers, facsimile machines in its operations structure, and title to these materials shall remain with the Contractor.

3. **Installed Inventories:** The Contractor shall provide serial numbers and locations for the Equipment, to the extent they exist. The Contractor shall establish appropriate controls, subject to review and approval by the Department, to deter pilferage, theft, conversion, disappearance, or other losses of County property from inventory. The Contractor, throughout the term of this Agreement, shall maintain a current and up-to-date perpetual inventory listing. Following the completion of each inventory required herein, except that required prior to the effective date of this Agreement, the Contractor shall pay to the County the net book value of any losses from inventory resulting from the negligence of the Contractor. Nothing contained herein shall be construed to authorize the Contractor to dispose of any capital property of the County without the prior written approval of the Department.

C. **Purchasing Procedures**

1. The Contractor will be required to sell to the County, at State of Florida contract price, or other agreed fixed price, whichever is lower, or at a mutually agreed upon price if there is no State of Florida price applicable, all parts and equipment necessary to perform the work under this Agreement.

The Contractor shall pass on to the County any additional discounts offered by the equipment vendors and invoice MDAD for the actual price, net of discount received for such equipment or parts by the Contractor.

2. At MDAD's option, the Contractor shall provide to MDAD a minimum of three (3) qualified bids, if available, for MDAD's acquisition of specified parts, equipment, wiring, cables, materials, supplies, systems, sub-systems, or software necessary to provide the Services under this Agreement.

3. The Contractor shall submit to MDAD on or before February 12, 2002, the State of Florida contracts price or other Contractor fixed price, in a pre-approved pricing exhibit for items expected to be purchased.

4. The dollar threshold for purchasing equipment and parts, and appropriate authority levels are as described in the Expenditure Authority article of this Agreement. The Contractor shall obtain prior written approval in accordance with this schedule prior to purchasing any equipment or parts.

5. Procurement of major purchases, like a new PBX system, if not included in any of the existing contracts above, may necessitate the issuing of a separate solicitation document.

D. **Deliveries and Shipping Costs**

1. Deliveries of material will be scheduled and handled solely by the Contractor and MDAD will provide loading dock facilities. The Contractor assumes all responsibility for the delivery of all purchased items. Contractor shall make all deliveries of equipment and supplies in such manner and at such times and locations as may be reasonably approved. Emergency deliveries may be made at other times subject to prior arrangements with MDAD Telecommunications.

2. Shipping Costs: All shipments shall be via standard freight carriers and expedited shipment shall be utilized only when required and requested by MDAD.

E. **Material storage space**

The Contractor will be provided storage space.

F. **Instrument Inventory and Labeling**

All telephone instruments and telecommunications equipment installed or stored shall be inventoried, labeled and tagged using MDAD provided labels, as required

by the County.

G. Contractor shall provide new Equipment under this Agreement. If the County requests refurbished or remanufactured Equipment, the Contractor shall provide County with the cost for the refurbished or remanufactured Equipment and shall provide the refurbished or remanufactured E quipment u pon C ounty r equest. Contractor shall supply refurbished or remanufactured equipment only if said equipment is available via the Contractor's secondary market provider.

H. If Equipment is rejected by the Project Manager or his or her designee, the validity of rejection must be reviewed, determined and mutually accepted by the Project Manager and the Contractor, in accordance with the Unsatisfactory Work subarticle of this Agreement. Contractor, if determined to be at fault, will as soon as practicable correct the Equipment. Failure of the Contractor to correct the problem(s) within the Cure Period, in accordance with the Unsatisfactory Work subarticle, gives the County the right to cease use of the Equipment and return it to the Contractor for full credit. Any installed but rejected Equipment shall be disconnected and removed by Contractor from the original installation site of the Equipment, provided however, that the Contractor shall not be required to accept the return of Equipment that has been damaged by County. Upon Equipment removal, the Contractor shall use all commercially reasonable efforts to return the site to its original condition.

I. The County reserves the right to request the Equipment manufacturer be brought on-site to provide technical support for the Contractor, if or when necessary.

J. **Title**

Title to Equipment and/or parts shall pass to the County upon the County's reimbursement to the Contractor of the cost of the particular item.

ARTICLE 8
WARRANTY

A. New System or Equipment Warranty

Contractor shall warrant that, in accordance with the manufacturer's w arranty, t he Equipment, Systems, Sub-Systems, and Software purchased by or from the Contractor under this Agreement, from and after February 7, 2002, shall function in all material respects in accordance with the manufacturer's published specifications. Contractor will make all commercially reasonably efforts required to ensure that the Equipment, Systems, Sub-Systems, and Software operate in all material respects in accordance with the manufacturer's published specifications. The Contractor will be responsible for enforcing warranties of the equipment purchased from other contractor(s) and vendor(s), provided that litigation will only be required at the Department's request and expense for enforcement of a warranty.

B. MAC Warranty

Contractor shall warrant that the Equipment purchased for moves, additions, and changes from the Contractor under this Agreement shall function in all material respects in accordance with the manufacturer's published specifications for ninety (90) days from the date of completion of the installation. Contractor will make all commercially reasonable efforts required to ensure that the Equipment installations will function in all material respects in accordance with the manufacturer's published specifications.

C. Warranty Service

Contractor agrees to provide to the County for the Equipment or parts purchased from Contractor, warranty service to keep or maintain the Equipment or parts in, or restore the Equipment or parts to the condition necessary to operate according to the manufacturer's specifications. If the Contractor is unable to repair any defective items, the Contractor will replace and reinstall such replacement items. Warranty service includes: (i) preventive maintenance based upon the specific needs of the individual items of the Equipment or parts; (ii) unscheduled, on-call remedial maintenance; and (iii) adjustments and replacement of Equipment or parts deemed necessary by Contractor at no cost to the County.

D. Contractor agrees that during the one (1) year warranty period, all subsequent or future Documentation and revisions to existing Documentation developed for the Equipment or system will be furnished to the County at no additional cost.

ARTICLE 9
PERSONNEL

The Contractor shall provide for a staff of thirty-eight (38) persons as of February 6, 2002, which the Contractor recommends is necessary to support the operations, management, maintenance, service, support and equipment and supplies of the telecommunication and data network infrastructure, hardware and software systems as herein described in this Agreement. It is assumed that subcontractors shall only be used, subject to prior written approval from the Department, when the existing work force is unable to perform the maintenance, MAC, and project management services within established time frames.

1. Categories of Labor to be Provided by the Contractor

The Contractor must provide, either through its own staff or through subcontractors, the labor competent to perform the following described work, as needed to perform the services required by the County. The Contractor shall provide a list of all personnel assigned to this Agreement that includes their title and job responsibilities. Any changes in staffing shall be approved in advance by the Department. If additional personnel are needed to perform the services, the Contractor shall submit a staffing proposal request that includes justification and a cost proposal to the County for its consideration and approval. The County reserves the right to review the Contractor's operations, and if the System requirements decrease, can correspondingly reduce the Management Fee, provided that in no event shall the Management Fee be reduced as a result of the County's decision to retain or employ a third party to perform the portion of the System requirements which had been reduced from this Agreement. The Management Fee may be correspondingly reduced as a result of the County's decision to retain or employ its' own personnel, up to a maximum of six (6) people, to perform a portion of the System requirements.

A. Engineering and Project Management Staff

The Contractor shall be experienced with private and public telephone and data network systems environments and be familiar with the design and implementation of:

1) PBX systems, electronic key systems, 1A2 key systems, ACD systems, Auto Attendants/Voice Mail systems, Voice Response units.
2) Data communications systems.
3) Transmission systems such as T1, Frame Relay, ISDN, ATM, ADSL.
4) Single and multi-zone paging systems.
5) Outside plant design including applicable LEC practices.
6) Inside plant including telephone rooms and closets, riser systems, MDFs, IDFs, and backboards according to Miami-Dade County specifications.
7) Power plants, including UPS and battery banks.
8) Floor plans, including equipment layout for the installation of telephone

systems and computer floors.

9) Environmental requirements, including air conditioning requirements, power requirements, grounding, and fire protection.
10) Traffic analysis.
11) Any other industry defacto requirements as the technology changes require for all subsequent sections.

B. **Telephone Technician/Installer**

The Contractor shall provide technicians/installers that are totally familiar with the installation, repair, and maintenance of various types of telephone systems. This Agreement requires installers that have expertise in the installation of intercoms, paging systems, speaker phones, answering machines, call sequencers, announcers, voice response units, electronic key systems, PABXs, and all types of voice and data cabling and telephone instruments.

The technician/installer performing the work must be factory certified in the installation and repair of telephone and network systems installed in the Airport and be equipped with standard installation tools and test equipment.

The telephone technician/installer shall be equipped with diagnostic tools appropriate for the equipment being tested and materials being installed. All test equipment shall be certified for the systems and circuits being tested.

C. **Data Technician/Installer**

The Contractor shall provide data technicians/installers who are knowledgeable in the following areas related to Local and Wide Area Networks:

1) The following layers of the Open System Interconnect ("OSI") open network architecture:

   a) The Physical Layer and equipment such as repeaters.
   b) The Data Link and equipment such as bridges.
   c) The Network Layer and equipment such as routers.

2) Medium and connectors for Ethernet, token ring, FDDI, such as Category 5 and fiber optic cables.

3) Installation practices of the Physical Media per EIA/TIA 568A, 569, 606, 607, TSB 67 and any other standards as they are published.

4) Safety and fire codes such as the National Electrical Code, as they apply to grounding, power, and fire stopping.

5) Data communications equipment such as modems, CSUs/DSUs, and

multiplexers.

6) Communications circuits such as T1, frame relay, ISDN, ATM, and ADSL.

The data technician/installer performing the work shall be knowledgeable and experienced in the installation of data communications cabling and equipment as per the technical specifications identified above. The data technician/installer shall be equipped with diagnostic tools appropriate for the equipment being tested and materials being installed. All test equipment shall be certified for the systems and circuits being tested.

D. **Cable Splicer**

The cable splicer shall be proficient in installing, splicing and trouble-shooting various kinds of inside and outside plant cables, both underground and overhead, to include fiber optic, CAT 3, CAT 5, shielded cables and any other specified cable infrastructure.

E. **Customer Service Representative ("CSR")**

The Contractor's CSR will interface between MDAD and SATS users of telephone equipment and the County's common carriers in providing a range of telephone and data services to MDAD and SATS users. The Contractor's CSR shall be experienced in interacting with public and privately owned telephone companies, public and private sector executives and dignitaries, technical and non-technical individuals, and will be required to have good public relations and interpersonal skills.

F. **General Manager**

A General Manager or equivalent level person with day-to-day operational responsibility for the competent performance and fulfillment of the duties and responsibilities of the Contractor under this Agreement, and who is authorized to accept service of all notices provided for herein. The General Manager shall be qualified and experienced and must have had at least three (3) years of recent management experience, with similar responsibility for a comparably-sized, similar operation, or equivalent supervisory experience. The General Manager shall be dedicated totally and solely to the fulfillment of the Contractor's obligations at the Airport pursuant to this Agreement, and shall maintain a primary office within the facilities provided by the County at MIA. The Department shall have the right to require the Contractor to replace the General Manager.

2. **Personnel**

The Contractor shall recruit, screen, and employ such full-time, part-time and Contractor personnel as needed for the Contractor to competently and efficiently fulfill its obligations under the terms of this Agreement. The Department shall have the right to approve personnel to be employed in designated classifications or levels.

3. **Personnel Standards**

A. The Contractor shall only fill positions with personnel who have met all of the personnel provisions of this Agreement and who meet the minimum training qualifications required for each position.

B. The Contractor shall ensure that all employees present a clean, neat and professional appearance at all times, and perform their duties in a cooperative, courteous, and efficient manner. Contractor employees shall be dressed in manner suitable for the type of work they are to perform.

C. **Removal of Staff**

The County reserves the right to request the Contractor to remove from the Contractor's staff, within thirty (30) days of receipt of written notice, any individual performing services under this Agreement, whose performance, behavior, or conduct is found unsatisfactory to the County or MDAD. The Contractor shall supply competent employees. The County may require the Contractor to remove an employee the County deems careless, incompetent, insubordinate or otherwise objectionable, and whose continued employment on County property is not in the best interest of the County. Any employee of the Contractor's staff in violation of the security provisions will be subject to immediate removal from the Contractor's staff assigned to perform the duties under this Agreement.

4. **Employees are the Responsibility of the Contractor**

All employees and subcontractors of the Contractor shall be considered to be, at all times, employees of the Contractor under its sole direction, and neither employees nor agents of the County. Each Contractor employee shall have and wear proper identification.

5. **Tips and Gratuities**

No employee of the Contractor shall be permitted, directly or indirectly to solicit, accept, or request any form of tip or gratuity from anyone.

6. **Employee Relations Expenses**

The Contractor shall not be reimbursed by the Department for any legal or other services with respect to employee relations matters applicable to employees of the Contractor, unless prior written approval is granted by the Department.

7. **Language Requirements**

The Contractor's supervisors, who must be able to take instructions from its management or, in the event of an emergency, from the Department, must be able to communicate in English.

8. ***Other Agreements***

The Contractor shall not, without the specific advance written approval of the Department, which approval may be withheld without stated cause, enter into any contract, agreement or arrangement of any kind, which would or could in any way serve to (a) increase Reimbursable Operating Expenses for wages or fringe benefits, (b) modify or change the duties, work rules, working hours or responsibilities of reimbursable employees of the Contractor hereunder, or (c) delegate or assign to any other party the right to make decisions as to such matters.

9. **Labor Activity**

If any strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Contractor at the Airport, which results in the curtailment or discontinuance of services performed hereunder, the Department shall have the right, during said period, to cause the services required to be provided under this Agreement to be performed by others without any liability to the County. During such period, this Agreement may be abated at the sole discretion of the County. If such strike, boycott, work stoppage, slowdown, or other adverse labor activity continues for a period to thirty (30) days, the County shall have the right to terminate this Agreement for cause.

10. **Competing Employment**

Contractor's on site employees shall not engage in any type of activities for the provisioning of services outlined in this Agreement to entities other than MDAD and the SATS customers of the Department during the employees' working hours under this Agreement, and the employees will be dedicated totally and solely to the fulfillment of the Contractor's obligations at the Airport required by this Agreement, during said working hours. Except as may be required by law, the Contractor and its employees, agents, subcontractors and suppliers will not represent, directly or indirectly, that any product or service provided by the Contractor or such other parties has been approved or endorsed by the County, but Contractor is not precluded from listing County as a customer. The Department will not directly solicit the Contractor's employees, and will not tell other competitors of the Contractor to solicit the Contractor's employees.

ARTICLE 10
AIRFIELD OPERATIONS AREA ("AOA") SECURITY

1. Contractor acknowledges and accepts full responsibility for compliance with all applicable rules and regulations of the FAA and MDAD as set forth from time to time relating to Contractor's work at the Airport. Contractor fully understands and acknowledges that any security measures deemed necessary by the Contractor for the protection of jobsite, or equipment and property and access to the AOA through the jobsite shall be the sole responsibility of the Contractor and shall involve no additional cost to MDAD. All such security measures by the Contractor shall be in accordance with FAR 107 and the MIA security plan.

2. MDAD authorized identification badges will be issued to all Contractor employees working in the security identification display area ("SIDA") or any other secured area of MIA. All such employees will be issued photo identification badges and will be subject to Federal Bureau of Investigation ("FBI") fingerprint based criminal background investigation. Unless otherwise specified, identification badges will not be required or issued by MDAD for work performed at the GAAs.

3. The Contractor shall be responsible for requesting MDAD to issue identification badges to all employees whom the Contractor requests be authorized access to the SIDA and shall be further responsible for the immediate reporting of all lost or stolen identification badges and the immediate return of the identification badges of all personnel transferred from MIA assignment or terminated from the employ of the Contractor or upon final acceptance of the work or termination of this Agreement. Contractor will be responsible for fees associated with lost and unaccounted badges as well as the fee for fingerprinting and identification issuance.

4. All employees of the Contractor and its subcontractor(s) who must work within MDAD secured areas at MIA shall be supplied with MDAD identification badges as specified above, which must be worn at all times while within the secured area. Badges shall be worn on outer garments above the waist so as to be clearly visible in order to distinguish, on sight, employees assigned to a particular contractor. The MDAD Security and Safety Division shall provide the identification badges to the Contractor. Each employee must complete the SIDA training program conducted by MDAD and comply with all other FAA or MDAD requirements as specified by the MDAD at the time of application for the identification badge before an identification badge is issued. At the present time, MDAD Security and Safety Identification Section regularly provides SIDA Training.

5. Ramp permits will be issued to the Contractor authorizing vehicle entrance to the AOA through specified MDAD guard gates for the term of this Agreement. These permits will be issued only for those vehicles (including vehicles belonging to the subcontractor(s)) that must have access to the site during the performance of the Agreement. These permits will be only issued to Contractor owned vehicles or to Contractor leased vehicles (leased from a commercial leasing company). AOA

decals, passes or permits to operate within the AOA will not be issued to privately owned or privately leased vehicles. All vehicles operating within the AOA must have conspicuous company identification signs (minimum of three (3) inch lettering) displayed on both sides of the vehicle.

All vehicles operating within the AOA must be provided with the Automobile Liability Insurance required in this Agreement. Proof of such insurance shall be provided to MDAD Airside Operations Division upon request. Unless otherwise specified in the Agreement, ramp permits will not be required or issued by MDAD for work performed at the GAAs.

6. Before the Contractor shall permit any employee with pictured identification to operate a motor vehicle on the AOA without MDAD escort, the Contractor shall require such employee to have a current, valid, appropriate Florida driver's license and to attend and successfully complete the AOA Driver Training Course conducted periodically by the Department. The privilege of a person to operate a motor vehicle on the AOA may be withdrawn by the Department because of violation of AOA driving rules or loss of Florida driver's license.

7. The Contractor agrees that its personnel, vehicles and other personal property are subject to being searched when attempting to enter, leave or while on the AOA. It is further agreed that MDAD has the right to prohibit an individual, agent or employee of the Contractor or subcontractor(s) from entering the AOA, based upon facts which would lead a person of reasonable prudence to believe that such individual might be inclined to engage in theft, cargo tampering, aircraft sabotage or other unlawful activities, including but not limited to repeated failure to comply with MDAD, and FAA SIDA and AOA access control policies, rules and regulations. Any person denied access to the AOA or whose prior authorization has been revoked or suspended on such grounds shall be entitled to a review hearing before the Director or his or her authorized designee within a reasonable time. Prior to such hearing, the person denied access to the AOA shall be advised, in writing, of the reasons for such denial.

   The Contractor acknowledges and understands that these provisions are for the protection of all users of the AOA and are intended to reduce the incidence of thefts, cargo tampering, aircraft sabotage and other unlawful activities at MIA and to maximize compliance with MDAD and FAA access control policies and procedures.

8. The Contractor understands and agrees that vehicles shall neither be parked on the AOA in areas not designated or authorized by MDAD, nor in any manner contrary to any posted regulatory signs, traffic control devices or pavement markings.

9. The Contractor understands and agrees that all persons entering and working in or around arriving international aircraft and facilities used by the various Federal Inspection Services agencies may be subject to the consent and approval of such agencies. Persons not approved or consented to by the Federal Inspection

Services agencies shall not be employed by the Contractor in areas under the jurisdiction or control of such agencies. Persons not approved or consented to by the Federal Inspection Services agencies who enter such areas are subject to fines, which shall be borne entirely by the persons and/or the Contractor.

10. Notwithstanding the specific provisions of this article, MDAD shall have the right to add, amend or delete any portion hereof in order to meet reasonable security requirement of MDAD or FAA.

11. The Contractor shall ensure that all employees so required participate in such safety, security and other training and instructional programs, as MDAD or appropriate Federal agencies may from time to time require.

12. Contractor agrees that it will include in all agreements with its subcontractor(s) an obligation by such parties to comply with all security requirements applicable to their operations at MIA. Contractor agrees that in addition to all remedies, penalties and sanctions that may be imposed by MDAD or the FAA upon the Contractor's subcontractor(s) and its individual employees for a violation of applicable security provisions, the Contractor shall be responsible to MDAD for all such violations and shall indemnify and hold MDAD harmless for all costs, fines and penalties arising therefrom which shall include reasonable attorneys' fees.

13. AOA Security at GAAs: The Contractor and its subcontractor(s), and suppliers shall "sign in" and "sign out" at the airport's manager's office or his designated representative whenever the Contractor is performing work at a GAA.

14. In the event the Contractor is assigned a project within the Customs area and the Contractor is required to obtain an Airport Customs security bond, the Department shall reimburse the Contractor the cost of the premium for such bond, as substantiated by the invoice.

ARTICLE 11
BUDGETING, MEETINGS AND REPORTS

1. **Preliminary Budget Estimate**

Annually, on or before October 1st, the Contractor shall provide the Department with a preliminary budget estimate (the "Preliminary Budget Estimate") for all expenses anticipated to be needed to provide for the Scope of Services in the following fiscal year under this Agreement. The estimate shall be established in good faith, but shall not be a warranty or assurance of any kind regarding the actual expenses which will be incurred. The preliminary budget estimate is intended to allow the Contractor to work with the County in order to assist it in its budgeting for expenses related to the Scope of Services in the following fiscal year. The Contractor shall also provide a projected SATS billing report for the following fiscal year.

The Contractor's price proposal for the Scope of Services (except for Future Plans) for the System, will be the initial Preliminary Budget Estimate, which is attached to this Agreement as Exhibit 4.

The Preliminary Budget Estimate shall include comparisons to the current fiscal year with a summary of all recommended changes in compensation and staffing, if any, and include the following:

(A) The total number of employees of Contractor under this Agreement.

(B) A classification title and job description of each job to be preformed by employees of Contractor hereunder.

(C) The total number of employees who will be performing each job classification hereunder.

(D) The total wages or salary to be paid each employee hereunder according to job classification.

(E) The total fringe benefits including holidays and holiday pay, annual, sick and other types of leave, hospital and life insurance, retirement plan, and the like.

(F) Total prices for Agreements with Vendors.

(G) Estimated total subcontractor prices.

(H) Estimated total parts and materials prices.

(I) Total spare parts carrying costs.

(J) Estimated total Reimbursable Expenses.

2. **Pricing of Employee Expenses by the Contractor**

Contractor shall not change, alter or modify any of the following, without the prior written approval of the Department:

A. The total number of employees of Contractor used to perform the services hereunder.

B. The classification and job description of each job to be performed by employees of Contractor used to perform the services hereunder.

C. The number of employees who will be performing each job classification hereunder.

D. The wages or salary to be paid each employee hereunder according to job classification.

E. The fringe benefits including holidays, holiday pay, overtime policy, annual, sick, and other types of leave, and health and life insurance.

F. The maximum number of entry level employees retained by the Contractor during any twelve-month period.

3. **Changes in Employee Expenses by the Department**

The Department may, at any time, upon fifteen (15) days written notice, require the Contractor to change, alter or modify any or all of the following:

A. The total number of employees of Contractor paid for by the County according to the provisions hereunder, subject to the provisions of the Personnel section of this Agreement, article 9, subarticle 1.

B. The classification title and job description of each job to be performed by employees of Contractor hereunder, provided that the County shall compensate the Contractor for any increased compensation due employees as a result of an increase in title or job description, and that no reduction in title or description and associated reduction in compensation may occur which would result in an employee being assigned whose classification level is below that which is proper for the services to be performed.

C. The number of employees who will be performing each job classification hereunder, provided that the County shall compensate the Contractor for any increased compensation due employees as a result of an increase in the number of employees, and that no reduction occurs which causes the number of employees performing in a different job classification to become insufficient, to perform the services required in that other classification.

If any such change, alteration or modification results in an increase or decrease in employee expenses, then the compensation as defined in the Payments and Cost Reimbursements article shall be adjusted accordingly by the Department.

4. **Meetings and Reports**

A. Meetings. The Contractor's management team will be required to attend periodic meetings as required with Tenants and MDAD to discuss on-going status of various projects. This also includes daily exposure to Tenants and MDAD users to perform field surveys and determine the scope of work required to provide requested services for various projects as well as routine day to day MAC service requests. The Contractor shall maintain daily

contact with the Tenants when appropriate, to ensure the timely completion of service requests.

B. Reporting. The following list represents mandatory reports that the County requires at the listed interval or as requested by MDAD. Samples and formats of the reports shall be provided by the Contractor no later than fifteen (15) days after the execution of the Agreement. The format of all reports shall be approved by the Department.

(i) OCCURRENCE REPORTS

- Parts Price List - *As Requested.*
- Circuit Cut-Sheets - *As Requested.*
- Custom Cable Record Reports - *As Requested.*

(ii) MONTHLY REPORTS

- Average response time for major and minor failures categorized by regular and after hour activity.
- Percent of work orders completed within specific time frames.
- List of completed and pending work orders.
- Order Report which outlines number of hours by labor type and activity for all personnel.
- Availability Reports which outline availability of all circuit types/ports, PBX switches, trunks, fiber links, network and other major systems.
- 30/60/90 Day Invoice
- SATS Billing Report, which will include the following information:

  (a) Dates of transactions.
  (b) Dollar values of transactions (both billing rates as well as cost calculations and support).
  (c) Invoice date and number.
  (d) Separate CUTE billing.

- Monthly Financial Statement, reflecting SATS expenses and SATS billings incurred pursuant to this Agreement.
- Preventive Maintenance Inspection Reports that outline what is done to maintain manufactured suggested maintenance for equipment covered under this contract.
- Audit Reports that detail results of locations and circuit types tested/audited for cable record accuracy. These activities are aimed at ensuring accurate cable records and recovering existing cable plant not in use.
- Circuit Capacity Reports that outline circuit types / amounts /-% capacity for various locations

(iii) QUARTERLY REPORTS

- Reports that outline total amounts invoiced by activity type outlined in Invoice matrix. Reports shall also indicate number of hours expended by labor type towards that specific activity.
- Equipment Inventory - Includes PBX, network, and Gigabit Ethernet® Components / Systems and sparing levels.
- Contractor Staffing Organization Chart
- Contractor Staffing Contact / Notification List

(iv) ANNUAL REPORTS

- The Contractor shall submit a configuration and change management procedural plan on a yearly basis for review and approval by MDAD.
- Marketing and customer service plan
- Revenue and billing management plan
- Annual budget

5. **Other Reports**

The Department may request the Contractor to provide other reports which may or may not be generated by the Contractor in the normal course of operations.

6. **Records**

The Contractor shall deliver copies of all original documents and records required to be maintained pursuant to this Agreement or necessary to perform the Services no later than fifteen (15) days after the request for the documents or records. Upon request and during regular business hours, the Department shall be provided all documents and records required to be maintained pursuant to this Agreement, and permitted to inspect such documents and records. Copies of the specific documents shall be provided at the cost of the Department. Further, if and to the extent that any other records are required to be furnished under Chapter 119, Florida Statutes, the Contractor shall provide same. The Department may require the Contractor to provide all documents and records required to be maintained pursuant to this Agreement, including, but not limited to, inspection reports, progress reports and financial records.

ARTICLE 12
PAYMENTS AND COST REIMBURSEMENTS

The monies paid the Contractor shall be determined as set forth in subarticles 2 and 3 below, and may be greater or less than the Preliminary Budget Estimate.

1. **Acquisition costs**

a. The County will purchase on February 6, 2002 and Contractor will transfer the unencumbered title to all assets used in connection with the ELM Agreement as described in Schedule A to that Agreement, in addition to any required licenses or permit transfer fees, upon payment by the County of $3,250,000 to the Contractor.

b. The County will purchase on February 6, 2002 and Contractor will transfer the unencumbered title to all assets used to provide services pursuant to the SATS Agreement as described in Schedule E of the SATS Agreement, in addition to any required licenses or permit transfer fees, upon payment by the County of $3,100,000 to the Contractor.

c. The telecommunications, data network, and CUTE infrastructure, software, licenses, permits, and other assets to be purchased by the County on February 6, 2002, (collectively, the "Assets"),shall be in good working order, subject to normal wear and tear. The County recognizes that the Assets are used and that, therefore, the Contractor makes NO OTHER WARRANTY, EXPRESS OR IMPLIED, AS TO MERCHANTABILITY OR THE FITNESS OF THE ASSETS FOR A PARTICULAR USE beyond ninety (90) days, and this ninety (90) day warranty will be voided if there has been a modification or alteration of the Assets by or at the direction of the County within the ninety (90) period.

d. The County will on February 6, 2002 pay the sum of $100,000 to the Contractor in accordance with Article 6C of the ELM Agreement.

e. The County will on February 6, 2002 pay all ELM Agreement invoices due the Contractor that are outstanding and remitted to the County prior to January 1, 2002. All invoices received on or after January 1, 2002 will be paid on a timely basis. The County is neither liable for nor will pay any portion of an ELM Agreement invoice which either contained or contains a subcontractor labor mark-up of greater then seven and one-half percent (7 ½ %).

f. The Parties shall, on February 6, 2002, exchange mutual releases of any and all claims arising from the ELM Agreement and the SATS Agreement, except for the monies payable to the Contractor pursuant to clause (e) above and any SATS revenue owed to either the County or the Contractor from the other party based upon the completion of the SATS revenue audit.

2. **Management Fee**

a) **Basic Scope of Services**

Except for the compensation for project management services and reimbursements, the Contractor shall be paid a management fee (the "Management Fee") to provide for all of the operations, management, maintenance, service, support and

procurement services, including all Agreements with Vendors associated with the telecommunications systems provided in Exhibit 5, of the telecommunications and data network infrastructure, hardware and software systems as herein described in this Agreement. This Management Fee shall include the Contractor's profit and overhead for these services, a staff transition cost for the first year of this Agreement, and a spare parts carrying charge.

1. The County shall pay to the Contractor, as consideration for managing and providing the services required herein, an annual Management Fee of $6,144,067 payable in arrears and in equal monthly payments of $512,005.58, upon billing by the Contractor in accordance with this article. The payments for any partial month shall be prorated.

   Such Management Fee may be increased only when the existing work force is unable to perform the services without a degradation in the System, and under the following circumstance for additional services rendered:

   If, as a result of the County's Capital Improvement Program ("CIP"), the Services provided by the Contractor hereunder increases, and/or when otherwise approved in accordance with this Agreement (for example changes in employees' expenses), the County shall increase the monthly Management Fee in an amount commensurate to the increase in the Contractor's Services. If the Contractor believes that additional personnel are needed to perform the Services, or that Agreements with Vendors need to be added, or that existing Agreements with Vendors need to be changed, the Contractor shall submit a proposal request that includes justification and a cost proposal to the County, and the County may increase the monthly Management Fee accordingly.

   The County reserves the right to review the Contractor's operations and if the System requirements increase or decrease, the County may, subject to subarticles 9.1 and 11.3, correspondingly increase or reduce the Management Fee based upon an addition or reduction in the Contractor's staffing requirements, or change in Agreements with Vendors. The Contractor shall calculate changes in the Management Fee by using the base salary of the employee according to job classification ("Direct Salaries") as reported to the Director of the United States Internal Revenue Services, times a 2.73 multiplier of such Direct Salaries and taking into account changes in Agreements with Vendors. The 2.73 multiplier is all inclusive, and compensates Contractor for all expenses directly or indirectly related to that employee's compensation, including but not limited to, social security, medicare, health insurance, unemployment, all benefits, and National Technical Resource Center ("NTRC"), and associated facilities provided to the employee such as vehicles, office equipment, office supplies, furnishing,

and test equipment, plus all Contractor's overhead and profit; all of which items are included in the lump sum Management Fee.

2. The above Management Fee includes the Agreements with Vendors compensated by the agreed fixed dollar amount plus fourteen percent (14%).

3. Spare parts carrying charge equal to ten percent (10%) times the Spare Parts cost calculated and payable monthly.

4. The Management Fee will be adjusted to reflect a four percent (4%) increase in the salaries of the Contractor's personnel for the second year. The Management Fee may be adjusted based upon the total value of the Spare Parts Inventory.

b) **Project Management Services**

When subcontracting is required, authorized in accordance with the Scope of Services article of this Agreement, and the Contractor has competitively bid out the work order(s), the Contractor agrees to an agreed fixed dollar amount of compensation (the sum of the lowest responsive and responsible subcontractor bids) plus fourteen percent (14%) of the price of the subcontractor work, as compensation for the Contractor's management of the work supplied.

The County shall have no obligation to pay the Contractor any additional sum in excess of this lump sum amount, except for a change and/or modification to work order(s) approved and executed in writing by the County and the Contractor.

All Services undertaken by the Contractor before the County's approval of the respective work order shall be performed at the Contractor's sole risk and expense.

c) The Contractor shall receive compensation of ten percent (10%) of new billings for the term of this Agreement for SATS services as provided in the Marketing and Customer Service Plan. The Contractor's compensation related to SATS customers expires at the termination of this Agreement.

3. **Reimbursements**

All Reimbursable Expenses shall be approved in advance by the Department. The Contractor shall represent and warrant on each invoice that it submits for payment of a reimbursable item, that it has no interests, directly or indirectly, in the reimbursable products or services that have not been disclosed in writing and approved by the County, and that all direct or indirect discounts related to the purchases have been provided to the County. Payment for Reimbursable Expenses may be requested monthly and shall be made on duly certified invoices listing such expenses and substantiated by supporting documentation. The Contractor shall be entitled to the following direct reimbursements without any additional Contractor's mark-up of any kind except where noted:

a. Procurement of Material, Equipment and Inventory: The Contractor shall submit to Department, for each item purchased, the item, the price and a grand total, including the amount of freight and tax, and the work order number..

b. Airport Customs security bond.

c. When an on-site technical training course is requested, the County will pay for the cost of the training class, Contractor's instructor's air-fare, lodging and meals during the training session, in accordance with Section 112.061, Florida Statutes.

d. In the event that the Contractor responds to trouble calls from the CRC, the Contractor will be compensated at one and one-half (1.5) times the chargeable rate for that employee ($100 per hour chargeable for voice personnel and $130 per hour for data personnel, each multiplied by the applicable amount) for work performed after hours Monday through Sunday and two (2) times the chargeable rate for that employee for work performed on Contractor Holidays.

e. The Management Fee described above already incorporates the payment of regular hours of all personnel. For the payment of approved overtime, however, the reimbursement to the Contractor will be paid in the amounts provided in clause (d) above, and shall be based upon the chargeable rate for that employee times one and one-half (1.5) for work performed after hours Monday through Sunday and 2.0 for work performed on Contractor Holidays. There shall be no overtime payment for any management and/or supervisory personnel.

f. Parking reimbursement for Contractor's employees.

4. Subcontractors and Agreement with Vendors

All subcontractors and Agreement with Vendors shall be approved in advance by the Department. The Contractor shall represent and warrant on each invoice that it submits for payment of the following listed items, that it has no interests, directly or indirectly, in the referenced products or services that have not been disclosed in writing and approved by the County, and that all direct or indirect discounts related to the purchases have been provided to the County. Payment for subcontractors and Agreement with Vendors may be requested monthly and shall be made on duly certified invoices listing such expenses and substantiated by supporting documentation, and which shall include the original subcontractor or Agreement with Vendor invoice(s). The Contractor shall be entitled to monthly payments of its invoices related to the following items:

a. Subcontractors, when approved by the Manager, are necessary for the accomplishment of the Services. Other than the Project Management Services described above, if subcontractor(s) are needed for any Service, the cost of the

subcontractor will be reimbursed to the Contractor at cost plus fourteen percent (14%).

b. The Costs associated with variable Agreements with Vendors will be reimbursed to Contractor at cost plus fourteen percent (14%).

5. **Non-reimbursable Expenses**

Unless specifically authorized in writing in advance by the Department, the Contractor shall not be reimbursed for expenses of the following type or kind:

a. The Contractor's legal and accounting fees.

b. Charitable and political contributions.

c. Travel (except when approved in advance for training services) and entertainment.

d. Corporate public relations, gifts, dues, subscriptions, and memberships.

e. Any penalties, assessments or fines issued by any court or authorized government entity or agency, unless such penalty, assessment, or fine results from the direct action or inaction of the County, provided however, that the County will not be liable for such amounts when acting in its governmental capacity.

6. **Cash Losses or Losses from Employee Theft**

All cash losses or losses from employee theft shall be the responsibility of and be reimbursed by the Contractor.

7. **Prompt Payment**

The Contractor shall be responsible for making prompt and timely payment of all obligations arising out of this Agreement, to maximize the potential for available discounts and rebates, and comply with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes. All discounts, allowances, and rebates paid or received hereunder shall be to the credit and benefit of the County. The Contractor shall pay from its own funds any penalty, fine or like assessment resulting from any late, delinquent, or delayed payment of an obligation hereunder; provided, the Contractor has not been unduly delayed in making payment of such obligation by action or inaction of the County.

8. **Method of Billing and Payment**

Contractor may submit monthly statements as set forth in this article on a monthly basis, ***but only after*** the Services for which the monthly summary statements are submitted have been completed. An original monthly summary statement as set forth in the subarticle

below is due within thirty (30) days of the end of the month, except the final invoice which must be received no later than sixty (60) days after this Agreement terminates or expires. Invoices shall designate the nature of the Services performed and/or the expenses incurred.

a. Prior to submitting its first invoice, the Contractor shall submit a sample format of its monthly-itemized summary statement and invoice for the Department's review and approval for use for this Agreement.

The Contractor will provide itemized billings for purchases made on behalf of, and authorized by MDAD. These itemized billings shall be sufficiently detailed to establish the cost to the County of individual components supplied.

All invoices for subcontracted labor costs shall have attached supporting invoices with details of personnel employed, hours worked, amounts paid and such other information as necessary to ensure compliance with the terms of this Agreement.

b. Invoices and payments are to be mailed to:

Miami-Dade County - MDAD Accounting Division
PO Box 592075
Miami, FL 33159-2075

c. The County shall pay the Contractor within forty-five (45) calendar days of receipt of the Contractor's invoice, pursuant to Section 218.74, Florida Statutes and Section 2-8.1.4(4)(b), Code of Miami-Dade County, Florida (1994). All invoices must comply with the requirements set forth in this Agreement and must be submitted on the form and pursuant to instructions prescribed by the Project Manager. Payment may be withheld or delayed for failure of the Contractor to comply with a term, condition, or requirement of this Agreement. Within the time for payment, the County shall deliver written notice to Contractor setting forth the specific reasons why any portion(s) of an invoice are not being paid, but the County will notify the Contractor within thirty (30) days. Interest on improperly delayed payments shall be paid at the rate of one percent (1%) per month, and commence thirty (30) days after the due date of the payment.

Payment shall be made to Contractor at:

NextiraOne, LLC
21398 Network Place
Chicago, IL 60673-1213

d. Except as specifically permitted under the Subcontractual Relations article of this Agreement, the County shall not offset an amount claimed to be due, against an invoice which otherwise is payable in accordance with this article.

e. The Parties will comply with Section 196.295, Florida Statutes.

9. **Payments to the County**

The SATS Agreement will be terminated on February 6, 2002, and the Contractor shall upon completion of the SATS revenue audit currently being conducted, pay to MDAD any amounts found to be due and owing and vice versa if the audit shows an underpayment.

The Contractor will pay to the County the sum of $110,000 on February 6, 2002, on account of excess space occupied without lease by the Contractor in Building 3030 at MIA for the period from November 1, 1997 up to and including February 6, 2002.

ARTICLE 13
SOFTWARE LICENSE

The County and the Contractor recognize that title to and ownership of the existing Equipment used in connection with the ELM Agreement or to provide services pursuant to the SATS Agreement as described on Schedule A to the ELM Agreement and Schedule E to the SATS Agreement, as of February 6, 2002 is held by and in the County and that such Equipment is computer hardware and software used for telecommunications and data network purposes. The Contractor has assigned all of its software licenses and permits (collectively, the "Licensed Software") to the County, which are assignable.

1. **Joint Obligations**

a. The County will keep the Software licenses for the Equipment in full force and effect during the term of this Agreement. Contractor will do nothing on its part during the term of this Agreement that will cause such license(s) to be terminated by the licensor or diminish the County's rights to use such license(s) in accordance with the terms and conditions as set forth in the Licensed Software.

b. **Contractor's Warranty and Maintenance Obligations Unaffected**

Nothing contained in this article shall diminish, extinguish, or relieve the Contractor from its responsibilities and obligations to provide maintenance pursuant to this Agreement, including, but not limited to, providing maintenance for the Licensed Software, and the payment of any and all costs for such license maintenance to the licensor, or others as may be required. Contractor's right to maintain the Equipment is conditioned and contingent upon the County's having valid licenses for the Software, or other software, pertaining to such Equipment.

c. Certain software suppliers license on a nonexclusive basis to the Contractor, and the Contractor also develops software or has software developed for it by third parties. All such software is and will remain the property of Contractor or its third party suppliers. Contractor, with respect to the software it develops, and to the

extent authorized under the supplier licenses, grants the County, for such software a personal, nontransferable and nonexclusive sublicense to use the software (including related documentation), for the life of the particular System or Equipment to which such software is related, solely to maintain, use and operate such System for which the software is initially furnished, provided the County:

(i) except where required by law, does not allow any aspect of the software to be disclosed to a third party without the Contractor's written consent;

(ii) uses the software solely for County's governmental and business purposes in the operation of the Equipment or any new Equipment provided by the Contractor which are part of the System;

(iii) does not copy or reproduce any of the software without the Contractor's consent, except to the extent necessary for (A) archival and back-up purposes and (B) the operation and/or use of the System to the extent allowed or authorized by the Contractor or third party licenses, and except as allowed by law, does not attempt to develop any source code from the software, nor reverse engineer, decompile, disassemble, reverse translate, or otherwise translate the software into human readable form; and

(iv) returns to the Contractor or erases or destroys any software and any media being recycled or discarded upon the expiration of the licenses granted hereunder.

2. **County to Execute License Agreements**

The County understands that suppliers of software including the Contractor may require the County to execute license agreements in order to use the software. Contractor understands that the County is a governmental entity and may not be able to execute such an agreement, as a matter of law or administrative policy among other things, because of the terms and provisions contained therein. In the event Equipment to be supplied by the Contractor requires the County to execute a separate software license agreement, whether with the Contractor or a third party supplier of such software, then the Contractor will notify the County of such circumstances, and provide the County with a copy of the software license agreement. Contractor will not provide the County with any Equipment, System or Sub-System where the operation or use thereof is contingent upon the executed license agreement, unless and until the County has informed the Contractor that the County is willing and able to execute such license agreement.

ARTICLE 14
NATURE OF THE AGREEMENT

The Contractor shall provide the Services set forth in the Scope of Services, and render full and prompt cooperation with the County in all aspects of the Services performed hereunder.

The Contractor acknowledges that this Agreement requires the performance of all things necessary for or incidental to the effective and complete performance of all work and Services under the Agreement. All things not expressly mentioned in this Agreement, necessary to either enforce or carrying out its purpose and intent are implied, and the Parties shall perform the same as though they were specifically mentioned, described and delineated.

The Contractor shall furnish all labor, materials, tools, supplies, and other items required to perform the work and Services that are necessary for the completion of this Agreement. All work and Services shall be accomplished at the direction of and to the satisfaction of the County's Project Manager.

The Contractor acknowledges that the County shall be responsible for making all policy decisions regarding the Scope of Services. The Contractor agrees to provide input on policy issues in the form of recommendations. The Contractor agrees to implement any and all changes in providing Services hereunder as a result of a policy change implemented by the County. The Contractor agrees to act in an expeditious, fiducial, and fiscally sound manner in providing the County with input regarding the time and cost to implement said changes and in executing the activities required to implement said changes.

The Contractor shall not have liability for the immediate or long-term effects of matters related to any action or inaction by the Department. Further, if a lawsuit is brought against the Contractor, by a third party that is neither an employee, agent, nor supplier of the Contractor, and the claim is based upon the Contractor's action or inaction which occurs based upon the Department's action or inaction under this Agreement, then the Contractor may bring a Third-Party claim against the County.

ARTICLE 15
MANNER OF PERFORMANCE

The Contractor shall provide the Services described herein in a competent and professional manner satisfactory to the County in accordance with the terms and conditions of this Agreement. The County shall be entitled to a satisfactory performance of all Services described herein and to full and prompt cooperation by the Contractor in all aspects of the Services. At the request of the County the Contractor shall promptly remove from the project any Contractor's employee, subcontractor, or any other person performing Services hereunder. The Contractor acknowledges that such removal of any of its employees does not require the termination or demotion of any employee by the Contractor.

The Contractor represents that based upon its initial staffing recommendation, it will employ, maintain and assign to the performance of the Services a sufficient number of competent and qualified professionals and other personnel to meet the initial requirements

under this Agreement. The Contractor agrees to adjust its personnel staffing levels or to replace any of its personnel if so directed upon reasonable request from the County, should the County make a determination, in its sole discretion, that said personnel staffing is inadequate or inappropriate, or that any individual is not performing in a manner consistent with the requirements for the position.

The Contractor warrants and represents that its personnel have the proper skill, training, background, knowledge, experience, rights, authorizations, and licenses as necessary to perform the Services described herein.

The Contractor shall at all times cooperate with the County, and coordinate its work efforts and those of its subcontractors, to most effectively and efficiently maintain the progress in performing the Services. Similarly, the County shall at all times cooperate with the Contractor and coordinate its work efforts, and those of the County's independent contractors, to most effectively and efficiently maintain the progress in the Contractor's performance of its Services.

The Contractor shall comply with all provisions of all Federal, State and County laws, statutes, ordinances, and regulations that are applicable to the performance of this Agreement.

ARTICLE 16
TERM OF AGREEMENT

The Agreement shall become effective on the date written on page 1 and shall be for a duration of twenty-four (24) months. The County may terminate the Agreement with or without cause on thirty (30) days written notice to the Contractor, provided however, that the Agreement shall have a minimum term of no less than eighteen (18) months unless terminated earlier for cause.

ARTICLE 17
CONTRACTOR REPRESENTATIONS AND WARRANTIES

The Contractor represents and warrants it shall transfer the unencumbered title to all telecommunications, data, and CUTE infrastructure, software, licenses, permits, and other assets used in connection with the ELM Agreement or to provide services pursuant to the SATS Agreement as described on Schedule A to the ELM Agreement and Schedule E to the SATS Agreement, as of February 6, 2002. For purposes of this Agreement, the Parties recognize that due to the complexity of the network and the many thousands of items contained therein, Schedules A and E do not include every item and may include some items which are not present.

The Contractor represents and warrants it shall assign to the County all of its rights under a license/agreement entered into between WilTel Communications LLC and Societe Internationale de Telecommunications Aeronautique ("SITA") dated August 6, 1997. At MDAD's option, the Contractor shall, rather than deliver an assignment of its rights,

terminate its license arrangements with SITA, at the Contractor's expense. The assignment of the SITA license is subject to SITA's consent.

The Contractor represents and warrants the Assets are in good working order, as of February 6, 2002, subject to normal wear and tear. The Contractor indemnifies the County for those assets that are not in good working order, subject to normal wear and tear.

The Contractor shall indemnify the County with respect to any prospective or outstanding claims, set off, or payments due, with respect to its operation of the Shared Airport Tenant Services and CUTE systems up to and including February 6, 2002.

The Contractor represents and warrants that all permits and software licenses necessary for the operation of all elements of the telecommunications, data, CUTE, and shared tenant services systems will, at MDAD's option, be issued or assigned to the County. MDAD will pay any transfer fees associated with the transfer of such permits and licenses excluding the Contractor's own costs.

ARTICLE 18
PROJECT MANAGER AND RESOLUTION OF DISPUTES

The County will assign a Project Manager to coordinate all County responsibilities under this Agreement. All instructions from the County to the Contractor, shall be issued by or through the Project Manager. Except for MDAD Information Systems and Telecommunications Division, and SATS customers, the Contractor shall notify any other person who attempts to give instructions that he or she must communicate with the Project Manager or Manager. The authority of the Project Manager is as follows:

a) The Project Manager will determine: (i) questions as to the value, acceptability and fitness of the Services; (ii) questions as to either party's fulfillment of its obligations under the Agreement; and (iii) questions as to the interpretation of the Scope of Services.

b) Contractor acknowledges and agrees that the Project Manager has no authority to make changes that would modify the Scope of Services to be provided under this Agreement.

c) The Contractor shall be bound by the determinations or orders specifically authorized under this Agreement and shall promptly obey and follow every order of the Project Manager specifically authorized under this Agreement, including the withdrawal or modification of any previous order and regardless of whether the Contractor agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.

d) The Contractor must first seek to resolve every difference concerning the Agreement with the Project Manager, for a period of thirty (30) days or such longer period as agreed upon by the Parties, which shall be a condition precedent to any

lawsuit permitted hereunder. In the event the Contractor seeks to contest an issue or difference for which there has been administrative review by the Project Manager, such subsequent lawsuit shall be considered a *de novo* proceeding.

ARTICLE 19
COUNTY EXPENDITURE AUTHORITY

The dollar thresholds for obtaining project management services, procurement of material, equipment and inventory, and an increase in the management fee and appropriate authority levels are described as follows:

A. PURCHASES OF GREATER THAN $500,000
APPROVAL AUTHORITY: BOARD OF COUNTY COMMISSIONERS
The Board shall award all contracts greater than $500,000, and approve all contract modifications required of this Agreement.

B. PURCHASES OF $100,000 UP To $500,000
APPROVAL AUTHORITY: MDAD DIRECTOR
Each individual purchase of $100,000 or more and each continuing contract which can reasonably be anticipated to aggregate $100,000 or more within twelve (12) months.

C. PURCHASES OF $5,000 BUT LESS THAN $100,000
APPROVAL AUTHORITY: MDAD ASSISTANT DIRECTOR
Each individual purchase of $5,000 but less than $100,000 and each continuing contract which can reasonably be anticipated to be within this range within twelve (12) months.

D. SMALL PURCHASE ORDER (LESS THAN $5,000)
APPROVAL AUTHORITY: MANAGER
Each individual purchase request with a total value of less than $5,000, for a specific commodity, during one (1) fiscal year.

ANY CHANGE, MODIFICATION, ADDITIONAL SERVICE, EQUIPMENT OR PARTS THAT CAUSES THE FINANCIAL OBLIGATION OF THE COUNTY TO EXCEED THE AMOUNT OF AUTHORITY OF THOSE NOTED ABOVE SHALL BE PRESENTED FOR APPROVAL TO THE NEXT HIGHER AUTHORITY LEVEL. IF THE CONTRACTOR FAILS TO OBTAIN THE PROPER AUTHORIZATION AS DESCRIBED ABOVE, THEN THE COUNTY SHALL BE ABSOLVED FROM PAYMENT OF THE LIABILITY.

ARTICLE 20
SUBCONTRACTUAL RELATIONS

If the Contractor will cause any part of this Agreement to be performed by a subcontractor,

the provisions of this Agreement will apply to such subcontractor and its officers, agents and employees in all respects as if it and they were employees of the Contractor; and the Contractor will not be in any manner thereby be discharged from its obligations and liabilities hereunder, but will be liable for all acts, omissions, or negligence of the subcontractor, its officers, agents, and employees, as if they were employees of the Contractor. The services performed by the subcontractor will be subject to the provisions hereof as if performed directly by the Contractor.

The Contractor, before making any subcontract for any portion of the Services, will state in writing to the County the name of the proposed subcontractor, the portion of the Services that the subcontractor is to do, the place of business of such subcontractor, and such other information as the County may require. The County has the right to require the Contractor not to award any subcontract to a person, firm or corporation disapproved or debarred by the County.

Before entering into any subcontract hereunder, the Contractor will inform the subcontractor of all provisions and requirements of this Agreement relating either directly or indirectly to the Services to be performed. Such services performed by such subcontractor will strictly comply with the requirements of this Agreement.

In order to qualify as a subcontractor satisfactory to the County, in addition to the other requirements herein provided, the subcontractor must be prepared to prove to the satisfaction of the County that it has the necessary facilities, skill and experience, license(s), and ample financial resources to perform the Services in a satisfactory manner. To be considered skilled and experienced, the subcontractor must show to the satisfaction of the County that it has satisfactorily performed services of the same general type that is required to be performed under this Agreement.

The County shall have the right to withdraw its consent to a subcontract if it appears to the County that the subcontract will delay, prevent, or otherwise impair the performance of the Contractor's obligations under this Agreement. All subcontractors are required to protect the confidentiality of the County and County's proprietary and confidential information. Contractor shall furnish to the County copies of all subcontracts between the Contractor and subcontractors hereunder.

The Contractor shall, where agreed to by the subcontractor, insert a clause for the benefit of the County within each respective subcontract, which permits the County to request completion of performance by the subcontractor of its obligations under the contract. Contractor agrees that the County shall be permitted to request completion of performance by the subcontractor of its obligations under the subcontract, in the event that the Contractor is in breach of its obligations, and the option to pay the subcontractor directly for the performance by such subcontractor. Should either the Contractor or subcontractor(s) violate the terms of this article, the County may order all or any part of the subcontract work stopped, and may elect to complete the work itself or enter into an agreement with a third party to have the work completed. The Contractor's obligation to reimburse the County for the cost to complete the work, will only exist to the extent that said cost exceeds the

amount which would have been payable to the Contractor in connection with the work which was stopped. The excess cost to complete the work may be deducted from any unpaid balance payable to the Contractor. If there exists no unpaid balance, or if the completion cost is in excess of the unpaid balance, the Contractor shall reimburse the County for this sum, plus any costs of collection. The Contractor shall be entitled to be paid for work performed to the time the work was stopped by the County. Notwithstanding, the foregoing shall neither denote, connote, nor convey any obligation or liability on the part of the County to any subcontractor.

NOTHING CONTAINED IN THIS AGREEMENT SHALL CREATE ANY CONTRACTUAL RELATIONSHIP BETWEEN ANY SUBCONTRACTOR AND THE COUNTY, OR ANY OBLIGATION ON THE PART OF COUNTY TO PAY ANY SUMS TO ANY SUBCONTRACTOR.

ARTICLE 21
ASSIGNMENT

Neither this Agreement nor any interest herein shall be assigned, or transferred by either party without prior written consent of the other party and said consent shall not be unreasonably withheld.

The Contractor has assigned all of its SATS Airport rental and CUTE agreements, software license(s), and permits to the County as fully described in Exhibit 6 of this Agreement.

1. Contracts Assignable

All contracts, purchase agreements, and purchase orders entered into by the Contractor for the purchase of goods, capital equipment and services specifically pursuant to this Agreement, shall be assigned, with the consent of the subcontractor, by the Contractor to the County or others as designated by the Department, upon either the request of the Department or termination of this Agreement. If such contracts, purchase agreements and purchase orders contain language acceptable to the Department, reflecting that they are assignable as provided herein, then upon such assignment, the Contractor shall be relieved from any further responsibility to the County under such contracts, agreements and orders, provided however, that the Contractor shall be liable for and shall indemnify the County with respect to any prospective or outstanding claims, set off, or payments due, with respect to said contracts, agreements, and orders which accrued prior to such assignment to the County.

ARTICLE 22
PROPRIETARY INFORMATION

As a political subdivision of the State of Florida, Miami-Dade County is subject to the stipulations of Florida's Public Records Law, Chapter 119, Florida Statutes.

The Contractor acknowledges that all computer software in the County's possession may constitute or contain information or material which the County has agreed to protect as proprietary information from disclosure or unauthorized use, and may also constitute or contain information or material which the County has developed at its own expense, the disclosure of which could harm the County's proprietary interest therein.

The County acknowledges that software licensed by the Contractor pursuant hereto may constitute or contain information or material which the County has agreed to protect as proprietary information from disclosure or unauthorized use, and may also constitute or contain information or material which the Contractor has developed at its own expense, the disclosure of which could harm the Contractor's proprietary interest therein.

During the term of the Agreement, the Contractor and the County, except as required by Chapter 119, Florida Statutes, will not use directly or indirectly for itself or for others, or publish or disclose to any third party, or remove from the County's property, any computer programs, data compilations, or other software which the County or Contractor has developed, used or is using, is holding for use, or which is otherwise in the possession of the County (hereinafter the "Computer Software"). All third party license agreements must also be honored by the Contractor and its employees, and by the County, and if the Computer Software has been leased or purchased by the County, all third party license agreements must also be honored by the Contractor's employees. This includes mainframe, minicomputers, telecommunications, personal computers and any and all information technology software.

The Contractor will report to the County and the County shall report to the Contractor, any information discovered or disclosed to the Contractor or the County which may relate to the improper use, publication, disclosure or removal from the other's property of any information technology software and hardware, and will take such steps as are within the Contractor's or the County's authority, respectively, to prevent improper use, disclosure or removal.

ARTICLE 23
PROPRIETARY RIGHTS

All rights, title and interest in and to materials, data, Documentation, certain inventions, designs and methods, specifications and related thereto developed by the Contractor and its subcontractors, customized or created specifically for the County for use in connection with this Agreement (hereinafter referred to as "Developed Works"), shall become the property of the County. The Contractor hereby acknowledges and represents that the County retains all rights, title and interests in and to the Developed Works, and copies thereof furnished by the County to the Contractor hereunder, or furnished by the Contractor to the County and/or created by the Contractor for delivery to the County, even if unfinished or in process which are customized or created specifically for the Scope of Services provided herein and which are created as a result of the Services the Contractor performs in connection with this Agreement, including all copyright and other proprietary rights

therein, which the Contractor as well as its employees, agents, subcontractors and suppliers may use only in connection of the performance of Services under this Agreement. The Contractor shall not, without the prior written consent of the County, use such Developed Works on any other project in which the Contractor or its employees, agents, s ubcontractors o r s uppliers ar e o r m ay bec ome eng aged. S ubmission o r distribution by the Contractor to meet official regulatory requirements or for other purposes in connection with the performance of Services under this Agreement shall not be construed as publication in derogation of the County's copyrights or other proprietary rights.

Accordingly, neither the Contractor nor its employees, agents, subcontractors or suppliers shall have any proprietary interest in such Developed Works. The Developed Works may not be utilized, reproduced, or distributed by or on behalf of the Contractor, or any employee, agent, subcontractor, or supplier thereof, without the prior written consent of the County, except as required for the Contractor's performance under this Agreement, or as required by law. The Contractor may, without use of the County's name, use any of the documentation not included in the Developed Works on any other project in which the Contractor is or may become engaged.

Except as otherwise provided above, or elsewhere herein, the Contractor and its subcontractors and suppliers hereunder shall retain all proprietary rights in and to all Licensed Software provided hereunder, that has not been customized to satisfy the performance criteria set forth in the Scope of Services. Notwithstanding the foregoing, the Contractor hereby grants, and shall require that its subcontractors and suppliers grant, if the County so desires, a perpetual, irrevocable and unrestricted right and license to use, duplicate, disclose and/or permit any other person(s) or entity(ies) to use all such Licensed Software and the associated specifications, technical data and other documentation for the operations of the County or entities controlling, controlled by, under common control with, or affiliated with the County, or organizations which may hereafter be formed by or become affiliated with the County. Such license specifically includes, but is not limited to, the right of the County to use and/or disclose, in whole or in part, the technical documentation and Licensed Software, including source code provided hereunder, to any person or entity outside the County for such person's or entity's use in furnishing any and/or all of the deliverables provided hereunder exclusively for the County or entities controlling, controlled by, under common control with, or affiliated with the County, or organizations which may hereafter be formed by or become affiliated with the County. No such Licensed Software, specifications, data, documentation or related information shall be deemed to have been given in confidence and any statement or legend to the contrary shall be void and of no effect.

ARTICLE 24
CONFIDENTIALITY

All Developed Works constitute confidential information and may not, without the prior written consent of the County, be used by the Contractor or its employees, agents, subcontractors or suppliers for any purpose other than for the benefit of the County, unless required by law. Neither the Contractor nor its employees, agents, subcontractors or

suppliers may sell, transfer, publish, disclose, display, license or otherwise make available to others any part of the Developed Works without the prior written consent of the County.

The Contractor shall advise its employees, agents, subcontractors and suppliers who may be exposed to such Developed Works of their obligation to keep such information confidential and Contractor shall promptly advise the County, in writing if it learns of any unauthorized use or disclosure of the Developed Works by any of its current or former employees, agents, or subcontractors or suppliers. In addition, the Contractor agrees to cooperate fully and provide any assistance necessary to ensure the confidentiality of the Developed Works.

It is understood and agreed that in the event of a breach of this article, damages may not be an adequate remedy, and the County shall be entitled to injunctive relief to prevent any such breach or threatened breach. Unless otherwise requested by the County, upon the completion of the Services performed hereunder, the Contractor shall immediately return to the County all such Developed Works existing in tangible form, and no copies thereof shall be retained by the Contractor's employees, agents, subcontractors or suppliers without the prior written consent of the County. The Contractor may retain copies of the Developed Works for a period of up to one (1) year after the termination of this Agreement. For the period from one (1) year after the termination of this Agreement through five (5) years after the termination of this Agreement, the copies of the Developed Works will be held in escrow with Iron Mountain, or such other mutually accepted escrow agent, at the cost of the Contractor, and a withdrawal of the Developed Works will require the signature of both parties. At the conclusion of the five (5) year period, the Developed Works shall be released to the County, unless the Contractor has notified the escrow agent that there is pending litigation, audit, or claim, in which event (including during years two (2) through five (5)) the Contractor shall have a right to access the Developed Works with the consent of the County which shall not to be unreasonably withheld. This Confidentiality article will survive the termination of this Agreement, and will be in effect for all periods in which the Contractor or the escrow agent retain copies of the Developed Works. The Contractor remains liable to the County for any breach of this article until all copies of the Developed Works have been returned to the County.

ARTICLE 25
ACCOUNTING RECORDS AND AUDIT PROVISIONS

The County shall have the right to audit those portions of the Contractor's books and records as necessary to ensure compliance with the Agreement in accordance with its terms, provided that in no event shall the County be entitled to examine records which would disclose information beyond that specifically related to this Agreement and the performance of Services hereunder. Such audit may take place during reasonable business hours for the period of the performance of this Agreement and for three (3) years after the final payment under this Agreement. The Contractor shall maintain as part of its accounting system, records of a nature and in a sufficient degree or detail to enable such audit to determine the payments for Services, personnel hours, personnel costs, and other expenses required to be documented under this Agreement. To the extent, if any, that

Chapter of 119 of the Florida Statutes is applicable to the Contractor, the Contractor shall be responsible to comply with same.

ARTICLE 26
IPSIG AND INSPECTOR GENERAL REVIEWS

1. Independent Private Sector Inspector General Reviews

Pursuant to Miami-Dade County Administrative Order No. 3-20, the Contractor is aware that, when applicable, the County has the right to retain the services of an independent private sector Inspector General (the "IPSIG"), whenever the County deems it appropriate to do so. The County shall be responsible for the payment of these IPSIG services and for the payment of costs of Contractor related to actions by the IPSIG and/or the Office of the Inspector General for clerical staff time for obtaining and copying the documentation, and copying of documentation. Nothing contained in this provision shall impair any independent right of the County to conduct an audit or to review the operations, activities and performance of the Contractor as and to the extent as provided under this Agreement.

2. Inspector General

Pursuant to Miami-Dade County Ordinance No. 97-215, the County has established the Office of the Inspector General (the "Inspector General"), which is empowered to conduct random audits on all County contracts throughout the duration of each contract. Nothing herein shall limit the right of the Contractor to contest any action by the IPSIG or the Inspector General on any legal or equitable ground.

ARTICLE 27
EQUAL EMPLOYMENT OPPORTUNITY
NONDISCRIMINATION AND AFFIRMATIVE ACTION

1. Equal Employment Opportunity

The Contractor shall not discriminate against any employee or applicant for employment because of age, sex, race, color, religion, marital status, place of birth or national origin, ancestry, nor in accordance with the Americans with Disabilities Act, discriminate against any otherwise qualified employees or applicants for employment with disabilities who can perform the essential functions of the job with or without reasonable accommodation. The Contractor shall take affirmative actions to ensure that applicants are employed and that employees are treated during their employment without regard to age, sex, race, color, religion, marital status, place of birth or national origin, ancestry, or disability. Such actions include, but not limited to, the following: Employment, upgrading, transfer or demotion, recruitment, recruitment advertising, layoff or termination, rates of pay of other forms of compensation, selection for training including apprenticeship.

The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to the provided by the County setting forth the provisions of this Equal Employment Opportunity clause. The Contractor shall comply with all applicable provisions of the Civil Rights Act of 1964, Executive Order 11246 of September 24, 1965, as amended by Executive Order 11375, revised Order No. 4 of December 1, 1971, as amended, and the Americans with Disabilities Act. The Age Discrimination in Employment Act effective June 12, 1968, the rules, regulations and relevant orders of the Secretary of Labor, Florida Statutes 112.041, 112.042, 112.043 and Miami-Dade County Ordinance 75-46, Articles 3 and 4.

2. **Nondiscriminatory Access to Premises**

The Contractor, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that: (1) no person on the grounds of race, color, sex, national origin or ancestry shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Premises; (2) that the Contractor shall use the Premises in compliance with all other requirements imposed by or pursuant to then enforceable regulations of the Department of Transportation, as amended from time to time.

3. **Breach of Nondiscrimination Covenants**:

In the Event it has been determined that the Contractor has breached any enforceable nondiscrimination covenants contained in Article – (1) Equal Employment Opportunity and (2) Nondiscriminatory Access to Premises above, pursuant to the complaint procedures contained in the applicable Federal Regulations, and the Contractor fails to comply with the sanctions and/or remedies which have been prescribed, the County shall have the right to terminate this Agreement pursuant to the Event of Default subarticle hereof.

4. **Nondiscrimination**

During the Performance of this Agreement, the Contractor agrees as follows: The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to age, sex, race, color, religion, marital status, place of birth or national origin, ancestry, physical handicap or disability. The Contractor shall furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended by Executive Order 11375 and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to Contractor's books, records, accounts by the county and Compliance Review Agencies for purposes of investigation to ascertain by the compliance with such rules, regulations, and orders. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, and orders, this Agreement may be cancelled, terminated, or suspended in whole or in part in accordance with Event of Default subarticle hereof and the Contractor may be declared ineligible for further contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended

by Executive Order 11375 and such sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 as amended or by rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.

The Contractor will include Article 1 and 2 above in Contractor sub-contracts in excess of $10,000, unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, as amended by Executive Order 11375, so that such provisions will be binding upon each sub-contractor.

5. **Disability Nondiscrimination Affidavit**

By entering into this Agreement with the County and signing the Disability Nondiscrimination Affidavit attached hereto as Attachment No. 1, the Vendor attests that it is not in violation of the Americans with Disabilities Act of 1990 (and related Acts) or Miami-Dade County Resolution No. R0385-95. If the Contractor or any owner, subsidiary or other firm affiliated with or related to the Contractor is found by the responsible enforcement officer Courts or the County to be in violation of the Act or the Resolution, such violation shall render this Contract terminable in accordance with the Event of Default subarticle hereof. This Contract shall be void if the Contractor submits a false affidavit pursuant to this Resolution or the Contractor violated the Act or the Resolution during the term of this Contract, even if the Contractor was not in violation at the time it submitted its affidavit.

6. **Affirmative Action/Non Discrimination of Employment, Promotion and Procurement Practices (Ordinance No. 98-30)**

In accordance with the requirements of Ordinance No. 98-30, all firms with annual gross revenues in excess of $5 million seeking to contract with Miami-Dade County shall, as a condition of award, have a written Affirmative Action Plan and Procurement Policy on file with the County's Department of Business Development. Said firms must also submit, as a part of their proposals/bids to be filed with the Clerk of the Board, an appropriately completed and signed Affirmative Action Plan/Procurement Policy Affidavit (Form A-8.2)

Firms whose Boards of Director are representative of the population make-up of the nation are exempted from this requirement and must submit, in writing, a detailed listing of their Boards of Directors, showing the race or ethnicity of each board member, to the County's Department of Business Development. Firms claiming exemption must submit, as part of their proposal/bids to be filed with the Clerk of the Board, an appropriately completed and signed Exemption Affidavit (Form A-8.1) in accordance with Ordinance 98-30. These submittals shall be subject to periodic reviews to assure that the entities do not discriminate in their employment and procurement practices against minorities and women/owned businesses.

It will be the responsibility of each firm to provide verification of their gross annual revenues to determine the requirement for compliance with the Ordinance. Those firms that do not exceed $5 million annual gross revenues must clearly state so in their bid/proposal.

7. **Contract Measures**

No Contract Measures are applicable for this Management Agreement.

ARTICLE 28
INDEMNIFICATION

1. **Indemnification And Hold Harmless**

The Contractor shall indemnify and save the County, its officers, employees, agents and authorized representatives, harmless from any and all claims, liability, losses, damages, and causes of action which may arise out of the performance of this Agreement by the Contractor, except to the extent such act is caused by the County's negligence. The Contractor shall pay all claims and losses of any nature whatsoever in connection therewith and shall investigate and defend all claims, suits, and actions of any kind or nature in the name of the County, its employees, agents and authorized representatives where applicable, including appellate proceedings, and shall pay all costs, judgments and attorneys fees which may be issued thereon. Nothing contained in this provision shall be construed so as to require the Contractor to indemnify the County's employees, agents and authorized representatives for their own negligence. The Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the responsibility of the Contractor to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided. This provision shall survive early cancellation or termination of this Agreement.

2. **County Liability**

The County is a state agency or political subdivision as defined in Section 768.28, Florida Statutes, and agrees to be fully responsible for acts and omissions of its agents or employees to the extent permitted by law. Nothing herein is intended to serve as a waiver of sovereign immunity, nor shall it be construed as consent by a state agency or political subdivision of the State of Florida to be sued by third parties in any manner whether arising out of this Agreement or any other contract. The County acknowledges that it will not raise sovereign immunity as a defense to a contractual claim under this Agreement.

ARTICLE 29
PATENT AND COPYRIGHT INDEMNIFICATION

The Contractor warrants that to the best of its actual knowledge, all deliverables furnished hereunder, including but not limited to: equipment programs, Documentation, software, analyses, applications, methods, ways, processes, and the like, do not infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third party proprietary rights.

The Contractor shall be liable and responsible for any and all claims made against the

County for infringement of patents, copyrights, service marks, trademarks, trade secrets or any other third party proprietary rights, by the use or supplying of any of the Contractor's or Contractor subcontractor's programs, documentation, software, analyses, applications, methods, ways, processes, and the like, used in the course of performance or completion of, o r in any way connected with, the work or the County's continued use of the deliverables furnished hereunder. Accordingly, the Contractor at its own expense, including the payment of attorney's fees, shall indemnify, and hold harmless the County and defend any action brought against the County with respect to any claim, demand, cause of action, debt, or liability.

In the event any deliverable or anything provided to the County hereunder, or portion thereof is held to constitute an infringement and its use is or may be enjoined, the Contractor shall have the obligation to use its best efforts to (i) modify, or require that the applicable subcontractor or supplier modify, the alleged infringing item(s) at its own expense, without impairing in any respect the functionality or performance of the item(s), or at Contractor's sole option (ii) procure for the County, at the Contractor's expense, the rights provided under this Agreement to use the items(s).

The Contractor shall not knowingly infringe any copyright, trademark, service mark, trade secrets, patent rights, or other intellectual property rights in the performance of the Services.

ARTICLE 30
INSURANCE

The Contractor shall furnish to the County's Risk Management Division, Certificate(s) of Insurance which indicate that insurance coverage has been obtained which meets the requirements as outlined below:

1. Workers' Compensation Insurance for all employees of the Contractor as required by Chapter 440, Florida Statutes.

2. Public Liability Insurance on a comprehensive basis, in an amount not less than $1,000,000 combined single limit per occurrence for bodily injury and property damage. The County must be shown as an additional insured with respect to this coverage.

3. Automobile Liability Insurance covering all owned, non-owned and hired vehicles, used in connection with the Services, in an amount not less than $1,000,000 combined single limit per occurrence for bodily injury and property damage.

The insurance coverages required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operations of the Contractor.

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

The company must be rated no less than "B" as to management, and no less than "Class V" as to financial strength, according to the latest edition of Best's Insurance Guide published by A.M. Best Company, Oldwick, New Jersey, or its equivalent, subject to approval of the Miami-Dade County Risk Management Division.

OR

The company must hold a valid Florida Certificate of Authority as shown in the latest "List of All Insurance Companies Authorized or Approved to Do Business in Florida", issued by the State of Florida Department of Insurance and are members of the Florida Guaranty Fund.

Certificates of Insurance will indicate that no modification or change in insurance shall be made without thirty (30) days written advance notice to the certificate holder.

Compliance with the foregoing requirements shall not relieve the Contractor of this liability and obligation under this section or under any other section in this Agreement.

This Agreement is contingent upon the receipt of the insurance documents within fifteen (15) calendar days after Board of County Commission approval. If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Agreement, the Contractor shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the County. If the Contractor fails to submit the required insurance documents in the manner prescribed in this Agreement within twenty (20) calendar days after Board approval, the Contractor shall be in default of the contractual terms and conditions and this Agreement will be terminated, unless such time frame for submission has been extended by the County.

The Contractor shall be responsible for assuring that the insurance certificates required in conjunction with this section remain in force for the duration of the Agreement. If insurance certificates are scheduled to expire during the Agreement, the Contractor shall be responsible for submitting new or renewed insurance certificates to the County at a minimum of thirty (30) calendar days in advance of such expiration. In the event that expired certificates are not replaced with new or renewed certificates, which cover the Agreement period, the County shall suspend the Agreement until such time as the new or renewed certificates are received by the County in the manner prescribed in this article; provided, however, that this suspension period does not exceed thirty (30) calendar days. Thereafter, the County may, at its sole discretion, terminate this Agreement.

ARTICLE 31
PERFORMANCE AND LIQUIDATED DAMAGES

1. Monetary Penalty

The County will impose a monetary penalty on the Contractor for failing to achieve the required level of availability for any class of circuit described in the Maintenance and Trouble Resolutions subarticle, failure to complete scheduled MAC work within the designated time schedule, and other performance measurements as more fully described below:

	Performance Measurement	Liquidated Damages Summary
1	Failure of Contractor to respond to a minor outage.	$200 per incident, not to exceed $10,000 in a calendar year.
2	Failure of Contractor to respond to a major outage more than two (2) times in a consecutive six (6) month period.	$1,000 per incident, not to exceed $10,000 in a calendar year

The Parties recognize that the extent and calculation of damages may be difficult to ascertain, t herefore, they agree that liquidated damages in the amount stated are reasonable and is in lieu of all other remedies.

The monetary penalty shall be deducted from the Contractor's management fee invoice amount for the month. This monetary penalty shall not apply to the Contractor's invoice amounts which are attributable to third party intervention, or any external events outside the Contractor's control.

ARTICLE 32
TERMINATION AND DEFAULT PROVISIONS

1. Termination For Convenience And Suspension Of Work

In addition to cancellation or termination as otherwise provided in this Agreement, the County may at any time, in its sole discretion, with or without cause, terminate this Agreement by thirty days (30) written notice to the Contractor, provided however, that this Agreement can only be terminated for cause if the Agreement is in effect for less than eighteen (18) months.

2. **Actions at Termination**

a) The Contractor shall, upon receipt of such notice, and as directed by the County:

i. stop work on the date specified in the notice (the "Termination Date");

ii. take such action as may be necessary for the protection and preservation of the County's materials and property;

iii. cancel orders, but the County shall reimburse Contractor for all costs and expenses of such cancellation, provided that Contractor has, within five (5) business days, advised MDAD in writing that there may be cancellation costs, and to the extent known, an estimate of amount of these costs;

iv. assign to the County and deliver to any location designated by the County any noncancelable orders not incorporated in the Services;

v. take no action which will increase the amounts payable by the County under this Agreement; and

vi. implement a transition plan pursuant to the Training and Transition Program Services subarticle of this Agreement.

b) In the event that the County exercises its right to terminate this Agreement pursuant to this article, the Contractor will be compensated as stated in the Payments and Cost Reimbursements article, herein, for the:

i. portion of the Services completed in accordance with the Agreement and the work up to the Termination Date;

ii. noncancelable deliverables, that have been specifically developed for the sole purpose of this Agreement but not incorporated in the Services; and

iii. any additional charges, incurred by the Contractor, at the direction of the County, not covered in clause (b)(i), above.

NOTE: All compensation paid pursuant to this article is subject to audit.

3. **Surrender of Office and Support Space**

On or before the Termination Date of this Agreement, whether by lapse of time or otherwise, in accordance with the provisions contained herein, the Contractor shall vacate, quit and surrender and shall account for the support space, all furnishings, fixtures, equipment, software, vehicles, records, funds, inventories, commodities, supplies and other property of the County in as good order and condition as they were upon commencement of this Agreement or date of subsequent acquisition, reasonable and normal wear and tear

excepted.

4. **Removal of Personal Property**

On or before the Termination Date of this Agreement, the Contractor shall remove all of its personal property from the support space. Any personal property of the Contractor not removed in accordance with this article may be removed by the Department for storage at the cost of the Contractor. Failure on the part of the Contractor to reclaim its personal property within thirty (30) days from the date of termination shall constitute a gratuitous transfer of title thereof to the County for whatever use and disposition is deemed to be in the best interests of the County.

5. **Termination For Cause**

a) The County may terminate this Agreement, if an individual or corporation or other entity attempts to meet its contractual obligation with the County through fraud, misrepresentation or material misstatement.

b) The County may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the County and that such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.

c) The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be disbarred from County contracting for up to five (5) years in accordance with the County debarment procedures. The Contractor may be subject to debarment for failure to perform, and all other reasons set forth in Section 10-38 of the Code of Miami-Dade County, Florida.

d) The County may terminate this Agreement, if the Contractor fails to cure an event of default timely.

6. **Contractor Event of Default**

a. A default shall mean a breach of this Agreement by the Contractor (an "Event of Default"). In addition to those instances referred to herein as a breach, an Event of Default, shall include one or more of the following:

i. the Contractor has violated the terms and conditions of this Agreement, including failing to respond to major and minor failures on a timely basis, unless the Contractor has paid the damages flowing therefrom, and made all necessary repairs associated with the failure(s);

ii. the Contractor has refused or failed, except in case for which an extension of time is provided, to supply a sufficient number of properly skilled personnel;

iii. the Contractor has failed to make prompt payment to subcontractors or suppliers for any Services;

iv. the Contractor has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Contractor's creditors, or the Contractor has taken advantage of any insolvency statute or debtor/creditor law, or the Contractor's affairs have been put in the hands of a receiver;

v. the Contractor has failed to obtain the approval of the County where required by this Agreement;

vi. the Contractor has failed to provide adequate assurances as required under subsection b below; or

vii. the Contractor has failed in a representation or warranty stated herein.

b. When, in the opinion of the County, reasonable grounds for uncertainty exist with respect to the Contractor's ability to perform the Services or any portion thereof, the County may request that the Contractor, within the time frame set forth in the County's request, provide adequate assurances to the County, in writing, of the Contractor's ability to perform in accordance with terms of this Agreement. Until the County receives such assurances, the County may request an adjustment to the compensation received by the Contractor for portions of the Services that the Contractor has not performed. In the event that the Contractor fails to provide to the County the requested assurances within the prescribed time frame, the County may:

i. treat such failure as a repudiation of this Agreement;

ii. resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the Services or any part thereof either by itself or through others.

c. In the event the County terminates this Agreement for default, the County or its designated representatives, may immediately take possession of all applicable equipment, materials, products, Documentation, reports, data, or Developed Works.

7. **Notice of Default and Opportunity to Cure**

If an Event of Default occurs, the County shall notify the Contractor (the "Default Notice"), specifying the basis for such default, and advising the Contractor that such default must be cured immediately or this Agreement with the County may be terminated. The Contractor can cure and rectify the default, to the County's reasonable satisfaction, within thirty (30) days of actual notice of the Default Notice

(the "Cure Period"). The County may extend the Cure Period and grant an additional period of such duration as the County shall deem appropriate without waiver of any of the County's rights hereunder, so long as, the Contractor has commenced curing such default and is effectuating a cure with diligence and continuity during such thirty (30) day period or any other period which the County prescribes. The Default Notice shall specify the date the Contractor shall discontinue the services on or before the Termination Date.

8. **Remedies in the Event of Default**

If an Event of Default occurs, the Contractor shall be liable for all damages resulting from the default, including but not limited to:

i. SATS revenues lost to the County;

ii. the difference between the cost associated with procuring the Services hereunder and the amount actually expended by the County for reprocurement of the Services, including procurement and administrative costs; and

iii. such other damages as the County may be entitled.

9. **COUNTY EVENT OF DEFAULT**

The County shall be in default in the event (a "County Event of Default") that one of the following occurs:

(a)

(i) the Contractor tenders all required documentation for payment under this Agreement; and

(ii) within thirty (30) days, the County has not returned the invoice to the Contractor with an explanation of what is missing or incorrect and has not made payment on the invoice within forty-five (45) days; and

(iii) the County fails to pay that sum of money as and when due under this Agreement and fails to cure the nonpayment within thirty (30) days following receipt of written notice from the Contractor; or

(b) it commits a material breach of a nonpayment provision of this Agreement and fails to cure that breach within thirty (30) days after written notice describing the breach.

10. **CONTRACTOR REMEDIES UPON COUNTY DEFAULT**

In the event of a County Event of Default, the Contractor may exercise any right and seek any remedy provided at law or in equity. In the event the Contractor brings suit

to collect an amount due from the County, then if the Contractor is successful, it shall be entitled to its reasonable attorney's fees.

11. **CONTRACTOR RIGHT OF EARLY TERMINATION**

In the event the County has reduced the level of the Contractor's staff by seven (7) employees or such greater reduction, such that the Contractor believes in good faith that it can no longer effectively discharge all of its duties under this Agreement, then the Contractor shall have the right to terminate this Agreement on thirty-five (35) days written notice to the County, unless the County rescinds the required Contractor staff reduction within ten (10) Business Days of receipt of the notice. The reduction in the Contractor's staff under this subarticle, shall not include the total number of Contractor's staff that the County may reduce given a reduction in the Contractor's Services, pursuant to subarticle 9.1 of this Agreement.

ARTICLE 33
FORCE MAJEURE

If the performance of this Agreement, or any obligation contained in it, is prevented, restricted or interfered with by reason of either

1. fire, explosion, breakdown of plant, epidemic, hailstorm, hurricane, tornado, cyclone, flood, power failure, lightning, water, or other acts of God, or

2. war, revolution, terrorism, civil commotion, acts of public enemies, blockage, or embargo,

then the party affected, upon giving prompt notice to the other party, shall be excused from such affected performance on a day-to-day basis to the extent of such prevention, restriction or interference (and the other party shall likewise be excused from performance of its obligations on a day-to-day basis to the extent such party's obligations relate to the performance so prevented, restricted or interfered with); provided however, that the party so affected shall use its commercially reasonable efforts to avoid or remove such causes of non-performance and the Parties shall perform promptly whenever such causes are removed or ceased.

ARTICLE 34
CONFLICT OF INTEREST

Conflict of Interest Code of Ethics Ordinance: In connection with the terms and conditions of this Agreement, the Contractor agrees to adhere to and be governed by the County, Florida Conflict of Interest Code of Ethics Ordinance (Section 2-11.1 of the Code of Miami-Dade County, Florida). Notwithstanding the provisions of any Federal, State or County law governing the activities of the Contractor hereunder, commencing as of the effective date of this Agreement and continuing for the term hereof, the Contractor shall not

knowingly enter into any contract or other financial arrangement with any p erson, corporation, municipality, authority, county, state, country, or any tenant or airline, which would constitute a conflict with interest of the County hereunder or with the Services provided by the Contractor to the County hereunder. The Miami-Dade County Ethics Commission shall make determination(s), binding upon the Parties, as to whether conflicts exist or will exist, and if such relationship will be serious enough to constitute a conflict hereunder.

The Contractor represents that no officer, director, employee, agent, or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Agreement.

The Contractor also represents that, to the best of its actual knowledge:

(a) There are no undisclosed persons or entities interested with the Contractor in this Agreement. This Agreement is entered into by the Contractor without any connection with any other entity or person making a proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other Contractor of the County, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or a member of the immediate family or household of any of the aforesaid:

i) is interested on behalf of or through the Contractor directly or indirectly in any manner whatsoever in the execution or the performance of this Agreement, or in the Services, supplies or work, to which this Agreement relates or in any portion of the revenues; or

ii) is an employee, agent, advisor, or consultant to the Contractor or to the best of the Contractor's knowledge any subcontractor or supplier to the Contractor.

(b) Neither the Contractor nor any officer, director, employee, agency, parent, subsidiary, or affiliate of the Contractor shall have an interest which is in conflict with the Contractor's faithful performance of its obligation under t his Ag reement; provided however, that the County, in its sole discretion, may consent in writing to such a relationship, provided the Contractor provides the County with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the County's best interest to consent to such relationship.

(c) The provisions of this article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under this Agreement and those provided by statute, the stricter standard shall apply.

(d) In the event the Contractor has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, the Contractor shall promptly bring such information to the attention of the Project Manager. Contractor shall thereafter cooperate with the County's review and investigation of such information, and comply with the instructions the Contractor receives from the Project Manager in regard to remedying the situation.

ARTICLE 35
MISCELLANEOUS PROVISIONS

1. **Binding Effect**

The terms, conditions and covenants of this Agreement shall inure to the benefit of and be binding upon the Parties hereto and their successors and assigns. This provision shall not constitute a waiver of any conditions prohibiting assignment or subletting.

2. **Contractor Limitation of Liability**

a) The Contractor and its subcontractors shall not be liable for:

(i) any indirect, incidental, consequential except as it pertains to SATS revenues, special or exemplary damages;

(ii) any damages of any kind resulting from unauthorized use of or intrusion into the system, including total fraud. This provision applies to all claims whether based upon breach of warranty, breach of contract, negligence, strict liability in tort where any other legal theory, and regardless of whether the Contractor or its subcontractors have been advised of the possibility of such damage or loss, except for damages resulting if the Contractor or its subcontractors fail to take explicit remedial action based upon the directive of the Department.

b) If a voice system or any other component thereof supports voice over IP protocol (telephony or transmission control protocol/internet protocol), the County may experience certain compromises in performance, liability and security, even when the System is in good working order. These compromises may become more acute if the County fails to follow the Contractor's or the manufacturer's recommendations for configuration, operation and use of the System. The County acknowledges that it is aware of these risks and that it has determined they are acceptable for its application of the System, and the County will not assert any claim against Contractor for such compromises. The County further acknowledges and agrees that the County is solely responsible for:

(i) ensuring that its network and systems are adequately secured against unauthorized intrusion; and

(ii) backing up its data and files.

3. **Other County Rights**

a) Contractor shall be liable for any physical damage it causes to the system. This liability is limited to:(i) the Contractor's repair of the system or component thereof, or if the system or component cannot be repaired, replacement with a comparable system or component; and (ii) any other such damages to the County arising from the physical damage caused by the Contractor.

b) The County may also bring any suit or proceeding for specific performance or for an injunction.

4. **No Estoppel or Waiver**

No acceptance, order, measurement, payment, or certificate of or by a Party or its employees or agents shall estop the other Party from asserting any right of the ensuing Agreement. There shall be no waiver of the right of a Party to demand strict performance of any of the provisions, terms and covenants of this Agreement, nor shall there be any waiver of any breach, default or non-performance hereof by the other Party unless such waiver is explicitly made in writing by the Party. No delay or failure to exercise a right under the ensuing Agreement shall impair such right or shall be construed to be a waiver thereof. Any waiver shall be limited to the particular right so waived and shall not be deemed a waiver of the same right at a later time, or of any other right under the Agreement.

5. **Federal Subordination**

This Agreement shall be subordinate to the provisions of any existing or future agreements between the County and the United States of America relative to the operation and maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport. All provisions of this Agreement shall be subordinate to the right of the United States of America to lease or otherwise assume control over the Airport, or any part thereof, during time of war or national emergency for military or naval use and any provisions of this Agreement inconsistent with the provisions of such lease to the United States of America shall be suspended.

6. **Governmental Authority**

Nothing in this Agreement shall be construed to waive or limit the governmental authority of the County as a political subdivision of the State of Florida.

7. **Headings**

The headings of the various articles and sections of this Agreement, and its Table of Contents, are for convenience and ease of reference only, and shall not be construed to define, limit, augment or describe the scope, context or intent of this Agreement or any part or parts of this Agreement.

8. **Independent Contractor**

The Contractor shall perform all services described herein as an independent contractor and not as an officer, agent, servant, or employee of the County. All personnel provided by the Contractor in the performance of this Agreement shall be considered to be, at all times, the sole employees of the Contractor under its sole discretion, and not employees or agents of the County.

9. **Intent of Agreement**

This Agreement is for the benefit of the Parties only and does not: (a) grant rights to third party beneficiaries, or to any person; or (b) authorize non-parties to the Agreement to maintain a suit for personal injuries, professional liability, or property damage pursuant to the terms or provisions of the Agreement.

10. **Joint Preparation**

The Parties acknowledge that they have sought and received whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort.

11. **Laws and Regulations**

The Contractor shall comply with the Code of Miami Dade County, Florida (the "Code"), including but not limited to Chapter 25 of the Code, Operational Directives issued thereunder, all laws, statutes, ordinances, resolutions, regulations and rules of the United States of America, State of Florida, or Miami-Dade County, all as may be amended from time to time, and any and all plans and programs developed in compliance therewith which may be applicable to its operations or activities under this Agreement.

12. **Modifications**

This Agreement may be modified and revised by written Amendment duly executed by the Parties hereto. **Any oral representation or modifications concerning this Agreement shall be of no force or effect.**

13. **Notices**

Any notices given under the provisions of this Agreement shall be in writing and shall be hand delivered or sent by Registered or Certified Mail, Return Receipt Requested, or express mail service to:

To the County:

Director
Miami-Dade Aviation Department
Post Office Box 592075
Miami, Florida 33159-2075

To both the Contractor, with a required copy to its General Counsel:

To Contractor:
NextiraOne, LLC
Attn: Contractor Project Manager
Building 3030
Perimeter Road and NW 22nd Street
Miami, Florida 33122

To Counsel:
NextiraOne, LLC
Attn: General Counsel
2800 Post Oak Boulevard, Suite 200
MD 25-12
Houston, Texas 77056

or to such other respective addressees as the Parties may designate to each other in writing from time to time. Notices by Registered or Certified Mail shall be deemed given on the delivery date indicated on the Return Receipt from the United States Postal Service or on the express mail service receipt.

14. **Ownership Of Documents**

Any and all reports, photographs, surveys, provided or created in connection with this Agreement are and shall remain the property of the County. In the event of termination of this Agreement, any reports; such as traffic, inventory, switch audit, service and or MAC logs and photographs, surveys, prepared by the Contractor, whether finished or unfinished, shall become the property of the County, and the Contractor shall immediately remit same to the County.

15. **Order Of Precedence**

If there is a conflict between or among the provisions of this Agreement, the order of precedence is as follows: 1) work order, 2) the Scope of Services, and 3) these terms and conditions other than the Scope of Services.

16. **Press Release Or Other Public Communication**

The Contractor shall not issue or permit to be issued any press release, advertisement or literature of any kind that states or suggests that the County endorses the Contractor or the work being performed hereunder, unless the Contractor first obtains the written approval of

the County. Such approval may be withheld if for any reason the County believes that the publication of such information would be harmful to the public interest or is in any way undesirable. This article shall not preclude the Contractor from including the County as a representative customer. Except as may be required by law, or with the written consent of County, the Contractor and its employees, agents, subcontractors and suppliers will not represent, directly or indirectly, that any product or service provided by the Contractor or such other parties has been approved or endorsed by the County.

17. **Prior Agreements**

The Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements whether oral or written. **No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless set forth in writing in accordance with this Agreement.**

18. **Project Fresh Start**

Project Fresh Start has been abated by the County for fiscal year 2001-2002 by action of the Miami-Dade Board of County Commissioners. The Board reserves the right to reinstate this program in the future; if it does, the County will advise the Contractor of the impact, if any, such action may have on this Agreement.

19. **Rights to be Exercised by Department**

Wherever in this Agreement rights are reserved to the County, such rights may be exercised by the Department. Wherever Department approval is required, it shall not be unreasonably withheld.

20. **Security**

Subject to recommendations from the Contractor as to reasonable and prudent security measures needed and approval by the Department, the Contractor shall be responsible for the security and protection of the facilities, and the equipment, furnishings, commodities and supplies provided under this Agreement, for which the Contractor has managerial responsibilities.

21. **Severability**

If any provision of this Agreement or the application thereof to either party to this Agreement is held invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions of the Agreement which can be given effect without the invalid provision, and to this end, the provisions of this Agreement shall be severable.

22. **Solicitation**

Except as provided by Section 2-11.1(s) of the Code of Miami-Dade County, Florida, the Contractor warrants that: 1) it has not employed or retained any company or person other than a bona fide employee working solely for the Contractor to solicit or secure this Agreement; and 2) it has not paid, or agreed to pay any company or other person any fee, or commission, gift, or other consideration contingent upon the execution of this Agreement. A breach of this warranty makes this Agreement voidable by the County without liability to the Contractor for any reason.

23. **Survival**

Any obligations of the Contractor and the County which by their terms would continue beyond the termination, cancellation or expiration of this Agreement or any service order shall survive with such termination, cancellation or expiration.

24. **Taxes**

The Contractor acknowledges that the County is a tax exempt entity. The Contractor shall pay all taxes lawfully assessed against its operations at the Airport, provided, however, that the Contractor shall not be deemed to be in default of its obligations under this Agreement for failure to pay such taxes pending the outcome of any legal proceedings instituted in a court of competent jurisdiction to determine the validity of such taxes.

25. **Third Party Beneficiaries**

Neither the Contractor nor the County intend to directly or substantially benefit a third party by this Agreement. Therefore, the Parties agree that there are no third party beneficiaries to this Agreement, and that no third party shall be entitled to assert a claim against either of the Parties based upon this Agreement. The Parties expressly acknowledge that it is not their intent to create any rights or obligations in any third party or entity under this Agreement.

26. **Governing Law; Venue**

This Agreement shall be governed by the laws of the State of Florida. Venue for all actions and claims arising from this Agreement shall be heard in the Circuit Court of the Eleventh Judicial Circuit in and for Miami-Dade County, Florida or in the United States District Court in and for the Southern District of Florida.

Registered Officer/Agent; Jurisdiction: The Contractor shall designate a registered office and a registered agent, as required by Florida Statutes, such designations to be filed with the Florida Department of State in accordance with Florida Statutes. If the Contractor is a natural person, he and his personal representatives hereby submit themselves to the

jurisdiction of the Courts of this State for any cause of action based in whole or in part on the alleged breach of this Agreement.

27. **Violations of Laws and Regulations**

The Contractor agrees to pay on behalf of the County any penalty, assessment, or fine, issued in the name of the County, or to defend in the name of the County any claim, assessment or civil action, which may be presented or initiated by any agency or officer of the Federal, State or County governments, based in whole or substantial part upon a claim or allegation that the Contractor, its agents, employees or invitee, have violated any law, statute, ordinance, resolution, regulation or rule described in subarticle 8 above or any plan or program developed in compliance therewith.

28. **Responsible Wages And Benefits**

If construction work in excess of one hundred thousand dollars ($100,000) is required of, or undertaken by the Contractor as a result of this Agreement, the Contractor must pay laborers and mechanics performing work on the project no less than the hourly rates specified in accordance with Section 2-11.16 of the Code of Miami-Dade County, Florida and Administrative Order ("AO") No. 3-24. The Contractor shall fully comply with the requirements of the Code and AO and shall satisfy, comply with, and complete the requirements set forth in this Agreement.

It is also the policy of Miami-Dade County that in all leases of County-owned land which provide for privately funded construction improvements thereon whose construction costs are greater than or equal to $1 million dollars, any portion of which are financed by any Federal, State or local governmental entity or by bonds issued by such entities, including the Industrial Development Authority ("IDA"), shall comply, including requiring the lessee to require any Contractor constructing such improvements to pay responsible wages to the same extent as if such improvements were County construction. A lessee must pay the County the monitoring fee(s) for the project according to the sliding scale approved by the Board.

This AO does not apply to County construction contracts less than or equal to one hundred thousand dollars ($100,000) or blanket County contracts designed to consolidate an indeterminate number of individual smaller construction contracts, repair or alteration activities which may be needed over a fixed period of time, provided the overall blanket contract ceiling does not exceed five hundred thousand dollars ($500,000) and further provided that no individual work order issued under such blanket contract shall exceed twenty-five thousand dollars ($25,000) per craft, nor does it apply to County construction contracts which are federally funded or otherwise subject to the Davis-Bacon Act, 40 U.S.C. 276 (a). Furthermore, this AO shall not apply to those privately funded projects on County-owned land for construction or alteration of public buildings or public works which are financed solely through private sources, without one dollar ($1) or more of financing provided through any Federal, State, County or local government entity or bond sources including IDA bonds or similar type bond funding.

29. Entirety of Agreement

The Parties hereto agree that this Agreement sets forth the entire agreement between the Parties, and there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Agreement may be added to, modified, superseded or otherwise altered, except as may be specifically authorized by subarticles 12 and 17 to this article of the Agreement, or by written instrument executed by the Parties hereto.

IN WITNESS WHEREOF, the parties have executed this Agreement effective as of the date first herein above set forth.

Exhibit 4
Preliminary Budget Estimate

as of February 7, 2002

A) Total Number of Employees 38

B) Job Classifications

Chief Electrical Manager
Data Comm Specialist
Data Comm Specialist II
Data Comm Specialist III
Data Comm Specialist Snr.
Material Handler
Network Engineer I
Network Engineer II
Network Engineer III
Network Engineer IV
NSSC
Office Assistant II
Office Assistant III
Operations Engineer I
Operations Engineer II
Operations Supervisor
Operations Supervisor I
Operations Supervisor II
Project Manager
Sr. Operations Analyst
Technical Service Associate

C) Total Number per Classification

Chief Electrical Manager	1
Data Comm Specialist	3
Data Comm Specialist II	5
Data Comm Specialist III	1
Data Comm Specialist Snr.	2
Material Handler	1
Network Engineer I	1
Network Engineer II	2
Network Engineer III	1
Network Engineer IV	1

Office Assistant II	2
Office Assistant III	2
Operations Engineer I	4
Operations Engineer II	2
Operations Supervisor	1
Operations Supervisor I	1
Operations Supervisor II	3
Project Manager	1
Sr. Operations Analyst	1
Technical Service Associate	1

Exhibit 4
Preliminary Budget Estimate continued

D)	Total Wages	$3,245,140.00
E)	Total Benefits	$2,414,220.00
F)	Total Agreement with Vendors price	$444,776.70
G)	Total Estimated subcontractor price	$855,000.00
H)	Total Estimated parts and materials price	$2,680,000.00
I)	Total Spares Carrying price	$84,345.00
J)	Total Estimated Reimbursable Expenses price	$273,000.00

EXHIBIT 5

Exhibit 5
Agreements with Vendors
Mark Up 1.14

As of February 7, 2002

1.0 Management Fee (Fixed)

	Price
Archive America	$615.60
Baker Audio	$31,122.00
Borrell Fire Systems	$7,250.40
Compaq	$12,483.00
Dialogic: ENS	$9,357.12
ISI Infortext	$14,215.80
Newbridge: WAN	$52,924.50
Nortel Networks: LAN	$187,079.70
SITA/CUTE	$82,490.40
Telecorp: ACD	$2,823.78
Total:	**$400,362.30**

2.0 Subcontractor and Agreements wth Vendors (Variable)

	Price
Genuity	$41,678.40
Sunshine	$2,736.00
Total:	**$44,414.40**

(5)	Marriott Corporation	Communications Outsourcing

(ADD EXTRA SHEET(S) IF NEEDED.)

Attachment 2

Upon information and belief the predecessor entities have done business under the following names:

1. WilTel Communications Systems, Inc.
2. Williams Telecommunications Systems, Inc.
3. WilTel Communications, LLC
4. Williams Communications Solutions, LLC

As NextiraOne, LLC was an acquisition made April 2, 2001, we do not have detailed information about the predecessor entities.

SWORN STATEMENT UNDER SECTION 287.133(3)(a). FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

1. I understand that a "public entity crime" as defined in Paragraph 287.133(1) (g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

2. I understand that "convicted" or "conviction" as defined in Paragraph 287.133 (1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

3. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime. or

2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

4. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in management of an entity.

5. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. [Please indicate which statement applies.]

__X__ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor any affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989, AND [Please indicate which additional statement applies.]

_____ There has been a proceeding concerning the conviction before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer did not place the person or affiliate on the convicted vendor list. [Please attach a copy of the final order.]

_____The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in the public interest to remove the person or affiliate from the convicted vendor list. [Please attach a copy of the final order.]

_____The person or affiliate has not been placed on convicted vendor list. [Please describe any action taken by or pending with the Florida Department of General Services.]

MIAMI-DADE COUNTY DEBARMENT DISCLOSURE AFFIDAVIT

Ordinance No. 93-129, as amended by Ordinance No. 00-18, is applicable to any provider of goods or services to the County who has a debarment history of poor performance on County Contracts or who have by their commission of crimes or the rendition of civil judgements, shown a lack of honesty and integrity.

Pursuant to Ordinance No. 00-18, the terms "vendor" and "consultant" have the same meaning as "contractor" and "subconsultant" has the same meaning as "subcontractor."

The Consultant shall comply with Miami-Dade County Ordinance No. 93-129 as amended by Ordinance No. 00-18, which prevents contractors, subcontractors, their officers, their principals, stockholders, and their affiliates who have been debarred by the County, from entering into contracts with the County during the period for which they have been debarred. Debarment may also constitute grounds for termination of any existing County contract.

It is the Consultant's responsibility to ascertain that none of the subcontractors, their officers, principals or affiliates, as defined in the ordinance, are debarred by the County pursuant to Ordinance No. 93-129 as amended by Ordinance No. 00-18 and Administrative Order 3-2 before submitting a proposal.

The Disclosure Affidavit pursuant to Ordinance No. 93-129 as amended by Ordinance No. 00-18 requires the Consultant to affirm, under oath, that neither the Consultant, its subcontractors, or their officers, principals or affiliates, as defined in the ordinance, are debarred by the County at the time of the response.

Any Consultant who fails to complete the Disclosure Affidavit pursuant to Ordinance No. 93-129, as amended, shall not be awarded a Contract with the County. Any contract or transaction entered into in violation of Ordinance No. 93-129 as amended by Ordinance No. 00-18 is void, and any person who willfully fails to disclose the required information or who knowingly discloses false information can be punished by civil or criminal penalties, or both, as provided for in the law.

Consultants shall also comply with Miami-Dade County Ordinance Nos. 93-137 which provides for penalties for any entity attempting to meet contractual obligations through fraud, misrepresentation, or material misstatement. In addition, the County shall, whenever practicable, terminate the contract. The County may also terminate or cancel any other contracts which such entity has with the County.

Pursuant to Ordinance No. 97-52, any entity attempting to comply with this Ordinance through fraud, misrepresentation or material misstatement may be debarred.

Consultant or his agents, officers, principals, stockholders, subcontractors or their affiliates shall affirm that they are not debarred by Miami- Dade County.

CRIMINAL RECORD AFFIDAVIT

Pursuant to Ordinance No 94-34, as amended by Ordinance No. 00-30, failure to disclose convictions may result in debarment for those persons or entities who knowingly fail to make the required disclosure or falsify information.

Above named Firm/Respondent, as of the date of bid/proposal submission:

__X__ has not been convicted of a felony during the past ten (10) years, nor does it, as of the date of bid submission, have an officer, director or executive who has been convicted of a felony during the past ten (10) years.

_____ has been convicted of a felony during the past ten (10) years, or as of the date of bid submission, has an officer, director or executive who has been convicted of a felony during the past ten (10) years.

CURRENT IN OBLIGATIONS TO THE COUNTY AFFIDAVIT

Pursuant to Ordinance 99-162, as amended by Ordinance 00-67, Resolution R-531-00 and Administrative Order 3-29, all contracts, business transactions and renewals thereof with the County shall require the individual or entity seeking to transact business with the County to verify that the individual or entity is current in the obligations to the County and is not otherwise in default of any County contract. Any contract or transaction entered into in violation of this Ordinance shall be voidable.

Further, failure to meet the terms and conditions of any obligation or repayment schedule shall constitute a default of the subject contract and may be cause for suspension, termination and debarment, in accordance with the terms of the contract and the debarment procedures of the County.

Above named Firm/Respondent, as of the date of bid submission, verifies that the individual or entity is current in its obligations to the County and is not otherwise in default of any County contract.

DISABILITY NONDISCRIMINATION CERTIFICATION

That the above named entity is in compliance with and agrees to continue to comply with, and assure that any subcontractor, or third party contractor under this project complies with all applicable requirements of the laws listed below including, but not limited to, those provisions pertaining to employment, provision of programs and services, transportation, communications, access to facilities, renovations, and new construction.

The Americans with Disabilities Act of 1990 (ADA), Pub. L. 101-336, 104 Stat 327, 42 U.S.C. 12101-12213 and 47 U.S.C. Sections 225 and 611 including Title I, Employment; Title II, Public Services; Title III, Public Accommodations and Services Operated by Private Entities; Title IV, Telecommunications; and Title V, Miscellaneous Provisions.

The Rehabilitation Act of 1973, 29 U.S.C. Section 794
The Federal Transit Act, as amended 49 U.S.C. Section 1612.
The Fair Housing Act as amended, 42 U.S.C. Section 3601-3631
Miami-Dade County Resolution No. R-385-95.

Any contract entered into based upon a false certification submitted pursuant to resolution No. R-385-95 shall be voidable by the County. If any attesting firm violates any of the Acts during the term of any contract such firm has with the County, such contract shall be voidable by the County, even if the attesting firm was not in violation at the time it submitted its certification.

Pursuant to Resolution No. R-385-95, as amended by Resolution No R-182-00, failure of the certifying firm to comply with the requirements of the Resolution may result in the debarment of those who knowingly violate the policy or falsify information.

FAMILY LEAVE PLAN CERTIFICATION

That in compliance with Ordinance No. 93-118 which amended Ordinance No. 91-142 of the Code of Miami Dade County, Florida, the above named entity provides the following information and is in compliance with all items in the aforementioned ordinance.

Employees, as defined in Section 2, Ordinance No. 93-118 and Chapter 11A of the Miami Dade County Code, shall be entitled to take leave on the same terms and conditions as are provided by Sections 102, 103, 104 and 108 of the Family and Medical Leave Act of 1993 (FMLA), Public Law No. 103-3, and any amendments thereto, with the exception of the following:

(a) An employee may also take leave under the ordinance to care for a grandparent with a serious health condition on the same terms and conditions as leave is permitted under the FMLA to care for a parent with a serious health condition.
(b) Employers are not required by the ordinance to maintain coverage under any group health plan for the duration of an employee's leave.
(c) Nothing in this ordinance shall be construed to affect any employee benefit plan that the employer may otherwise provide.

Pursuant to Ordinance No. 93-118, and Section 102 (Leave Requirements), Entitlement to Leave-Subject to section 103, an eligible employee shall be entitled to a total of 12 workweeks of leave during any 12-month period for one or more of the following:

(a) Because of the birth of a son or daughter of the employee and in order to care for such son or daughter.
(b) Because of the placement of a son or daughter with the employee for adoption or foster care.
(c) In order to care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition.
(d) Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.

Pursuant to Ordinance No. 91-142, as amended by Ordinance No. 93-118 and Resolution Nos. R-1499-91 and R-183-00, successful bidders and proposers who are employers covered by the Family Leave Ordinance shall, as a condition of award, certify that they provide family leave to their employees as required by such ordinance. The obligation to provide family leave to their employees shall be a contractual obligation. Failure to comply with the requirements of this section may result in debarment.

DOMESTIC LEAVE CERTIFICATION

Pursuant to Ordinance No. 99-5 and Resolution No. R-185-00, prior to entering into any contract with the County, a firm desiring to do business with the County, shall as a condition of award, certify that the firm is in compliance with the Domestic Leave Ordinance No. 99-5. The obligation to provide domestic violence leave to their employees shall be a contractual obligation. Failure to comply with the requirements of Resolution No. R-185-00, as well as the Domestic Leave Ordinance, may result in the contract being declared void, the contract being terminated and/or the firm being debarred.

The entity named above certifies that the firm is in compliance with the Domestic Leave Ordinance, Ordinance No. 99-05.

MIAMI-DADE COUNTY REGARDING DELINQUENT AND CURRENTLY DUE FEES OR TAXES CERTIFICATION

Except for small purchase orders and sole source contracts, the above named entity verifies that all delinquent and currently due fees or taxes - including but not limited to real and property taxes, utility taxes and occupational licenses - which are collected in the normal course by the Miami-Dade County Tax Collector as well as Miami-Dade County issued parking tickets for vehicles registered in the name of the entity have been paid.

Pursuant to Section 2-8.6, as amended by Ordinance No. 00-30, failure to comply with the policy may result in debarment.

DRUG-FREE WORK PLACE CERTIFICATION

The entity named above certifies that the firm will provide a drug free workplace in compliance with Section 2-8.1.2 of the Code of Miami-Dade County as amended by Miami-Dade County Ordinance 00-30.

Pursuant to Ordinance No. 92-15, as amended by Ordinance No. 00-30, failure to comply with the policies in these Ordinances may result in debarment for those persons.

CODE OF BUSINESS ETHICS CERTIFICATION

In accordance with Resolution R-994-99 each person or entity that seeks to do business with Miami-Dade County shall adopt the Miami-Dade County/Greater Miami Chamber of Commerce Code of Business Ethics as follows:

The Miami-Dade County/Greater Miami Chamber of Commerce seeks to create and sustain an ethical business climate for its members and the community by adopting a Code of Business Ethics. Miami-Dade County/Greater Miami Chamber of Commerce encourages its members to incorporate the principles and practices outlined here in their individual codes of ethics, which will guide their relationships with customers, clients and suppliers. This Model Code can and should be prominently displayed at all business locations and may be incorporated into marketing materials. Miami-Dade County/Greater Miami Chamber of Commerce believes that its members should use this Code as a model for the development of their organizations' business codes of ethics.

This Model Code is a statement of principles to help guide decisions and actions based on respect for the importance of ethical business standards in the community. Miami-Dade County/Greater Miami Chamber of Commerce believes the adoption of a meaningful code of ethics is the responsibility of every business and professional organization.

By affixing a signature on this Single Execution Condition of Award Certification, the Contractor hereby agrees to comply with the principles of Miami-Dade County/Greater Miami Chamber of Commerce Code of Business Ethics. If the Contractor firm's code varies in any way, the Contractor must identify the difference(s) on separate documents attached to this Single Execution Condition of Award Certification.

Compliance with Government Rules and Regulations

- We the undersigned Contractor will properly maintain all records and post all licenses and certificates in prominent places easily seen by our employees and customers.

- In dealing with government agencies and employees we will conduct business in accordance with all applicable rules and regulations and in the open.

- We, the undersigned Contractor will report contract irregularities and other improper or unlawful business practices to the Ethics Commission, the Office of Inspector General or appropriate law enforcement authorities.

Recruitment, Selection and Compensation of Contractors, Consultants, Vendors, and Suppliers

- We, the undersigned Contractor will avoid conflicts of interest and disclose such conflicts when identified.

- Gifts that compromise the integrity of a business transaction are unacceptable; we will not kick back any portion of a contract payment to employees of the other contracting party or accept such kickback.

Business Accounting

- All our financial transactions will be properly and fairly recorded in appropriate books of account,and there will be no "off the books" transactions or secret accounts.

Promotion and Sales of Products and Services

- Our products will comply with all applicable safety and quality standards.

- We, the undersigned Contractor will promote and advertise our business and its products or services in a manner that is not misleading and doer, not falsely disparage our competitors

- We, the undersigned Contractor will conduct business with government agencies and employees in a manner that avoids even the appearance of impropriety. Efforts to curry political favoritism are unacceptable.

- Our proposal will be competitive, appropriate to the request for proposals/qualifications documents and arrived at independently.

- Any changes to contracts awarded will have a substantive basis and not be pursued merely because we are the successful Contractor.

- We, the undersigned Contractor will, to the best of our ability, perform government contracts awarded at the price and under the terms provided for in the contract. We will not submit inflated invoices for goods provided or services performed under such contracts, and claims will be made only for work actually performed. We will abide by all contracting and subcontracting regulations.

- We, the undersigned Contractor will not, directly or indirectly, offer to give a bribe or otherwise channel kickbacks from contracts awarded, to government officials, their family members or business associates.

- We, the undersigned Contractor will not seek or expect preferential treatment on proposals based on our participation in political campaigns.

Public Life and Political Campaigns

- We, the undersigned Contractor encourage all employees to participate in community life, public service and the political process to the extent permitted by law
- We, the undersigned Contractor encourage all employees to recruit, support and elect ethical and qualified public officials and engage them in dialogue and debate about business and community issues to the extent permitted by law.
- Our contributions to political parties, committees or individuals will be made only in accordance with applicable laws and will comply with all requirements for public disclosure. All contributions made on behalf of the business must be reported to senior company management.
- We, the undersigned Contractor will not contribute to the campaigns of persons who are convicted felons or those who do not sign the Fair Campaign Practices Ordinance.
- We, the undersigned Contractor will not knowingly disseminate false campaign information or support those who do.

Pass-through Requirements

- This Code prohibits pass-through payments whereby the prime firm requires that the MBE firm accepts payments as an MBE and passes through those payments to another entity.

Rental Space, Equipment and Staff Requirements or Flat Overhead Fee Requirements

- This Code prohibits rental space requirements, equipment requirements, staff requirements and/or flat overhead fee requirements, whereby the prime firm requires the MBE firm to rent space, equipment and/or staff from the prime firm or charges a flat overhead fee for the use of space, equipment, secretary, etc.

MBE Staff Utilization

- This Code prohibits the prime firm from requiring the MBE firm to provide more staff then is necessary and then utilizing the MBE staff for other work to be performed by the prime firm.
- This Code also requires that on any contract where MBE participation is purported, the contract shall specify essential terms including, but not limited to, a specific statement regarding the percent of participation planned for MBEs, the timing of payments and when the work is to be performed.

DEPARTMENT OF BUSINESS DEVELOPMENT
AFFIRMATIVE ACTION PLAN SECTION

ORDINANCE NO. 98-30
AAP/PP AFFIDAVIT

Pursuant to Miami-Dade County's Ordinance No. 98-30, Section 2-8.1.5, entities with annual gross revenues in excess of $5,000,000 seeking to contract with the County shall as a condition of receiving a County contract have: 1) a written affirmative action plan which sets forth the procedures the entity utilizes to assure that it does not discriminate in its employment and promotion practices: and 2) a written procurement policy which sets forth the procedures the entity utilizes to assure that it does not discriminate against minority - and women – owned businesses in its own procurement of goods. supplies and services. Such affirmative action

plans and procurement policies shall provide for periodic review to determine their effectiveness in assuring the entity does not discriminate in its employment, promotion and procurement practices. The foregoing not withstanding, corporate entities whose board of directors are representative of the population make-up of the nation shall be presumed to have non-discriminatory employment and procurement policies, and shall not be required to have written affirmative action plans and procurement policies in order to receive a County contract. The foregoing presumption may be rebutted. The requirements of this section may be waived upon written recommendation of the County Manager that it is in the best interest of the County to do so and approval of the County Commission by majority vote of the members present.

Based on the above, please check the appropriate space below, and complete the affidavit as directed:

_____ My firm provides engineering, architectural, landscape architectural, land surveying and mapping services. My firm has forwarded our affirmative action to the Department of Business Development for review.

__X__ My firm has annual gross revenues in excess of $5,000,000. My firm's affirmative action plan and procurement policy has been forwarded to the Department of Business Development for review.

_____ My firm has annual gross revenues less than $5,000,000. Therefore, Ordinance No. 98-30 is not applicable.

_____ My firm has a Board of Directors which is representative of the population make-up of the nation. (Complete the following Affirmative Action Plan exemption affidavit)

If at any time the Department of Business Development (DBD) has reason to believe that any person or firm has willfully and knowingly provided incorrect information or made false statements, DBD may refer the matter to the State Attorney's Office and/or other investigative agencies. DBD may initiate debarment and/or pursue other legal remedies in accordance with Miami-Dade County policy and/or applicable federal, state and local laws.

The undersigned swears that the foregoing statements are true and correct. If after executing this affidavit there are any changes in the information submitted, the undersigned agrees to immediately inform DBD of such changes in writing.

For Questions regarding these requirements contact the Department of Business Development at (305) 349-5960

PROJECT FRESH START WELFARE-TO-WORK INITIATIVE
RESOLUTION R-702-98, AS AMENDED BY RESOLUTION NO. R-358-99

On June 16, 1998, the Board of County Commissioners adopted Resolution No. R-702-98, as amended by Resolution No. R-358-99, requiring entities entering into new, and renewing or extending existing contracts with Miami-Dade County, to make monetary contributions to Project Fresh Start, the County's welfare-to-work initiative. The resolution, with its contractual requirements and provisions, became effective on June 26, 1998, and was amended effective April 23, 1999.

The resolution applies to contracts for goods and services, including construction, which results in the actual payment of $500,000 or more by the County to a contracting entity. These contracts include competitively bid contracts advertised after June 26, 1998, and contracts resulting from an alternative procurement process which are entered into after June 26, 1998. The resolution also applies to post June 26, 1998, renewals of existing contracts, and contract extensions entered into after April 23, 1999, meeting the above criteria. After April 23, 1999, Project Fresh Start also applies to professional services agreements and contracts with fewer than 25 employees.

The requirements of those Resolutions do not pertain to contracts with an actual payment of less than $500,000, contracts with government entities, contracts with not-for-profit organizations, and grant awards. Furthermore, if five percent (5%) of the entity's workforce consists of individuals who reside in Miami-Dade County and who have lost or will lose cash assistance benefits (formerly Aid to Families with Dependent Children) as a result of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, the entity may request a waiver of the requirements of R-702-98, as amended by R-358-99.

Contributions to Project Fresh Start shall be based on the following scale

If the entity has a contract with the County that results in actual payment of an amount between:

$500,000 to $1,000,000,	**the entity shall contribute**	**$5,000**
$1,000,001 and $5,000,000,	**the entity shall contribute**	**$10,000**
$5,000,001 and $10,000,000,	**the entity shall contribute**	**$20,000**
$10,000,001, and over	**the entity shall contribute**	**$25,000**

[X] This entity will abide by the requirements with the understanding that the
[ ] This entity will not abide by the requirements program has been abated
[ ] This entity is exempt from these requirements for the year 2002.
[ ] This entity is seeking a waiver of these requirements

Project Title: _____

EXECUTE THIS AFFIDAVIT ONLY IF APPLICABLE

CONTRIBUTION TO PROJECT FRESH START WAIVER REQUEST AFFIDAVIT (RESOLUTION NO. 702-98)

I, _____ (Affiant) of _____ (Name of Entity), being duly first sworn, upon oath state that five percent (5%.) of this entity's work force consists of individuals who reside in Miami-Dade County and who have lost or who will lose cash assistance benefits (formerly Aid to Families with Dependent Children or ?AFDC?) as a result of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. Specifically _____ out of _____ Employees meet the requirements of this affidavit.

EMPLOYEE WORK FORCE INFORMATION

I hereby submit a complete list of employees that meet the requirements of this affidavit and provide the following information:

- Full Name of Employee
- Residential Address
- Date of Birth
- Social Security Number (Used for employment)

Therefore, pursuant to Section 3 of Resolution 702-98, I request a waiver of the requirements of Resolution 702-98, specifically the requirement that this entity contribute to Project Fresh Start

This single execution shall have the same force and effect as if each of the above affidavits had been individually executed.

FAIR SUBCONTRACTING POLICIES CERTIFICATION (ORDINANCE 97-35)

All selected proposers on County contracts in which subcontractors may be used shall be subject to and comply with Ordinance 97-35 as amended, requiring proposers to provide a detailed statement of their policies and procedures for awarding subcontracts which:

a) notifies the broadest number of local subcontractors of the opportunity to be awarded a subcontract;
b) invites local subcontractors to submit bids/proposals in a practical, expedient way;
c) provides local subcontractors access to information necessary to prepare and formulate a subcontracting bid/proposal;
d) allows local subcontractors to meet with appropriate personnel of the proposer to discuss the proposer's requirements; and
e) awards subcontracts based on full and complete consideration of all submitted proposals and in accordance with the proposer's stated objectives.

All proposers seeking to contract with the County shall, as a condition of award, provide a statement of their subcontracting policies and procedures. Proposers who fail to provide a statement of their policies and procedures may not be recommended by the County Manager for award by the Board of County Commissioners.

The term "local" means having headquarters located in Miami-Dade County or having a place of business located in Miami-Dade County from which the contract or subcontract will be performed.

The term "subcontractor" means a business independent of a Proposer that may agree with the Proposer to perform a portion of a contract.

The term "subcontract" means an agreement between a Proposer and a subcontractor to perform a portion of a contract between the Proposer and the County.

REQUIRED LISTING OF SUBCONTRACTORS AND SUPPLIERS ON COUNTY CONTRACTS CERTIFICATION:

In accordance with Ordinance 97-104, amended by Ordinance 00-30, all successful bidders and proposers on County contracts for purchases of supplies, materials or services, including professional services, which involve the expenditures of $100,000 or more and all bidders or proposers on County or Public Health Trust construction contracts which involve the expenditure of $100,000 or more shall provide, as a condition of award, a listing which identifies all first tier subcontractors who will perform any part of the contract work and describes the portion of the work such subcontractor will perform, and all suppliers who will supply materials for the contract work direct to the bidder or proposer and describes the materials to be so supplied. Failure to comply with this policy may result in debarment.

A bidder or proposer who is awarded the contract shall not change or substitute first tier subcontractors or direct suppliers or the portions of the work to be performed or materials to be supplied from those identified in the listing provided except upon written approval by the County.

FALSE CLAIMS ORDINANCE AFFIDAVIT

The purpose of the Miami-Dade County False Claims Ordinance No. 99-152 is to deter persons from knowingly causing or assisting in causing the County to pay claims that are false, fraudulent, or inflated, and to provide remedies for obtaining damages and civil penalties of the County when money is sought or obtained from the County by reason of a false claim. "Claim" means any invoice, statement, request, demand, lawsuit, or action under contract or otherwise for money, property or services made to any employee, officer, or agent of the County, or to any contractor, grantee, or other recipient if any portion of the money, property, or services requested or demanded was issued from or was provided by the County (hereinafter "County funds")

Additionally, Management shall maintain a final bid takeoff, that is, the final estimate, tabulation, or worksheet prepared by the bidder in anticipation of the bid submitted and which shall reflect the final bid price. The final bid takeoff shall contain a line item for allocation of overhead costs. The final bid takeoff is a condition precedent to submitting a claim under the Contract. Any violation of this ordinance may result in the sanctions provided for in the ordinance, including debarment.

This single execution shall have the same force and effect as if each of the above affidavits had been individually executed.

The applicable affidavits pertaining to Architectural/Engineering Services, RFQ's, RFP's, and Bids will apply accordingly.

Re: Accounts Receivable as of December 31, 2001

Dear Mr. Jenkins:

Pursuant to the terms of the Management Agreement, please remember that MDAD is required to pay on February 6, 2002 for all services that were invoiced prior to January 1, 2002. The Accounts receivable invoiced prior to that time is in the sum of $1,875,813 98 Please find attached a summary detailing each invoice. Please have these funds remitted on or before February 6th, along with all other monies then due under the Management Agreement

Please do not hesitate to contact us if you have any questions

Respectfully,
NextiraOne LLC

BILL OF SALE

KNOW ALL MEN BY THESE PRESENTS, that NEXTIRAONE, LLC f/k/a Williams Communications Solutions, LLC, a Delaware limited liability company ("SELLER"), for and in consideration of the sum of TEN DOLLARS ($10 00) and other good and valuable consideration, paid by *MIAMI-DADE COUNTY FLORIDA, a political subdivision of the State* of Florida ("BUYER"), the receipt and adequacy whereof is hereby acknowledged, has granted, bargained, sold, transferred and delivered, and by these presents do grant, bargain, sell, transfer and deliver unto BUYER, its successors an assigns, the following property:

1. All telecommunications, data network, common use terminal equipment infrastructure, and software assets used in connection with the Equipment Lease and Maintenance Agreement (dated July 24, 1990 retroactive to February 7, 1988) as is described in Schedule "A" thereto, including all required licenses and permits

2. All telecommunications, data network, common use terminal equipment infrastructure, and software assets used in connection with the Shared Airport Tenant Service Agreement (dated July 24, 1990 retroactive to February 7, 1988) as is described in Schedule "E" thereto, including all required licenses and permits.

TO HAVE AND TO HOLD the same unto BUYER, its successors and assigns forever.

AND SELLER does, for itself, its successors and assigns, covenant to and with BUYER, its successors and assigns, that SELLER is the lawful owner of said property; that they are free from all encumbrances; that SELLER has good right to sell and assign the same and that SELLER will warrant and defend the title of said property unto BUYER, its successors and assigns, against lawful claims and demands of all persons whomsoever, provided however, that the aforementioned covenants and conveyances are subject to the fact that, due to the complexity of the network and the many thousands of items contained therein, Schedules A and E do not include every item and may include some items which are not present

SELLER makes no warranty, express or implied, except as expressly set forth in and limited by that certain Non-Exclusive Telecommunications Data Network and Shared Airport Tenant Management Agreement dated as of the Acceptance Date described therein of February 6, 2002.

IN WITNESS WHEREOF, SELLER has executed these presents this 5 day of February, 2002.
